

where can i get the game cards against humanity

Where Can I Get the Game Cards Against Humanity?

where can i get the game cards against humanity is a question that pops up quite often among party game enthusiasts and those looking to liven up their game nights. Cards Against Humanity, known for its hilarious, edgy, and sometimes downright outrageous content, has become a staple in social gatherings. If you're wondering how and where to get your hands on this popular card game, you're in the right place. Let's explore the best avenues to find Cards Against Humanity, from official sources to alternative options that might suit your needs.

Understanding Cards Against Humanity and Its Popularity

Before diving into where you can get the game, it's worth understanding why Cards Against Humanity has become a go-to choice for many. The game's appeal lies in its simple and engaging format: players complete fill-in-the-blank statements using words or phrases that are typically humorous, politically incorrect, or downright absurd. This combination creates endless laughter and surprises, making it a hit for parties, game nights, and casual get-togethers.

Because of its popularity, there are numerous versions, expansions, and themed packs, which means knowing where to find the game can depend on what exactly you want—whether it's the original set or one of the many expansions.

Where Can I Get the Game Cards Against Humanity? Official Sources

1. The Official Cards Against Humanity Website

The most straightforward and reliable place to purchase Cards Against Humanity is directly from their official website. This ensures you're getting an authentic product, including the original base game and all the expansions. The official site often has exclusive bundles, seasonal editions, and sometimes limited releases that you won't find anywhere else.

Buying from the official source also guarantees support for the creators and

access to customer service if you encounter any issues. Plus, it's a great way to stay updated on new releases or special editions.

2. Major Online Retailers

If you prefer shopping via popular e-commerce platforms, several well-known online retailers stock Cards Against Humanity. Some of the most common include:

- **Amazon:** A convenient option with fast shipping and often competitive pricing. You can find both new and used copies, as well as bundles that include expansions.
- **Walmart:** Another trusted retailer offering the base game and some expansions. Walmart's online store often provides options for in-store pickup.
- **Target:** Target typically carries the game in-store and online, especially during holiday seasons when party games are in high demand.

These platforms often feature customer reviews and ratings, which can help you decide which version or bundle to choose.

3. Specialty Game Stores and Hobby Shops

For those who enjoy the tactile experience of shopping in physical stores, local game shops and hobby stores often stock Cards Against Humanity. These stores are a treasure trove for game lovers, offering a chance to browse expansions you might not easily find online. Plus, staff at these shops can recommend similar party games or expansions that suit your taste.

Shopping locally also supports small businesses and provides an immediate way to get the game without waiting for shipping.

Exploring Alternative Options and Expansions

4. Expansion Packs and Themed Sets

Once you have the base game, you might wonder about where to get expansions or themed versions. Popular expansions like the "Green Box," "Red Box," or

special editions such as “Holiday Pack” add fresh content and keep the gameplay interesting.

Most expansions are available through the same channels as the original game: the official website, Amazon, or local game stores. Keep an eye on bundle deals, especially during sales events like Black Friday or holiday promotions, to get more value.

5. Digital Versions and Print-and-Play Options

If you’re looking for a quick way to start playing or want to try the game before buying, there are digital versions and print-and-play options available. While the official Cards Against Humanity website offers a free printable version of the original cards, many third-party websites provide custom card sets and online platforms where you can play virtually with friends.

Online versions allow remote gameplay—perfect for virtual parties or connecting with friends who live far away. However, be cautious when downloading or printing cards from unofficial sources to avoid poor quality or incomplete sets.

Tips for Buying Cards Against Humanity

When considering where can i get the game cards against humanity, a few practical tips can help you make the best choice:

- **Check for authenticity:** Avoid counterfeit or unauthorized copies that may have missing cards or poor print quality.
- **Consider shipping costs:** Some online retailers may offer low prices but charge high shipping fees, so compare total costs.
- **Look for reviews:** Customer feedback can reveal important details about packaging, delivery speed, and product quality.
- **Watch for sales:** Major retailers and the official site frequently run discounts during holidays or special occasions.
- **Gift options:** If you’re buying the game as a gift, some sellers offer gift wrapping or personalized notes.

Where Can I Get the Game Cards Against Humanity Internationally?

For those outside the United States, finding Cards Against Humanity might require a bit more effort, but it's definitely possible. Here are some pointers:

6. International Shipping from Official and Major Retailers

The official Cards Against Humanity website ships internationally, though shipping fees and delivery times may vary. Similarly, Amazon and other global e-commerce platforms often have international versions or sellers who will ship worldwide.

7. Local Distributors and Online Marketplaces

Many countries have local distributors or dedicated online stores that stock Cards Against Humanity. For example, in the UK, Australia, or Canada, you can find retailers that carry the game and ship domestically. Platforms like eBay can also be a resource for both new and used copies.

8. Community and Social Media Groups

Sometimes, joining online gaming communities or social media groups dedicated to board games can help you locate sellers or individuals willing to ship or trade Cards Against Humanity. These communities often share tips on where to buy, current deals, or even organize group purchases to save on shipping.

Considering Alternatives to Cards Against Humanity

If your search for where can i get the game cards against humanity turns up empty or you're looking for something similar but different, several alternative party games capture the same spirit of humor and engagement:

- **What Do You Meme?:** A meme-based party game that combines photos and captions for hilarious results.

- **Exploding Kittens:** A quirky card game with strategy and humor, perfect for casual gatherings.
- **Apples to Apples:** The family-friendly predecessor to Cards Against Humanity, great for all ages.
- **Joking Hazard:** A comic strip-building game that's outrageous and funny.

These alternatives might be easier to find locally or online if Cards Against Humanity is out of stock or not available in your region.

Whether you're hunting for the original Cards Against Humanity, expansions, or digital versions, the key is to start with trusted sources that guarantee quality and authenticity. From official websites to well-known retailers and specialty stores, there are plenty of options to explore depending on your preferences and location. Happy gaming!

Cards Against Humanity: Where Can I Get the Game Cards Against Humanity?

where can i get the game cards against humanity is a question frequently posed by enthusiasts and newcomers alike who are eager to dive into one of the most popular party games of recent years. Known for its provocative humor and interactive gameplay, Cards Against Humanity has captured the attention of players worldwide. However, sourcing the game can sometimes be challenging due to its unique distribution approach and varying availability across different regions. This article provides a comprehensive overview of where to find the game, including official and alternative sources, while analyzing the pros and cons of each option.

Understanding the Popularity and Distribution of Cards Against Humanity

Cards Against Humanity (CAH) has established itself as a cultural phenomenon, thanks largely to its irreverent and often controversial style. Since its initial Kickstarter launch in 2011, the game has expanded into various editions and expansions, catering to diverse tastes and occasions. Understanding the game's distribution channels is essential for anyone asking, "where can i get the game cards against humanity" and seeking an authentic experience.

The game's official distribution strategy has been somewhat unconventional. Unlike many board games available widely in retail stores, Cards Against Humanity relies heavily on direct sales via its official website, with occasional partnerships with select retailers. This approach ensures quality control and reduces counterfeit risks but can limit accessibility in certain markets.

Official Website: The Primary Source

The most straightforward way to obtain Cards Against Humanity is through the official website (cardsagainsthumanity.com). Here, buyers can purchase the base game and a variety of expansion packs directly from the creators.

Shopping directly from the source has multiple advantages:

- **Authenticity:** Ensures the game is genuine and complete.
- **Latest Editions:** Access to the most recent versions and special editions.
- **Bundles and Discounts:** Periodic promotions and holiday bundles.

However, the official site primarily ships to the United States, which can result in higher shipping fees or longer delivery times for international customers. Additionally, during peak seasons, stock shortages may cause delays.

Retailers and Online Marketplaces

For those asking where else they can get the game cards against humanity, many turn to established online marketplaces such as Amazon, Walmart, and Target. These retailers often stock the base game and some expansions, sometimes offering competitive pricing and faster shipping, especially for domestic customers.

- **Amazon:** A vast marketplace with numerous sellers, offering both new and used copies. Amazon Prime members benefit from expedited shipping.
- **Walmart and Target:** Brick-and-mortar stores and online platforms where the game is often available. Price-matching policies can be advantageous.

While these options are convenient, buyers should be cautious about counterfeit or incomplete sets, especially from third-party sellers. Checking seller ratings and reviews is vital to ensure reliability.

Local Game Stores and Specialty Shops

Many local board game shops and specialty retailers stock Cards Against Humanity, particularly in urban areas with vibrant gaming communities. Visiting these stores can be beneficial for several reasons:

- **Immediate Availability:** No waiting for shipping.

- **Expert Advice:** Staff can provide recommendations on expansions and gameplay tips.
- **Community Engagement:** Opportunities to join game nights and social events.

However, the selection may be limited compared to online sources, and prices might be slightly higher due to overhead costs.

Alternative Options for Accessing Cards Against Humanity

In addition to official and retail sources, several alternative avenues exist for those seeking the game, especially in regions where availability is scarce.

Print-and-Play Versions

Cards Against Humanity offers a free print-and-play version on its official website, allowing users to download and print the cards themselves. This option is especially attractive for:

- **Budget-conscious players:** Eliminates purchase costs.
- **Customization enthusiasts:** Enables modification or creation of personalized card sets.
- **International players:** Avoids shipping complications.

Despite these benefits, print-and-play versions require access to a good printer and some assembly time. The tactile experience may differ from the professionally printed decks, which can affect gameplay enjoyment.

Second-hand Marketplaces

Platforms like eBay or Facebook Marketplace can be valuable resources for purchasing used or discontinued editions of Cards Against Humanity. Buyers should weigh the advantages and risks carefully:

- **Pros:** Potentially lower prices and access to rare expansions.
- **Cons:** Condition of cards may vary; risk of incomplete sets or scams.

Due diligence is essential—requesting photos and verifying seller credibility can mitigate common pitfalls.

Digital and Mobile Versions

In response to the growing demand for digital gameplay, unofficial online versions and apps inspired by Cards Against Humanity have emerged. While these can provide a convenient alternative, it is crucial to note that the official creators have not released an authorized digital version. Using unofficial apps may involve:

- **Legal and ethical concerns:** Potential copyright issues.
- **Quality variability:** Inconsistent user interfaces and gameplay mechanics.

For those interested in digital play, exploring party game platforms that offer similar mechanics might be a safer route.

Factors to Consider When Purchasing Cards Against Humanity

When exploring where can i get the game cards against humanity, several practical considerations influence the decision-making process.

Edition Variations and Expansions

Cards Against Humanity has released multiple editions and themed expansion packs, such as the “Green Box,” “Red Box,” and holiday-themed sets. Buyers should identify whether they want the original base game or specific expansions, as availability varies by source.

Price and Shipping Costs

Due to the game's popularity, prices can fluctuate depending on the retailer, region, and demand. Shipping fees, especially for international orders, can significantly impact the total cost. Comparing prices across platforms before purchasing is advisable.

Authenticity and Completeness

Ensuring the game is genuine and contains all necessary cards is essential for the intended experience. Official sources guarantee completeness, whereas third-party sellers require careful scrutiny.

Final Thoughts on Accessing Cards Against Humanity

The question "where can i get the game cards against humanity" leads to multiple viable options tailored to different preferences and circumstances. While the official website remains the most reliable source for authenticity and choice, alternative marketplaces, local stores, and print-and-play versions provide flexibility. Each avenue carries its own set of benefits and challenges, influencing factors such as cost, convenience, and quality. Ultimately, the decision hinges on the buyer's priorities—be it immediate access, budget constraints, or collection completeness—ensuring that the game's signature humor and social engagement can be enjoyed without compromise.

where can i get the game cards against humanity: **L. Brent Bozell: Volume I** L. Brent Bozell III, 2015-02-19 L. Brent Bozell and Tim Graham write a nationally syndicated political column for Creators Syndicate. This is a collection of the very best of their column from January to June of 2014.

where can i get the game cards against humanity: *Edinburgh Companion to Jane Austen and the Arts* Hannah Moss, Joe Bray, 2024-05-31 Jane Austen was a keen consumer of the arts throughout her lifetime. The *Edinburgh Companion to Jane Austen and the Arts* considers how Austen represents the arts in her writing, from her juvenilia to her mature novels. The thirty-three original chapters in this Companion cover the full range of Austen's engagement with the arts, including the silhouette and the caricature, crafts, theatre, fashion, music and dance, together with the artistic potential of both interior and exterior spaces. This volume also explores her artistic afterlives in creative re-imaginings across different media, including adaptations and transpositions in film, television, theatre, digital platforms and games.

where can i get the game cards against humanity: **Heartless** Tom Leveen, Friends. Family. Monsters. Urban legends of a murderous figure called Springheel Jack date back to the 19th century. What 16-year-old Baylee is about to learn is that "he" is most certainly for real...and not alone. Baylee and her older brother Elijah are orphans, their parents brutally murdered in what appears to be a random act of violence along an empty Nevada highway. Living now in another state with friends of the family they hardly know, the two teens do their best to build new friendships: shy Elijah with a small and loyal group of gamers, and quiet Baylee with exactly one tomboy skater friend, Krista...plus a strikingly beautiful and kind boyfriend Baylee won't tell anyone about. When Elijah suddenly gets his first girlfriend and Krista is picked up by a new boyfriend, both of them cease talking to Baylee. Determined to prove the two new kids are bad somehow, maybe even criminal, Baylee follows them out to the desert one night, and finds her worst fears are nothing compared to the bloody, gruesome truth. And her secret beau is right at the center of it... As Elijah slowly turns into something dangerous and otherworldly and Baylee's adoptive family moves to put

her into a psychiatric health facility after she tells the truth about what she knows, Baylee turns to the only people who might be able to Elijah human again: her brother's nerdy RPG gamer friends.

where can i get the game cards against humanity: Analog Game Studies: Volume II

Aaron Trammell, Evan Torner, Emma Leigh Waldron, 2017-05-05 Analog Game Studies is a bi-monthly journal for the research and critique of analog games. We define analog games broadly and include work on tabletop and live-action role-playing games, board games, card games, pervasive games, game-like performances, carnival games, experimental games, and more. Analog Game Studies was founded to reserve a space for scholarship on analog games in the wider field of game studies.

where can i get the game cards against humanity: Games C. Thi Nguyen, 2020 Games are a unique art form. They do not just tell stories, nor are they simply conceptual art. They are the art form that works in the medium of agency. Game designers tell us who to be in games and what to care about; they designate the player's in-game abilities and motivations. In other words, designers create alternate agencies, and players submerge themselves in those agencies. Games let us explore alternate forms of agency. The fact that we play games demonstrates something remarkable about the nature of our own agency: we are capable of incredible fluidity with our own motivations and rationality. This volume presents a new theory of games which insists on games' unique value in human life. C. Thi Nguyen argues that games are an integral part of how we become mature, free people. Bridging aesthetics and practical reasoning, he gives an account of the special motivational structure involved in playing games. We can pursue goals, not for their own value, but for the sake of the struggle. Playing games involves a motivational inversion from normal life, and the fact that we can engage in this motivational inversion lets us use games to experience forms of agency we might never have developed on our own. Games, then, are a special medium for communication. They are the technology that allows us to write down and transmit forms of agency. Thus, the body of games forms a library of agency which we can use to help develop our freedom and autonomy. Nguyen also presents a new theory of the aesthetics of games. Games sculpt our practical activities, allowing us to experience the beauty of our own actions and reasoning. They are unlike traditional artworks in that they are designed to sculpt activities - and to promote their players' aesthetic appreciation of their own activity.

where can i get the game cards against humanity: The Revenge of Analog David Sax, 2016-11-08 One of Michiko Kakutani's (New York Times) top ten books of 2016 A funny thing happened on the way to the digital utopia. We've begun to fall back in love with the very analog goods and ideas the tech gurus insisted that we no longer needed. Businesses that once looked outdated, from film photography to brick-and-mortar retail, are now springing with new life. Notebooks, records, and stationery have become cool again. Behold the Revenge of Analog. David Sax has uncovered story after story of entrepreneurs, small business owners, and even big corporations who've found a market selling not apps or virtual solutions but real, tangible things. As e-books are supposedly remaking reading, independent bookstores have sprouted up across the country. As music allegedly migrates to the cloud, vinyl record sales have grown more than ten times over the past decade. Even the offices of tech giants like Google and Facebook increasingly rely on pen and paper to drive their brightest ideas. Sax's work reveals a deep truth about how humans shop, interact, and even think. Blending psychology and observant wit with first-rate reportage, Sax shows the limited appeal of the purely digital life-and the robust future of the real world outside it.

where can i get the game cards against humanity: Games of History Apostolos Spanos, 2021-06-13 Games of History provides an understanding of how games as artefacts, textual and visual sources on games and gaming as a pastime or a "serious" activity can be used as sources for the study of history. From the vast world of games, the book's focus is on board and card games, with reference to physical games, sports and digital games as well. Considering culture, society, politics and metaphysics, the author uses examples from various places around the world and from ancient times to the present to demonstrate how games and gaming can offer the historian an alternative, often very valuable and sometimes unique path to the past. The book offers a thorough

discussion of conceptual and material approaches to games as sources, while also providing the reader with a theoretical starting point for further study within specific thematic chapters. The book concludes with three case studies of different types of games and how they can be considered as historical sources: the gladiatorial games, chess and the digital game Civilization. Offering an alternative approach to the study of history through its focus on games and gaming as historical sources, this is the ideal volume for students considering different types of sources and how they can be used for historical study, as well as students who study games as primary or secondary sources in their history projects.

where can i get the game cards against humanity: *Ethics in Comedy* Steven A. Benko, 2020-10-16 All humans laugh. However, there is little agreement about what is appropriate to laugh at. While laughter can unite people by showing how they share values and perspectives, it also has the power to separate and divide. Humor that crosses the line can make people feel excluded and humiliated. This collection of new essays addresses possible ways that moral and ethical lines can be drawn around humor and laughter. What would a Kantian approach to humor look like? Do games create a safe space for profanity and offense? Contributors to this volume work to establish and explain guidelines for thinking about the moral questions that arise when humor and laughter intersect with medicine, gender, race, and politics. Drawing from the work of stand-up comedians, television shows, and ethicists, this volume asserts that we are never just joking.

where can i get the game cards against humanity: *Examining the Evolution of Gaming and Its Impact on Social, Cultural, and Political Perspectives* Valentine, Keri Duncan, Jensen, Lucas John, 2016-06-20 With complex stories and stunning visuals eliciting intense emotional responses, coupled with opportunities for self-expression and problem solving, video games are a powerful medium to foster empathy, critical thinking, and creativity in players. As these games grow in popularity, ambition, and technological prowess, they become a legitimate art form, shedding old attitudes and misconceptions along the way. *Examining the Evolution of Gaming and Its Impact on Social, Cultural, and Political Perspectives* asks whether videogames have the power to transform a player and his or her beliefs from a sociopolitical perspective. Unlike traditional forms of storytelling, videogames allow users to immerse themselves in new worlds, situations, and politics. This publication surveys the landscape of videogames and analyzes the emergent gaming that shifts the definition and cultural effects of videogames. This book is a valuable resource to game designers and developers, sociologists, students of gaming, and researchers in relevant fields.

where can i get the game cards against humanity: *We Were Spiritual Refugees* Katie Hays, 2020-02-18 Church reimagined for a new day Katie Hays, planter-pastor of Galileo Church, shares the story of departing from the traditional church for the frontier of the spiritual-but-not-religious and building community with Jesus-loving (or at least Jesus-curious) outsiders. Now well-established, Galileo Church “seeks and shelters spiritual refugees” in the suburbs of Fort Worth, Texas—especially young adults, LGBTQ+ people, and all the people who love them. Told in funny, poignant, and short vignettes, Galileo's story is not one of how to be cool for Christ. Like its founder, Galileo is deeply uncool and deeply devout, and always straining ahead to see what God will do next. Hays says curiosity is her greatest virtue, and she recounts how her curiosity led her to share the good news with people who are half her age and intensely skeptical. If you are all-in with Jesus but have trust issues with church, *We Were Spiritual Refugees* will give you hope for finding a community-of-belonging to call home.

where can i get the game cards against humanity: *Mr. Bud's Pot Smoking Games* Mr. Bud, 2014-04-22 Smoking out is a well-loved, time-honored pastime for many. But sitting on the same couch with the same people watching the same stuff on TV can be a real buzzkill. With games ranging from the dice classic Zonk to creative twists on card and board games, Mr. Bud's Pot Smoking Games is packed with endless hours of high-times hijinks that effortlessly create a smoking-hot party. These green twists on game night make for hours of hilarity that take even a seasoned stoner back to the heady high of that first tender hit. The gauntlet of good times includes Strip Choker, where you've got to cough to get off; Twisted Twister, where the players gets all

tangled up in green; Hold It!, in which a straight face and strong lungs win the night; Battlespliffs, where the classic contest of getting sunk gets skunked; and many more. Topping off the fun is an epic list of movie games to play while watching stoner classics like Half Baked, Harold and Kumar Go to White Castle, and Reefer Madness.

where can i get the game cards against humanity: Challenging Contemporary Thinking on Play Victoria de Rijke, Rebecca Sinker, 2025-08-05 This book explores the leaps and overlaps of play and aesthetic activity, across theories of feminism and posthumanism, neuroscience, ethology, pedagogy and postdevelopmental thinking, sociologies of space, game design and digital play from the very young to artist's practice. It concludes with an entirely original exploration of dark play, and its complexities. As a series of interview or conversation pieces, key thinkers in each area of focus toy with positions around their field's identification of play, proactively countering their Eurocentric demographic by drawing on examples of playful and arts practice/'research acts' from as diverse a global reach as possible. Drawing on an interdisciplinary methodology including phenomenological, materialist, posthumanist and arts practice as a form of research, the book challenges and criticizes over-used or lazy applications of play and bring theories of possibility and thinking into the arena of culture within contemporary conceptual reference. Formulaic and production-led education is critiqued, arguing that to engage more fully with pedagogies of play and its in-built interdisciplinarity and criticality carries risks but with that, transformative practices.

where can i get the game cards against humanity: The Game Changer Lana Ferguson, 2024-07-09 An instant USA Today bestseller A hockey player and a baker shoot their shot in this steamy new romance by Lana Ferguson, USA Today bestselling author of The Nanny. When a very public breakup becomes a PR nightmare for Ian Chase's team, he hopes to focus on his game, but that suddenly seem less likely than a hat trick. With his career and the team's image in jeopardy, Ian is surprised to find a solution through none other than Delilah Baker, his best friend and teammate's little sister...who isn't so little anymore. Delilah Baker is known as "the darling of baking" on her local cable show, and being in the public eye is her bread and butter. But with her numbers dwindling and her producers turning up the heat, Delilah offers up the half-baked idea to collaborate with her brother's team to entice the hockey fans of Boston to tune in to her show. Delilah thinks it will be a piece of cake—until the team sends Ian Chase, her brother's best friend and the object of a decade-long crush that she's never quite gotten over. Delilah's and Ian's teams think it's a true win-win situation—gaining higher numbers for Delilah's show and casting Ian in a more positive light. And viewers are eating them up like a cupcake, sparking the idea to play up their relationship for the goal of good press. With more than just their careers on thin ice, the line between what's real and what's for show begins to blur, but one thing's for certain: This PR stunt will either be a total game changer—or leave them both totally pucked.

where can i get the game cards against humanity: Your Turn! Scott Rogers, 2023-09-27 Whether you are a novice or experienced pro, this easy-to-follow guide to designing board games is for you! where can i get the game cards against humanity: Creating a Blockbuster Brand Greg Logan, 2025-06-24 Learn the secrets of successful movie storytelling for your business. For years,

experts have emphasized the need for brands to become better storytellers, yet practical guidance has been scarce - until now. Using the successful storytelling formulas that movies use to hook audiences, this innovative workbook helps any business create emotionally powerful stories that can produce blockbuster results. Often, businesses fail to connect with their customers because they rely too heavily on rationality and corporate clichés. This roadmap guides business leaders away from telling the story they want to tell and towards the story their audience wants to hear. Create a new Enemy & Superpower, Quest, Controlling Idea, Synopsis, Backstory, Logline, and much more. Start capturing the attention of your audience - and their wallets. Ideal for any business or individual aiming to attract attention, investors, and customers, Creating a Blockbuster Brand reveals the essentials of winning hearts and minds. Discover how to engage your audience effectively with the transformative power of storytelling.

where can i get the game cards against humanity: Ludic Inquiries Into Power and Pedagogy in Higher Education Amelia Walker, Helen Grimmer, Alison L. Black, 2024-08-30 This book interrogates the role games and playfulness bear in both formal education and informal social learning. Responsive to contemporary social and ecological challenges, this book especially explores games' interactions with social power. On one hand, games sometimes operate to reinforce ideologies that normalise social injustice and environmental disregard. On the other, games offer rich possibilities for questioning such ideologies and encouraging change. Strongly interdisciplinary, the book assembles 20 chapters written by 50 experts across fields including education, game design, cultural studies, sociology, Indigenous studies, disability studies, queer studies, STEM, legal studies, history, creative writing, visual arts, music, the creative industries, and social inclusion. These contributions not only make games a focus but incorporate playful research writing strategies, demonstrating methods of what we term ludic inquiry. This includes chapters written using arts-based research, practice-led research, poetic inquiry, narrative inquiry, autoethnography, duoethnography, and more. Organised across four themes - 'philosophical sparks', 'lived experiences', 'pedagogical perspectives', and 'the spirit of play' - this book emphasises the radical egalitarian possibilities inherent in critical attention to games and how we play (or get played by) them. Its fresh insights will interest all readers interested in creatively remaking our worlds.

where can i get the game cards against humanity: Indie Games in the Digital Age M.J. Clarke, Cynthia Wang, 2020-04-16 A host of digital affordances, including reduced cost production tools, open distribution platforms, and ubiquitous connectivity, have engendered the growth of indie games among makers and users, forcing critics to reconsider the question of who makes games and why. Taking seriously this new mode of cultural production compels analysts to reconsider the blurred boundaries and relations of makers, users and texts as well as their respective relationship to cultural power and hierarchy. The contributions to Indie Games in the Digital Age consider these questions and examine a series of firms, makers, games and scenes, ranging from giants like Nintendo and Microsoft to grassroots games like Cards Against Humanity and Stardew Valley, to chart more precisely the productive and instructive disruption that this new site of cultural production offers.
