A Special Relationship Douglas Kennedy: Exploring the Depths of Connection and Emotion

a special relationship douglas kennedy is not just a phrase to fans of contemporary literature; it resonates deeply through the themes and characters crafted by the acclaimed American author Douglas Kennedy. Known for his compelling storytelling and emotional depth, Kennedy's works often explore the complexities of human relationships, identity, and the search for meaning. In this article, we'll delve into the nuances of what makes a special relationship in Douglas Kennedy's narratives so captivating, why readers connect with his characters on such a profound level, and how his storytelling techniques reveal the intricate dance between love, loss, and self-discovery.

Understanding a Special Relationship in Douglas Kennedy's Novels

Douglas Kennedy's novels frequently revolve around the dynamics between individuals who share unique bonds—whether romantic, familial, or platonic—that shape their journeys and transformations. The phrase “a special relationship Douglas Kennedy” encapsulates more than just a plot device; it embodies the emotional architecture that supports his storytelling.

The Emotional Complexity of Relationships

Kennedy's characters are rarely black and white; their relationships mirror real-life complexities filled with contradictions, misunderstandings, and moments of profound connection. For example, in novels like **The Big Picture** and **Five Days**, he explores how relationships can serve as catalysts for self-reflection and change. His protagonists often find themselves questioning their values and past choices through the lens of these special relationships, making readers ponder the fragile nature of trust and intimacy.

Connection Beyond Romance

While love stories often headline many of Kennedy's books, his depiction of special relationships transcends conventional romance. Friendships, parent-child relationships, and even fleeting encounters carry significant weight. This broader view of connection invites readers to appreciate the diverse ways humans affect each other's lives. The emphasis on authentic dialogue and emotional vulnerability in his writing helps create a sense of realism that is both refreshing and relatable.

Why Readers Are Drawn to a Special Relationship

Douglas Kennedy Writes About

If you've ever felt captivated by Kennedy's novels, it's likely because his portrayal of relationships feels both intimate and universal. Here's why his work resonates so deeply:

Relatable Characters Facing Real-Life Challenges

Kennedy's protagonists are often ordinary people caught in extraordinary circumstances. Whether grappling with grief, career upheaval, or complex family dynamics, these characters embody the struggles many readers face. The special relationships they form or lose become mirrors for our own experiences, making the stories more immersive and emotionally impactful.

A Narrative That Balances Tension and Tenderness

One hallmark of Kennedy's storytelling is his ability to balance suspenseful, sometimes thriller-like plots with tender moments of human connection. This duality keeps readers engaged while also providing emotional catharsis. The special relationships within his stories often serve as anchors amid chaos, offering hope or redemption.

Exploration of Identity and Belonging

Another reason "a special relationship Douglas Kennedy" stands out is the author's exploration of identity through relationships. His characters often wrestle with who they are in relation to others, seeking belonging and acceptance. This theme taps into a fundamental human desire, making his novels resonate across cultures and age groups.

Techniques Douglas Kennedy Uses to Portray a Special Relationship

Kennedy's craft is a blend of narrative skill and emotional insight. Here are some techniques he employs to bring his characters' relationships to life:

Multi-Perspective Storytelling

By allowing multiple viewpoints within his novels, Kennedy provides a richer, more nuanced understanding of relationships. Readers see the same interaction from different angles, revealing hidden motivations and misunderstandings that deepen the story's emotional complexity.

Vivid Settings That Reflect Emotional States

Kennedy often uses setting not just as a backdrop but as a reflection of his characters' inner worlds. Whether it's the bustling streets of Paris or the quiet solitude of a New England town, the environment mirrors the moods and tensions within the special relationships, enhancing the reader's immersion.

Dialogue That Feels Authentic and Revealing

Dialogue in Kennedy's work is purposeful and natural, capturing the subtle shifts in tone and meaning that characterize real conversations. These moments often reveal more about the characters' feelings than their actions, highlighting the delicate nature of communication in special relationships.

Lessons and Insights from a Special Relationship Douglas Kennedy Explores

Reading Douglas Kennedy offers more than entertainment; it provides valuable insights into human connection. Here are some takeaways inspired by his portrayal of relationships:

- **Vulnerability is Strength:** Kennedy's characters show that opening up emotionally, despite the risk of hurt, is essential to forming meaningful bonds.
- **Relationships Are Evolving:** Special relationships aren't static; they grow, change, and sometimes dissolve, reflecting the fluid nature of life itself.
- **Self-Discovery Through Others:** Kennedy illustrates that understanding ourselves often happens through the way we relate to others.
- **The Power of Forgiveness:** Many stories emphasize forgiveness as a critical step toward healing and sustaining relationships.

How to Apply the Essence of a Special Relationship Douglas Kennedy Depicts in Real Life

Kennedy's novels offer more than literary enjoyment; they inspire reflection on our own relationships. Here are practical ways to embrace the lessons from his work:

Practice Active Listening

Like Kennedy's characters, who often learn through dialogue, committing to truly hearing others can deepen your connections. Active listening involves paying attention without interrupting and validating feelings even when you disagree.

Embrace Imperfection

Special relationships aren't flawless. Accepting imperfections in yourself and others can lead to more authentic, resilient bonds. Kennedy's stories remind us that flaws and mistakes are part of the human experience.

Make Room for Change

As relationships evolve, flexibility and openness to change are vital. Kennedy's narratives encourage embracing growth, whether that means redefining roles or letting go of past grievances.

Value Emotional Honesty

Honest communication, even when difficult, fosters trust. Taking inspiration from the emotional transparency in Kennedy's work can help nurture deeper understanding and intimacy.

The Enduring Appeal of a Special Relationship Douglas Kennedy Captures

What sets Douglas Kennedy apart as a storyteller is his ability to capture the essence of what it means to be connected to another human being in a world that often feels fragmented. His exploration of "a special relationship" is not just about the bonds themselves but the transformative power they hold. Readers come away with a richer appreciation of love, loss, and the enduring hope that defines the human spirit.

For anyone interested in stories that combine emotional depth with compelling plots, diving into Douglas Kennedy's works offers a journey through the many facets of connection. Whether you are a longtime fan or new to his writing, the special relationships he portrays will likely stay with you long after the last page is turned.

****Exploring "A Special Relationship" by Douglas Kennedy: A Deep Dive into Complex Human Connections****

a special relationship douglas kennedy serves as a compelling exploration of the intricate bonds that define human interaction. Known for his keen psychological insight and narrative prowess, Douglas Kennedy delves into the nuances of relationships in this work, offering readers a profound look at the forces that bind individuals together. This article examines the thematic layers, character development, and stylistic elements that make "A Special Relationship" a noteworthy contribution to contemporary literature.

Understanding the Core Themes of "A Special Relationship"

Douglas Kennedy's storytelling often revolves around the complexity of personal ties, and "A Special Relationship" is no exception. At its heart, the narrative scrutinizes the emotional and psychological dynamics that underscore intimate connections. The novel challenges readers to consider how trust, vulnerability, and shared history shape the way people relate to one another.

One of the central themes is the ambiguity inherent in relationships that straddle the line between friendship, love, and obligation. Kennedy's portrayal avoids simplistic categorization, instead presenting relationships as fluid and multifaceted. This approach resonates with readers who recognize that human bonds rarely fit neatly into defined boxes.

Psychological Depth and Character Complexity

Kennedy's strength lies in crafting characters who embody emotional realism. In "A Special Relationship," protagonists are depicted with layers of internal conflict and unresolved tensions. This psychological depth invites readers to engage with the characters on a more intimate level, fostering empathy and introspection.

The novel's characters often grapple with past traumas and personal insecurities, which influence

their interactions and decisions. Kennedy's nuanced portrayal sheds light on how individuals navigate their fears and desires within the constraints of societal expectations and personal histories.

Stylistic Elements and Narrative Structure

Douglas Kennedy employs a narrative style that is both accessible and sophisticated. His prose balances descriptive richness with clear, concise storytelling. This ensures that the thematic complexity of "A Special Relationship" is communicated effectively without alienating readers.

The structure of the novel often mirrors the fragmented nature of memory and emotion, employing shifts in perspective and non-linear timelines. This technique enhances the immersive quality of the narrative, allowing readers to piece together the characters' experiences much like assembling a puzzle.

Comparative Insights: Douglas Kennedy's Work in Context

When situating "A Special Relationship" within Kennedy's broader oeuvre, it is notable how this work synthesizes elements from his previous novels while charting new emotional territory. Compared to earlier works such as "The Big Picture" or "The Woman in the Fifth," this novel offers a more intimate focus on the subtleties of interpersonal dynamics rather than external drama.

In the landscape of contemporary fiction that explores relationships, Kennedy's novel stands out for its restraint and psychological acuity. Unlike more sensationalist takes on romance or friendship, "A Special Relationship" opts for realism and emotional honesty, traits that have endeared Kennedy to a mature and discerning readership.

Pros and Cons of Kennedy's Approach in "A Special Relationship"

- **Pros:** Deep character development, realistic portrayal of complex emotions, sophisticated narrative style, and insightful thematic exploration.
- **Cons:** The deliberate pacing and introspective focus may not appeal to readers seeking fast-moving plots or overt action.

Relevance and Resonance in Today's Social Climate

The exploration of "a special relationship douglas kennedy" presents timely reflections on how

modern relationships are shaped by both personal and cultural factors. In an era marked by digital communication and shifting social norms, Kennedy's emphasis on genuine emotional connection gains added significance.

The novel encourages readers to reconsider the meaning of intimacy and the ways in which individuals maintain or sever bonds in an increasingly fragmented world. Its insights into trust and emotional vulnerability offer valuable perspectives for anyone interested in the psychology of human relationships.

Influence of Setting and Cultural Context

Kennedy's choice of setting plays a crucial role in amplifying the novel's themes. The environments depicted often serve as metaphors for the characters' internal states, reflecting feelings of isolation, entrapment, or liberation. This interplay between place and emotion enriches the narrative and provides layers of interpretive depth.

Moreover, the cultural backdrop against which the story unfolds highlights the tensions between traditional expectations and contemporary realities. This contextualization allows Kennedy to comment subtly on societal pressures that impact personal relationships.

Final Reflections on "A Special Relationship" by Douglas Kennedy

Engaging with "a special relationship douglas kennedy" reveals a work that is both intellectually stimulating and emotionally resonant. Through meticulous character study and a thoughtful narrative approach, Kennedy invites readers to confront the complexities of human connection. The novel's subtlety and depth offer a rewarding experience for those willing to delve beneath the surface of everyday interactions.

By weaving together psychological insight with literary craftsmanship, Douglas Kennedy continues to solidify his reputation as a writer who captures the essence of what it means to relate, love, and sometimes lose. "A Special Relationship" thus stands as a meaningful exploration of the ties that define us, encouraging reflection long after the final page is turned.

a special relationship douglas kennedy: A Special Relationship Douglas Kennedy, 2010-06-15 From the #1 internationally bestselling author of *Five Days* and *The Blue Hour* comes an unforgettable novel about a woman who seemingly has it all, until the man she trusted the most threatens to take it all away. About an hour after I met Tony Hobbs, he saved my life. Thirty-seven-year-old American journalist Sally Goodchild quite literally married her hero. Both foreign correspondents, both on assignment in Cairo, they quickly fell in love and settled into domestic life in London. From the outset, Sally's relationship with both Tony and his hometown was

an uneasy one—as she found both to be far more unfamiliar than imagined. But her adjustment problems are soon overshadowed by a troubled pregnancy. When she goes into premature labor, there are doubts whether her child will survive unscathed. And then, out of nowhere, Sally is hit by an appalling postpartum depression—a descent into a temporary, but very personal hell, which even sees her articulating a homicidal thought against her baby. However, when she does manage to extricate herself from this desperate state, she finds herself in a fresh new nightmare, as she discovers that the man she thought knew her better than anyone—loved her more than anyone—now considers her an unfit mother and wants to bar her from ever seeing her child again.

a special relationship douglas kennedy: A Special Relationship Douglas Kennedy, 2003-08-28

a special relationship douglas kennedy: *The Douglas Kennedy Collection #1* Douglas Kennedy, 2012-12-18 Three amazing novels in one fabulous ebook by #1 internationally bestselling author Douglas Kennedy. *The Pursuit of Happiness*: Manhattan, Thanksgiving eve, 1945. The war was over, and Eric Smythe's party was in full swing. All his clever Greenwich Village friends were there. So too was his sister Sara, an independent, outspoken young woman, starting to make her way in the big city. And then in walked Jack Malone, a U.S. Army journalist just back from a defeated Germany, a man whose world view was vastly different than that of Eric and his friends. This chance meeting between Sara and Jack and the choices they both made in the wake of it would eventually have profound consequences, both for themselves and for those closest to them for decades afterwards. Set amidst the dynamic optimism of postwar New York and the subsequent nightmare of the McCarthy era, *The Pursuit of Happiness* is a great, tragic love story; a tale of divided loyalties, decisive moral choices, and the random workings of destiny. *A Special Relationship*: About an hour after I met Tony Hobbs, he saved my life. Thirty-seven-year-old American journalist Sally Goodchild quite literally married her hero. Both foreign correspondents, both on assignment in Cairo, they quickly fell in love and settled into domestic life in London. From the outset, Sally's relationship with both Tony and his hometown was an uneasy one; she found both to be far more unfamiliar than imagined. But her adjustment problems are soon overshadowed by a troubled pregnancy. When she goes into premature labor, there are doubts whether her child will survive unscathed. And then, out of nowhere, Sally is hit by an appalling postpartum depression—a descent into a temporary, but very personal hell, which even sees her articulating a homicidal thought against her baby. However, when she does manage to extricate herself from this desperate state, she finds herself in a fresh new nightmare, as she discovers that the man she thought knew her better than anyone—loved her more than anyone—now considers her an unfit mother and wants to bar her from ever seeing her child again. *State of the Union*: America in the 1960s was an era of radical upheaval—of civil rights protests and anti-war marches; of sexual liberation and hallucinogenic drugs. More tellingly, it was a time when you weren't supposed to trust anyone over the age of thirty; when, if you were young, you rebelled against your parents and their conservative values. But not Hannah Buchan. Hannah is a great disappointment to her famous radical father and painter mother. Instead of mounting the barricades and embracing this age of profound social change, she wants nothing more than to marry her doctor boyfriend and raise a family in a small town. Hannah gets her wish. But once installed as the doctor's wife in a nowhere corner of Maine, boredom sets in... until an unforeseen moment of personal rebellion changes everything. For decades, this one transgression in an otherwise faultless life remains buried. But then, in the charged atmosphere of America after 9/11, her secret comes out and her life goes into freefall.

a special relationship douglas kennedy: The Douglas Kennedy Reader's Companion Douglas Kennedy, 2013-03-26 A glorious sampling of eight amazing novels by the #1 internationally bestselling author Douglas Kennedy—*Five Days*, *The Moment*, *Leaving the World*, *The Woman in the Fifth*, *Temptation*, *State of the Union*, *A Special Relationship*, and *The Pursuit of Happiness*.

a special relationship douglas kennedy: The Pursuit of Happiness Douglas Kennedy, 2001-01-01 Manhattan, Thanksgiving Eve, 1945. The war was over, and Eric Smythe's party was in full swing. All his clever Greenwich Village friends were there. So too was his sister Sara -- an

independent, canny young woman, starting to make her way in the big city. And then in walked a gatecrasher, Jack Malone -- a U. S. Army journalist just back from a defeated Germany, and a man whose world-view did not tally with that of Eric and his friends. Set amidst the dynamic optimism of postwar New York and the subsequent nightmare of the McCarthy witch-hunts, *The Pursuit of Happiness* is a great tragic love story; a tale of divided loyalties, decisive moral choices, and the random workings of destiny.

a special relationship douglas kennedy: Churchill and the Anglo-American Special Relationship Alan P. Dobson, Steve Marsh, 2017-02-24 This book examines Winston Churchill's role in the creation and development of the Anglo-American special relationship. Drawing together world leading and emergent scholars, this volume offers a critical celebration of Churchill's contribution to establishing the Anglo-American special relationship. Marking the seventieth anniversary of Churchill's pronouncement in 1946 of that special relationship in his famous Iron Curtain speech, the book provides new insights into old debates by drawing upon approaches and disciplines that have hitherto been marginalised or neglected. The book foregrounds agency, culture, values, ideas and the construction and representation of special Anglo-American relations, past and present. The volume covers two main themes. Firstly, it identifies key influences upon Churchill as he developed his political career, especially processes and patterns of Anglo-American convergence prior to and during World War Two. Second, it provides insights into how Churchill sought to promote a post-war Anglo-American special relationship, how he discursively constructed it and how he has remained central to that narrative to the present day. From this analysis emerges new understanding of the raw material from which Churchill conjured special UK-US relations and of how his conceptualisation of that special relationship has been shaped and re-shaped in the decades after 1946. This book will be of much interest to students of Anglo-American relations, Cold War Studies, foreign policy, international history and IR in general.

a special relationship douglas kennedy: Special Relationships in World Politics Kristin Haugevik, 2018-09-03 Claims of inter-state 'specialness' are commonplace in international politics. But how do some relationships between states come to be seen and categorized as 'special' in the first place? And what impact, if any, do recurring public representations of specialness have on states' political and diplomatic interaction? While much scholarly work exists on alleged instances of special relationships, and on inter-state cooperation and alliances more generally, little systematic and theory informed research has been conducted on how special relationships evolve and unfold in practice. This book offers such a comprehensive study. Theorizing inter-state relations as ongoing social processes, it makes the case for approaching special relationships as constituted and upheld through linguistic representations and bilateral interaction practices. Haugevik explores this claim through an in-depth study of how the bilateral relationship most frequently referred to as 'special' - the US-British - has unfolded over the last seventy years. This analysis is complemented with a study of Britain's relationship with a more junior partner, Norway, during the same period. The book offers an original take on inter-state relations and diplomacy during the Cold War and after, and develops an analytical framework for understanding why some state relationships maintain their status as 'special', while others end up as 'benignly neglected' ones.

a special relationship douglas kennedy: Lyndon B. Johnson and the Politics of Arms Sales to Israel Abraham Ben-Zvi, 2004-02-05 Lyndon B. Johnson and the Politics of Arms Sales to Israel seeks to reconstruct and elucidate the processes behind the decisions made by the Johnson Administration

during the years 1965-68 to sell Israel M-48 tanks, A-4 Skyhawk planes and F-4 Phantom planes. This examination is based on a distinction between three factions which competed for influence within Washington's high-policy elite: the traditionalists (whose major representative was Secretary of State Dean Rusk); the pragmatists (whose most outspoken representative was Robert Komer of the National Security Council); and the domestically oriented policymakers (the central decision-maker who quintessentially exemplifies this category being President Johnson). This book is a sequel to: John F. Kennedy and the Politics of Arms Sales to Israel, which examined the first arms deal between the US and Israel.

a special relationship douglas kennedy: *America's 'Special Relationships'* John Dumbrell, Axel Schäfer, 2009-09-10 This unique volume seeks to offer an original collection of essays on the theme of America's 'special relationships'. The essays vary in their focus; some are primarily historical, some are more contemporary. All consider the quality of 'specialness' in the context of America's relationship with particular countries, including the United Kingdom, Canada, Australia, New Zealand, Holland, Russia, Iran and Israel.

a special relationship douglas kennedy: *The World Views of the Obama Era* Matthias Maass, 2017-11-07 This book presents selected non-US views of the Barack Obama administration. Each chapter investigates eight years of the Obama presidency from a different national perspective. By bringing together fourteen country studies from all regions of the world, this volume offers an accumulative global view of the Obama White House's foreign policies and bilateral affairs. It provides an outside perspective on a presidency that was initially greeted with much enthusiasm world-wide, but seemed to fall out of favor over time in most countries. The overwhelming hope that was associated with the election of Obama in 2008 turned to disillusionment world-wide; the changes in US external affairs he promised were only partially fulfilled and the world was reminded that America's place and role in the world would not change dramatically, not even under the inspirational Obama.

a special relationship douglas kennedy: *Arab-Israeli Diplomacy under Carter* Jørgen Jensehaugen, 2018-06-07 The history of U.S. diplomacy in the Middle East is marked by numerous stark failures and a few ephemeral successes. Jimmy Carter's short-lived Middle East diplomatic strategy constitutes an exception in vision and approach. In this extensive and long-overdue analysis of Carter's Middle East policy, Jorgen Jensehaugen sheds light on this important and unprecedented chapter in U.S. regional diplomacy. Against all odds, including the rise of Menachem Begin's right-wing government in Israel, Carter broke new ground by demanding the involvement of the Palestinians in Arab-Israeli diplomatic negotiations. This book assesses the president's 'comprehensive peace' doctrine, which aimed to encompass all parties of the conflict, and reveals the reasons why his vision ultimately failed. Largely based on analysis of newly-declassified diplomatic files and American, British, Palestinian and Israeli archival sources, this book is the first comprehensive examination of Jimmy Carter's engagement with the Palestinian-Israeli conflict. At a time when U.S. involvement in the region threatens to exacerbate tensions further, Arab-Israeli Diplomacy under Carter provides important new insights into the historical roots of the ongoing unrest. The book will be of value to Middle East and International Relations scholars, and those researching U.S. diplomacy and the Carter Administration.

a special relationship douglas kennedy: *Britain and Japan in the 1973 Middle East Oil Crisis* Erika Miller, 2024-06-17 Miller examines Britain and Japan's involvement in the Middle East peace process after the October War of 1973 and how it contributed to the resolution of the oil crisis of 1973-74. Using important primary sources from Japan, Britain, and the United States—including recently declassified Japanese documents that had not previously been examined—this book contends that previous literature failed to address the important role of Britain and Japan and their political impact on the development in the historical events of 1973 and 1974. The two countries threw their support behind the United States, backing its policies regarding not only oil but also the Arab-Israeli conflict. This enabled the United States to take the lead in the peace process as well as in discussions to resolve the energy crisis, which eventually led to the establishment of the

International Energy Agency (IEA). Accordingly, this book challenges the accepted view that neither Anglo-American nor US-Japanese relations were important factors in the development of the abovementioned processes. An insightful and illuminating read for scholars of the diplomatic history of the 1970s, and especially the complex web of tensions spanning from the Arab-Israeli conflict and between Arab oil-producing countries and developed consumer countries.

a special relationship douglas kennedy: *American Orientalism* Douglas Little, 2009-09-15 Douglas Little explores the stormy American relationship with the Middle East from World War II through the war in Iraq, focusing particularly on the complex and often inconsistent attitudes and interests that helped put the United States on a collision course with radical Islam early in the new millennium. After documenting the persistence of orientalist stereotypes in American popular culture, Little examines oil, Israel, and other aspects of U.S. policy. He concludes that a peculiar blend of arrogance and ignorance has led American officials to overestimate their ability to shape events in the Middle East from 1945 through the present day, and that it has been a driving force behind the Iraq war. For this updated third edition, Little covers events through 2007, including a new chapter on the Bush Doctrine, demonstrating that in many important ways, George W. Bush's Middle Eastern policies mark a sharp break with the past.

a special relationship douglas kennedy: *Femina* , 2006

a special relationship douglas kennedy: *A Companion to Contemporary Britain 1939 - 2000* Paul Addison, Harriet Jones, 2008-04-15 A Companion to Contemporary Britain covers the key themes and debates of 20th-century history from the outbreak of the Second World War to the end of the century. Assesses the impact of the Second World War Looks at Britain's role in the wider world, including the legacy of Empire, Britain's 'special relationship' with the United States, and integration with continental Europe Explores cultural issues, such as class consciousness, immigration and race relations, changing gender roles, and the impact of the mass media Covers domestic politics and the economy Introduces the varied perspectives dominating historical writing on this period Identifies the key issues which are likely to fuel future debate

a special relationship douglas kennedy: *The United States and the End of British Colonial Rule in Africa, 1941-1968* James P. Hubbard, 2014-01-10 At the end of World War II, Britain possessed a vast African empire encompassing nearly 2.7 million square miles, about 10 times larger than Britain itself. But by 1965, only three small African territories remained under British control, all of which would become independent before the end of 1968. This book examines the swift demise of Britain's African empire, looking particularly at the role played by the United States in bringing the empire to an end. It reveals how the United States was anti-colonial without being actively pro-independence, concluding that the country's policies and actions, combined with its postwar dominance, directly and indirectly contributed to the political, economic, and social transformation of Africa.

a special relationship douglas kennedy: *The Oil Crisis* Fiona Venn, 2016-07-01 In October 1973 two crises – one economic, one political – intersected, with dramatic and long term consequences for international relations. On 6 October, Egypt and Syria launched an attack on Israel, and within a few days the major Arab oil producers announced their support by use of the 'oil weapon', including a boycott of supplies for countries friendly to Israel and a programme of production cuts. This was followed by the unilateral declaration of a steep increase in the price of oil by the Organization of Petroleum Exporting Countries (OPEC). The result was international panic and world recession. Crude oil prices soared by a massive fourfold in just three months. The West's vulnerability had been exposed: it was being held hostage to oil. Yet, despite efforts to address this dependence on oil imports in following years, the 1979 Iranian Revolution triggered a further upward surge in prices. Today, the importance of oil remains at the forefront of the West's foreign policy calculations in the Middle East. In this fascinating and timely new look at the oil crisis, Fiona Venn examines these issues and the more unexpected effects of the crisis. She asks just how much really changed in the economic balance of power. Most importantly she argues that OPEC was used as a scapegoat for the world recession, which had been already underway when the crisis detonated.

a special relationship douglas kennedy: George Ball James A. Bill, 1998-08-11 Diplomat and wise man George Ball wielded enormous influence in American foreign policy for more than 40 years. Drawing on Ball's personal archive as well as extensive interviews with Ball and dozens of his associates, Bill traces Ball's involvement with foreign policy, from the 1940s to Ball's death in 1994. 19 illustrations.

a special relationship douglas kennedy: *The United States, Britain and the Transatlantic Crisis* J. Ellison, 2007-09-18 The greatest threat to Western unity in the 1960s came not from a communist enemy but from an ally: France. De Gaulle challenged the dominance of the US by bringing crises to the EEC and NATO and seeking détente with the Soviet bloc. As this book shows, the US and Britain cooperated successfully to ensure that his plans did not prosper.
