

doctor of biblical studies

Doctor of Biblical Studies: Unlocking the Depths of Scripture and Theology

Doctor of biblical studies is a title that represents the pinnacle of academic achievement in the field of theology and biblical scholarship. For those passionate about exploring the sacred texts, history, languages, and cultural contexts of the Bible, pursuing a Doctor of Biblical Studies (DBS) degree offers a unique opportunity to deepen understanding, contribute original research, and prepare for advanced roles in ministry, academia, or religious leadership. But what exactly does this degree entail, and how can it shape one's career and spiritual journey? Let's dive into the world of biblical scholarship and discover what makes the doctor of biblical studies such a compelling and transformative path.

What is a Doctor of Biblical Studies?

At its core, a doctor of biblical studies is an advanced academic degree focused on the comprehensive study of the Bible and related theological disciplines. Unlike a general theology degree, the DBS program zeroes in on scriptural texts, original languages like Hebrew and Greek, biblical history, hermeneutics (the art of interpretation), and theological frameworks. It is designed for individuals who want to become experts in biblical texts and contexts, often leading to careers as scholars, seminary professors, pastors, or specialized ministry leaders.

Different from a PhD or Doctor of Theology

While the DBS shares similarities with a Doctor of Philosophy (PhD) in Biblical Studies or a Doctor of Theology (ThD), it often emphasizes practical ministry applications alongside rigorous academic research. Some programs tailor their curriculum toward preparing students for church leadership, teaching, or counseling, while others lean more heavily on original research and publication. Understanding these nuances can help prospective students select the right program to align with their vocational goals.

Core Components of a Doctor of Biblical Studies Program

The curriculum of a DBS program is rich and varied, covering multiple facets of biblical scholarship.

Original Biblical Languages

One of the most important aspects of any doctoral biblical studies program is proficiency in the original languages of the Bible—primarily Hebrew, Aramaic, and Greek. Mastery of these languages allows scholars to engage directly with ancient manuscripts, offering deeper insights beyond

translations.

Biblical Exegesis and Hermeneutics

Exegesis is the critical interpretation and explanation of biblical texts. Doctoral students learn to systematically analyze scripture, understanding historical context, literary forms, and theological messages. Hermeneutics complements this by providing theories and methods for interpreting biblical meaning in both ancient and modern contexts.

Theological and Historical Contexts

Understanding the socio-political, cultural, and religious backgrounds of the biblical world is vital. Coursework often includes studies on the history of Israel, Second Temple Judaism, the early Christian church, and the Greco-Roman world. This knowledge helps situate scripture within the lived realities of its original audiences.

Research and Dissertation

A significant portion of the doctor of biblical studies journey involves original research culminating in a dissertation. This scholarly work contributes new perspectives or interpretations to the field and demonstrates the student's ability to engage critically with complex biblical questions.

Career Paths for Doctor of Biblical Studies Graduates

Earning a doctor of biblical studies degree opens up a variety of vocational opportunities, both inside and outside traditional ministry roles.

Academic and Teaching Positions

Many DBS graduates pursue careers as seminary or university professors, teaching courses in biblical languages, theology, or church history. Their advanced research equips them to mentor future ministers and scholars.

Pastoral and Ministry Leadership

For pastors and church leaders, a DBS degree offers deeper biblical understanding to enrich preaching, counseling, and program development. It also lends credibility when teaching complex theological concepts within congregations.

Christian Education and Curriculum Development

Some graduates work in Christian education, designing curricula for churches, schools, or publishing houses. Their expertise ensures that educational materials are biblically sound and theologically robust.

Writing, Publishing, and Speaking

A doctor of biblical studies also positions one to become an author of scholarly books, articles, or devotional materials. Many graduates are sought-after conference speakers, bringing scholarly insight to broader audiences.

Choosing the Right Doctor of Biblical Studies Program

Selecting a program that fits your goals, schedule, and theological convictions is crucial for a successful doctoral journey.

Accreditation and Reputation

Look for schools accredited by recognized theological or academic bodies. Accreditation ensures the program meets rigorous educational standards and that your degree will be respected in academic and ministry circles.

Faculty Expertise and Mentorship

Investigate the faculty's areas of specialization and their accessibility to students. Strong mentorship can make a significant difference in navigating your research and academic challenges.

Flexibility and Format

Many institutions offer online or hybrid doctoral programs, which can accommodate working professionals. Consider how the program's format aligns with your personal and professional commitments.

Cost and Financial Aid

Doctoral programs can be a considerable investment. Explore tuition costs, available scholarships, assistantships, or employer-sponsored education benefits that can ease financial burdens.

Tips for Success in a Doctor of Biblical Studies Program

Pursuing a doctorate in biblical studies is intellectually demanding but deeply rewarding. Here are some tips to help navigate the journey:

- **Develop Strong Language Skills:** Dedicate consistent time to studying biblical languages; they are fundamental tools for your research.
- **Engage with Scholarly Communities:** Participate in conferences, workshops, and online forums to broaden your perspectives and network.
- **Balance Scholarship and Spirituality:** Keep your study grounded in faith and personal growth, not just academic achievement.
- **Plan Your Research Early:** Identify potential dissertation topics and advisors early to stay focused and efficient.
- **Manage Time Wisely:** Doctoral work requires discipline, so create a schedule that balances study, ministry, and personal life.

The Impact of a Doctor of Biblical Studies on Personal and Community Life

Beyond career benefits, earning a doctor of biblical studies degree often profoundly influences one's spiritual formation and community engagement. It encourages a lifelong commitment to learning and equips individuals to serve their communities with wisdom, compassion, and integrity. Whether through teaching, preaching, counseling, or writing, DBS graduates become trusted voices that help others navigate life's deepest questions through the lens of scripture.

Embarking on a doctor of biblical studies program is not just about academic distinction; it's a journey into the heart of the biblical narrative and its ongoing relevance. For those called to this path, it offers a rich blend of intellectual challenge, spiritual enrichment, and meaningful service.

Frequently Asked Questions

What is a Doctor of Biblical Studies degree?

A Doctor of Biblical Studies is an advanced academic degree focusing on the in-depth study of the Bible, its languages, history, theology, and interpretation.

What career opportunities are available for someone with a Doctor of Biblical Studies?

Graduates can pursue careers as seminary professors, pastors, biblical scholars, authors, researchers, or consultants for religious organizations.

How long does it typically take to complete a Doctor of Biblical Studies program?

Completion time varies, but it generally takes 3 to 6 years depending on the institution, program structure, and whether the student studies full-time or part-time.

What are the common prerequisites for enrolling in a Doctor of Biblical Studies program?

Most programs require a master's degree in theology, divinity, religious studies, or a related field, along with proficiency in biblical languages such as Hebrew or Greek.

Are Doctor of Biblical Studies programs offered online?

Yes, many accredited institutions offer online or hybrid Doctor of Biblical Studies programs to accommodate working professionals and distance learners.

What is the difference between a Doctor of Biblical Studies and a PhD in Theology?

A Doctor of Biblical Studies focuses specifically on biblical texts and interpretation, while a PhD in Theology covers a broader range of religious studies including doctrine, ethics, and philosophy.

Can a Doctor of Biblical Studies degree help in interfaith dialogue work?

Yes, the deep understanding of scriptures and religious contexts gained from the degree can enhance engagement and dialogue among different faith traditions.

What types of research topics are common in Doctor of Biblical Studies dissertations?

Research topics often include biblical exegesis, historical context analysis, theological themes, translation studies, and the impact of scripture on culture and society.

Is ordination required to pursue a Doctor of Biblical Studies degree?

No, ordination is not typically required; the degree is academic and open to both ordained clergy and laypersons interested in advanced biblical scholarship.

Additional Resources

Doctor of Biblical Studies: An In-Depth Exploration of Advanced Theological Scholarship

Doctor of biblical studies programs represent the pinnacle of academic achievement in the field of theology and biblical scholarship. These advanced degrees attract scholars, clergy, and laypersons intent on deepening their understanding of the Bible's historical, literary, and theological dimensions. As the global interest in religious studies continues to evolve, the doctor of biblical studies has emerged as a significant credential for those pursuing careers in academia, ministry, or research. This article examines the structure, focus areas, and implications of earning a doctorate in biblical studies, while exploring its relevance in contemporary religious and educational contexts.

Understanding the Doctor of Biblical Studies Degree

The doctor of biblical studies is typically a research-intensive doctoral program that demands rigorous engagement with biblical texts, languages, and contextual analysis. Unlike more general theological doctorates such as the Doctor of Ministry (D.Min.) or Doctor of Theology (Th.D.), the doctor of biblical studies specifically centers on the Bible itself—its original languages, historical backgrounds, and interpretative frameworks.

Program Focus and Curriculum

Candidates enrolled in a doctor of biblical studies program can expect a curriculum that integrates a multifaceted approach to scripture. Core areas of study often include:

- **Biblical Languages:** Mastery of Hebrew, Greek, and sometimes Aramaic to engage with primary texts in their original form.
- **Exegesis and Hermeneutics:** Advanced techniques for interpreting biblical passages within their literary and historical contexts.
- **Historical Contextualization:** Exploration of the ancient Near Eastern and Greco-Roman worlds to situate biblical texts accurately.
- **Theological Themes:** In-depth analysis of key doctrinal issues and theological traditions emerging from scripture.
- **Research Methodologies:** Training in critical research methods to produce original scholarly work.

Programs may also offer electives in related disciplines such as archaeology, ethics, and comparative religion, providing a comprehensive foundation for doctoral research.

Comparing Doctor of Biblical Studies with Related Doctorates

While the doctor of biblical studies emphasizes scripture-centric scholarship, other doctoral degrees in theology and ministry cater to different professional trajectories:

- **Doctor of Theology (Th.D.):** Often broader in scope, encompassing systematic theology, historical theology, and biblical studies.
- **Doctor of Ministry (D.Min.):** Practice-oriented, focusing on applied ministry skills rather than purely academic research.
- **Ph.D. in Religious Studies:** Typically interdisciplinary, encompassing religion beyond the Christian tradition, including sociology, anthropology, and philosophy.

The doctor of biblical studies remains distinct for its specialized focus on scriptural languages and exegesis, making it ideal for those pursuing scholarly careers or teaching positions in seminaries and universities.

Career Opportunities and Professional Applications

Earning a doctor of biblical studies can open diverse pathways across academic, ecclesiastical, and public sectors. The degree's emphasis on original biblical research equips graduates to contribute meaningfully to theological education, ministry leadership, and scholarly publishing.

Academic Roles

Many holders of the doctor of biblical studies pursue careers as professors or researchers at seminaries, divinity schools, and universities. Their expertise in biblical languages and interpretive methodologies positions them as authorities in teaching courses on Old Testament, New Testament, and biblical theology. Furthermore, their research often contributes to academic journals, conferences, and critical editions of biblical texts.

Ministry and Leadership

Though more academically inclined, this doctorate also benefits clergy seeking to deepen their scriptural understanding for preaching, counseling, or denominational leadership. The advanced knowledge gained can enrich sermon preparation and enhance theological discourse within church communities.

Publishing and Scholarship

Graduates often engage in scholarly writing, producing commentaries, translations, and theological treatises. Their rigorous training supports contributions to Bible dictionaries, encyclopedias, and online theological resources, thereby influencing broader biblical literacy and interpretation.

Admissions and Program Requirements

Institutions offering a doctor of biblical studies set high academic standards, reflecting the program's demanding nature. Typical admission criteria include:

- A master's degree in theology, divinity, biblical studies, or related fields.
- Demonstrated proficiency in biblical languages or a willingness to acquire them.
- Strong academic transcripts and letters of recommendation.
- Submission of a research proposal outlining the intended dissertation topic.

Program duration varies, often ranging from three to six years depending on full-time or part-time enrollment. Candidates must complete coursework, comprehensive exams, and a dissertation that makes an original contribution to biblical scholarship.

Online and Hybrid Options

With the rise of digital education, some schools now offer hybrid or fully online doctor of biblical studies programs. These formats accommodate working professionals and international students by blending virtual coursework with periodic residencies. However, prospective students should carefully consider the program's accreditation status and faculty qualifications to ensure academic rigor.

Challenges and Benefits of Pursuing a Doctor of Biblical Studies

Pursuing a doctor of biblical studies involves both significant intellectual challenges and rewarding outcomes.

Challenges

- **Language Mastery:** Learning and maintaining proficiency in ancient languages demands persistent effort.
- **Research Intensity:** Producing original scholarship requires critical thinking, creativity, and time management.
- **Financial Investment:** Doctoral studies can be costly, and funding opportunities may be limited.
- **Career Uncertainty:** Academic and ministry job markets can be competitive, requiring strategic career planning.

Benefits

- **Expertise Development:** Graduates gain unparalleled knowledge and analytical skills related to scripture.
- **Professional Credibility:** The doctorate enhances credibility for teaching, publishing, and leadership roles.
- **Personal Fulfillment:** Scholars often find deep personal satisfaction in engaging with foundational religious texts.
- **Networking Opportunities:** Doctoral programs connect students with a global community of theologians and researchers.

The Future of Doctoral Biblical Studies

As theological education adapts to cultural shifts and technological advancements, the doctor of biblical studies remains vital for preserving rigorous biblical scholarship. Emerging research areas such as digital humanities, interfaith dialogue, and contextual theologies are increasingly integrated into doctoral programs, expanding their relevance.

Moreover, the global demand for nuanced biblical interpretation persists across denominational lines, making the expertise fostered by this degree crucial for addressing contemporary ethical, social, and spiritual issues. Consequently, institutions continue to refine curricula and delivery methods, ensuring that the doctor of biblical studies remains a dynamic and respected academic pursuit.

In examining the doctor of biblical studies as a doctoral path, it becomes evident that the degree offers a unique blend of scholarly depth and practical application. Whether one seeks to teach, write, or lead within religious communities, the doctorate equips graduates with the tools necessary to engage scripture thoughtfully and authoritatively in an ever-evolving world.

Doctor Of Biblical Studies

doctor of biblical studies: *Prepare, Succeed, Advance, Second Edition* Nijay K. Gupta, 2019-06-27 What if you had a guidebook that you could turn to at each stage of your academic journey to help you navigate through the process of getting a PhD in Biblical Studies and succeeding in the academic world? This book is precisely intended to fill that need. From theory to practice, you will find discussions and answers to the most pertinent and pressing questions that prospective and current doctoral students are faced with: How do I choose a program? How can I gain admission into an elite program? How do I choose a research topic? Alongside the big questions about the process, there are also a host of smaller matters: How do I publish an article? What conferences are out there in my field? Where do I start looking for a job? How do I get teaching experience? How do I write a syllabus? This guidebook tackles all of these questions and many more in three parts: Prepare focuses on getting into a PhD program; Succeed guides you through the doctoral program, especially the writing of the dissertation; and Advance treats issues that relate to success in the academic world such as conference participation, publishing, employment, and best practices in teaching. PRAISE FOR THE FIRST EDITION Gupta has kindly provided me a book version of an academic mentor. In a time when many professors are busy, Gupta walks the extra mile and makes himself present not only in person to those near him, but also in writing for those like me. I can't thank him enough! --Natan B. de Carvalho, College Student Dr. Gupta's book offered indispensable advice for me as I applied for PhD programs, completed my thesis, and applied for (and secured) tenure-track jobs. I am grateful for his service to the guild! --Madison N. Pierce, Assistant Professor in New Testament, TEDS Having started seminary about a year after the first edition appeared, I was able to use Gupta's abundance of clear-headed advice to build a path to doctoral study. I can see, as a student in a first-tier PhD program, that this journey would not have been possible had I not been able to learn the many unspoken rules Gupta outlines in this invaluable book. --Jonathan Groce, New Testament PhD student at Emory University This book should be required for anyone even slightly interested in biblical higher education. I've enjoyed it so much that I've bought it three times, having given it away to two students. --Ryan Lytton, Director of Academic Services and Adjunct Professor at Life Pacific University-Virginia This book has proven immensely helpful as I navigated the PhD application process. Providing useful benchmarks and invaluable suggestions, Gupta's sage advice prepared me for success. --Benjamin Castaneda, PhD student at the University of St. Andrews The world of academic biblical studies can be difficult to navigate, especially for ethnic minorities. This book has prepared me well by making an opaque process clear and straightforward. I recommend it to anyone considering this path. --Daniel K. Eng, PhD candidate, University of Cambridge I wanted to thank you for the invaluable guidance your book provided as I made decisions concerning my academic future. I have just completed my M.A. in Classical Studies at Villanova and was accepted into graduate programs at both Edinburgh and Oxford. Every step of the way your text provided clear and specific recommendations. It was a true blessing. --Ken Tully, Adjunct Faculty at Villanova Prepare, Succeed, Advance is a tremendously helpful reference tool. As an academic advisor, I will make this the first resource I recommend to colleagues who may not have the advantage of personal experience in a PhD program. As a student, I will regularly return to Gupta's work for counsel on the next stage of academic life. Doctoral students should rejoice at having such a sure guide to academic success and commend Gupta for his contribution. --Samuel

Emadi, review in JETS 56/1 (2013) 139-141, (140-141) This guide is indispensable to anyone thinking about a PhD. --Abram K-J, Should I get a PhD? Words on the Word blog, July 9 2012 Nijay Gupta's Prepare, Succeed, Advance: A Guidebook for Getting a PhD in Biblical Studies and Beyond is just that, a guidebook. It does not claim to provide a formula on how the entire process works. At the same time, it is more than that in the sense that Gupta's honesty, attention to detail, and measured optimism throughout the entire book give his voice a level of credibility and warmth that prospective students will find invaluable as they begin their own individual paths toward academia. --Michael Suh, PhD, Emory, review in RBL: October 2014 Prepare, Succeed, Advance has so many helpful points that my highlighter almost gave out. If you have even the tiniest desire to pursue a PhD in Biblical Studies, get a few pencils, two highlighters, and a copy of this book. You won't be sorry. --Andrew Kelley, PhD, Edinburgh When I started to investigate what a PhD in Biblical Studies entailed I was lost. What do schools look for? What programs are better for what field? So many questions, and so little (quality) answers. When I found Dr. Gupta's book I found both a map and compass. His book laid out the road ahead--including avenues to avoid, and boulevards to explore in more detail. Following Dr. Gupta's candid advice I have received offers to study at a couple of UK PhD programs. I think I owe Dr. Gupta some money! Buy this book--you will not be disappointed! --Joshua Morris

doctor of biblical studies: Prepare, Succeed, Advance Nijay K. doctor of biblical studies: Is there a Doctor in the House? Ben Witherington III, 2011-09-06 Many people assume that becoming a serious student of the Bible merely requires diligent study of English Bible translations, but biblical scholarship is much more complex. Is There a Doctor in the House? demonstrates what it takes to be a responsible Bible teacher, a well-published Bible scholar, or even a good student of the Bible: exacting knowledge of biblical languages and the languages in which most Bible scholarship is done; a love for history and archaeology; a sensitivity for literature and literary genres; and an understanding of theology, ethics, and ancient religions and philosophies. In one sense, every Bible scholar has to be a general practitioner—the foundation of biblical scholarship must be both broad and well built. Through the course of this book, Witherington invites would-be Bible experts to pursue excellence for the sake of the Bible's world-altering message. From students considering a Ph.D. to lay Bible teachers, Is There a Doctor in the House? promises to be an informative, engaging, and often humorous resource.

doctor of biblical studies: Doctorate of Biblical Studies New Testament Bobby G. McAllister, 2007

doctor of biblical studies: Jesuit Biblical Studies after Trent Luke Murray, 2019-08-12 In the field of biblical hermeneutics one area which scholarship has neglected is Catholic biblical scholarship during the early modern era. A brief look through a standard textbook on hermeneutics reveals the all-to-common jump from Luther, Calvin and the other Reformers, straight to Spinoza and the pioneers of the historical critical method. Catholic figures during the Reformation and afterward are often considered too reliant on tradition, too entrenched in dogmatic disputes, and too

ignorant of historical methods to be taken as serious scholars of Scripture. In this timely work, Dr. Murray addresses these misconceptions and systematically shows why they are inadequate and a more nuanced judgment is needed. Beginning with a much-needed overview of contemporary scholarship, the work examines the historical context and key influences on the Catholic approach to the Bible. After addressing the Council of Trent and the Jesuit Order, it then examines two influential Jesuit biblical scholars in the next two chapters, the Spanish Cardinal Franciscus Toletus (1532-1596) and the great Flemish exegete Cornelius a Lapide (1567-1637). Dr. Murray examines the life, works, secondary literature, and biblical hermeneutics of both great scholars showing that Catholics, just like their Reformed brethren, could be serious and quality exegetes. While they lacked the historical knowledge and tools of today, the work shows that the Jesuits were pioneers in showing how their faith and devotion could be compatible with a historical and scientific study of Scripture. *Jesuit Biblical Studies After Trent* is a must read for those seeking to understand how Catholics were approaching the Bible after the Reformation and for those seeking to learn how to integrate their personal faith with a scientific study of Scripture.

doctor of biblical studies: *One Journey Through a Doctor Biblical Studies* Howard Little, 2011-11-23 Biblical Studies graduate coursework

doctor of biblical studies: Theology at the Eucharistic Table Jeremy Driscoll, 2003 Dom Jeremy Driscoll offers a fresh approach both to theology and to the eucharistic celebration itself. He sets forth and develops here a method for the tasks of academic theology inspired by the eucharistic rite. There are studies of the foundational role of the liturgy for conceiving the identity of fundamental theology; a proposal for developing a curriculum on the basis of the shape of the eucharistic rite; historical studies on the relationship between liturgy and doctrine; and suggestions for catechesis, preaching and eucharistic adoration. Dom Jeremy writes: 'for virtually all of my life as a monk and a theologian, and already from the time when I was a student, have found ongoing inspiration for my work in the regular celebration of the eucharist. To come back to it again and again, no matter from what particular theme I may have been studying, was to enter a context in which whatever I had learned was secured and deepened at a new level, a context in which I could enter the adoration that helped me express my love for what I was learning. To celebrate eucharist often confirmed what I had learned - not directly but by means of signs, symbols, ritual action, and a different kind of language . . .' Jeremy Driscoll was born in Moscow, Idaho, USA and has been a Benedictine monk of Mount Angel Abbey in Oregon since 1973. Author of three books and fifteen scholarly articles on Evagrius Ponticus and related aspects of Egyptian monasticism, he has also written widely on liturgical questions. He teaches at Mount Angel Seminary and at the Pontifical Atheneum of Saint' Anselmo in Rome.

doctor of biblical studies: The Golden Age Playbook for a New Earth Order Jenio Joseph Giordano, 2024-12-24 *The Golden Age Playbook for a New Earth Order* After seven years of preparing for what has been more than just a story, but our future. Perhaps Fate will determine the course in which follows, as I know the implications of my transgressions. But also, the Natural Truth of being bold in the face of adversity and the insurmountable fear that stands opposed to these Natural Truths. The time has come for those who seek the unfiltered truth of how the Earth works. And what is required to navigate the changes required to leverage the narrow passage we have before us. This is not an invitation but a declaration of what is already occurring. You can do what you wish with this information. But know this. The Golden Age is not asking; it's happening. This is not about one human leading humans, but a state of beingness, that begins inside who you are, who we are, where we live, where we want to go, what we want to do about it, how we need to resolve it, and the playbook that we become in order to arrive at the destination. Therefore, avoid the fear of propaganda, which has so ever divulged us into evaporating what nature we have left in us, and return back to who we are in the natural form. While bringing the new age of gadgets we possess towards our future. Know this: there has been a wake of bones buried in the making of this, heroes sacrificing to make room for a narrow passage to exist. Lives are on the line for those locked into this manifestation of progress. Whatever you do! Download this locally on a hard drive, share it, and

ensure you read it to understand what is before us.

doctor of biblical studies: The Oxford Handbook of Early Christian Ritual Risto Uro, Juliette Day, Rikard Roitto, Richard E. DeMaris, 2019 The Handbook provides an indispensable account of the ritual world of early Christianity from the beginning of the movement up to the end of the sixth century.

doctor of biblical studies: Biblical Studies William Robinson, 1866

doctor of biblical studies: Biblical and Theological Studies Michael J. Wilkins, Erik Thoennes, 2018-05-16 There is an abundant need today for biblically grounded and practically applied theology. In this book, a New Testament scholar and a theologian team up to offer readers a robust introduction to biblical and theological studies. This readable guide outlines a distinctly evangelical approach to studying the Bible and theology, highlighting the proper methods for understanding and synthesizing the teachings of the Bible, leading to deeper knowledge of God, ourselves, and how we are to meaningfully apply his Word to our lives. Part of the Reclaiming the Christian Intellectual Tradition series.

doctor of biblical studies: The Oxford Handbook of the Bible and Ecology Hilary Marlow, Mark Harris, 2022 Does the Bible have anything to contribute to contemporary concerns about the environment? This collection of essays on the Bible and ecology explores biblical texts and their interpretation in the light of ecological issues. The handbook covers a number of political and ethical issues, as well as offering detailed exploration of individual Bible books. It discusses a number of controversial views, including whether the Judeo-Christian tradition has contributed to the environmental crisis, and how the Bible is used by climate change deniers.

doctor of biblical studies: The Establishment of Schools and Colleges in Ontario, 1792-1910 John George Hodgins, 1910

doctor of biblical studies: Dictionary of Scripture and Ethics Joel B. Green, Jacqueline E. Lapsley, Rebekah Miles, Allen Verhey, 2011-11-01 2012 Reference Book of the Year Award, Academy of Parish Clergy This one-stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students, pastors, and scholars. Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation, it is the

best reference work available on the intersection of these two fields. The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up-to-date treatment of five hundred biblical, traditional, and contemporary topics, ranging from adultery, bioethics, and Colossians to vegetarianism, work, and Zephaniah. The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics, including Darrell Bock, David Gushee, Amy Laura Hall, Daniel Harrington, Dennis Olson, Christine Pohl, Glen Stassen, and Max Stackhouse.

doctor of biblical studies: *Encountering Diversity in Indian Biblical Studies* David J. Chalcraft, Zhodi Angami, 2023-03-20 This book provides analysis of a variety of biblical narratives and texts which are the vehicle for the expression, articulation and performance of diverse identities in the Indian context and is the first attempt to do so for a global audience of scholars and students. From pan-Indian social problems attributed to caste, class and gender inequality, to specific North Eastern tribal settings, Dalit struggles in rural Andhra Pradesh and the experience of Christian autorickshaw drivers in urban Chennai, the book explores the diverse geographical, cultural, social, economic and linguistic settings in which the Bible is encountered. The holistic and multidisciplinary approach to Biblical studies adopted broadens the field beyond textual exegesis. Encounters with the Bible are revealed in diverse chapters impacted by contexts of caste realities, the history of Indian Christianity, colonial and post-colonial frameworks and educational institutions. Full use is made of 'vernacular' texts and traditions including oral and written cultural, folk tale, literary and auto/biographical narratives in Tribal, Dalit and British colonial settings. Diversity of method is championed through including sociological analysis of Indian social realities, qualitative fieldwork techniques and a kaleidoscope of visual and sensory environments with over 30 photographs. The book celebrates and promotes diversity in Indian biblical studies, creativity and sometimes conflicting perspectives. *Encountering Diversity in Indian Biblical Studies* will be of interest to students, scholars and researchers working on post-colonial biblical studies and diversity in Christianity, particularly in the Indian context.

doctor of biblical studies: *The Catholic University Bulletin* , 1907

doctor of biblical studies: *Using Prayer to Unlock Your 21st Century Destiny* Dr. Dominic Nyaaba, 2018-01-30 This book lays the stone foundation for unearthing your destiny through prayer. Prayer is like a live wire, which makes you triumph in life. This book will give you the needed spiritual strength to subdue and triumph over every dicey situation in your life. Prayer has the ability to extricate you from the jaws of danger and death. Seemingly impossible financial problems are resolved by the means of prayer. Prayer accompanied with supernatural anointing breaks the yoke of bondage and delivers you from the entangled web of Satan. Prayer backed by supernatural anointing cures every disease. Prayer backed by supernatural anointing gives you success in all your endeavors. Anointing coupled with prayer will make you an invincible twenty-first-century leader. Prayer will make you unconquerable in every facet of your life. Prayer gives you hope and makes you recognize that the chief shepherd, Jesus, would never abandon you. Prayer gives you the might you need to overcome the Amalekites and the Philistines of your life. Prayer provides divine assistance against conspiracy. Prayer annihilates rulers, authorities, and powers of the dark world and against spiritual forces of evil in the heavenly realms. Prayer gives you the anointing of David and the might of Samson to asphyxiate the Philistines and every enemy of your life. Prayer provokes divine assistance, making you possess the land in business, in education, in politics, in your community, and in your society.

Lamport, 2016-11-10 From the Founding Fathers through the present, Christianity has exercised powerful influence in the United States—from its role in shaping politics and social institutions to its hand in inspiring art and culture. The *Encyclopedia of Christianity in the United States* outlines the myriad roles Christianity has played and continues to play. This masterful

five-volume reference work includes biographies of major figures in the Christian church in the United States, influential religious documents and Supreme Court decisions, and information on theology and theologians, denominations, faith-based organizations, immigration, art—from decorative arts and film to music and literature—evangelism and crusades, the significant role of women, racial issues, civil religion, and more. The first volume opens with introductory essays that provide snapshots of Christianity in the U.S. from pre-colonial times to the present, as well as a statistical profile and a timeline of key dates and events. Entries are organized from A to Z. The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world, as well as a select yet comprehensive bibliography. Appendices help readers locate entries by thematic section and author, and a comprehensive index further aids navigation.

doctor of biblical studies: Africa Bible Commentary Zondervan,, 2010-08-03 The Africa Bible Commentary is a unique publishing event—the first one-volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors, students, and lay leaders. Interpreting and applying the Bible in the light of African culture and realities, it furnishes powerful and relevant insights into the biblical text that transcend Africa in their significance. The Africa Bible Commentary gives a section-by-section interpretation that provides a contextual, readable, affordable, and immensely useful guide to the entire Bible. Readers around the world will benefit from and appreciate the commentary's fresh insights and direct style that engage both heart and mind. Key features:

- Produced by African biblical scholars, in Africa, for Africa—and for the world
- Section-by-section interpretive commentary and application
- More than 70 special articles dealing with topics of key importance in to ministry in Africa today, but that have global implications
- 70 African contributors from both English- and French-speaking countries
- Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide
