God Has a Plan B: Embracing Hope When Life Doesn't Go as Planned

god has a plan b, and that simple truth can be a profound source of comfort and strength in moments of uncertainty. Life often throws curveballs when we least expect them, and our carefully laid plans sometimes fall apart. It's natural to feel lost, frustrated, or even defeated during these times. However, the belief that God has a plan B reminds us that setbacks are not the end of the story. Instead, they might be invitations to a new path—one filled with unexpected blessings and growth.

In this article, we'll explore the concept that god has a plan b, diving into how this idea can transform the way we perceive challenges and setbacks. We'll also look at biblical insights, psychological perspectives, and practical ways to embrace this mindset for a more resilient and hopeful life.

Understanding the Idea That God Has a Plan B

When people say "god has a plan b," they often refer to the belief that God's guidance doesn't end when our initial plans fail. It suggests that there is a divine backup plan, a pathway that we might not see immediately but that ultimately leads us toward growth, healing, or fulfillment.

This concept aligns with a broader spiritual understanding that life is not random chaos but is governed by a higher purpose. Even when our own plans don't work out, the idea that God has alternative plans encourages us to trust the process and remain open to new possibilities.

Why Plan B Matters in Faith

Faith is often tested in times of disappointment. When prayers seem unanswered or efforts don't yield results, it's easy to feel abandoned. The belief that god has a plan b nurtures faith by reminding believers that God's wisdom surpasses human understanding. It's not about giving up but about trusting that there's a bigger picture.

This mindset can:

- Reduce anxiety over uncertain futures.
- Encourage patience and perseverance.
- Inspire hope even in difficult circumstances.

Biblical Examples of God's Plan B

The Bible contains numerous stories where God's plan b unfolds in surprising ways. These narratives show how divine intervention often redirects lives toward unexpected blessings.

Joseph's Journey: From Prison to Palace

One of the most powerful examples comes from the story of Joseph. Betrayed by his brothers, sold into slavery, and unjustly imprisoned, Joseph's life seemed marked by failure and hardship. Yet, God's plan B was at work. Joseph rose to become a powerful leader in Egypt, saving many lives during famine.

Joseph himself acknowledged this divine plan when he said, "You intended to harm me, but God intended it for good..." (Genesis 50:20). His story teaches us that setbacks can be setup moments for greater purposes.

Paul's Mission: Turning Trials into Triumphs

The Apostle Paul faced countless challenges—imprisonment, shipwrecks, and persecution. Despite these trials, Paul's ministry flourished. His plan A might have been simple success and safety, but God has a plan B, which involved resilience, spreading the gospel far and wide, and inspiring future generations.

Paul's example encourages us to see obstacles not as endings but as redirections that serve a higher mission.

Embracing God's Plan B in Everyday Life

Believing that God has a plan B doesn't mean passivity or resignation. Instead, it invites proactive faith—a willingness to adapt, learn, and trust beyond immediate circumstances.

Practical Tips for Trusting in God's Plan B

Navigating life's uncertainties can feel overwhelming, but these approaches can help you embrace the idea that God has a plan B for your life:

- **Reflect and Pray:** Take time to quiet your mind and seek clarity. Prayer or meditation can open your heart to new insights.
- **Be Open to Change:** Sometimes plan B requires letting go of old expectations and embracing new directions.
- **Seek Support:** Share your struggles with trusted friends, mentors, or faith leaders who can offer encouragement and perspective.
- **Practice Patience:** God's timing is often different from ours. Waiting can be a powerful act of faith.

- **Look for Lessons:** Every setback can teach something valuable—about yourself, others, or your purpose.

How Mindset Shapes Our Experience

Psychological research supports the idea that a flexible mindset improves well-being. When we believe in alternative possibilities, like god has a plan b, we are more likely to cope effectively with stress and uncertainty.

This mindset fosters resilience—a key factor in mental health—by:

- Encouraging problem-solving rather than rumination.
- Building hope and optimism.
- Reducing feelings of helplessness.

Signs That You're Moving Toward God's Plan B

Sometimes, it's hard to recognize when life is nudging us toward a new plan. Here are some common signs that you might be on the path of god's plan b:

- **Doors Closing:** When opportunities or relationships end unexpectedly, it could be redirecting you.
- **New Interests Arising:** Sudden passions or callings might signal a new direction.
- **Inner Peace Amid Uncertainty:** Feeling calm even when things look uncertain can indicate divine guidance.
- **Encounters with Helpful People:** Meeting mentors or friends who provide support often marks turning points.

Recognizing Growth Through Challenges

It's important to remember that plan B often involves growth. Difficult experiences shape character, deepen faith, and expand understanding. When you notice personal growth in the midst of hardship, it's a sign that god has a plan b working in your life.

Stories of Hope: Real-Life Examples of Plan B in Action

Countless people have found new purpose after their original plans failed. These stories serve as inspiration:

- A professional who lost their job and discovered a fulfilling career in a different field.
- Someone who faced a health crisis and became an advocate for others.
- A person whose relationship ended but found deeper joy through community service or creative pursuits.

These examples highlight how god has a plan b can manifest in everyday lives, turning disappointment into destiny.

Living with the assurance that god has a plan b doesn't erase the pain of setbacks, but it transforms the way we experience them. It invites us to trust, adapt, and keep moving forward, knowing that sometimes the best things in life come from unexpected detours.

Frequently Asked Questions

What does the phrase 'God has a plan B' mean?

The phrase 'God has a plan B' means that even if things don't go according to our expectations or original plans, God has an alternative plan to guide us through challenges and uncertainties.

Is 'God has a plan B' a biblical concept?

'God has a plan B' is not a direct biblical quote, but it reflects the biblical theme that God is sovereign and has control over all situations, often providing hope and solutions beyond human understanding.

How can believing that 'God has a plan B' help during difficult times?

Believing that 'God has a plan B' can provide comfort and reassurance during difficult times, reminding individuals that setbacks are not the end and that there is a divine purpose or alternative path ahead.

Can the idea of 'God has a plan B' encourage resilience?

Yes, the idea that 'God has a plan B' encourages resilience by fostering trust that even when initial plans fail, there is hope and a way forward, motivating people to keep faith and persevere.

How do people interpret 'God has a plan B' in different faith

traditions?

While interpretations vary, many faith traditions embrace the concept that a higher power oversees life's events and can intervene with alternative plans when human plans falter, offering hope and guidance.

Can 'God has a plan B' change how we approach decision-making?

Yes, believing that 'God has a plan B' can encourage people to be more flexible and open-minded in decision-making, understanding that outcomes may differ from their original plans but can still lead to positive results.

What are some examples in scripture that reflect the idea of 'God has a plan B'?

Examples include the story of Joseph, who was sold into slavery but later became a leader in Egypt, and the Apostle Paul, whose plans were often redirected by God to fulfill His purposes.

How can one maintain faith in 'God's plan B' when facing uncertainty?

Maintaining faith in 'God's plan B' during uncertainty involves prayer, reflection, seeking community support, and trusting that God's wisdom surpasses human understanding, providing purpose even in unexpected outcomes.

****God Has a Plan B: Exploring the Concept of Divine Contingency****

god has a plan b is a phrase that resonates deeply within theological discussions, spiritual reflections, and everyday conversations about faith and destiny. It encapsulates the belief that beyond the primary path laid out by a higher power, there exists an alternative course designed to address unforeseen circumstances or human shortcomings. This notion challenges rigid interpretations of predestination and invites a more nuanced understanding of divine guidance, resilience, and hope.

The concept of "God has a plan b" has gained traction not only among believers seeking reassurance during difficult times but also among scholars examining the flexibility inherent in religious narratives. By exploring the origins, implications, and variations of this idea, one can appreciate how it shapes both individual faith experiences and broader theological frameworks.

Understanding the Meaning Behind "God Has a Plan B"

At its core, the phrase suggests that divine providence is not a single-threaded blueprint but a

dynamic system capable of adaptation. It implies that when human plans falter or unexpected events arise, a higher power has an alternative strategy to ensure the ultimate good or fulfillment of a divine purpose.

This contrasts with deterministic views where fate is fixed and unchangeable. Instead, "God has a plan b" introduces an element of contingency, emphasizing mercy, patience, and ongoing interaction between the divine and humanity.

Historical and Scriptural Contexts

Various religious texts and traditions hint at the presence of alternative divine plans. For example, in Judeo-Christian scriptures, stories such as the near-sacrifice of Isaac or the Exodus narrative reflect moments where initial plans face disruption, and new paths emerge. Similarly, in Islamic teachings, the concept of Qadar (divine decree) coexists with human free will, suggesting a balance between predetermined destiny and adaptable divine will.

These narratives reinforce the idea that God's interventions are not static but responsive. The belief that "God has a plan b" aligns with scriptural themes of forgiveness, second chances, and the redirection of human history through unforeseen means.

Psychological and Emotional Impact on Believers

From a psychological perspective, the belief that "God has a plan b" can provide significant comfort during crises. It alleviates anxiety stemming from uncertainty by fostering trust that setbacks are not the end but part of a larger, benevolent design.

Faith communities often emphasize this concept to encourage resilience. When individuals encounter failure, loss, or unexpected challenges, the reassurance that an alternative divine plan exists can promote hope and perseverance.

However, this belief can also raise complex questions about suffering and injustice. Critics argue that relying on an unseen "plan b" might lead to passive acceptance of adverse situations instead of proactive problem-solving.

Comparative Perspectives on Divine Contingency

The idea that a deity maintains multiple plans is not exclusive to one religion or culture. It finds echoes in various spiritual systems worldwide, each interpreting divine flexibility through unique lenses.

Christianity

In Christian theology, the concept of God's sovereignty often grapples with human free will. The

Apostle Paul's writings, particularly in Romans, discuss how God works through all things for good, suggesting a broader, adaptable purpose. The notion of "God has a plan b" complements this by implying that divine providence can pivot when the original plan encounters resistance.

Islam

Islamic theology recognizes Qadar, the divine decree, yet emphasizes that human beings possess agency. Some scholars interpret this as evidence that while God has an overarching plan, multiple outcomes are possible depending on human choices, effectively constituting a "plan b" mechanism.

Eastern Religions

In Hinduism and Buddhism, the concept of karma introduces a system where consequences of actions influence future experiences. Although less focused on a personal deity's plans, these traditions accommodate the idea that life's path is not fixed but can be altered through spiritual effort, akin to having alternate routes or plans.

Implications for Faith and Daily Life

Belief in a divine backup plan influences how individuals approach decision-making, adversity, and personal growth. Understanding that "God has a plan b" can encourage flexibility and adaptability, reducing fear of failure.

Pros of Believing in a Divine Plan B

- **Enhanced resilience:** Individuals may recover more quickly from setbacks, viewing them as redirections rather than endings.
- **Increased hope:** The idea fosters optimism even in dire circumstances, sustaining mental and emotional well-being.
- **Encouragement of trust:** Believers may cultivate deeper faith in divine wisdom and timing.

Cons and Challenges

- **Potential passivity:** Some might rely too heavily on divine intervention, neglecting personal responsibility or proactive efforts.

- **Unanswered questions:** When suffering persists, the existence of a “plan b” may raise doubts about the nature of divine justice.
- **Ambiguity:** Without clear guidance, interpreting what constitutes “plan b” can lead to confusion or conflicting beliefs.

Modern Interpretations and Cultural Influence

In contemporary culture, the phrase "God has a plan b" has transcended religious circles to become a popular expression of hope and contingency planning. It appears in motivational speeches, counseling, and social media, often serving as a metaphor for resilience and adaptability beyond strictly spiritual contexts.

The phrase's SEO and online prominence reflect a broader societal interest in balancing faith with practical problem-solving. For instance, individuals searching for "God has a plan b" often seek comfort during personal crises, career setbacks, or health challenges, indicating its relevance to modern life.

Integration in Popular Media

Books, sermons, and podcasts frequently explore the theme of divine contingency, framing it as a vital component of spiritual maturity. This has helped normalize discussions about uncertainty in faith, allowing believers to reconcile doubts with enduring trust.

Impact on Interfaith Dialogue

Because the idea of a divine backup plan resonates across different religions, it offers common ground for interfaith conversations. Recognizing that various traditions acknowledge flexibility in divine will fosters mutual respect and deeper understanding.

Conclusion: The Enduring Appeal of “God Has a Plan B”

The phrase "god has a plan b" encapsulates a profound theological and psychological truth: the human experience is marked by unpredictability, and faith traditions grapple with this reality by envisioning a responsive, compassionate deity. Whether interpreted literally or metaphorically, the concept encourages resilience, hope, and trust in the face of adversity.

As society continues to navigate complex challenges, the enduring appeal of this idea lies in its blend of divine assurance and human agency, reminding us that when one path closes, another may

open—sometimes guided by forces beyond our understanding.

God Has A Plan B

god has a plan b: God Always Has a Plan B Zondervan Publishing, 1999-09 When things don't go your way ... when you hit some bumps or potholes in the road of life, when your plans don't come together the way you hoped, God always has a plan B for you: a new perspective, a new attitude, a new point of view or a completely new direction for you to take. This collection of inspiring, thoughtful yet lighthearted writings will lift you up, and keep you going as you look for and follow God's plan B for your life. The witty and clever writing of Barbara Johnson, Patsy Clairmont, Luci Swindoll, Marilyn Meberg, Thelma Wells and Sheila Walsh will give you a smile, a laugh and a cheerful outlook to assure you that God's plan is always the right one.--Cover

god has a plan b: There are No Plan B's in the Kingdom Marian E. Turenne, 2013-01-25 Marian writes, "Prior to sending ATTB to be published, I began feeling like I had been 'set-up'. Yeah set-up! It was as if God actually prompted my writing it to serve as a 'forerunner' for what He was really calling me to do." She encourages her readers; that if God has ever made you a promise: • Hold onto His unchanging hand • Meditate on His word • Recall His faithfulness • Observe those around you standing in faith • Never be afraid to ask difficult questions • and Don't Ever Forget God's promised to never leave, nor forsake you

god has a plan b: Shake Free Samuel Rodriguez, 2019-04-23 Based on the story of the apostle Paul's near catastrophic shipwreck (see Acts 27-28), this is a call to individuals to shake off problems and disasters in life and move forward to new health and wholeness. Some days you feel as if you take one step forward only to fall back two—or ten—steps. You struggle and push through one obstacle after another. You know God is present, but when is he going to rescue you from all the storms, shipwrecks, and snakes surrounding you? The apostle Paul faced a great crisis such as this on his epic voyage to Rome, which ended with a disastrous shipwreck—yet every person aboard was saved by grasping broken pieces of wood. In *Shake Free*, Samuel Rodriguez issues a powerful call for you to shake off your problems. He writes, "When the storm breaks in your life, you will be driven by: • the past or the future • the pathetic or the prophetic • problems or promises • nightmares or dreams • the flesh or the Spirit • Google searches or godly churches • the drama of the storm or God's destiny for your life." Rather than merely surviving circumstances, you can discover how to navigate through life's challenges to truer wholeness and bigger victories from God. "Shake Free . . . will help you break free of emotional, mental, and spiritual burdens. . . This book is necessary for all those who are ready to take back control of their lives!"—DeVon Franklin, producer and New York Times bestselling author

god has a plan b: Unconditional? Brian Zahnd, 2011-01-04 If Christianity is to be a compelling and relevant voice in the 21st century, Zahnd asserts it needs a fresh message, not a new innovation or novel interpretation, but a return to its roots.

god has a plan b: Radical Forgiveness Brian Zahnd, 2013 Readers will be confronted with the stark reality of how deeply people need to reach within to really show Christlike forgiveness and mercy to those to those that are least inclined to have it.

god has a plan b: On Holy Ground Keith R. Anderson, 2025-06-24 There is a universal human need to understand our identity and find belonging and sacred purpose in the most daily moments of our lives. When we know our identity as the beloved of God, our lives take on practices that are urgently needed in our divisive culture today, starting with compassion, hospitality, and discourse, and joining a movement to boldly proclaim Abba's love. Sacred purpose involves everything we do on holy ground, which is where God walks with us, before us, and alongside us—in time and place. As we enter the fray, we find ways to live as people of justice, grace, and conviction, seeking the

kingdom of God as our priority as we address those issues that are so charged and divisive today: race, inclusion/exclusion, individualism, and trauma. Within the image of an ecosystem, we understand that—Scripture (the living word) points us to Jesus (the incarnate word), who calls us to sacred purpose (a living relationship of following Jesus), at our own altars in the world, for all of our lives.

god has a plan b: *Life through God's Word* Christopher J. H. Wright, 2020-10-31 If you have ever been tempted to disregard Psalm 119 under an assumption that it is some dry and dusty psalm about Old Testament law, you are certainly not alone. However, in this in-depth study of the longest chapter in Scripture, Chris Wright reminds us that it is first and foremost a prayer overflowing from a deeply intimate relationship with God. It is an unfolding conversation between the psalmist's rawest emotions and God's word, his source of comfort, delight, guidance, grace and life-giving encouragement. As a travelling companion for our own journeys, Psalm 119 serves as a powerful reminder of how Scripture speaks to our deepest desires and our greatest needs, and how, if it is to do its work in us, we must know and love the Scripture for ourselves. Rather than approaching the text linearly, Wright explores five recurring themes within the psalm, drawing forth deeply personal and powerful applications. This thematic approach is ideal for pastors wrestling with how to preach Psalm 119 in its entirety, as well as for personal and small group study. Discussion and reflection questions are included. This is an excellent resource for anyone desiring to foster a closer relationship with God through Scripture.

god has a plan b: God Has It All Covered: the End from the Beginning Kodzo Alabo, 2022-10-19 God has abundantly revealed Himself and His ways through the pages of the Bible. The history, continuing prosperity and relevance of Israel as a nation and a people constitute additional evidence of the all-pervasive power and authority of God over His entire creation. No less important is the ability of God to foretell the end of things from the beginning. It is this unique ability of God that distinguishes Him from all the pretenders. *God Has It All Covered: The End From The Beginning* helps the reader understand the age in which we live and how it will eventually end

god has a plan b: Hope in the Midst Mary Rose Takacs, Marianne Takacs, 2011-08-25 Don't give up! Are you struggling to hold on to your faith? Authors Marianne and Mary Rose Takacs find themselves in such a place in 1998. During the spring, ten-year-old Mary Rose is experiencing mysterious health symptoms. In the summer, a terrifying diagnosis is given. Being warned by the physical therapist she may never walk again, Mary Rose is determined she will not spend the rest of her life in a wheelchair. Follow the journeys of mother and daughter in this thirty-day devotional, as they face the battles within and those that surround them. With raw honesty, humor, and inspiration, they describe their struggles and God-given triumphs. You will read about the courage and perseverance needed to overcome life-changing circumstances. Share in their stories of the lessons they learn and the comfort they find in Christ. These real life experiences will encourage you and bring Hope in the Midst. They touch on such topics as: Calming the Storm Within Laughter that Soothes Remembering His Benefits The Battle is the Lord's The Value of Life, and much more!

god has a plan b: Free And Holy Where You Are Msgr. Dennis M. Regan, 2019-11-06 Welcome to the adventure! When I was growing up, the idea that being Catholic was an adventure was the farthest thing from my mind. You just were. And, pretty much, memorizing some definitions and what rules you had to keep in order to be saved completed the picture. Then why would I entitle these challenging reflections to aid our life's journey: FREE AND HOLY WHERE YOU ARE? Perhaps because many Catholics don't feel freed by the rules, and don't feel they will ever be truly holy. Only for priests, sisters, or monks could where you are possibly promote holiness! Yet the Daily Life of a Catholic is exactly where we always are with Jesus as our friend and confidant, and members of his Body, the Church. Be prepared to choose a hundred thoughts or phrases you'll want to remember for

the rest of your life. If you are one of those people who, like me, understand Roman Catholic tradition as a solid foundation meant to encourage, not discourage, intelligent critical moral thought, then this is the book for you. It will make you excited (again) to be a Roman Catholic believer. Msgr. Robert J. Thelen, Seminary Professor and Parish Priest A MARVELOUS BOOK Having learned that a priest I greatly admire had written a book, I eagerly looked forward to obtaining and reading a copy. When Msgr. Dennis M. Regan's *Free and Holy Where You Are: The Daily Life of a Catholic* arrived in the mail, my first reaction was I wondered if the book had a good title. The format of the book is a collection of two- or three-page essays, a format that I usually don't find attractive, and so I was concerned that I might not like the book. My concerns disappeared quickly as I read the text. Msgr. Regan has written a marvelous book, and the title is perfect. The book was a challenging, instructive and often inspiring experience. In God's incredible and unconditional love for each of us, God invites us to become: Co-creators with God of a redeemed but unfinished world. That will bring enthusiasm and excitement for any Christian believer who accepts the invitation. Rev. Robert E. Lauder, Arts and Culture published in *The Brooklyn TABLET*, Nov. 30, 2019 A TERRIFIC, WELCOMING VOLUME Regan seeks to highlight what he sees as the more inviting aspects of Catholicism, which some readers may not expect--most prominently its flexibility and humanity....Readers who are familiar with the history of Catholic writings will be struck again and again in Regan's compassionate, empathetic notes, which would have been unrecognizable in Catholic thinkers of an earlier age....Many modern believers, especially young ones, will find a version of Catholicism in these pages that they can embrace. -----Kirkus Reviews

god has a plan b: New Monasticism Jonathan Wilson-Hartgrove, 2008-05-01 *New Monasticism* is a growing movement of committed Christians who are recovering the radical discipleship of monasticism and unearthing a fresh expression of Christianity in America. It's not centered in a traditional monastery--many New Monastics are married with children--but instead its members live radically, settling in abandoned sections of society, committing to community, sharing incomes, serving the poor, and practicing spiritual disciplines. *New Monasticism* by Jonathan Wilson-Hartgrove offers an insider's perspective into the life of the New Monastics and shows how this movement is dependent on the church for stability, diversity, and structure. A must-read for New Monastics or those considering joining the movement, it will also appeal to pastors, leaders, those interested in the emerging church, and 20- and 30-somethings searching for new ways to be Christian.

god has a plan b: Spiritual Warfare Jerry Rankin, 2009-03-15 Christians already have victory over the world through Jesus, but Satan picks a fight with believers nonetheless, tempting them with the influences of the world in an effort to steal God's glory. Indeed, the battle rages on, but the nature of the enemy is baldly exposed in *Spiritual Warfare*, helping readers better understand feelings of resentment, anger, doubt, pride, and adversity for what they really are: fiery darts of deception. Written by International Mission Board president Jerry Rankin, who has witnessed spiritual warfare at work around the world, the book in turn becomes an inspiring guide to the Spirit-filled life, illuminating spiritual disciplines that equip us for victory including prayer, Bible study, fasting, Sabbath observance, active church membership, and praising God in all things.

god has a plan b: The Essence of Catholicism Peter Forrest, 2024-12-26 Peter Forrest argues that Essential Catholicism is the one and only religion to which reasonable humanists could commit. Drawing on Immanuel Kant's *Religion within the Bounds of Bare Reason* and Ludwig Feuerbach's *The Essence of Christianity*, he provides an in-depth philosophical investigation into the synthesis of Catholicism and the Enlightenment. In this nuanced study humanity and divinity are two species of the same genus. Chapters defend the apologetic project from common objections and cover the argument from evil to Catholicism, the case for the Catholic synthesis, the argument from tradition, and finally the negative case for Essential Catholicism. Forrest elucidates how the various Catholic churches have Essential Catholicism in common, discussing the Roman Catholic, the Eastern Orthodox, the Oriental Orthodox, and the Old Catholics, as well as High Church Anglicanism with Methodism as a borderline case. He argues that we can learn from other Christian

denominations and from other religions, but Catholicism is the overarching and one true religion. An engaging and original account, *The Essence of Catholicism* departs from Vatican theory and provides a sharp philosophical reflection on a distinctive religious position within the Catholic tradition of thought.

god has a plan b: What Angels Long to Read Mark Meynell, 2017-06-14 'Even angels long to look into these things' Peter wrote to encourage and embolden isolated and vulnerable believers. His timeless words have consoled and challenged ever since and show how the eternal gospel is true even in the toughest circumstances. The last sentence in 1 Peter 1:12 profoundly illustrates that the experience we have each time we open up the Scriptures is nothing less than a heavenly privilege, a privilege that angels do not have but would love to! Mark Meynell skilfully brings the New Testament to life. Guiding the reader through preaching the Gospels and Acts, the Parables, the Letters and Revelation, as well as using a host of worked examples, sample sermons and personal exercises, this book offers ideas and approaches to stretch even the most seasoned preachers. This preaching resource will make an excellent companion to Christopher Wright's *Sweeter than Honey: Preaching the Old Testament*.

god has a plan b: Great Men and Women of the Bible Lisa DeVinney, 2012-11-11 Heroes are people we look up to and admire, perhaps because of their great feats of strength and courage. The Bible is full of godly heroes who lived lives of courage, faith, and conviction. They were not always men and women of great natural ability. But God has always delighted in taking ordinary people, and using them to do extraordinary things, for Him. These Sunday School lessons are meant to bring these Bible heroes to life, not just so we can admire what they've done, but also to encourage us to know that God might just be calling us to be modern heroes of faith, for Him. We can find courage in reading how God faithfully provided for His heroes of the past. Our faith can grow, as we study time after time where God's hand moved to protect and strengthen them. And we can be resolved that when God calls us, we can be ready to follow in the footprints of the Old and New Testament Heroes of faith.

god has a plan b: Echoes from a Distance King Joe, 2009-01-19 Shortly after I had returned from a foreign trip some years ago, an old friend saw me and quickly noticed that I had gone partially bald. He was startled. So, he spontaneously yelled a seemingly tough question at me: What happened to the hairs on your head? Spontaneously too, I yelled an answer back at him: Nature took them in place of the wisdom that I couldn't pay for! And we teased and laughed. My friend thought I had joked, but I knew I hadn't. However, I'll leave the judgment to you. By the time you're done digesting the substance of this more than compelling masterpiece, I'd like to know your stand. Had I joked or had I not?

god has a plan b: Connections Karen F. Norton, 2014-10-29 You can read the Bible through in one year, every year! Whether you begin the year-long adventure in January or July, you will find *Connections* an invaluable companion to *The One Year Chronological Bible* (NIV), 2011 edition. As a daily devotional, *Connections* highlights a portion of each day's Scripture reading and explores the correlation between the Old and New Testament, bringing additional insight and inspiration. Thought-provoking and encouraging, you will find *Connections* a supportive tool in your continuing spiritual growth. God wants to speak to you every day, so start your twelve-month journey now! I have never met anyone with an equal appetite for ingesting the Word of God. That tenacity has credited her with incredible experiences which she unfolds in the pages of this powerful devotional and she applies God's Word to her life beyond these pages. You need to read this devotional. --Jeremy Yancey, Lead Pastor, Lufkin First Assembly, Lufkin, Texas

god has a plan b: Sharing in God's Presence Roy D. Kindelberger, 2018-10-05 Sharing in God's Presence means far more than getting saved and experiencing God's blessing in our lives. As believers, his presence becomes a very personal part of who we are and what we do--God actually shares himself with us! The language that we use often fails to capture the depths of God's nature penetrating ours, the fullness of his Spirit permeating our hearts, and the innermost infusion of his presence in our lives. But the truth couldn't be more intimate: The person who is joined to the Lord

is one spirit with him (1 Corinthians 6:17)! This book is an invitation to share in God's presence by allowing God to share himself with you. God wants everyone to share in his embrace. As we accept our responsibility for prayer, ministry, and even revival, we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ. For a general readership, this book is a reworking of material from the second half of the author's academic work *God's Absence and the Charismatic Presence*.
