benny hinn good morning holy spirit: Christianity in Crisis Hank Hanegraaff, 2012-06-18

Nearly two decades ago Hank Hanegraaff's award-winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmask. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God

cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." Christianity in Crisis: 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

benny hinn good morning holy spirit: Pinned! Kaye Topp, George Topp, 2020-10-24 George Topp believed in God but often relied on himself when making and carrying out decisions. He was not inclined to ask God for help but May 3, 2004 was the day that he found out he powerless. That day on his farm near Grace City, North Dakota, started out like any other. He had a half-dozen cows left to calf, and he was also seeding barley. Everything was going fine until his truck would not start. He had the bright idea to pull the truck with his small loader tractor and a chain to get it started. While the idea itself was sound, it was a bad call trying to do it himself without having someone drive the truck. The bumper of the truck ended up landing on the top of his legs, and he was immediately pinned. Before long, he began writing goodbyes to his wife and his family on his calving notepad. But miraculously, God intervened and saved George Topp's life, not only rescuing him but also healing his wounds and restoring him to wholeness in Jesus Christ. George and his wife, Kaye, share the incredible love of Jesus and the unbelievable grace of God in this true story that will ignite your faith and convince you of God's love.

benny hinn good morning holy spirit: God Is! Dr. Jo Anna c Watson, 2016-01-05 This generation has seen more scientific discoveries and an increase in greater intellectual knowledge than ever before. As a result, a worldview has emerged that puts its faith in human potential, intelligence, and self-gratification rather than in God. This generation is also witnessing a greater increase in biblical prophecy being fulfilled along with an increase of supernatural phenomenon. Is it possible that God, because of His extreme love for humanity, is zealously declaring that He is the Creator who holds all power and authority over life, death, time, and seasons? Is it possible that this may be the last generation before our Messiah returns? Each of us has a worldview, and that worldview is very important because it determines our behavior. Our behavior, which influences how we think, feel, and act, is guided by what we believe to be true about God. Such truth is very important because it affects our goals, relationships, our peace of mind, and our destiny, as well as the destiny of our nations. It is my desire to posit that truth is a personal knowledge of God and the truths in the Bible are relevant today, for it has all the answers to life, death, time, and our future. What you believe about God and the Bible will determine your destiny. Only dare to believe!

benny hinn good morning holy spirit: Apostasia DANNY MCDOWELL, 2011-03-22 Laodicea Revelation 3:17 17 You say, 'I am rich; I have acquired wealth and do not need a thing.' But you do not realize that you are wretched, pitiful, poor, blind and naked. Of the Churches of Asia, Laodicea stands alone. She is absolutely unique. She bears no suffering or persecution. There is no hunger or tribulation. Yet she is the most disgusting Church of the Ages. It is the ONLY Church of the ages to which the Lord has absolutely NOTHING good to say. What a repulsive thought! She is the product of her mother Babylon, who proudly stands among the nations and declares I am a queen and have need of nothing [Rev.18]. She boasts her wealth as a sign of God's approval. She stoops to giving her miserly contributions to her sibling Churches in poor nations and slaps herself on the back for her bland effort. While her brothers and sisters dig for roots to eat in equatorial Africa, she entertains her lofty attendees. She is GRAND indeed. She is the expression of Babylon the Great---the Mother of Harlots. She is the Church of America. Yet, in God's eyes, she is the poorest of all. She is destitute in values. She is corrupted by her own wealth and beauty. Her days are spent looking in the mirror and seeing only her own loveliness. She is institutionally incestuous. She is narcissistic, blind and

deaf. Her dainty odours veil the rotting of her flesh. At the same time, she is INSANE. Her doctrines are corrupted with deceit. Her master is that same Crowning Cherub who served as Heaven's Minister of Music. Only the strong medication of DESTRUCTION and POVERTY can return her to a right mind.

In *The Truth War* John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word. *Strange Fire* What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. benny hinn good morning holy spirit: **Return to the Upper Room** Riaan Engelbrecht, 2023-01-27 A Return to the Upper Room continues to be an in-depth study into the Holy Spirit, who is not a mere force. He is not energy. The Holy Spirit is a person and part of the Trinity along with the Father and the Son. God is Sovereign, and just so God wills and moves according to His will. Just so, the Spirit of the Lord moves and acts never out of His own accord, but always follows the leading of the Father. So the Spirit is interdependent, as there is a mutual dependency within the Trinity. The work of the Spirit is far greater in scope than merely the spiritual gifts, for the Spirit of the Lord leads us in our calling on the narrow path to the glory of the Lord. It is of utmost necessity for the Church to be one that is utterly and completely Spirit-filled and not led by the flesh. For only in the Spirit can we fulfil the Great Commission, be true disciples and walk in His truth, His way and His life. This volume of work explores in greater depth the Holy Spirit's role in the church, thus in the life of disciples. It explores how revival is directly connected to the flow of the Spirit.
