

destroyed for lack of knowledge

Destroyed for Lack of Knowledge: Understanding the Consequences of Ignorance

destroyed for lack of knowledge is a phrase that carries profound implications, reminding us how vital knowledge is in every aspect of life. Whether in personal decisions, business ventures, or societal progress, lacking the right information or understanding can lead to devastating outcomes. This concept resonates deeply across history, psychology, and even everyday experiences, highlighting that ignorance isn't merely a passive state but can actively contribute to failure or destruction.

In this article, we'll explore what it means to be destroyed for lack of knowledge, why knowledge matters so much, and how individuals and organizations can avoid the pitfalls of ignorance. By the end, you'll appreciate how knowledge serves as a powerful tool for survival, growth, and success.

The True Meaning Behind Being Destroyed for Lack of Knowledge

At its core, being destroyed for lack of knowledge means facing negative consequences because essential information was missing, misunderstood, or ignored. This destruction may be physical, financial, emotional, or reputational, depending on the context.

The phrase has biblical origins, notably in the book of Hosea 4:6, which states, "My people are destroyed for lack of knowledge." This powerful statement underscores how a community or individual can suffer when critical truths are absent. Beyond religious texts, the idea applies universally – in education, governance, health, and relationships.

Why Knowledge Is a Pillar of Survival

Knowledge equips people to make informed choices. Without it, decisions are often based on assumptions, rumors, or guesswork, increasing the risk of mistakes. For example, in business, failing to understand market trends or customer needs can lead to collapse. In health, neglecting medical advice due to ignorance can worsen conditions or cause preventable diseases.

Moreover, knowledge fosters adaptation. The world constantly evolves, and staying informed helps individuals and societies navigate change successfully. Being destroyed for lack of knowledge often reflects an inability or unwillingness to learn and adapt.

Common Areas Where Lack of Knowledge Leads to Destruction

Ignorance can manifest in many areas, each with unique consequences.

Recognizing these domains can help us identify where knowledge gaps are most dangerous.

Financial Decisions and Economic Impact

One of the most common arenas where people get “destroyed for lack of knowledge” is in managing money. Without financial literacy, individuals may fall into debt, make poor investments, or become victims of scams. On a larger scale, countries that lack economic knowledge or fail to educate their citizens economically can experience inflation, poverty, and economic collapse.

Understanding budgeting, interest rates, taxes, and investment basics is crucial. Many financial disasters could be avoided with better education and awareness.

Health and Well-being

Health is another critical area where ignorance can be fatal. Lack of knowledge about nutrition, hygiene, or disease prevention can lead to widespread health crises. For instance, misinformation during pandemics has historically caused unnecessary suffering and death.

People destroyed for lack of knowledge in health may ignore symptoms, delay treatment, or follow harmful advice. Educating the public on medical facts and healthy habits is essential to prevent these outcomes.

Environmental Awareness and Sustainability

Environmental degradation is often driven by ignorance of ecological balance and sustainability principles. Communities and industries that neglect environmental knowledge may destroy natural resources, leading to long-term damage and scarcity.

Being destroyed for lack of knowledge here means losing fertile land, clean water, or biodiversity, which ultimately threatens human survival. Promoting environmental education is key to reversing this trend.

Interpersonal Relationships and Communication

On a more personal level, lack of knowledge about effective communication, emotional intelligence, and cultural sensitivity can “destroy” relationships. Misunderstandings, conflicts, and mistrust often arise from ignorance about others’ perspectives or feelings.

Investing in learning about empathy, active listening, and conflict resolution can strengthen bonds and prevent relational breakdowns.

How to Avoid Being Destroyed for Lack of Knowledge

Avoiding destruction due to ignorance is possible through deliberate effort and continuous learning. Here are practical tips to build knowledge resilience.

Cultivate a Lifelong Learning Mindset

The world is too complex to know everything at once, but adopting an attitude of curiosity and openness helps you continually gather new information. Read widely, ask questions, and seek out different viewpoints to broaden your understanding.

Verify Sources and Question Information

In an age of misinformation, not all knowledge is trustworthy. Developing critical thinking skills enables you to evaluate the credibility of sources and avoid falling for false information that could lead to damaging decisions.

Engage in Education and Training

Formal education, professional development, and practical training provide structured knowledge that can prevent costly mistakes. Whether it's learning financial management, health practices, or technical skills, investing in education pays off by reducing risks.

Learn from Past Mistakes

History is full of examples where lack of knowledge caused destruction. Studying these cases helps us recognize warning signs and apply lessons to current situations. Personal reflection on your own experiences also sharpens insight and fosters wiser choices.

Build a Network of Knowledgeable Individuals

Surrounding yourself with experts, mentors, and informed peers creates a support system where you can seek advice and share knowledge. Collaboration often uncovers gaps in understanding you might miss alone.

The Ripple Effect of Ignorance: More Than Just

Personal Loss

Being destroyed for lack of knowledge doesn't only affect the individual; it often impacts families, communities, and even nations. For example, a leader's ignorance can lead to poor policies that harm millions. Similarly, widespread public misinformation can undermine health initiatives or social cohesion.

This ripple effect highlights the collective responsibility to promote education and awareness. When knowledge is shared and accessible, the entire society benefits by reducing vulnerability to avoidable destruction.

Technology and Information Access

Modern technology has dramatically increased access to information, which should theoretically reduce ignorance. However, the digital age also brings challenges like information overload and fake news. Navigating this landscape wisely is crucial to prevent being destroyed for lack of knowledge in today's fast-paced environment.

The Role of Media and Education Systems

Media outlets and educational institutions play a pivotal role in shaping public knowledge. Their commitment to accuracy, critical thinking, and comprehensive education can either mitigate or exacerbate ignorance. Supporting responsible journalism and robust education frameworks is key to a knowledgeable society.

Transforming Ignorance Into Empowerment

While the phrase "destroyed for lack of knowledge" might sound bleak, it also serves as a powerful motivator. Recognizing ignorance as a threat encourages proactive behavior toward learning and growth. Knowledge is not merely an accumulation of facts but a dynamic tool for empowerment.

By embracing knowledge, individuals and communities build resilience against destruction. They become equipped to handle challenges, innovate, and create positive change. In this way, knowledge transforms vulnerability into strength.

The journey from ignorance to understanding is ongoing and requires patience, humility, and effort. Yet, it is one of the most rewarding paths we can take—one that safeguards our well-being and nurtures our potential. In a world where being destroyed for lack of knowledge is a real danger, choosing to learn is the best defense.

Frequently Asked Questions

What does the phrase 'destroyed for lack of knowledge' mean?

The phrase means that failure or ruin occurs because of ignorance or insufficient understanding.

Where does the phrase 'destroyed for lack of knowledge' originate from?

The phrase is derived from the Bible, specifically Hosea 4:6, which states, 'My people are destroyed for lack of knowledge.'

How can lack of knowledge lead to destruction in organizations?

In organizations, lack of knowledge can lead to poor decision-making, inefficiencies, and missed opportunities, ultimately causing failure or destruction.

What are some modern examples of being 'destroyed for lack of knowledge'?

Examples include companies failing to adapt to new technologies, governments making uninformed policies, or individuals making harmful health decisions due to misinformation.

How can individuals prevent being 'destroyed for lack of knowledge'?

Individuals can prevent this by seeking continuous education, verifying information from reliable sources, and staying curious and open-minded.

What role does education play in avoiding destruction caused by lack of knowledge?

Education equips people with critical thinking skills and information, reducing ignorance and enabling better choices that prevent negative outcomes.

Can lack of knowledge impact societies as well as individuals?

Yes, entire societies can suffer consequences such as economic decline, social unrest, or environmental damage if knowledge is lacking or ignored.

How does misinformation contribute to being 'destroyed for lack of knowledge'?

Misinformation spreads false or misleading information, which can cause people to make harmful decisions, amplifying the effects of ignorance and leading to destruction.

What strategies can leaders use to overcome challenges caused by lack of knowledge?

Leaders can promote a culture of learning, encourage open communication, invest in training, and consult experts to address knowledge gaps effectively.

Destroyed for Lack of Knowledge: The Hidden Consequences of Ignorance in Modern Society

destroyed for lack of knowledge is a phrase that resonates deeply across multiple facets of human experience, from individual decision-making to the fate of organizations and even entire civilizations. This concept underscores the critical role that information, education, and awareness play in shaping outcomes. When knowledge is absent or insufficient, the consequences can be catastrophic, often irreversible, and far-reaching. In today's fast-paced world, where data and information are more accessible than ever, the paradox of being destroyed for lack of knowledge invites a closer examination of how ignorance continues to undermine progress, safety, and sustainability.

The Impact of Ignorance: A Multifaceted Challenge

The phrase "destroyed for lack of knowledge" encapsulates the idea that ignorance or misinformation can lead to failure or disaster. This is not merely a philosophical statement but a reality evident in numerous sectors including business, healthcare, environmental management, and governance. The absence of critical knowledge can cause poor decisions, missed opportunities, and systemic vulnerabilities.

For example, in the corporate world, companies have collapsed due to a failure to understand market trends, technological advancements, or regulatory changes. Kodak's downfall is often cited as a classic case where the lack of recognition of digital photography's significance destroyed a once-dominant brand. Similarly, in healthcare, inadequate knowledge about diseases or treatment protocols can lead to misdiagnosis, ineffective therapies, and preventable fatalities.

Historical Lessons: Civilizations Destroyed by Ignorance

History provides sobering examples of societies destroyed for lack of knowledge. The collapse of the Mayan civilization, for instance, has been attributed in part to environmental mismanagement and failure to adapt to climate changes, which may have been mitigated with better understanding or knowledge dissemination. Likewise, the decline of the Roman Empire involved a complex interplay of factors, including political ignorance and administrative inefficiencies.

These historical precedents demonstrate that knowledge is not just power in a metaphorical sense; it is a foundation for survival and growth. Societies that fail to invest in education, record-keeping, and critical inquiry risk decline and collapse.

Modern-Day Manifestations of Being Destroyed for Lack of Knowledge

In the contemporary context, the consequences of ignorance manifest in more complex and interconnected ways. The digital age has transformed how information is generated and shared, yet disparities in knowledge acquisition remain significant.

Business Failures Due to Information Deficits

Businesses today operate in highly competitive and volatile markets where access to accurate information and the ability to interpret it are critical. Companies that neglect data analytics, market research, or consumer insights may find themselves outpaced by more informed competitors. According to a 2023 study by McKinsey, organizations that utilize data-driven decision-making are 23 times more likely to acquire customers and 19 times more likely to be profitable.

However, the challenge often lies not just in gathering data but in transforming it into actionable knowledge. Many enterprises are destroyed for lack of knowledge because they fail to invest adequately in training, technology, or expertise necessary to leverage information effectively.

Environmental Degradation and Knowledge Gaps

Environmental crises frequently illustrate the peril of insufficient knowledge. From deforestation to climate change, the destruction of ecosystems is often accelerated by ignorance or denial of scientific data. For instance, the failure to recognize the long-term effects of industrial pollution has led to health hazards and biodiversity loss across the globe.

Governments and industries that ignore environmental research and sustainability principles risk undermining natural resources essential for future generations. The notion of being destroyed for lack of knowledge here extends beyond immediate economic loss to threaten global ecological balance.

Public Health and the Cost of Misinformation

Public health crises like the COVID-19 pandemic have highlighted how misinformation and lack of scientific literacy can exacerbate destruction. Countries and communities that failed to heed expert advice or understand virus transmission dynamics faced higher infection rates and fatalities.

Moreover, vaccine hesitancy fueled by misinformation demonstrates how lack of accurate knowledge can hinder disease control efforts, prolonging health

emergencies and increasing societal costs.

Bridging the Knowledge Gap: Strategies for Prevention

Understanding that many failures stem from being destroyed for lack of knowledge prompts the need for proactive measures to mitigate this risk. Various strategies can enhance knowledge dissemination and application across different sectors.

Investing in Education and Continuous Learning

Education remains the most fundamental tool to combat ignorance. Governments, organizations, and individuals must prioritize lifelong learning to adapt to evolving challenges. This includes formal education systems as well as vocational training and upskilling programs.

Leveraging Technology for Knowledge Management

The integration of advanced technologies such as artificial intelligence, big data analytics, and knowledge management systems can help organizations capture, analyze, and utilize information more effectively. These tools reduce the likelihood of critical knowledge gaps that can lead to destruction.

Promoting Transparency and Open Information Sharing

Encouraging openness and accessibility of information can prevent destructive outcomes by enabling informed decision-making. Transparency in governance, corporate operations, and scientific research helps build trust and facilitates collective problem-solving.

Critical Thinking and Media Literacy

In an era of information overload, the ability to critically evaluate sources and content is essential. Enhancing media literacy helps individuals and communities avoid misinformation traps that can lead to harmful choices.

Risks and Challenges in Addressing Knowledge Deficits

While efforts to bridge knowledge gaps are vital, obstacles remain. Unequal access to education and technology, cultural resistance to new information, and cognitive biases can all impede progress.

Additionally, the sheer volume of data available today can overwhelm decision-makers, leading to analysis paralysis or reliance on flawed heuristics. Therefore, approaches to knowledge management must also focus on quality, relevance, and context.

- **Unequal Access:** Socioeconomic factors often limit who can acquire and apply knowledge effectively.
- **Information Overload:** Excessive data without proper filtering can obscure critical insights.
- **Cognitive Biases:** Preconceived notions can distort interpretation of knowledge.
- **Resistance to Change:** Institutional inertia can prevent adoption of new knowledge.

These challenges highlight that being destroyed for lack of knowledge is not just about absence of information but also about the capability and willingness to use it.

As societies navigate an increasingly complex future, recognizing the dangers of ignorance—and investing in mechanisms to overcome it—will be crucial in avoiding preventable destruction and fostering resilience. The phrase "destroyed for lack of knowledge" serves as a stark reminder of the stakes involved in how knowledge is valued and managed.

[Destroyed For Lack Of Knowledge](#)

destroyed for lack of knowledge: Destroyed for Lack of Knowledge Betty Bergeron, Gerald Bergeron, 2012-10-14 If you have ever wondered if this world is finally coming to the end, this book is for you. If the sound of millions of people vanishing from this planet gives you reasons to ask questions, the Bible has the answers. Will there be a final war? Will there be a final judgement day, the return of Christ, or the tribulation? All these questions can be answered, this book will give you the scriptures and answer many of your questions. Don't wait until it is all happening to see if it is true look it up for yourself.

destroyed for lack of knowledge: Pulling Down The Seven Pillars Of Satan That Destroy Destiny Tella Olayeri, 2021-10-06 This book is written to empower you to face every battle that comes your way. With this book the Lord will put his armor upon you and destroy the fiery darts of the enemy. There are seven principal pillars of Satan you need to pull down before success and salvation can be erected in your destiny. This book addresses them all. They comprise pride, lack of knowledge, anger, and lack of faith; prayerlessness, self-affliction and pursuit of vanity. You are not expected to plant good seeds of life and reap little or nothing. You are created a unique person and; to achieve unique reward. You are the salt of the world. This book will provoke you to action and win every battle of life. You are to crack every concrete situation in your life so that your destiny may thrive. The seven pillars are dangerous to humanity. They swallow effects of prayer. The wicked do this intentionally by placing load of distractions in your hands. They do it with smiles but with wickedness in their heart. Satan is smart! He places load of distraction in our hands and turn it to pillars designed to swallow our destiny. Distraction takes priority in our life over the glorious presence of God so that we lose appetite for God and receive no vision or revelation. We must

checkmate the wickedness of the enemy. It is for this reason this violent spiritual book loaded with spiritual missile bullets is written. This book will silence and break to pieces these evil pillars. There are battles seeking your daily tears and ready to bury your destiny. They are spiritual pillars that say; "if I am not lifted, you can't be lifted". They are there pressing you down, boasting you can't go. They are happy to press you down. They are spiritual vultures assigned in the spirit to announce your obituary. At this point; call on angels of war to come to your aide and fight the battle. You need drastic, violent and no nonsense spiritual powers to destroy the evil pillars. Your cry to God won't have effect if you are not prayerful and know what to do. This book gives good counsel to go about it. This book is wonderfully packaged with violent prayers vomited by Holy Spirit. Arise and pray. Now is the time every witch and wizard, and every form of evil power that surrounds you should surrender. Above all, this book will give you access to the following as you count success over the seven pillars of darkness. You shall be set free from the grip of the enemy. The powers of your father's house shall bow. Losses shall cease in your life. Your destiny shall experience spiritual fertility and growth. Pillars of darkness assigned against you shall break to pieces and expire. The glory of the Lord shall locate you and your eagle shall fly high. Helpers shall arise for your sake and locate you. Every dark battle against you shall bow and scatter. Every dark arrow of limitation, untimely death, bad health, poverty and whatever shall backfire to the sender. Every dark pillar troubling you in order to swallow your destiny and keep you in perpetual cry and agony shall be pulled down by fire. The battle is won. Pick your copy and buy for others. Your joy is borderless and super! Congratulations and praise the Lord!

destroyed for lack of knowledge: Lutheran Woman's Work , 1916

destroyed for lack of knowledge: Age of the Gentiles and the White God Delusion

Timothy Hугee, 2012-10 The book is a logical Bible study and in-depth examination of Race, Sex, Power, Politics and War. The Author addresses the false doctrine and propaganda that has been fronted for centuries, by Christianity and Judaism, as to their supremacy above other religions and races. He also examines the role these two religions have played in promoting these false doctrines, which literally contradict, the written laws of the Bible. The book further looks at Islam where the Author acknowledges the origin and foundation of its original teachings, as is likened by God's Commandments and as written in the Holy Bible and Holy Qur'an. The Author takes a scalpel to dissect race and religion to its core. The Author separates the gentile dogma of Christianity and Judaism and highlights their contradiction to the Laws of God. Lastly, he dwells on separation of races based on their individual religious philosophies, concluding in the introduction of Lucifer as a Chief Architect of Gentile religious doctrine and practices. Lucifer's mission is to maintain the delusion of the white God and its false power to rule over Black and Semite people. Quotes from Author: I am challenging the world's Christian religious believers, communities and the general masses to follow the true laws of God. They should stop falling prey to the False Luciferian Doctrine and the delusion of White God. I affirm to the world that, I am a true servant of God who is challenging all religious ministers to debate evidence and facts, referred to in this book through the lesson chapters, so that they may distinguish the truth from the lie. I challenge them to debate about the alleged religious authorities in reference to the Christian and Jewish faith, in order to determine, if truly, their religious practices is of the God of Heaven and Earth. I challenge all ministers to prove that they follow and believe in the commandments, Laws and Statues of God as written in the scriptures. I further challenge all of them to debate the true ethnology and race of God's chosen people; his first family being the black and Semite (Hebrews), who are identified by their skin pigmentation and coloration; and their true religion to be Abrahamic. This would also prove that True' Israelites are cousins to the Ishmaelite's. In addition, I challenge all ministers of Jewish Authority, to a debate, as to the true ethnology of True' Hebrews of the Land of Palestine and Canaan. It is worth noting that the true Hebrews were removed from the Holy land, and thereafter cursed by God and Scattered unto Gentile nations in all four corners of the earth. And shall remain there, until the second coming of Jesus; as was prophesied in his Revelation war against the

Christian, Jewish Armies of Gog (Europe) and Magog (America, Israel), and as foretold in the book of Revelations. I challenge them to deny that it has been 2000 years of Christian Propaganda Crusade by the gentiles and gentile Jews, and Theologians, Philosophers and Historians, to hide the true identity of the true Israelites. Their mission has been to remove parts of, and alter the Holy Scriptures, thereby changing the Laws of God. Their intention is to make everyone follow Luciferian Doctrine. Because of this, God gave Revelation unto Jesus Christ, to bring forth the final Armageddon to all who changed His Laws. This led to his prophecy against the Christians (Nicolaitans) and Jewish doctrine (religion), which He hated, for they are the synagogue (disciples) of Satan.

destroyed for lack of knowledge: *The Admiral Gift, Vol 1* Bertril A. Baird, 2010-10-01

Apostles! Didn't they all die out at the end of the first century? Didn't I hear a person using that title on my radio? Today, this theological debate rages: in these last days, is God again raising up apostles with first-century capabilities? Certainly Bertril Baird knows the answer. In a ministry spanning five decades, this Admiral has brought hope and deliverance throughout the Caribbean region, the Americas, Africa, and India. God has uniquely prepared him to take up this debate. Thanks to his countless stories, in-depth biblical and historical knowledge, as well as balanced perspective, you will gain fresh insights into the mindset, outcomes, and supernatural tools needed to exercise the Admiral Gift.

destroyed for lack of knowledge: *90 Days to More Faith, Freedom and Victory* Dean Wall, 2009-03 Perfect for the busy person, this compilation of 90 short, one page, Bible teaching messages will cause your faith to grow so you can walk in more freedom and victory in this life. Offering concise and practical insight for real living, these Scripture based devotionals combine encouragement and Biblical teaching, so you can have a closer relationship with our wonderful Lord Jesus Christ. Just what you need to give your spiritual life a boost! These short messages will give

you a better picture of Jesus Christ and His great love for you. By knowing God's Word better, you will begin to enjoy more of the blessings Jesus has already provided for you. Easier to finish than a year-long devotional, in just three months you can take these truths from the Bible and begin to see a change in your faith and your life. Designed to take only minutes each day. God's truth will make you free!

destroyed for lack of knowledge: Fight the Good Fight of Faith R. C. Jette, 2021-10-14 Many of God's soldiers are overwhelmed with daily struggles. We feel we are getting nowhere and see no light at the end of the tunnel. We are worn out from the never-ending warfare. We want life easier and are beginning to wonder if we can continue to fight the good fight of faith. Fatigue has enticed us to seek the distractions in this world. We are living in the now instead of focusing upon our future inheritance. Eternity is no longer our top priority. We have forgotten that this life is a vapor that will fade away, whereas eternity is forever. It is imperative for us to realign our focus upon eternity and what is necessary to finish our race. Inheriting all things is contingent upon overcoming. If we are to fight the good fight of faith and run the race set before us with patience, we have to take authority, be the aggressor, be the strong force over the enemy of our souls. As you read through the pages, allow the Holy Spirit to open your eyes of enlightenment, to encourage you to continue, to reveal aggressive warfare and how to run your race with resolute endurance until the finish!

destroyed for lack of knowledge: *Marriage Dreams Do Come True* Shaun Gustafson, Amy Gustafson, 2009-12 How would you like to be in a lifelong marriage to the same person and desire being with each other after many years as much as when you were first married? It is possible. Through this book you will learn scriptural keys to build this kind of lasting marriage that is a dream come true. As you read this book you will find practical insights from the Word of God and build understanding about essential factors to grow a strong, intimate relationship. Topics include: - Making a communication connection - How praying together helps you stay together - How submission creates equality and successful leadership in the home - How to overcome temptations - Building a vision together and much more! Shaun and Amy Gustafson are Senior Pastors and founders of Word of Life Christian Center in Rochester, Minnesota, a growing and thriving body of believers from various walks of life. They have a passion for empowering people to apply truths from God's Word to bring success to their everyday life. Pastors Shaun and Amy have taught marriage conferences at denominational and non-denominational churches around the country. They have a heart for building unity among churches and reaching people with Christ's love. Visit Word of Life's website at: www.wolrochester.org

destroyed for lack of knowledge: *How to Improve Your Existence* Rev. Molege J. Claveus, 2021-03-26 Dear readers, I am pleased to present this book entitled "How to Improve Your Existence." It is, among other things, the summary of my own experiences, amplified by sessions of encouragement given to some people who have experienced difficult situations in their life and who were looking for words of encouragement and solutions. That is why I dedicate it to all those who are discouraged, to those who are in search of their true identity and who are confused about their responsibility in life. This book emphasizes the various difficulties that we can encounter on the road to success and suggests how to overcome them. If you are hurt, rejected, abandoned, you may feel humiliated or feel that you are holding it in your memory. Perhaps, you have been betrayed, or even tortured by people that you've trusted, but be strong enough to fly over those difficulties. Remember that you are not alone to suffer those problems, and especially you must forgive, because you do have a single life to live. "How to Improve Your Existence" is a book to read!

destroyed for lack of knowledge: *Raising Godly Children* Itakpe Theophilus, 2015-02-12 The revealed reason why Jesus had been sent by God from heaven to the earth was to make human beings have life and indeed have it as greatly as it is possible. Now, if its your wish, whether as a single person or a married individual, that any child God ever blesses you with becomes His own godly seed, or as a parent, you are overwhelmed by a burning desire for greatness and fulfillment for your little child and so have always prayed to God to fulfill your dreams. Then I tell you, friend, that this book is what you need to solve your riddle. The author has taken much pain to lay completely

bare the measure of spiritual insight you should have, plus those steps you need to take while collaborating with God as He turns your child into His godly seed and, eventually, a great and fulfilled man. A well-refined individual who would be comfortably and conveniently able to meet Gods standards for his life and cruises on to fulfill his destiny.

destroyed for lack of knowledge: *Who Do You Serve?* Charlotte A Roper, 2011-02-02 Behold, the days are coming, says the Lord God, that I will send a famine on the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord. ~ Amos 8:11, NKJV We as Christians, so often hunger for the things of this world without regard to the cry of our Savior to reach out and touch those in need all around us. The choices we make each day of our lives send a clear message to the multitude as to whom we have chosen to serve. Gods Word says we can only serve one master. Our actions, our behaviors, our words, and every decision we make shows the world and our loved ones who we have chosen as the Lord of our lives. I challenge you to ask yourself, Who do I serve? Have you been obedient to the call God has on your life, or do you choose to ignore that quiet whisper guiding you to His plan of a hope and a future? I urge you to fully surrender your life to Him and choose this day to serve your Savior, Jesus Christ, rather than the world and the enemy of your soul. Who you serve is black or white. There is no gray area.

destroyed for lack of knowledge: *Delay of Game* Vernon C. Stewart, 2022-09-29 This book is based on the album written by Trip-C Tha' Block Bishop, Delay of Game. Each chapter of this book is a biblical breakdown of every song on the album. Each song is based on real-life experiences with God and the lessons learned along the way. The author explains how to connect with God on a down-to-earth level with simplicity. From an urban perspective, however, anyone can understand and gravitate to this read. Thoroughly explaining the Word of God with scriptures to back it up, anyone that's eager to draw closer to the Father will love this easy read.

destroyed for lack of knowledge: *Love Affairs With A Witch* Dipo Toby Alakija , Lola was initiated into the group of witches and wizards when she was in Primary School in a small town in Nigeria. Without knowing how and when, she became so possessed with powers of a witch that by the time she got to Secondary School, she was already abloodsucking black bird. One day, her Secondary School teacher called Tunde punished her for failing to perform her assignment without knowing the kind of person he was dealing with. Although Lola did not report the matter to anyone, members of her group decided to teach him the lesson he would live to remember for the rest of his life. Thus while sleeping in the middle of the night, they went to him and beat him to the point of ending up in the hospital, warning him against messing around with any member of their group. When he eventually resumed in the school, he tendered his apologies to Lola. Although Lola was a teenager at this time, she soon desired to be his lover. Out of fear of offending her again, he entered into an unholy relationship with her with the hope of getting married to each other. Fiyan, his former lover who went away with another man suddenly showed up in his life at the time his love affairs with Lola was at the climax, trying in vain to win his heart back. While fighting to win him back, Fiyan was entangled with a powerful witch doctor who made her his wife. Getting support from a Pastor, Fiyan's mother fought to rescue her, leading to one conflict right after another until Tunde and Lola were faced with battles with the group of witches and wizards.
