james bible study beth moore: *Three Little Birds* Jacqueline McDaniels Martin, 2014-03 *Three Little Birds: Faith, Hope, and Love* is a raw and true story written during the life and loss of Jacqueline Martin's third child, James Robert. This story is meant to inspire and counsel readers, especially those facing a difficult journey of their own. James was born prematurely and with a rare congenital heart defect on May 17, 2011, and passed away on September 14, 2011. *Three Little Birds: Faith, Hope, and Love* is a testimony to the power of prayer and provides proof that God made sure Jacqueline and her family did not have to face this painful journey to physical and emotional wholeness alone. Jacqueline's story speaks about her personal experience as a mom and about her attempt to live her life faithfully as a Christian while she managed the toughest trial of her life during a parent's worst nightmare losing a child. Living life as a Christian means living life to a higher calling. Jacqueline's story is about taking a parent's worst nightmare and turning it into something extraordinary by improving the lives of others one baby step at a time. Imbued in Jacqueline's writing is the Martin family's message of faith, hope, and love in a direct metaphor for the three little birds. The three little birds are represented by her three children, as well as the greatest gifts of God. Everyone endures hardships in their lives and receives tests of their faith during these difficult times. These tests of faith enable us to continue to count as well as remember our blessings. They seem to hide the world's nature and beautiful colors, silencing the chirping and singing of birds. During difficult times, community and help from others allow us to continue standing and to get through the trials. With the help of others, the world's colors shine brightly and open our eyes to different experiences, trials, and journeys in our life as well as the journeys of others.

I taught him right from wrong, took him to church. How could he make these choices? He is hurting everyone, but he does not care. An addict will do anything to get the money he needs. He is so deceitful and full of lies. But the addiction has so consumed him that he has resorted to stealing from us, pawning tools and jewelry. Will he or the rest of the family ever forgive me?

james bible study beth moore: *Scattered, Smothered, and Yet Covered By the Grace of God* Lisa J. Heyer, 2023-11-28 This story of Scattered, Smothered, and Yet Covered by the Grace of God tells the unknown, the unbelievable, and the hurt and heartache that scattered my life in 2010 with my son's dive into addiction. His addictions from pot to pills would scatter and smother me for the next eight-plus years. This isn't only a raw look into addiction and the destruction it causes, but more importantly, it is a look into a story of God's love, hope, mercy, and grace that covered me and my son during these years in addition to being covered by friendships and prayers when we couldn't cover ourselves. I learned in 2019-2020 while writing this story that there is an obvious thread woven within this story—that is, God was there in every detail along the way. I was scattered into pieces, broken beyond what I could have imagined, smothered to the point of true breathlessness, and yet covered by the grace of God each and every day. But we have this treasure in jars of clay to show that this all surpassing power is from God and not from us. We are hard pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed. We always carry around in our body the death of Jesus, so that the life of Jesus may also be revealed in our body. For we who are alive are always being given over to death for Jesus sake, so that his life may also be revealed in our mortal body. So then, death is at work in us, but life is at work in you. I am thankful, Lord, for the refining and redemption lived within this story. I have been covered by the grace of God!
