This convenience is particularly important for readers who travel frequently or prefer reading in different environments without the physical burden of a printed book.

Customizable Reading Experience

ePub files allow readers to customize their reading experience extensively. Users can change font size, background color, line spacing, and margins to suit their preferences, which is especially useful for lengthy novels like "The Name of the Wind." Devorei em um dia e já estou louco pelo próximo. Ele é muito bom, esse tal de Rothfuss. – George R. R. Martin, autor de A guerra dos tronos

Ninguém sabe ao certo quem é o herói ou o vilão desse fascinante universo criado por Patrick Rothfuss. Na realidade, essas duas figuras se concentram em Kote, um homem enigmático que se esconde sob a identidade de proprietário da hospedaria Marco do Percurso. Da infância numa trupe de artistas itinerantes, passando pelos anos vividos numa cidade hostil e pelo esforço para ingressar na escola de magia, O nome do vento acompanha a trajetória de Kote e as duas forças que movem sua vida: o desejo de aprender o mistério por trás da arte de nomear as coisas e a necessidade de reunir informações sobre o Chandriano – os lendários demônios que assassinaram sua família no passado. Quando esses seres do mal reaparecem na cidade, um cronista suspeita de que o misterioso Kote seja o personagem principal de diversas histórias que rondam a região e decide aproximar-se dele para descobrir a verdade. Pouco a pouco, a história de Kote vai sendo revelada, assim como sua multifacetada personalidade – notório mago, esmerado ladrão, amante viril, herói salvador, músico magistral, assassino infame. Nessa provocante narrativa, o leitor é transportado para um mundo fantástico, repleto de mitos e seres fabulosos, heróis e vilões, ladrões e trovadores, amor e ódio, paixão e vingança. Mais do que a trama bem construída e os personagens cativantes, o que torna O nome do vento uma obra tão especial – que levou Patrick Rothfuss ao topo da lista de mais vendidos do The New York Times – é sua capacidade de encantar leitores de todas as idades.

Even worse, they are echoed by the whispers of her own colleagues. Whispers that started after her comatose husband died in the ICU . . . then another mysterious death during her training. When a third happens at her new hospital, the whispers turn into a shout: "Mercy killer!" Why doesn't she defend herself? What is the dark secret that keeps Elena's lips sealed?
