

nellie campobello cartucho english

Nellie Campobello Cartucho English: Exploring the Powerful Voice of the Mexican Revolution

nellie campobello cartucho english is a phrase that often piques the curiosity of literature enthusiasts, historians, and readers interested in Mexican culture and revolutionary narratives. Nellie Campobello's **Cartucho** is one of the most significant literary works portraying the Mexican Revolution, and its availability in English has broadened its reach to a global audience. This article delves into the essence of **Cartucho**, its translation into English, and why Nellie Campobello's voice remains essential for understanding the human side of revolutionary Mexico.

Who Was Nellie Campobello?

Before exploring **Cartucho** in English, it's important to understand the author behind this compelling work. Nellie Campobello was a Mexican writer, dancer, and cultural figure born in 1900. Unlike many of her contemporaries, Campobello experienced the Mexican Revolution firsthand as a child in the northern state of Durango. This personal connection deeply influenced her writing, which often captures the raw emotions, chaos, and resilience of those turbulent years.

Campobello's background as both an artist and a witness to history allowed her to craft narratives that combine lyrical prose with stark realism. Her voice stands apart from the dominant male perspectives of the time, offering a unique feminine insight into the revolution's impact on ordinary people.

The Importance of **Cartucho** in Mexican Literature

Cartucho, published in 1931, is Nellie Campobello's most famous work. The book is a collection of short stories and vignettes that paint an intimate portrait of the Mexican Revolution's northern front. The title itself, **Cartucho** (which means "cartridge" or "bullet" in Spanish), evokes the violent and volatile atmosphere of the era.

Thematic Elements of **Cartucho**

The stories in **Cartucho** revolve around themes such as:

- The brutality and heroism of revolutionaries
- The role of women during wartime
- The loss and trauma experienced by communities
- The everyday lives of soldiers and civilians caught in conflict

Campobello's narrative style is poetic yet direct, weaving together fragmented memories and vivid imagery to capture the emotional landscape of war. Unlike conventional war literature that focuses solely on battles and strategies, **Cartucho** humanizes the revolution by highlighting personal stories and the resilience of those involved.

Translating **Cartucho** into English: Challenges and Significance

When discussing **nellie campobello cartucho english**, one critical aspect is the translation of this culturally rich and stylistically complex work. Translating **Cartucho** presents unique challenges due to its use of regional dialects, idiomatic expressions, and the deeply emotional tone embedded in the original Spanish text.

Why Is an English Translation Important?

Making **Cartucho** accessible in English opens doors for non-Spanish speakers to explore a pivotal piece of Mexican history and literature. It also enriches global understanding of the Mexican Revolution beyond political or military accounts, offering a more nuanced view of the era's social and cultural dynamics.

Moreover, English translations help preserve Campobello's legacy by introducing her work to students, scholars, and readers worldwide, encouraging comparative studies with other revolutionary literature and expanding the canon of Latin American literary voices.

Key Considerations in Translation

- **Preserving the Author's Voice:** Capturing Campobello's poetic style while maintaining clarity and readability in English.
- **Cultural Context:** Conveying Mexican historical and cultural references that might be unfamiliar to English-speaking audiences.
- **Emotional Nuance:** Retaining the emotional depth and immediacy of the original stories.

Several translators have tackled these challenges, each bringing a unique approach to balancing fidelity and accessibility. Readers interested in **nellie campobello cartucho english** often seek editions that provide helpful footnotes or introductions to contextualize the work.

Where to Find *Cartucho* in English and Recommended Editions

For those eager to read *Cartucho* in English, there are a few notable translations available, either in print or online. When selecting an edition, consider factors such as the quality of translation, supplementary material, and the publisher's reputation.

Recommended Editions and Resources

- **University Press Editions:** Academic presses often publish well-annotated and carefully translated versions suitable for study.
- **Anthologies of Mexican Literature:** Some collections include translated excerpts or full texts of *Cartucho* alongside other revolutionary writings.
- **Online Literary Databases:** Digital archives may offer access to translations or scholarly essays that enhance understanding.

Additionally, libraries with strong Latin American literature collections or bookstores specializing in world literature are good places to seek physical copies.

Understanding the Mexican Revolution Through Campobello's Lens

Reading *Cartucho* in English offers a compelling way to gain insight into the Mexican Revolution's complexities. Unlike traditional historical accounts focused on political leaders and military campaigns, Campobello's work centers on the lived experiences of ordinary people, shedding light on themes often overlooked in mainstream narratives.

Women's Perspectives in Revolutionary Mexico

One of the most valuable contributions of *Cartucho* is its representation of women's roles during the revolution. Campobello's stories depict women as active participants, nurturers, and survivors, challenging stereotypes of passivity. This perspective enriches readers' understanding of the revolution's social fabric and highlights the intersection of gender and conflict.

The Power of Memory and Storytelling

Campobello's narrative approach emphasizes memory as a powerful tool for preserving history. The fragmented, vignette-style stories in **Cartucho** mimic the way personal and collective memories are often recalled—nonlinear and emotional. This method allows readers to connect with the past on a deeper, more personal level.

Why **Cartucho Remains Relevant Today**

Nearly a century after its publication, **Cartucho** continues to resonate because it captures universal themes of war, loss, resilience, and identity. For readers exploring **nellie campobello cartucho english**, the work offers more than historical insight—it prompts reflection on the human cost of conflict and the enduring strength of storytelling.

The availability of **Cartucho** in English ensures that Campobello's voice transcends linguistic and cultural barriers, inviting a diverse audience to engage with Mexico's revolutionary history and literary heritage.

Whether you are a student of Latin American literature, a history buff, or simply someone who appreciates powerful storytelling, discovering **Cartucho** in English is a rewarding experience that opens a window into a pivotal chapter of Mexico's past through the eyes of one of its most compelling writers.

Frequently Asked Questions

Yes, *'Cartucho'* has been translated into English, making her vivid accounts of the Mexican Revolution accessible to a broader audience.

Where can I find the English version of *'Cartucho'* by Nellie Campobello?

The English translation of *'Cartucho'* can be found through major book retailers, academic libraries, and some online platforms specializing in translated literature.

Why is Nellie Campobello's 'Cartucho' considered significant in Mexican literature?

'Cartucho' is significant because it provides a unique female perspective on the Mexican Revolution, combining personal narrative with historical events, and is one of the earliest works by a woman about this period.

What themes are explored in Nellie Campobello's 'Cartucho'?

Themes in 'Cartucho' include war, violence, memory, childhood, and the impact of the Mexican Revolution on ordinary people.

How does Nellie Campobello's background influence 'Cartucho'?

As someone who lived through the Mexican Revolution and grew up in the northern region of Mexico, Campobello's personal experiences deeply inform the vivid and authentic stories in 'Cartucho.'

Are there any academic studies on the English translation of 'Cartucho'?

Yes, many scholars analyze the translation of 'Cartucho' to examine how its language, cultural nuances, and revolutionary themes are conveyed to English-speaking audiences.

Additional Resources

Nellie Campobello Cartucho English: A Critical Exploration of a Mexican Literary Classic

nellie campobello cartucho english represents an essential gateway for English-speaking audiences to engage with one of Mexico's most poignant literary portrayals of the Mexican Revolution. Nellie Campobello's *Cartucho*, originally published in Spanish in 1931, is widely regarded as a seminal work capturing the fragmentation, violence, and human complexity of revolutionary Mexico. The English translation has opened avenues for broader academic discourse and literary appreciation beyond Spanish-speaking readerships, positioning Campobello as a critical voice in both Latin American literature and feminist narrative traditions.

Understanding the significance of the Nellie Campobello *Cartucho* English version involves delving into the text's historical context, narrative style, and thematic richness. Unlike traditional historical accounts, *Cartucho* offers a fragmented, poetic, and deeply personal recounting of revolutionary life through a series of vignettes. The English translation attempts to preserve this unique structure, enabling readers unfamiliar with Spanish to experience the emotional intensity and cultural nuances embedded in Campobello's prose.

The Historical and Literary Context of Nellie

Campobello's Cartucho

Nellie Campobello, born in 1900 in Durango, Mexico, was more than a writer; she was a dancer, choreographer, and cultural promoter. Her firsthand experience of the Revolution, particularly the violence that engulfed her native region, profoundly influenced *Cartucho*. The title itself refers to a cartridge, symbolizing both the literal ammunition of war and the figurative charges of memory and storytelling.

Cartucho occupies a unique place in Mexican literature. Published during the post-revolutionary period, it diverges from grand narratives and official histories by focusing on the lived experiences of ordinary people, especially women and children caught in the crossfire. The English translation maintains this focus, showcasing how Campobello's fragmented storytelling technique challenges linear historical narratives and foregrounds personal trauma and resilience.

The Narrative Style and Structure in the English Translation

One of the notable features of *Cartucho* is its episodic structure. The original Spanish text comprises short, sharp vignettes, each introducing different characters and scenes emblematic of revolutionary life. Translating this style into English requires a delicate balance to keep the rhythm and emotional resonance intact.

In the Nellie Campobello *Cartucho* English editions, translators often strive to preserve the poetic brevity and rawness of each vignette. This approach allows English readers to grasp the disjointedness of war and its impact on memory and identity. The fragmented narrative style mirrors the chaos and unpredictability of revolution, making the reading experience both challenging and rewarding.

Thematic Exploration: Violence, Memory, and Identity

Campobello's *Cartucho* is deeply embedded with themes of violence and loss, but it also explores memory and identity from a distinctly female perspective. The English translation brings these themes to light for an international audience, highlighting how Campobello's work transcends cultural boundaries.

Violence in *Cartucho* is not glorified; instead, it is portrayed with stark realism and emotional depth. The English versions emphasize the everyday brutality endured by civilians, including women and children, providing a counter-narrative to male-dominated revolutionary histories. This thematic focus is crucial for readers seeking to understand the multifaceted nature of the Mexican Revolution.

Moreover, memory functions as both a personal and collective act in *Cartucho*. Campobello's prose in English conveys the tension between remembering and forgetting, illustrating how trauma shapes identity formation. The intersection of memory and identity in the text resonates with contemporary discussions in trauma studies and postcolonial literature.

The Impact and Reception of Nellie Campobello Cartucho English Translations

The availability of *Cartucho* in English has significantly expanded its reach and influence. Scholars and students of Latin American literature, history, and gender studies frequently engage with the English text, appreciating its contribution to revolutionary literature and feminist narratives.

While the English translations have been praised for their fidelity to Campobello's voice and style, some critics argue that certain cultural nuances and linguistic subtleties are inevitably lost in translation. The challenge of conveying regional idioms, colloquialisms, and the emotional cadence of the original text remains a topic of ongoing discussion among translators and literary critics.

Comparisons with Other Revolutionary Narratives

In the landscape of Mexican Revolution literature, *Cartucho* stands alongside works by authors such as Mariano Azuela and Martín Luis Guzmán. However, Campobello's narrative is distinct in its focus on the civilian experience and its poetic fragmentation.

Comparatively, Azuela's *Los de Abajo* offers a more linear, male-centered account of revolutionary fighters, while Campobello's *Cartucho* presents a mosaic of civilian voices, emphasizing the often-overlooked impact of war on families and communities. The English translations help underline these differences, making *Cartucho* an indispensable complement to canonical revolutionary texts for English-speaking audiences.

Pros and Cons of the English Versions

- **Pros:** Provides access to an important Mexican literary work for non-Spanish speakers; preserves the episodic and poetic nature of Campobello's prose; introduces a female perspective on the revolution that is rarely highlighted in English-language literature.
- **Cons:** Some cultural and linguistic nuances may be diluted or lost; episodic structure can be challenging for readers unfamiliar with non-linear narratives; limited availability compared to other Mexican revolutionary literature.

Exploring the Legacy of Nellie Campobello through *Cartucho*

The Nellie Campobello *Cartucho* English translations serve not only as literary artifacts but as cultural bridges connecting global readers to Mexico's turbulent revolutionary past. Campobello's work challenges traditional historiography by emphasizing personal memory and the female experience,

themes that resonate with contemporary readers interested in diverse historical perspectives.

The continued academic interest in *Cartucho*, supported by its availability in English, underscores the text's enduring relevance. It invites readers to reconsider the narratives of revolution and to appreciate the complex human stories behind historical events. As scholarship around Latin American literature evolves, Nellie Campobello's *Cartucho* remains a vital text for both its artistic innovation and its historical testimony.

Topics include precursors and influences, testimony and chronicle, borderlands culture, gender and identity, cross-cultural connections, and indigeneity. Includes syllabus suggestions and information on editions, reference works, biographies, film adaptations, and online resources.

nellie campobello cartucho english: *Cartucho* and *My Mother's Hands* Nellie Campobello, 2013-04-01 Nellie Campobello, a prominent Mexican writer and novelist of the Revolution, played an important role in Mexico's cultural renaissance in the 1920s and early 1930s, along with such writers as Rafael Muñoz and Gregorio López y Fuentes and artists Diego Rivera, Orozco, and others. Her two novellas, *Cartucho* (first published in 1931) and *My Mother's Hands* (first published as *Las manos de Mamá* in 1938), are autobiographical evocations of a childhood spent amidst the violence and turmoil of the Revolution in Mexico. Campobello's memories of the Revolution in the north of Mexico, where Pancho Villa was a popular hero and a personal friend of her family, show not only the stark realism of *Cartucho* but also the tender lyricism of *My Mother's Hands*. They are noteworthy, too, as a first-person account of the female experience in the early years of the Mexican Revolution and unique in their presentation of events from a child's perspective.

nellie campobello cartucho english: *Writing Pancho Villa's Revolution* Max Parra, 2010-01-01 The 1910 Mexican Revolution saw Francisco Pancho Villa grow from social bandit to famed revolutionary leader. Although his rise to national prominence was short-lived, he and his followers (the villistas) inspired deep feelings of pride and power amongst the rural poor. After the Revolution (and Villa's ultimate defeat and death), the new ruling elite, resentful of his enormous popularity, marginalized and discounted him and his followers as uncivilized savages. Hence, it was in the realm of culture rather than politics that his true legacy would be debated and shaped. Mexican literature following the Revolution created an enduring image of Villa and his followers. *Writing Pancho Villa's Revolution* focuses on the novels, chronicles, and testimonials written from 1925 to 1940 that narrated Villa's grassroots insurgency and celebrated—or condemned—his charismatic leadership. By focusing on works by urban writers Mariano Azuela (*Los de abajo*) and Martín Luis Guzmán (*El águila y la serpiente*), as well as works closer to the violent tradition of northern Mexican frontier life by Nellie Campobello (*Cartucho*), Celia Herrera (*Villa ante la historia*), and Rafael F. Muñoz (*¡Vámonos con Pancho Villa!*), this book examines the alternative views of the revolution and of the villistas. Max Parra studies how these works articulate different and at times competing views about class and the cultural otherness of the rebellious masses. This unique revisionist study of the villista

novel also offers a deeper look into the process of how a nation's collective identity is formed.

nellie campobello cartucho english: World Literature in Spanish Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish-language literature throughout the world, this expansive work provides coverage of the varied countries, ethnicities, time periods, literary movements, and genres of these writings. Providing a thorough introduction to Spanish-language literature worldwide and across time is a tall order. However, World Literature in Spanish: An Encyclopedia contains roughly 850 entries on both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day, affording an amazingly comprehensive reference collection in a single work. This encyclopedia describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. All countries that produce literature in Spanish in Europe, Africa, the Americas, and Asia are represented, covering both canonical authors and emerging contemporary writers and trends. Underrepresented writings—such as texts by women writers, queer and Afro-Hispanic texts, children's literature, and works on relevant but less studied topics such as sports and nationalism—also appear. While writings throughout the centuries are covered, those of the 20th and 21st centuries receive special consideration.

nellie campobello cartucho english: Chicano Scholars and Writers Julio A. Martínez, 1979 To find more information about Rowman and Littlefield titles, please visit www.rowmanlittlefield.com.

nellie campobello cartucho english: Literature and Subjection Horacio Legrás, 2008-10-16 In Literature and Subjection, Horacio Legras employs theoretical, philosophical, cultural, political, and historical analysis to assess the factors that have both facilitated and stifled the integration of peripheral experiences into Latin American literature. Legras examines a handful of contemporary authors who have attempted in earnest to present marginalized voices to the Western world, and evaluates the success or failure of these endeavors. His deep and insightful evaluation of key works by novelists Juan Jose Saer (The Witness), Nellie Campobello (Cartucho), Roa Bastos (Son of Man), and Jose Maria Arguedas (The Fox from Up Above and the Fox from Down Below), among others, provides a theoretical basis for understanding the plight of the author, the peripheral voice, and the confines of the literary medium. What emerges is an intricate discussion of the clash and subjugation of cultures and the tragedy of a lost worldview.

nellie campobello cartucho english: Death & Dying in Hispanic Worlds Debra D. Andrist, 2020-09-28 The dispassionate intellectual examination of the concepts of death & dying contrasts dramatically with the emotive grieving process experienced by those who mourn. Death & dying are binary concepts in human cultures. Cultural differences reveal their mutual exclusiveness in philosophical outlook, language, and much more. Other sets of binaries come into play under intellectual consideration and emotive behavior, which further divide and shape perceptions, beliefs, and actions of individuals and groups. The presence or absence of religious beliefs about life and death, and disposition of the body and/or soul, are prime distinctions. Likewise the age-old binary of reason vs. faith. To many observers, the topic of death and dying in the Hispanic cultural tradition is usually limited to that of Mexico and its transmogrified religious festival day of Dia de los Muertos. The studies presented in the ten chapters, and editorial introductions to the themes of the book, seek to widen this representation, and set forth the implications of the binary aspects of death and dying in numerous cultures throughout the so-called Hispanic world, including indigenous and European-derived beliefs and practices in religion, society, art, film & literature. Contributions include engagement with the pre-Hispanic world, Picassos poetry, cultural norms in Cuba, and the literary works of Jorge Luis Borges and Gabriel Garcia Marquez. Underlying the arguments presented is Saussurean structuralist theory, which provides a platform to disentangle cultural context in comparative settings.

nellie campobello cartucho english: American Book Publishing Record , 2004

nellie campobello cartucho english: Concise Encyclopedia of Mexico Michael Werner, 2015-05-11 Concise Encyclopedia of Mexico includes approximately 250 articles on the people and

topics most relevant to students seeking information about Mexico. nellie campobello cartucho english: Mexican Literature in Theory Ignacio M. S  nchez Prado, 2018-01-25 Mexican Literature in Theory is the first book in any language to engage post-independence Mexican literature from the perspective of current debates in literary and cultural theory. It brings together scholars whose work is defined both by their innovations in the study of Mexican literature and by the theoretical sophistication of their scholarship. Mexican Literature in Theory provides the reader with two contributions. First, it is one of the most complete accounts of Mexican literature available, covering both canonical texts as well as the most important works in contemporary production. Second, each one of the essays is in itself an important contribution to the elucidation of specific texts. Scholars and students in fields such as Latin American studies, comparative literature and literary theory will find in this book compelling readings of literature from a theoretical perspective, methodological suggestions as to how to use current theory in the study of literature, and important debates and revisions of major theoretical works through the lens of Mexican literary works.

nellie campobello cartucho english: *Encyclopedia of Latin American Literature* Verity Smith, 1997-03-26 This work is a guide to writers, works and topics in Central and South America, and the Caribbean. It contains over 400 entries written by 160 contributors, which are organized into four major types: topic, individual writer, individual work and survey.

nellie campobello cartucho english: **Mothers and Daughters in Post-revolutionary Mexican Literature** Teresa M. Hurley, 2003 The antithesis of the madre abnegada is the mujer mala, the whore, a notion the author also questions by revealing the complexity of the mother-daughter relationship, through which women may perpetuate their own oppression.--Jacket.

nellie campobello cartucho english: **An A to Z of Modern Latin American Literature in English Translation** Jason Wilson, 1989

nellie campobello cartucho english: Bibliographic Guide to Latin American Studies Benson Latin American Collection, 1988

nellie campobello cartucho english: **Third World Women's Literatures** Barbara Fister, 1995-09-14 This reference volume serves as a companion to Third World women's literatures in English and in English translation by presenting entries on works, writers, and themes. Entries are chosen to present a balance of well-known writers and emerging ones, contemporary as well as historical writers, and representative selections of genres, literary styles, and themes. What plays have been written by women in the developing world? What books have been written by Sri Lankan or Brazilian women? Which works address themes of feminism or exile or politics in the Third World? These are the types of questions that can now be answered through Fister's companion to Third World women's literatures in English and English translation. Organized alphabetically, this reference volume presents entries on works, writers, and themes. Entries are chosen to present a balance of well-known writers and emerging ones, contemporary as well as historical writers, and representative selections of genres, literary styles, and themes. By providing information about and leads to works by and about Third World women, an important and largely marginalized literature, Fister has created a unique reference tool that will help teachers, scholars, and librarians, both public and academic, expand their definitions of the literary, making the voices of Third World women available in the same format in which many companions to Western literature do. An important book for all public and college-level libraries.

nellie campobello cartucho english: **Latin American Women Writers** Kathy S. Leonard, 2007-09-19 There is a wealth of published literature in English by Latin American women writers, but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative (short stories, novels, novellas, autobiographies, and biographies) by Latin American women writers has increased significantly in the last ten to

fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled *Latin American Women Writers: A Resource Guide to Titles in English*. This reference includes all forms of narrative-short story, autobiography, novel, novel excerpt, and others-by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies/biographies or other narrative, and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written, in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included, to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors/Titles of Work, Titles of Work/Authors, Autobiographies/Biographies and Other Narrative, Anthologies, Novels and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students, and instructors interested in narrativ

nellie campobello cartucho english: [Encyclopedia of Hispanic-American Literature](#) Luz Elena Ramirez, 2015-04-22 Presents a reference on Hispanic American literature providing profiles of Hispanic American writers and their works.

nellie campobello cartucho english: Post-Revolutionary Chicana Literature Sam Lopez, 2006-11-29 This book examines how Chicana literature in three genres—memoir, folklore, and fiction—arose at the turn of the twentieth century in the borderlands of the United States and Mexico. Lopez examines three women writers and highlights their contributions to Chicana writing in its earliest years as well as their contributions to the genres in which they wrote. The women -- Leonor Villegas de Magnón, Jovita Idar, and Josefina Niggli—represent three powerful voices from which to gain a clearer understanding of women's lives and struggles during and after the Mexican Revolution and also, offer surprising insights into women's active roles in border life and the revolution itself. Readers are encouraged to rethink Chicana lives, and expand their ideas of Chicana from a subset of the Chicano Movement of the 1960s to a vibrant and vigorous reality stretching back into the past.

nellie campobello cartucho english: Tsunami , 2025-02-11 Merging waves of feminist thought from established and emerging Mexican women writers, *Tsunami* arrives with seismic, groundbreaking force. Featuring personal essay, manifesto, creative nonfiction, and poetry, *Tsunami* gathers the multiplicity of voices being raised in Mexico today against patriarchy and its buried structures. Tackling gender violence, community building, #MeToo, Indigenous rights, and more, these writings rock the core of what we know feminism to be, dismantling its Eurocentric roots and directing its critical thrust towards current affairs in Mexico today. Asserting plurality as a political priority, *Tsunami* includes trans voices, Indigenous voices, Afro-Latinx voices, voices from within and outside academic institutions, and voices spanning generations. *Tsunami* is the combined force and critique of the three feminist waves, the *marea verde* ("green wave") of protests that have swept through Latin America in recent years, and the tides turned by insurgent feminisms at the margins of public discourse. Contributors include Marina Azahua, Yásnaya Elena Aguilar Gil, Dahlia de la Cerda, Lia García, Margo Glantz, Jimena González, Fernanda Latani M. Bravo, Valeria Luiselli, Ytzel Maya, Brenda Navarro, Jumko Ogata, Daniela Rea, Cristina Rivera Garza, Diana J. Torres, Sara Uribe, and the Zapatista Army for National Liberation.
