Dr. Myles Munroe, a renowned author, speaker, and pastor, dedicated much of his life to exploring the concept of purpose and its transformative power in individual lives and communities. According to Munroe, purpose is not just a lofty ideal but a practical blueprint for living a meaningful life. He argued that without a clear sense of purpose, people are prone to confusion, frustration, and wasted potential.

One of Munroe's signature ideas is that purpose is inherently connected to potential. He posited that untapped potential is often the result of a failure to understand one's purpose. This relationship between purpose and potential is a foundational concept in his books, seminars, and sermons. He famously said, "The greatest tragedy in life is not death, but a life without purpose."

- **Purpose Enables Success:** Success, in Munroe's view, is a byproduct of fulfilling one's purpose rather than an end goal in itself.
- **Purpose Is Universal:** Everyone, regardless of background or circumstance, has a purpose to fulfill.
- **Purpose Requires Discovery:** Purpose is not always obvious; it often requires intentional reflection and effort to uncover.

These principles collectively create a roadmap for individuals to assess their lives, challenge their assumptions, and take actionable steps toward meaningful living.

Before you showed up on this planet, you already existed. What does this mean and what is the implication of this? These and many more questions are answered in this book. I guarantee you the time and money you invest in this book will be adequately rewarded. Read and read it again. God bless you real good as you read. This is my prayer for you in Jesus's name. Amen. myles munroe power of purpose: Understanding the Purpose and Power of the Full Armor of God Roberto Volma, 2021-10-07 Learning how to protect your soul from the influence of the enemy in the spiritual warfare through the power of the full armor of God. This book is written specially to show you how to protect the faculties that can give the enemy direct access into your soul, which are your thoughts, your emotions, and your will. Your soul is the most important part of you because everything you are and everything you do in this life revolves around the soul. God gives you the soul to explore, to enjoy and to connect with creation intellectually, emotionally and volitionally. The enemy understands the purpose and the importance of your soul that's why your soul is his number one target. Your soul is so Important that Jesus says what can a man gives you in exchange for your soul, so important to God that he sent Jesus to die, to save and to restore it. The enemy targets your soul because he knows that God needs your soul to fulfill his purposes in your life and on earth. Every attack of the enemy is destined to hurt, to oppress your soul because he knows without a healthy soul, you won't be able to enjoy life, so he attacks your soul to render your life miserable. Every attack against your thought, against your emotion, every temptation of the enemy is for the sole purpose of infiltrating your soul that's why you need to understand the Full Armor of God to protect your soul, to keep the enemy from infiltration your soul. If you are someone who is constantly being harassed by the enemy this book is for you. The purpose of the full armor of God is to protect the soul, and the way it protects the soul is by educating the soul strategically through the Word of God; that information becomes an armor that is formed around the soul. This book includes an additional weapon section and scriptures that will equip you to trample over the enemy in the spiritual warfare. Make sure to refer this book to someone else, God bless you. ROBERTO VOLMA is a Preacher, Writer and a Biblical Councilor who's been preaching and teaching the word of God for several years now. His passion is to help believers all over the world see life in a biblical perspective.
