semester 2 final exam spanish 1 edgenuity: Jalen Waltman's Complete Spanish Lesson Plans Spanish 2B Jalen Waltman, 2009-08-15 Jalen Waltman's Spanish 2A lessons were written for first semester level 2 high school Spanish, and 2B is for second semester level 2 high school Spanish. The focus in level 2 is to build on students' fluency and vocab from Jalen's level 1 books, reinforce present tense as much as possible, and teach the preterit and imperfect. The textbook-aligned vocab sets in Jalen's level 2 books are taught with TPR and daily skits, then reinforced with page-long Spanish readings that recycle the content from the skit. Jalen's 2A lessons have very long vocab lists (such as professions, places around town, etc.,) taught with TPR (either with motions, visuals, or both;) then the lessons focus more deeply on some of that vocab for the

skits and readings. The first half of this 2A book is a review of present tense from Jalen's level 1 books, so the skits and readings are in present tense for the first 15 lessons; the second half of 2A introduces past tense in the readings only. 2B features a greatly reduced new-vocab load so that you can focus more fully on the preterit and imperfect (and all the skits and readings are in past tense in 2B.) The lessons include a complete vocab list by semester, daily warm-up quizzes, skit scripts, page-long Spanish readings recycling the vocab/grammar content of the skit, graphic organizers, cooperative learning activities, writing activities, grammar topics (you use your own textbook or grammar workbook worksheets to go with the topic) and grammar homework assignments, two mini tests per semester plus midterm and final exam. The lessons are designed so that once you have your copies made, you can just flip the pages and teach. All masters are included and ready to copy, including sub plans.
