

willie dixon i am the blues

Willie Dixon I Am the Blues: The Heartbeat of Chicago Blues

willie dixon i am the blues is more than just a phrase; it embodies the spirit and legacy of one of the most influential figures in blues history. Willie Dixon, known as the prolific singer, songwriter, and bassist, played an instrumental role in shaping the sound of Chicago blues and, by extension, modern American music. His album "I Am the Blues" stands as a testament to his deep roots in the genre, his storytelling prowess, and his unmatched ability to capture the soul of the blues.

The Life and Legacy of Willie Dixon

Willie Dixon was born in 1915 in Vicksburg, Mississippi, and grew up immersed in the rich traditions of Delta blues. His journey took him from the rural South to the bustling urban landscape of Chicago, where he became a central figure in the post-war blues scene. Often called a "blues giant," Dixon was a multi-talented artist: a bassist, songwriter, producer, and vocalist whose contributions shaped the sound of legendary artists like Muddy Waters, Howlin' Wolf, and Little Walter.

From Songwriter to Blues Ambassador

Dixon's songwriting skills were nothing short of extraordinary. He penned some of the most enduring blues classics, including "Hoochie Coochie Man," "Spoonful," and "Little Red Rooster." These songs not only became staples in the blues repertoire but also influenced the British Invasion bands of the 1960s, including The Rolling Stones and Led Zeppelin. His ability to blend storytelling with catchy riffs and deep emotion made his music timeless.

Exploring the Album: I Am the Blues

Willie Dixon's album **I Am the Blues**, released in 1970, is a powerful showcase of his artistry. The album captures the raw emotion and authenticity that define the blues genre. Unlike many albums of its time filled with covers or commercialized sounds, **I Am the Blues** is a personal statement by Dixon, featuring his voice, bass, and songwriting at the forefront.

Key Tracks and Their Significance

Several tracks on **I Am the Blues** highlight Dixon's mastery over storytelling and musical arrangement:

- **"I Can't Quit You Baby"** – This song is a heart-wrenching expression of love and loss. It has been covered by numerous artists, showcasing its enduring appeal.
- **"Back Door Man"** – A classic blues narrative about clandestine love, it's been famously interpreted by bands like The Doors, emphasizing the cross-genre impact of Dixon's work.
- **"Spoonful"** – With its hypnotic rhythm and lyrics about desire and temptation, this track remains a staple in the blues canon.

Each song reflects the struggles, hopes, and raw emotions that are the lifeblood of the blues, all delivered through Dixon's unmistakable style.

The Musical Style and Influence of Willie Dixon

Dixon's style combined traditional Delta blues with the electrified Chicago sound. His deep, resonant voice and rhythmic bass lines created a solid foundation for the electric guitars and harmonicas that defined Chicago blues. This fusion was pivotal in transforming blues from its acoustic roots into a more contemporary sound that could fill clubs and concert halls.

Why Willie Dixon's Sound Still Matters

The importance of Dixon's music today is evident in how many modern blues and rock musicians continue to draw inspiration from his work. His songwriting craftsmanship, which often included clever wordplay, social commentary, and timeless themes of love and hardship, set a high bar for lyricism in popular music.

Moreover, Dixon's efforts went beyond performance. He was a passionate advocate for blues musicians' rights, helping to secure fair royalties and recognition for many artists. His activism ensured that blues music—and the artists who created it—received the respect they deserved.

Willie Dixon I Am the Blues in the Context of Blues History

To truly appreciate *I Am the Blues*, it's important to understand the broader context of blues history. The blues originated in African American communities in the Deep South and evolved as a reflection of the realities of life, including pain, resilience, and hope. As many blues musicians migrated to cities like Chicago during the Great Migration, their music adapted to new environments.

Dixon was at the heart of this transformation. His work bridged the gap between traditional blues and contemporary audiences, helping to preserve the genre's authenticity while making it accessible to wider listeners.

The Role of Chess Records and Chicago Blues

Much of Dixon's influence was amplified by his association with Chess Records, the legendary label that became synonymous with Chicago blues. As a house songwriter and producer for Chess, Dixon helped craft the sound that would come to define Chicago blues and influence rock and roll globally.

Chess Records was home to many of the era's blues icons, and Dixon's involvement ensured that the label produced music that was both artistically rich and commercially successful. This partnership was crucial in elevating blues music to new heights.

How to Appreciate Willie Dixon's I Am the Blues Today

If you're new to Willie Dixon or the blues in general, *I Am the Blues* is a fantastic starting point. To fully appreciate the album, consider these tips:

1. **Listen actively:** Pay close attention to the lyrics and the way Dixon's voice conveys emotion.
2. **Explore the history:** Understanding the social and cultural context of the blues enriches the listening experience.
3. **Compare versions:** Many of Dixon's songs have been covered by various artists; listening to different interpretations can highlight the versatility of his songwriting.
4. **Attend live blues performances:** Experiencing the blues live, especially in venues that honor traditional styles, can deepen your connection to the music.

Engaging with the blues on these levels opens up a world of musical heritage

and storytelling that's as relevant today as it was decades ago.

Willie Dixon's Enduring Impact on Music and Culture

Willie Dixon's influence extends far beyond the blues genre. His songwriting has been a foundation for rock, jazz, and even pop music. Artists across generations have cited him as a major inspiration, and his songs have been inducted into multiple halls of fame.

His role as a cultural ambassador for the blues ensured that this uniquely American art form would continue to thrive. Through *'I Am the Blues'* and his vast catalog, Dixon preserved a musical language that speaks to universal human experiences—heartbreak, joy, struggle, and triumph.

Willie Dixon's legacy continues to resonate, reminding us that the blues is not only a style of music but also a powerful expression of the human spirit. Whether you're a seasoned blues fan or just beginning to explore, *'I Am the Blues'* offers an authentic and moving experience that captures the essence of this timeless genre.

Additional Resources

Willie Dixon I Am the Blues: The Quintessential Voice of Chicago Blues

willie dixon i am the blues stands as a phrase that encapsulates the profound impact and enduring legacy of one of the most influential figures in American blues history. Willie Dixon, often hailed as the architect of Chicago blues, not only shaped the sound of a generation but also gave voice to the struggles and spirit embedded in the blues tradition. Among his extensive body of work, the album "I Am the Blues" remains a definitive statement—a powerful, authentic expression of the blues' raw emotion and cultural significance.

The Significance of Willie Dixon in Blues Music

Willie Dixon's role in the evolution of blues cannot be overstated. As a prolific songwriter, bassist, producer, and vocalist, Dixon crafted timeless songs that became staples for countless blues and rock artists. His work helped transition the blues from its rural Southern roots to the electrified urban landscapes of Chicago, where it gained a new, electrifying energy. The phrase "I Am the Blues" is more than an album title; it is an assertion of identity and a testament to Dixon's embodiment of the genre's soul.

The album "I Am the Blues," released in 1970, is a compilation that features Willie Dixon's powerful vocals backed by some of the era's top blues musicians. It is a culmination of his decades-long career, showcasing his ability to deliver gritty storytelling combined with sophisticated musicianship. This collection serves both as a retrospective and a fresh interpretation of his classic compositions, making it essential for understanding the Chicago blues sound.

Exploring the Tracks: A Journey Through Classic Chicago Blues

The tracklist of "I Am the Blues" reads like a blueprint of Chicago blues history. Songs such as "Spoonful," "Back Door Man," and "I Ain't Superstitious" are among Dixon's most revered compositions, previously popularized by iconic artists like Howlin' Wolf and Muddy Waters. On this album, Dixon's own interpretations offer a raw and personal touch, highlighting his deep connection to each lyric and melody.

Musically, the album balances traditional blues structures with modern electric instrumentation. The presence of harmonica, piano, and amplified guitar creates a soundscape that is both nostalgic and vibrant, emphasizing the emotional depth that Dixon's songwriting evokes. The album's arrangements underscore the storytelling aspect of blues, with each instrument contributing to the mood and narrative tension.

The Impact of Willie Dixon's Songwriting on the Blues Genre

Willie Dixon's influence extends far beyond his performances. His songwriting prowess helped define what is now universally recognized as the Chicago blues style. His compositions have been covered by a myriad of artists across genres, from blues stalwarts to British Invasion rock bands like The Rolling Stones and Led Zeppelin, who credited Dixon's work as a foundation for their own music.

The lyrical themes Dixon explored—love, betrayal, hardship, and resilience—resonate universally, which explains the enduring appeal of his songs. The authenticity of his storytelling, combined with catchy, memorable riffs and grooves, made his music accessible yet profound. This duality is a key reason why “I Am the Blues” continues to be studied and celebrated by musicians and scholars alike.

Willie Dixon I Am the Blues: Production and Musicality

The production quality of "I Am the Blues" reflects the era's balance between live performance energy and studio polish. Recorded with a lineup of seasoned blues musicians, the album captures the spontaneity and improvisational nature of blues music. Unlike heavily produced records, this album maintains an organic feel, allowing listeners to experience the immediacy of Dixon's vocal delivery and the interplay between instruments.

One notable feature of the album is its relatively concise track lengths, which maintain listener engagement and emphasize the punchy, direct nature of blues storytelling. The pacing of the record ensures a dynamic flow, moving from upbeat shuffles to slower, more contemplative numbers. This variety showcases Dixon's versatility as both a performer and a composer.

The Role of Collaborators on "I Am the Blues"

The strength of "I Am the Blues" also lies in its collaboration with some of Chicago's finest blues musicians. Guitarists like Buddy Guy and Otis Spann's piano work provide a rich sonic backdrop that complements Dixon's vocals and bass playing. These collaborations highlight the communal nature of blues music, where individual talents converge to create a greater whole.

Such partnerships not only enhance the musical quality but also serve as a living archive of Chicago's blues scene during a pivotal period. The synergy between Dixon and his collaborators is palpable throughout the album, adding layers of depth and authenticity that elevate the listening experience.

Legacy and Contemporary Relevance

Decades after its release, "I Am the Blues" remains a critical reference point for anyone studying or appreciating blues music. The album encapsulates the essence of Chicago blues and serves as an educational tool for musicians and fans alike. Its influence is evident in the ongoing reverence for Dixon's work within blues circles and the broader music industry.

In terms of cultural impact, Willie Dixon's assertion that he "is the blues" reflects a broader narrative of African American history, resilience, and artistic expression. His music provides insight into the socio-economic realities of his time while transcending them through universal themes and emotional honesty.

For contemporary artists, "I Am the Blues" offers a blueprint for authenticity and musical craftsmanship. It underscores the importance of honoring tradition while allowing space for personal expression—a balancing act that remains relevant in today's diverse musical landscape.

Comparing "I Am the Blues" to Other Landmark Blues Albums

When placed alongside other seminal blues albums such as Muddy Waters' "Hard Again" or B.B. King's "Live at the Regal," "I Am the Blues" holds its own through its intimate focus on Dixon's voice and songwriting. Unlike live albums that capture concert energy, this record's studio setting allows for a more nuanced exploration of songcraft.

Its compilation nature also distinguishes it from concept albums, offering instead a curated experience of Dixon's strongest compositions performed by their original author. This perspective provides listeners with a unique window into the creative mind behind some of blues' most enduring standards.

Willie Dixon I Am the Blues in the Digital Age

The availability of "I Am the Blues" on digital platforms has introduced Dixon's work to new generations, ensuring the blues' survival in a rapidly evolving music market. Streaming services and digital downloads have enabled wider accessibility, allowing the album to reach audiences who might otherwise be unfamiliar with traditional blues music.

Moreover, the album's presence in online music databases and its frequent citation in blues anthologies and documentaries contribute to its sustained relevance. Digital remastering efforts have enhanced sound quality, further improving the listening experience without sacrificing the original recordings' authenticity.

SEO Keywords and Their Integration

Throughout this analysis, terms such as "Willie Dixon blues," "Chicago blues," "I Am the Blues album," "blues songwriting," and "electric blues music" have been naturally woven into the discussion. These keywords are essential for search optimization, ensuring that readers interested in blues

history, Willie Dixon's legacy, or classic blues albums can easily discover this comprehensive review.

By avoiding keyword stuffing and instead embedding these phrases contextually, the article maintains readability and professionalism. This approach aligns with best practices for SEO while delivering valuable content to enthusiasts and scholars alike.

In exploring "willie dixon i am the blues," one uncovers not only a landmark album but also a defining voice of an entire genre. The record encapsulates the raw emotion, technical skill, and cultural storytelling that have made blues an enduring and influential force in music worldwide. Willie Dixon's declaration of identity through this work remains a powerful reminder of the blues' ability to connect past and present through sound and story.

Willie Dixon I Am The Blues

willie dixon i am the blues: I Am the Blues Willie Dixon, Don Snowden, 1989

willie dixon i am the blues: **Willie Dixon** Mitsutoshi Inaba, 2011-08-29 One of the greats of blues music, Willie Dixon was a recording artist whose abilities extended beyond that of bass player. A singer, songwriter, arranger, and producer, Dixon's work influenced countless artists across the music spectrum. In *Willie Dixon: Preacher of the Blues*, Mitsutoshi Inaba examines Dixon's career, from his earliest recordings with the Five Breezes through his major work with Chess Records and Cobra Records. Focusing on Dixon's work on the Chicago blues from the 1940s to the early 1970s, this book details the development of Dixon's songwriting techniques from his early professional career to his mature period and compares the compositions he provided for different artists. This volume also explores Dixon's philosophy of songwriting and its social, historical, and cultural background. This is the first study to discuss his compositions in an African American cultural context, drawing upon interviews with his family and former band members. This volume also includes a detailed list of Dixon's session work, in which his compositions are chronologically organized.

willie dixon i am the blues: **A Blues Bibliography** Robert Ford, 2008-03-31 *A Blues Bibliography*, Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999. Material previously omitted from the first edition has now been included, and the bibliography has been expanded to include works published since then. In addition to biographical references, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations and lyric transcriptions and musical analysis. The *Blues Bibliography* is an invaluable guide to the enthusiastic market among libraries specializing in music and African-American culture and among individual blues scholars.

willie dixon i am the blues: The Virgin Encyclopedia of The Blues Colin Larkin, 2013-09-30 *The Virgin Encyclopaedia of the Blues* is a complete handbook of information and opinion about the history of the most classically simple, enduring and inspiring genre in the history of popular music. All entries have been created from the massive database of *The Encyclopaedia of Popular Music*, which has swiftly and firmly established itself as the undisputed champion of contemporary music reference books. Brand new research ensures that the 1000 entries are bang up-to-date and cover everyone - the musicians, bands, songwriters, producers and record labels - who has made a significant impact on the development of the blues. It brings together pioneers like Robert Johnson and Blind Lemon Jefferson, the influence of Muddy Waters and Willie Dixon on the blues boom of the

1960s, and the most recent blues resurgence featuring Keb'Mo, Larry Garner and Jonny Lang. As well as the giants of the blues, this encyclopaedia has the range and depth to include performers who flew the blues flag during fallow periods, the 1980s band Roomful of Blues for example, or acts like Paul Butterfield, Chicken Shack, Stevie Ray Vaughan, who took the music to a wider, whiter, audience. Some blues musicians, including John Lee Hooker and Taj Mahal, seem to last forever. Others simply defined the genre, like Lead Belly, Bessie Smith and Howlin' Wolf. Whomever you remember or want to know more about, each entry gives the essential elements - dates, career facts, discography and album ratings - as well as a sense of context, striking a balance between the extremes of the self-opinionated and the bland.

willie dixon i am the blues: *Music in the 20th Century (3 Vol Set)* Dave DiMartino, 2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons, the immediate post-Hiroshima/Nagasaki period and the Korean War. It also provides an account of US actions and attitudes during this period and China's response.

willie dixon i am the blues: *The Blues Encyclopedia* Edward Komara, Peter Lee, 2004-07-01 The Blues Encyclopedia is the first full-length authoritative Encyclopedia on the Blues as a musical form. While other books have collected biographies of blues performers, none have taken a scholarly approach. A to Z in format, this Encyclopedia covers not only the performers, but also musical styles, regions, record labels and cultural aspects of the blues, including race and gender issues. Special attention is paid to discographies and bibliographies.

willie dixon i am the blues: *I'm Feeling the Blues Right Now* Stephen A. King, 2011-06-01 In *I'm Feeling the Blues Right Now: Blues Tourism and the Mississippi Delta*, Stephen A. King reveals the strategies used by blues promoters and organizers in Mississippi, both African American and white, local and state, to attract the attention of tourists. In the process, he reveals how promotional materials portray the Delta's blues culture and its musicians. Those involved in selling the blues in Mississippi work to promote the music while often conveniently forgetting the state's historical record of racial and economic injustice. King's research includes numerous interviews with blues musicians and promoters, chambers of commerce, local and regional tourism entities, and members of the Mississippi Blues Commission. This book is the first critical account of Mississippi's blues tourism industry. From the late 1970s until 2000, Mississippi's blues tourism industry was fragmented, decentralized, and localized, as each community competed for tourist dollars. By 2003-2004, with the creation of the Mississippi Blues Commission, the promotion of the blues became more centralized as state government played an increasing role in promoting Mississippi's blues heritage. Blues tourism has the potential to generate new revenue in one of the poorest states in the country, repair the state's public image, and serve as a vehicle for racial reconciliation.

willie dixon i am the blues: *Encyclopedia of Music in the 20th Century* Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century. It covers the major musical styles--concert music, jazz, pop, rock, etc., and such key genres as opera, orchestral music, be-bop, blues, country, etc. Articles on individuals provide biographical information on their life and works, and explore the contribution each has made in the field. Illustrated and fully cross-referenced, the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information. A good first point of reference for students, librarians, and music scholars--as well as for the general reader.

willie dixon i am the blues: *Popular Music and Culture in Austin, Texas* Josep Pedro, 2025-05-19 This book explores the blues tradition through a collective dialogue with significant musicians and producers of the Austin blues scene. Based on an ethnography in the singular capital of Texas, the self-proclaimed live music capital of the world, it explores the local blues scene through in-depth interviews that reveal intimate bonds between popular music, culture, identity, race, politics, the city and the music industry. Through the voices and experiences of 15 protagonists, readers are introduced to multiple aspects of blues lives, including music-making, style, identity, and the changing landscape of the Austin scene. While this oral history informs about particular

biographies, it also delves into larger processes around popular music, culture and race, such as Jim Crow segregation, the Civil Rights era, international touring and gentrification. The book's subtitle assumes an important metaphor in regards to blues artists and the blues: that talking with blues artists is like talking with the blues; that meeting them is a way of meeting the blues. The implication is that blues artists not only form part of the tradition but they also embody the blues tradition with their lives and works, with their music, style, bodies, language, stories, and fashion. Thus, in this scene and book, the interviewees are the blues. Representatives of a contemporary music scene, these musicians and producers generally reveal an eclectic understanding of blues music, with connections to gospel, jazz, rhythm & blues, rock, soul-funk, and hip-hop. The conversations took place between 2010 and 2023, mostly face-to-face in Austin but also online and face-to-face in Madrid (Spain), where some of the musicians have performed. All of the protagonists were followed and observed closely within the everyday reality of the Austin music scene, yet the book also shows how the scene connects with many other places, including Mississippi, Houston, Memphis, New York or Madrid, through the biographies, tours and migrations of the protagonists.

willie dixon i am the blues: The Story of Chess Records John Collis, 1998-10-15 If one man can be credited with creating the language of rock 'n' roll it is Chuck Berry. In the early 1950's he was just an ambitious Nat King Cole imitator gigging in St Louis, but ten years after moving to Chicago and cutting his first hit, Maybelline, in 1955, he built a catalogue of classics that inspired the Beatles, the Rolling Stones, and every rock musician since. Meanwhile his Chicago rival Bo Diddley, the earthiest and arguably the most exciting of the rock 'n' roll performers, was reminding us that this music was just a step away from the blues. Although he was raised in Chicago, his music was a bizarre, electric version of the blues of his birthplace, Mississippi. Between them Chuck and Bo caused a revolution in Chicago blues, hitherto largely unknown to white America and the mass market. Both were signed to Chess Records, established by Eastern European immigrants, the Chess brothers, who provided the shop window for Chicago bluesmen, while also conforming to a now all-too-familiar pattern, as white entrepreneurs exploiting black talent. Chess Records both examines the subject of exploitation within the record business and celebrated the music of two unique and important artists and the extraordinarily fertile blues environment out of which they grew.

willie dixon i am the blues: Recorded Music in American Life William Howland Kenney, 1999 Now comes an in-depth cultural history of the phonograph in the United States from 1890 to 1945. William Howland Kenney offers a full account of what he calls the 78 r.p.m. era--The formative early decades in which the giants of the record industry reigned supreme in the absence of radio, to the postwar proliferation of independent labels, disk jockeys, and changes in popular taste and opinion.

The journal is sponsored by the University of North Carolina at Chapel Hill's Center for the Study of the American South.

willie dixon i am the blues: Rock 'n' Roll is Here to Pay Steve Chapple, Reebee Garofalo, 1977

willie dixon i am the blues: I Feel So Good Bob Riesman, 2011-06-01 A major figure in American blues and folk music, Big Bill Broonzy (1903-1958) left his Arkansas Delta home after World War I, headed north, and became the leading Chicago bluesman of the 1930s. His success came as he fused traditional rural blues with the electrified sound that was beginning to emerge in Chicago. This, however, was just one step in his remarkable journey: Big Bill was constantly reinventing himself, both in reality and in his retellings of it. Bob Riesman's groundbreaking biography tells the compelling life story of a lost figure from the annals of music history. I Feel So Good traces Big Bill's career from his rise as a nationally prominent blues star, including his historic 1938 appearance at Carnegie Hall, to his influential role in the post-World War II folk revival, when he sang about racial injustice alongside Pete Seeger and Studs Terkel. Riesman's account brings the reader into the jazz clubs and concert halls of Europe, as Big Bill's overseas tours in the 1950s ignited the British blues-rock explosion of the 1960s. Interviews with Eric Clapton, Pete Townshend, and Ray Davies reveal Broonzy's profound impact on the British rockers who would follow him and change the course of popular music. Along the way, Riesman details Big Bill's complicated and poignant personal saga: he was married three times and became a father at the very end of his life to a child half a world away. He also brings to light Big Bill's final years, when he first lost his voice, then his life, to cancer, just as his international reputation was reaching its peak. Featuring many rarely seen photos, I Feel So Good will be the definitive account of Big Bill Broonzy's life and music.

willie dixon i am the blues: The American Book of the Dead Oliver Trager, 1997-12-04 Contains over 750 alphabetically-arranged entries that provide information about the rock group Grateful Dead, featuring profiles of band members and associated musicians, filmmakers, photographers, composers, and others, and descriptions of the band's albums and solo releases.

willie dixon i am the blues: Billboard , 1992-10-17 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

willie dixon i am the blues: The Art of the Blues Bill Dahl, 2016-11-01 This stunning book charts the rich history of the blues, through the dazzling array of posters, album covers, and advertisements that have shaped its identity over the past hundred years. The blues have been one of the most ubiquitous but diverse elements of American popular music at large, and the visual art associated with this unique sound has been just as varied and dynamic. There is no better guide to

this fascinating graphical world than Bill Dahl—a longtime music journalist and historian who has written liner notes for countless reissues of classic blues, soul, R&B, and rock albums. With his deep knowledge and incisive commentary—complementing more than three hundred and fifty lavishly reproduced images—the history of the blues comes musically and visually to life. What will astonish readers who thumb through these pages is the amazing range of ways that the blues have been represented—whether via album covers, posters, flyers, 78 rpm labels, advertising, or other promotional materials. We see the blues as it was first visually captured in the highly colorful sheet music covers of the early twentieth century. We see striking and hard-to-find label designs from labels big (Columbia) and small (Rhumboogie). We see William Alexander's humorous artwork on postwar Miltone Records; the cherished ephemera of concert and movie posters; and Chess Records' iconic early albums designed by Don Bronstein, which would set a new standard for modern album cover design. What these images collectively portray is the evolution of a distinctively American art form. And they do so in the richest way imaginable. The result is a sumptuous book, a visual treasury as alive in spirit as the music it so vibrantly captures.

willie dixon i am the blues: Encyclopedia of the Blues Edward M. Komara, 2006 This comprehensive two-volume set brings together all aspects of the blues from performers and musical styles to record labels and cultural issues, including regional evolution and history. Organized in an accessible A-to-Z format, the Encyclopedia of the Blues is an essential reference resource for information on this unique American music genre. For a full list of entries, contributors, and more, visit the Encyclopedia of the Blues website.
