dr michael youssef leading the way: Never Give Up Michael Youssef, 2022-03-01 What if the answers to our modern crises are found in ancient truths? This book will give you the hope and courage you need to stay firm in your faith despite the circumstances going on around you. You will keep your devotion to God and boldly share your faith. The truth of the gospel is in great danger. Biblical beliefs are being attacked. Biblical morality is being assaulted. Christians are being insulted for holding to the ancient truths found in the Scriptures. We are in a fight to be heard and not canceled—to share our faith amidst the cancel culture. What is God's message to us this day? What does He want from us in these troubled times? Resilience. Courage. Faithfulness. His call to us is to never give up. Never give up...on the infallible Word of God. Never give up...on the faith once delivered. In his last letter, the aged and imprisoned apostle Paul realized that his final days were approaching. So, he wrote his last legacy message for his beloved Timothy and for future generations of disciples—namely you and me. followers of Jesus, too often we are tempted to throw in the towel, give up the fight, and give in to fear. But we must not let that be our reality. We have not been abandoned. God is here. Yet conviction is needed and service is required. No matter what comes our way, we must never give up.

dr michael youssef leading the way: *Hope for This Present Crisis* Michael Youssef, 2021-03-02 Our culture has lost its mind. Now, we are waging a bigger fight—a war for our soul. Is it possible our world has gone mad? We are under siege and the war is not from without; it is from within. The collapse of the Roman Empire occurred in a single generation and was not so much the result of invasions by their enemies but the result of moral decay and internal corruption. Similar patterns are emerging in America. We neglected or abandoned our traditional institutions long ago, but now it's time to take them back. Today, forces are at work to strip the principles and precepts of faith from public venues or minimize their significance. Many progressive leaders are convinced that when Christianity disintegrates it will create peace on earth. But the loss of our heritage will merely

create a spiritual vacuum that will be filled with folly, crammed with chaos, or invaded by Islam. The reality is: Western civilization will become so decadent and reckless that America will collapse like a house of cards. In *Hope for This Present Crisis*, Dr. Youssef provides a diagnosis of the insanity of the current culture and a seven-step prescription for restoring sanity to a world gone mad. Here's the seven-step path to restoring a world gone mad: Remember the Truth – Stand firm on the truth of the gospel. Restore the Soul – Seek God's approval– not the approval of other people. Revitalize the Family – Guard your children from the horrors of the Internet. Reestablish the Classroom – Support conscientious, caring public school teachers. Respect our Freedoms – Know your rights. Reform our Society – Morally and spiritually purify yourself. Revive the Church – Demonstrate the forgiving love of Jesus at all times. This book will teach you how to stand up to attacks on your faith, and defend Christianity as a meaningful contribution to society.

dr michael youssef leading the way: How to Read the Bible (as If Your Life Depends on It) Michael Youssef, 2023-11-07 As fewer Christians read the Bible daily, fewer understand what a marvelous revelation it is from God to man. *How to Read the Bible (as If Your Life Depends on It)* offers believers and nonbelievers alike a new appreciation for the Bible, helping them to read it for understanding, not just as the storybook they remember from childhood. There is no other book like the Bible. God used at least forty human writers over more than 1,600 years to compost the sixty-six books of the Old and New Testaments. They included kings and shepherds, a physician and a tax collector. They lived on three continents—Europe, Asia, and Africa. Yet the Bible is a single Book with a single Author, focused on a single theme: Jesus the Messiah, our Redeemer. From beginning to end, the Bible tells the story of the Kingdom of God and its King. The Old Testament tells us He is coming. The New Testament announces that He has arrived. The sixty-six books of the Bible do not tell sixty-six stories. Together they tell one story. It's the story of humanity's rebellion against God and God's redemptive love for the human race. It's the story of a Kingdom and a Covenant, of one Lord who saves completely and rules eternally. The unity of the Bible confounds human wisdom. The unity of the Bible baffles its critics. The unity of the Bible challenges its enemies. There's no book like this Book because there's no author like its Author.
