Tips for Solving the Chapter 26 Cold War Conflicts Crossword Puzzle

In an intense effort to keep pace with the changing location of their readers?and most particularly with the upscale consumers?the shift to the suburbs was marked by changes in news coverage, advertising, and promotion. Though people have predicted the decline of newspaper business for more than fifty years, they were proven wrong by the rise of the suburban press and by the survival of most newspapers, urban and suburban alike, through the 1980s and 1990s. But in the twenty-first century, the news and information industry has changed, and the national and international economy has faltered.
