Youth Bible Study Games: Engaging Ways to Connect and Learn

Youth bible study games are an excellent way to bring energy, creativity, and engagement to any youth group gathering or Sunday school class. Incorporating fun, interactive activities into Bible study sessions not only helps young people retain Scripture better but also fosters community, encourages teamwork, and makes spiritual learning approachable and enjoyable. Whether you're a youth leader, Sunday school teacher, or parent looking to inspire a deeper interest in the Bible, integrating games into your curriculum can transform the experience.

Why Incorporate Games into Youth Bible Study?

Games are a powerful tool for education, especially when dealing with complex or abstract topics like faith and Scripture. Young people often learn best when they're actively involved, and games provide that hands-on interaction. They can break down barriers, spark curiosity, and create memorable moments tied to biblical teachings. Additionally, games introduce an element of friendly competition and excitement, which can motivate participation and make lessons stick.

Using youth bible study games helps cater to different learning styles—whether auditory, visual, or kinesthetic—giving every student a chance to engage meaningfully. It also encourages social interaction, which strengthens bonds within the group and creates a supportive environment where questions and discussions feel natural.

Types of Youth Bible Study Games

There's a wide variety of games that can be adapted to fit Bible study settings, ranging from trivia and quizzes to physical activities and creative challenges. Below are some popular categories:

Bible Trivia and Quiz Games

Trivia games are a classic way to review Bible stories, characters, and teachings. You can design quizzes that challenge youth on their knowledge of Scripture, using multiple choice, true/false, or open-ended questions. To make it more engaging, consider:

- Dividing the group into teams and awarding points for correct answers.
- Using buzzers or bells for a fast-paced "Bible Jeopardy" style game.
- Incorporating visual aids like Bible story images or maps.

These games not only test knowledge but also encourage participants to study and prepare ahead of time.

Interactive Role-Playing and Skits

Role-playing games allow youth to step into the shoes of biblical characters and reenact key moments from Scripture. This experiential learning helps deepen understanding by connecting emotions and actions with the stories. You can assign roles and let participants improvise or prepare short skits based on passages like the Parable of the Good Samaritan or David and Goliath.

This approach encourages creativity, teamwork, and empathy, making the Bible feel alive and relevant.

Physical and Outdoor Games

For groups that meet in spaces where movement is possible, physical games can be tremendously effective. Consider Bible-themed scavenger hunts, relay races with scriptural challenges, or “Bible verse freeze dance,” where players dance to music and must freeze when a verse is read aloud.

Physical games help release energy and keep the atmosphere lively, which is especially helpful for younger participants who might find sitting through a long study challenging.

Creative and Artistic Games

Creative games engage the imagination and can be a great way to explore biblical themes in a fresh way. Examples include Bible Pictionary, where players draw scenes or words from Scripture for others to guess, or Bible verse art challenges, where youth illustrate or decorate verses that inspire them.

These activities promote reflection and allow youth to express their understanding and feelings about the Bible in non-verbal ways.

Tips for Leading Effective Youth Bible Study Games

While games can be fun and impactful, their success depends on thoughtful planning and execution. Here are some practical tips:

Know Your Audience

Understand the age range, maturity level, and interests of your group. Games that work well for middle schoolers might be too simple or too advanced for high school youth. Tailoring the difficulty and format ensures everyone can participate comfortably and benefit from the activity.

Keep the Focus on Scripture

Games should complement, not distract from, the Bible study's core purpose. Always tie the game back to biblical lessons and encourage reflection. For instance, after a trivia game, discuss why the questions are important or how the stories relate to everyday life.

Encourage Participation, Not Just Competition

While a little friendly competition can be motivating, avoid making games overly competitive or exclusive. Celebrate effort and teamwork, and create opportunities for quieter participants to shine.

Be Flexible and Ready to Adapt

Sometimes a game might not go as planned—maybe the group is more energetic or quieter than expected, or time runs short. Be prepared to adjust rules, shorten activities, or switch games to keep the momentum positive.

Popular Youth Bible Study Games to Try

Here are some tried-and-true games that youth groups often enjoy:

- **Bible Jeopardy:** Create categories based on Bible books, characters, or themes. Youth answer questions for points, fostering friendly competition.
- **Scripture Memory Relay:** Teams race to recite verses or complete Bible passages in order, combining physical activity with memorization.
- **Who Am I? - Bible Edition:** Players wear name tags with biblical characters and ask yes/no questions to figure out who they are.
- **Bible Scavenger Hunt:** Hide objects or clues related to Bible stories and have teams search for them, solving puzzles along the way.
- **Charades - Bible Stories:** Players act out well-known stories or characters without speaking while others guess.

Incorporating Technology in Youth Bible Study Games

With the rise of digital tools, technology can enhance youth bible study games significantly. Apps

and online platforms offer interactive Bible quizzes, virtual escape rooms, and multimedia challenges that appeal to tech-savvy youth. Using smartphones or tablets, groups can engage in real-time polls, Scripture scavenger hunts with QR codes, or Bible verse bingo.

Technology also allows for remote or hybrid gatherings, enabling youth to participate in games even when not physically together. Just be mindful to balance screen time with personal interaction to keep the experience meaningful.

Building Community Through Games

One of the most rewarding aspects of youth bible study games is the sense of community they cultivate. Shared laughter, teamwork, and collective problem-solving create bonds that extend beyond the study session. Games help break down social barriers and foster trust among group members.

As youth connect through these activities, they're more likely to open up during discussions, share personal reflections, and support one another in their spiritual journeys. Games also offer natural opportunities for leaders to observe group dynamics and provide encouragement where needed.

Incorporating youth bible study games thoughtfully can breathe new life into your ministry, making Scripture accessible and exciting for young hearts and minds. Whether your goal is to reinforce knowledge, spark creativity, or simply have fun together, these interactive approaches pave the way for a deeper, lasting connection with faith.

Frequently Asked Questions

What are some popular youth Bible study games for group engagement?

Popular youth Bible study games include Bible trivia, Scripture scavenger hunts, Bible charades, verse memorization challenges, and Bible bingo, all designed to make learning fun and interactive.

How can Bible study games help improve youth participation?

Bible study games create a dynamic and enjoyable environment that encourages active participation, fosters teamwork, reinforces biblical knowledge, and helps youth retain scripture through interactive learning.

What are effective Bible study games for large youth groups?

Effective games for large groups include Bible Jeopardy, Scripture relay races, group Bible puzzles, and team-based trivia contests, which promote collaboration and keep everyone engaged regardless of group size.

Are there digital or online Bible study games suitable for youth?

Yes, there are digital platforms offering Bible quizzes, interactive Scripture apps, and online multiplayer Bible games that provide accessible and engaging ways for youth to study the Bible remotely or in hybrid settings.

How can leaders adapt Bible study games to suit different age groups within youth?

Leaders can tailor game complexity, question difficulty, and game pace according to the age group, ensuring younger youth have simpler, more visual games while older teens engage in more challenging trivia and discussion-based activities.

Youth Bible Study Games: Engaging Tools for Spiritual Growth and Fellowship

youth bible study games have emerged as pivotal instruments in contemporary religious education, particularly within youth ministry contexts. As faith communities seek innovative methods to engage younger generations, these games offer dynamic approaches to biblical literacy and spiritual formation. This article explores the multifaceted role of youth bible study games, analyzing their effectiveness, types, and practical applications in nurturing faith among adolescents.

The Role of Youth Bible Study Games in Religious Education

In an era where digital distractions compete fiercely for young people's attention, youth bible study games provide a compelling alternative to traditional study formats. These games serve not only as educational tools but also as catalysts for fellowship and spiritual reflection. By integrating interactive elements, they transform passive learning into an active, participatory experience, which research suggests improves retention and comprehension of scriptural content.

Moreover, youth bible study games can bridge generational gaps. They encourage peer collaboration while allowing leaders to assess youths' understanding of biblical narratives and principles in an informal setting. The adaptability of games—from in-person group activities to digital platforms—makes them accessible across diverse ministry environments.

Types of Youth Bible Study Games

Youth bible study games encompass a variety of formats, each catering to different learning styles and group dynamics. Some of the most common categories include:

- **Trivia and Quiz Games:** These games test knowledge of scripture, biblical characters, and theological concepts. Formats range from traditional question-and-answer rounds to interactive apps.
- **Role-Playing and Skits:** Participants act out biblical stories or moral dilemmas, fostering empathy and deeper understanding by embodying scriptural figures.
- **Puzzle and Word Games:** Crossword puzzles, word searches, and scripture decoding activities promote cognitive engagement with biblical texts.
- **Physical Activity Games:** Incorporating movement, such as Bible-themed scavenger hunts or relay races, these games combine physical exertion with scriptural learning.
- **Digital and Online Games:** Leveraging technology, apps and online platforms offer interactive and multimedia-rich bible study experiences, often appealing to tech-savvy youth.

Each type offers unique advantages and challenges in terms of preparation, inclusivity, and depth of biblical content covered.

Benefits of Incorporating Games into Youth Bible Study

The integration of games into youth bible study sessions is backed by several pedagogical and developmental benefits:

1. **Enhanced Engagement:** Games capture attention more effectively than lectures, encouraging active participation.
2. **Improved Retention:** Interactive learning methods help solidify knowledge by involving multiple senses and cognitive processes.
3. **Fostering Community:** Team-based games build camaraderie and trust among participants, reinforcing the communal aspect of faith.
4. **Encouraging Critical Thinking:** Many games challenge youths to analyze, interpret, and apply biblical teachings, promoting deeper theological reflection.
5. **Adaptability to Different Learning Styles:** Whether a youth is visual, auditory, or kinesthetic learner, diverse game formats can cater to their preferences.

These benefits collectively contribute to a more holistic approach to youth ministry, where learning is both meaningful and enjoyable.

Evaluating Youth Bible Study Games: Effectiveness and Challenges

While youth bible study games offer numerous advantages, it is essential to critically evaluate their effectiveness within specific ministry contexts. One consideration is the balance between entertainment and educational substance. Games that prioritize fun over theological depth risk oversimplifying complex biblical themes or promoting superficial understanding.

Furthermore, inclusivity is a critical factor. Games must be accessible to youths with varying abilities, backgrounds, and spiritual maturity levels. For example, highly competitive games might alienate less confident participants, whereas overly simplistic games may disengage more advanced students.

Another challenge arises in the integration of technology-based games. While digital tools can enhance accessibility, they also require resources and technical skills that some ministries may lack. Additionally, screen time concerns and distractions must be managed carefully to maintain focus on spiritual objectives.

Data from various youth ministries indicate that a blended approach—combining traditional study with well-structured games—tends to yield the best outcomes. Leaders who thoughtfully select and tailor games to their group's needs report higher levels of enthusiasm, scriptural knowledge, and group cohesion.

Best Practices for Implementing Youth Bible Study Games

To maximize the impact of youth bible study games, ministry leaders should consider the following strategies:

- **Align Games with Learning Objectives:** Every game should have clear educational goals linked to specific biblical themes or passages.
- **Prepare Adequately:** Effective facilitation requires thorough preparation, including understanding rules, materials, and potential challenges.
- **Encourage Reflection:** Incorporate debriefing sessions where participants discuss insights and personal applications arising from the game.
- **Foster Inclusivity:** Adapt games to accommodate different abilities and ensure all youths feel valued and engaged.
- **Balance Fun and Focus:** Maintain an environment where enjoyment complements, rather than detracts from, spiritual growth.

When these practices are observed, youth bible study games become powerful tools that resonate beyond the session, influencing participants' faith journeys.

Comparative Review of Popular Youth Bible Study Games

To provide a practical perspective, here is an overview of several widely used youth bible study games, highlighting their distinctive features:

			Considerations
Game	Format	Strengths	
Bible Jeopardy	Trivia Quiz	Encourages friendly competition; customizable categories	May intimidate less knowledgeable participants
Scripture Scavenger Hunt	Physical Activity	Engages kinesthetic learners; promotes teamwork	Requires space and materials; weather-dependent if outdoors
Charades: Bible Edition	Role Play	Encourages creativity and empathy; low resource need	Some youths may feel shy or self-conscious
Bible Word Search	Puzzle	Quiet, individual activity; good for focus and vocabulary	Less interactive; may not suit all group dynamics
Interactive Bible Apps	Digital	Accessible anywhere; multimedia-enhanced learning	Requires devices and internet; potential distractions

This comparative review underscores the importance of context when selecting games, as the best choice depends on group size, setting, and learning objectives.

Future Trends in Youth Bible Study Games

Looking ahead, the landscape of youth bible study games is poised for transformation driven by technological advancements and pedagogical research. Emerging trends include:

- **Gamification of Scripture Study:** Integrating point systems, badges, and leaderboards to motivate consistent engagement.
- **Virtual Reality (VR) Experiences:** Immersive biblical environments allowing youths to explore historical settings and events interactively.
- **Collaborative Online Platforms:** Enabling remote groups to participate in bible study games simultaneously, fostering wider community connections.
- **Adaptive Learning Technologies:** Tailoring game difficulty and content based on individual progress and comprehension.

These innovations promise to deepen engagement while addressing some current challenges, such as inclusivity and resource constraints.

Youth bible study games continue to evolve as essential components in faith formation, combining tradition with innovation to meet the spiritual and social needs of today's youth. Their thoughtful integration into ministry programs can significantly enhance the way biblical truths are imparted and lived out among younger generations.

Youth Bible Study Games

youth bible study games: The Youth Worker's Guide to Creative Bible Study Karen Dockrey, 1999-04-01 With Jesus as a guide, The Youth Worker's Guide to Creative Bible Study demonstrates tried and true methods for guiding youth to read their Bibles, discover Bible facts, understand Bible meaning and then live Bible truth.

youth bible study games: *Youth Ministry that Transforms* Merton P. Strommen, Karen E. Jones, Dave Rahn, 2001 A first-of-its-kind study of Protestant youth ministers reveals the hopes, frustrations, and effectiveness of today's youth workers. Of the 7,000 youth workers assembled in 1996 under Atlanta's Georgia Dome, a sample of 2,130 full-time youth ministers from dozens of Protestant denominations and parachurch organizations answered a battery of exhaustive, deliberate questions covering: What they liked best about youth ministry What particularly pleased them in their work with youth What they found most encouraging or discouraging Their biggest obstacle to an effective youth ministry Their biggest concern in youth ministry Their answers revealed a dedicated group of professionals, concerned about the students in their ministries, but troubled with a variety of perplexing issues. And their answers form the backbone of *Youth Ministry That Transforms*, a comprehensive analysis of this groundbreaking study (funded by the Lilly Endowment) focusing on the hopes, frustrations, and effectiveness of today's youth workers. Spearheaded by Merton Strommen--one of America's most exemplary and influential thinkers and authors in youth and family ministry--the research-writing team is joined by Karen E. Jones and Dave Rahn of Huntington (Indiana) College's Link Institute for Faithful and Effective Youth Ministry, and acknowledged leader in the task of undergirding youth ministry with a research base. These three deliver thorough analysis and sound interpretation regarding the state of youth ministry at the dawn of the 21st century. *Youth Ministry That Transforms* belongs on the desks and in the classrooms of all who are concerned with this developing profession, including denominational and parachurch leadership, professors, youth ministry students, and thoughtful youth workers themselves. It is also an insightful resource for any who want to understand youth ministers and their profession: senior pastors, executive pastors, and other individuals and committees charged with hiring and supervising youth workers.

youth bible study games: **Youth Bible Study-Coachs Book** Serendipity House, 1995-01-01

youth bible study games: *Games, Kids, and Christian Education* Susan Lennartson, Looks at the powerful influence of games on Christian education. Playing games shows kids how to relate to each other and creatively learn Bible stories.

youth bible study games: Josh McDowell's Youth Ministry Handbook Zondervan,, 2000-10-10 Drawing on the wisdom of insightful leaders around the country, Josh McDowell's *Youth Ministry Handbook* equips youth workers to help kids connect with God--and with their parents, their peers, and a world in need of Christ. Featuring articles from Dawson McAllister, Barry St. Clair, Jim Burns, Tony Campolo, Al Menconi, John Maxwell, George Barna, and others, this is an invaluable leadership resource with practical, useful ideas for today's youth workers.

youth bible study games: No Strings Attached Rachel Nafziger Hartzler, 2013-04-30 No Strings Attached is the story of a Mennonite congregation in Indiana that existed for eighty-six years. The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority, and others operated with a congregational polity and became more assimilated into secular culture. The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana. Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers. Although no strings attached refers to the women's headwear during the 1920s, which had no strings, it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building! Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope. Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully, living in a community of love, joy, and peace, and offering God's healing and hope to each other and to the world.

youth bible study games: Creative Bible Lessons in 1 and 2 Corinthians Marv Penner, 2010-10-05 Christian adolescents in the 21st century face pretty much the same situations as the first-century Christians in Corinth did -- an indulgent, profligate, choose-your-own-god society. The latest in the Creative Bible Lessons series, Creative Bible Lessons in 1 & 2 Corinthians is a 12-lesson curriculum with an issues-oriented spin on living one's faith in the real world. It lets teenagers wrestle with the tension between biblical instruction and cultural realities. These 12 studies about the not-so-easily-tamed people of Corinth and their founding pastor Paul of Tarsus pave the way for youth workers and Sunday school teachers to teach high schoolers about conversion, transformation, failure, leadership, authority, and God's constant saving love even in the midst of people making a mess of things. Here are some of the not-so-ancient issues you'll explore in this study: Give Me Liberty or Give Me Love, Friends Don't Let Friends Go Unforgiven, Those Pesky STDs (Sexually Tough Decisions), Love Is . . . , No Easy Answers, Show Me the Money, and Ouch! Of course, there's lots of what the Creative bible Lessons series is known for: provocative and relevant discussion starters, to-the-point scripts, high-energy games, reproducible pages of interactive activities -- all in the context of hard-core Bible study. 12 lessons.

youth bible study games: The Gigantic Book of Games for Youth Ministry Group Publishing, 1999 Get ready for the biggest and the best game book ever! With brain-stretching games, friend-making games, and holiday games kids will have a blast. Over 300 games are included.

youth bible study games: *Pressing Toward the Mark* Book Writing Ministry Team, 2008-09 If you want to be a soul-winner for Christ, make disciples of men, and edify the Body of Christ, then *Pressing Toward the Mark* is the book you want to read! In these pages are recorded the purposes and organizational structure of the St. Mark Church Ministry. Throughout the pages of this book you will find life changing experiences from the community of God's people. You will experience the mighty move of God in the life of this church, the community and its people. These are just ordinary people in whose lives God has made a tremendous change because they have exemplified mustard seed faith.

youth bible study games: Uncommon Games and Icebreakers Jim Burns, 2008-08-01 Youth workers can turn their youth groups into dynamic, exciting events that kids will actually look forward to with the great ideas found in *Uncommon Games and Icebreakers*. In this practical resources, leaders will find over one hundred innovative, group-tested ideas for fun games and original icebreakers. To make prep time easier, along with full instructions, each activity has margin icons that give vital information, such as number of people needed, in/outdoor activity, time required etc. These fun activities can be used in any high school and junior high setting, including church groups, retreats, special events - and they complement other Uncommon high school and junior high school study resources. Includes CD-ROM with reproducible instructions for every activity.

youth bible study games: Worship with Teenagers Eric L. Mathis, 2022-02-15 This book

addresses the vital role of public Christian worship in adolescent spiritual formation and shows how important youth ministry and worship ministry are to each other. Despite numerous research projects, books, articles, and resources that have been published about teenagers and about worship in recent years, the relationship between the two has been addressed only peripherally if not altogether overlooked. Drawing on his extensive experience in worship ministry and youth ministry, Eric Mathis offers insights into the worship practices of teenagers, corrects common misperceptions about worship, and critically examines four prominent worship models in current practice. Mathis invites youth pastors, worship leaders, ministerial students, and congregations to elevate the voices of young people in the worshiping community and enhance worship for all ages. The book includes a foreword by Kenda Creasy Dean.

youth bible study games: Uncommon Worship Experiences Jim Burns, 2010-08-11 When worship is done right, it connects teens with God and each other like nothing else. But it can be difficult for teens to overcome their insecurities and inhibitions to enter God's presence. Now, with *Uncommon Worship Experiences*, you can invite students to trade their self-doubt for confidence in God's love and acceptance! This comprehensive resource will help you create a culture of worship in your group by fostering an atmosphere of freedom and leading by example. Inside you will find articles and Bible studies that explore every facet of worship - what it is, what it is not, why we do it, how to do it right, and much more. Also included are reproducible planning and evaluation sheets, creative group prayers, biblical meditations and activities, sample worship service plans, a sample camp worship booklet and tons of helpful suggestions for creating a worshipful environment at your next group meeting, Sunday School class, retreat, camp, lock-in or outreach program. With *Uncommon Worship Experiences*, you will have all the tools you need to enter God's presence and bring your group along! Includes CD-ROM with easy-to-print files of every article and additional responsive readings.

youth bible study games: Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In *The Encyclopedia of Christian Education*, contributors explore the many facets of Christian education in terms of its impact on curriculum, literacy, teacher training, outcomes, and professional standards. This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe, illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. With an editorial advisory board of more than 30 distinguished scholars and five consulting editors, *The Encyclopedia of Christian Education* contains more than 1,200 entries by 400 contributors from 75 countries. These volumes covers a vast range of topics from Christian education: History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks, curricula, missions, adolescent and higher education, theological training, and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education, as well as researchers and students of contemporary Christianity and modern religious education.

youth bible study games: *Dewitched* Tim Baker, 2004-09-25 What you need to know about the dangers of Wicca & Witchcraft.

youth bible study games: Sharing the Sunday Scriptures with Youth Maryann Hakowski, 1996 Filled with a variety of relevant, action-oriented resources for young people, this book includes lectionary and scripture citations, themes that relate to young people, a synopsis of scripture readings, and several activity ideas--all aimed at engaging the participants with God's word.

youth bible study games: These Stones: Pleasant Hill/Carter Tabernacle Martha Scott Lue,

youth bible study games: *Perspectives on Family Ministry* Timothy Paul Jones, 2019-11-15 The most effective family ministries refocus every church process to engage parents in discipling their children and to draw family members together instead of pulling them apart.

youth bible study games: Ministry in Context Richard Trist, 2023-01-16 Ministry in Context: A Guide to Theological Field Education and Ministry Internships in Australia and New Zealand has been written for students, field placement supervisors, and theological college coordinators to introduce the basic principles and practices of theological field education and ministry internships. The book covers all aspects of field-based learning, including biblical and historical foundations, the place of calling and vocation, the importance of supervision, the practice of theological reflection, and the setting and evaluation of goals. Chapters have been written by experts across Australia and New Zealand and reflect the diversity and cultural uniqueness of this region.

youth bible study games: Empowering Black Youth of Promise Sandra L. Barnes, Anne Streaty Wimberly, 2016-06-10 Informed by the experiences of 772 Black churches, this book relies on a multidisciplinary, mixed-methodological lens to examine how today's Black churches address the religious and non-religious educational and broader socialization needs of youth. Drawing from a cultural and ecological framework of village-mindedness, Barnes and Wimberly examine the intersected nature of place, space, and race to propel a conversation about whether and how the Black Church can become a more relevant and empowering presence for youth and the Black community.

youth bible study games: Rationalizing Religion Chee-Kiong Tong, 2007-04-30 Examining modernity and religion this book disputes the widely-spread secularization hypothesis. Using the example of Singapore, as well as comparative data on religion in China, Korea, Taiwan, Hong Kong, and Malaysia, it convincingly argues that rapid social change and modernity have not led here to the decline of religion but on the contrary, to a certain revivalism. Using qualitative and quantitative data collected over a period of twenty years, the author analyzes the nature of religious change in a society with a complex ethnic and religious composition. What happens when there are so many religions co-existing in such close proximity? Given the level of religious competition, there is a process of the intellectualization; individuals shift from an unthinking and passive acceptance of religion to one where there is a tendency to search for a religion regarded as systematic, logical and relevant.
