16 bible studies for your small group: Adult Bible Studies Teacher Summer 2019 Timothy Bryan, 2019-04-16 Summer Theme: A Covenant in Christ Jesus Ruth | 1 Samuel | Matthew | Luke | Ephesians This summer, our lessons focus on how Jesus fulfilled the Law in the sense that it was given full meaning. Jesus emphasized the deep, underlying messages of the gospel; and this same message is continued through the apostle Paul and the writer of Hebrews. Relationships of faith empower us to live the covenant and spread the gospel message. The writer of the student book lessons is Kevin Baker; the teacher book writer is Timothy Bryan. *A Fulfilled Covenant* The first unit, in four lessons, reveals a new sign of the covenant for Jewish and Gentile believers, as recorded in Matthew, Mark, Luke, Hebrews, and Colossians. During the celebration of the Passover, Jesus explained to the disciples that he would initiate a new covenant through his death. Paul explains that the sign of the covenant is now a relationship of the heart between God and God's people, not circumcision. *A Heartfelt Covenant* The four lessons in this unit give new meaning and purpose to the Law. According to Matthew, Jesus began teaching the Law in a way that gave life to the hearer and the doer. Unlike other teachers of the Law, Jesus preached the transforming righteousness of the Kingdom. Jesus challenged the mere external observance of God's law without internal transformation. *Covenant: A Personal Perspective* The four lessons in this unit focus on personal relationships between people in 1 Samuel, Ruth, and Ephesians. Ultimately, those relationships pave the way for the Messiah. After Christ established the New Testament church, relationships between people have been based on relationship with Christ Jesus. These relationships continue the work of

Christ Jesus by spreading the gospel message. 16 bible studies for your small group: Your Legacy James Dobson, 2014-09-09 In a tie-in to his film release and DVD study series, Dr. James Dobson presents principles for building a lasting legacy of faith for families everywhere. We live in a culture that seeks to destroy the embryonic faith of our children and usher them into politically correct ideology, godless systems of belief, and gross immorality that would have shocked previous generations. Today's Christian parents truly live in perilous times. But the good news is that you can be victorious in this battle for the hearts, minds, and souls of your precious children. Whatever stage you are in as a parent or grandparent, you can leave a spiritual legacy that will equip your children and grandchildren with an unshakable heritage of faith. How can you teach your children what matters most? By being intentional about their spiritual training. Your Legacy will help you make that the central priority of your family.

16 bible studies for your small group: Ministry by Teenagers Jonathan McKee, David R Smith, 2011-01-04 What would happen if we gave teenagers opportunities to serve and use their gifts in ministry prior to high school graduation? The book is jam-packed with ideas, advice, and resources for:- Fostering discipleship- Building student leadership teams- Identifying student talent- Helping students discover and use their spiritual gifts- Creating service teams- Equipping students to reach their friends It's a must-have tool for youth workers who want to tap the gold mine of talent, passion, and leadership potential they see every day in young Christians.

16 bible studies for your small group: Learning to Love Others Richard Peace, 2015-04-28 At the heart of Jesus' call to us is the call to love others. But this can be so difficult. For one thing,

others are not always very lovable; for another, loving others sometimes gets in the way of our own self-interests. But if we want to follow Jesus, love needs to be our lifestyle, and the way we treat others really does matter. It's not all sacrifice and pain, though. To be in loving relationship with others is to be truly alive--and it's the source of our greatest joy. This study will help you love others the way Jesus desires. You'll learn how to study the Bible as you examine and discuss topics such as Loving Others, Loving Our Families, Fellowship with Others, Getting Along with Others, Opposition from Others, Sharing Our Faith with Others, Serving Others. Each chapter has three main sections: Group Study (materials for a sixty- to ninety-minute small-group Bible study); Study Resources (notes and comments for use in both group and personal study); Personal Study (a series of reflection questions for use by group members on their own during the week). Extra help is available at the end of the book in the sections The Art of Leadership (tips on how to lead a small group) and Small Group Leader's Guide (notes on each session). The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus. Through an examination of the spiritual disciplines of Bible study, prayer, and worship, we experience what it means to be a spiritual pilgrim--walking in a new way with God. And we look at how this new way changes the way we view others and live our lives in Christ. PILGRIMAGE GUIDES: Learning to Love God Learning to Love Ourselves Learning to Love Others
