Luther King Jr.'s staff arrived in Chicago, eager to apply his nonviolent approach to social change in a northern city. Once there, King's Southern Christian Leadership Conference (SCLC) joined the locally based Coordinating Council of Community Organizations (CCCCO) to form the Chicago Freedom Movement. The open housing demonstrations they organized eventually resulted in a controversial agreement with Mayor Richard J. In this important volume, an eminent team of scholars and activists offer an alternative assessment of the Chicago Freedom Movement's impact on race relations and social justice, both in the city and across the nation. Building upon recent works, the contributors reexamine the movement and illuminate its lasting contributions in order to challenge conventional perceptions that have underestimated its impressive legacy.
