Eat Pray Love Author Husband: A Closer Look at Elizabeth Gilbert's Personal Journey

eat pray love author husband—these words often evoke images of a transformative journey across continents, spirituality, and self-discovery. But behind the bestselling memoir "Eat Pray Love," penned by Elizabeth Gilbert, lies a complex and intriguing personal story, particularly involving the men who shaped her life, including her husband. Many readers are curious about the author's marital history, how her relationships influenced her writing, and what happened to the husband featured in her narrative. In this article, we'll delve deep into the story of the Eat Pray Love author's husband, exploring the personal dynamics, the impact on Gilbert's life, and how it all ties into the memoir's profound themes.

Understanding Elizabeth Gilbert's Journey in Eat Pray Love

Elizabeth Gilbert's memoir, published in 2006, chronicles her quest for balance and happiness following a painful divorce. "Eat Pray Love" became a cultural phenomenon, inspiring millions to embark on their own journeys of self-exploration. The narrative is divided into three parts—Italy (Eat), India (Pray), and Indonesia (Love)—each representing different stages of healing and growth.

The Role of Marriage in Elizabeth Gilbert's Story

A significant catalyst for Gilbert's journey was her marriage. Before writing "Eat Pray Love," Elizabeth was married to a man named Michael Cooper, her first husband. Their relationship, which ultimately ended in divorce, served as the impetus for Gilbert's soul-searching adventure. The memoir candidly addresses the emotional turmoil and dissatisfaction she experienced within the marriage, highlighting the importance of personal happiness over societal expectations.

While "Eat Pray Love" focuses on Gilbert's internal transformation, the role of her husband—both past and present—is subtly woven into her story. Readers often wonder how much of the narrative reflects her real marriage and what became of her husband after the memoir's events.

Who Is the Eat Pray Love Author Husband?

Elizabeth Gilbert's husband during the writing of "Eat Pray Love" was Michael Cooper, whom she married in the late 1990s. Their marriage, as Gilbert describes, was fraught with challenges that led her to reevaluate her life choices. The dissolution of their relationship marked the beginning of her travels to Italy, India, and Indonesia.

Michael Cooper: The First Husband

Michael Cooper is a photographer and artist, known for his creative pursuits. Gilbert has spoken in interviews about the complexities of their marriage, acknowledging both the love and difficulties they shared. While their union did not last, it was a meaningful chapter in her life that provided the emotional foundation for her memoir.

Their divorce was finalized before Gilbert embarked on her transformative journey, making it clear that the memoir is as much about healing from the end of this marriage as it is about spiritual and personal growth.

How the Relationship Influenced Gilbert's Writing

The emotional pain and introspection that came from the breakdown of her marriage are central themes in "Eat Pray Love." Gilbert uses her experience to explore universal questions about love, fulfillment, and identity. She candidly reveals the struggles of maintaining a relationship that no longer serves one's happiness, encouraging readers to seek authenticity and self-love.

This transparency about her marriage and divorce resonated with many, making the memoir relatable and impactful.

Elizabeth Gilbert's Life After Eat Pray Love

Following the success of her memoir and its 2010 film adaptation starring Julia Roberts, Elizabeth Gilbert's personal life continued to evolve. Readers and fans often inquire about her current marital status and whether the husband from "Eat Pray Love" remained part of her life.

New Beginnings: Gilbert's Subsequent Relationships

After her divorce from Michael Cooper and the completion of her journey detailed in "Eat Pray Love," Elizabeth Gilbert eventually remarried. In 2019, she married José Nunes, a Brazilian chef who inspired her during her time in Bali—the final chapter of her memoir.

This new marriage symbolizes the "Love" section of her book, representing a mature and grounded relationship built on mutual respect and understanding. Unlike her previous marriage, Gilbert describes her union with Nunes as one filled with partnership and joy.

The Evolution of Gilbert's Views on Marriage and Love

Gilbert's experiences, both in her first marriage and subsequent relationships, have shaped her evolving perspective on love. She emphasizes the importance of self-awareness, communication, and personal growth within partnerships. For readers interested in the behind-the-scenes story of the Eat Pray Love author husband, it's clear that Gilbert's journey reflects a

deepening understanding of what it means to love and be loved.

Why Readers Are Fascinated by the Eat Pray Love Author Husband

The memoir's immense popularity has led to a natural curiosity about Elizabeth Gilbert's private life, especially her romantic relationships. Understanding who the Eat Pray Love author husband is helps readers connect more deeply with the story and the person behind the book.

Humanizing the Author Through Her Relationships

Knowing about Gilbert's marriage and divorce humanizes her beyond her celebrity status. It reveals the vulnerability and courage required to share intimate details with the world. Gilbert's honesty has inspired countless individuals to confront their own relationship challenges and seek happiness.

Lessons from Gilbert's Marital Experiences

There are valuable takeaways from Gilbert's experiences with her husband and subsequent relationships:

- **The importance of self-discovery:** Gilbert's journey underscores that understanding oneself is crucial before fully committing to a relationship.
- **Embracing change:** Sometimes, ending a relationship is necessary for personal growth.
- **Love as an evolving concept:** Gilbert's story teaches that love can take many forms and that healthy relationships are built on mutual respect and growth.

These insights add depth to the memoir, making it more than just a travelogue but a guide to emotional resilience.

Behind the Scenes: What Elizabeth Gilbert Has Shared About Her Husband

Over the years, Elizabeth Gilbert has offered glimpses into her personal life through interviews, talks, and her social media presence. While she maintains a respectful privacy regarding her relationships, she has been open about the influence her first husband had on her life and work.

Respecting Privacy While Sharing Truths

Gilbert strikes a balance between transparency and discretion. She acknowledges her past marriage without sensationalizing it, focusing instead on the lessons learned. This approach has earned her respect from fans and critics alike, who appreciate her authenticity.

Current Relationship Dynamics

With José Nunes, Gilbert shares a partnership that complements her evolved worldview. Their relationship, often highlighted in her talks about love and happiness, contrasts with the struggles of her first marriage, presenting a hopeful narrative for those navigating their own romantic journeys.

Final Thoughts on the Eat Pray Love Author Husband

The story of the Eat Pray Love author husband is more than just a detail about Elizabeth Gilbert's personal life; it's a window into the emotional and spiritual transformation that defines her memoir. Her experiences with her first husband, Michael Cooper, set the stage for a profound exploration of self and love that continues to inspire readers worldwide.

Understanding this aspect of Gilbert's life enriches the reading of "Eat Pray Love," revealing the courage behind the words and the ongoing journey of a woman who dared to seek happiness on her own terms. As Gilbert's life evolves, so does her narrative, reminding us that love, in all its forms, is a lifelong adventure.

Additional Resources

****Eat Pray Love Author Husband: An Insight into Elizabeth Gilbert's Personal Journey****

eat pray love author husband is a phrase often searched by readers and fans eager to understand the personal life behind Elizabeth Gilbert's bestselling memoir, **Eat Pray Love**. The book, which chronicles Gilbert's year-long journey of self-discovery through Italy, India, and Indonesia, has captivated millions since its release. Naturally, curiosity about her relationships, particularly her marital status and the role her husband played in her story, has been a recurring topic in public discourse. This article delves into the life of Elizabeth Gilbert's husband, exploring the impact of her relationships on her work and the broader cultural conversation surrounding love, healing, and independence.

Understanding Elizabeth Gilbert's Personal Narrative

Elizabeth Gilbert's **Eat Pray Love** is more than a travel memoir; it is a profound exploration of emotional healing following a painful divorce. The book does not merely recount her adventures abroad but reflects on the complexities of love and self-acceptance. In this context, Gilbert's relationships, including her marriage, become essential to understanding the motivations behind her journey.

The Role of Marriage in **Eat Pray Love**

When **Eat Pray Love** was published in 2006, Gilbert was coming out of a difficult marriage. Her estrangement and eventual divorce from her then-husband form the emotional backdrop of the memoir. However, Gilbert chooses not to name or delve deeply into the specifics of her ex-husband in the book, focusing instead on her own growth and experiences. This omission has spurred interest in the identity and nature of her marriage, fueling speculation and searches about the "eat pray love author husband."

Unlike some memoirs that focus heavily on the spouse's perspective, Gilbert's narrative centers on her personal transformation, making her husband's role more implicit than explicit. The focus remains on themes of self-discovery,

spirituality, and the quest for happiness beyond traditional relationship structures.

Elizabeth Gilbert's Husband: Past and Present

Elizabeth Gilbert's personal life, including her marital relationships, has evolved considerably since the publication of **Eat Pray Love**. Prior to the book, she was married to Michael Cooper, a relationship that ended in divorce. This marriage, while not extensively detailed in her writings, was the catalyst for her journey and her eventual memoir.

Michael Cooper: The First Marriage

Michael Cooper and Elizabeth Gilbert's marriage was marked by the challenges that many couples face, leading to their eventual separation. While Gilbert maintains a respectful distance from discussing her ex-husband publicly, the dissolution of this marriage is a critical turning point in her life story, as chronicled in **Eat Pray Love**. The emotional aftermath of the divorce propelled Gilbert into seeking solace and self-understanding through travel and meditation.

Current Relationship Status and Marriage

Following her divorce, Elizabeth Gilbert's romantic life continued to attract public interest. In 2016, she married José Nunes, a Brazilian-born chef and restaurateur. This relationship marks a new chapter in Gilbert's personal life, characterized by a partnership that supports her ongoing creative and personal endeavors. Unlike her first marriage, Gilbert has been more open about this union, often sharing insights into how this relationship aligns with her evolved understanding of love and companionship.

The Impact of Gilbert's Marital Experiences on Her Work

Elizabeth Gilbert's experiences with marriage and divorce have undeniably influenced her writing style and thematic choices. **Eat Pray Love** resonated with readers precisely because it offered an authentic portrayal of heartbreak and healing. The author's candidness about her vulnerabilities invites readers to reflect on their own relationships and emotional health.

The Intersection of Love, Independence, and Self-Discovery

The phrase "eat pray love author husband" often leads to discussions about how Gilbert's personal relationships intersect with her advocacy for self-love and independence. Her narrative challenges traditional notions of marriage as the sole path to fulfillment, proposing instead that individual

happiness should be prioritized. This perspective has sparked both praise and criticism, reflecting broader societal debates about the evolving role of marriage in modern life.

Comparisons with Other Memoirs on Marriage and Healing

In the genre of memoirs focusing on love and personal growth, **Eat Pray Love** stands alongside works like Cheryl Strayed's **Wild** and Joan Didion's **The Year of Magical Thinking**. Each author offers unique insights into how personal loss and relationship changes reshape identity. Gilbert's nuanced yet accessible exploration of her marriage and subsequent healing process distinguishes her work, particularly in how it intertwines travel and spirituality.

Public Perception and Media Coverage of Elizabeth Gilbert's Husband

The media's interest in Elizabeth Gilbert's marital status has fluctuated over the years, often resurfacing with new developments in her personal life or adaptations of her work. The 2010 film adaptation of **Eat Pray Love**, starring Julia Roberts, reignited curiosity about Gilbert's real-life relationships, including her husband. However, media coverage tends to respect Gilbert's privacy while acknowledging the influence of her personal experiences on her storytelling.

Privacy vs. Public Curiosity

Elizabeth Gilbert has maintained a careful balance between sharing intimate aspects of her life and preserving her privacy. This approach has cultivated a respectful relationship with her audience, who appreciate her honesty without demanding exhaustive details about her husband or private affairs.

Social Media and Public Engagement

In the digital age, social media platforms have become a space for authors like Gilbert to connect with their audience. Gilbert's social media presence occasionally offers glimpses into her life with her husband José Nunes, highlighting moments of joy and partnership. These insights humanize the author beyond her literary persona, allowing fans to see the ongoing evolution of her personal narrative.

Broader Implications: Marriage, Authorship, and Public Identity

Elizabeth Gilbert's story exemplifies the complex relationship between an

author's personal life and public identity. The phrase "eat pray love author husband" encapsulates a broader curiosity about how personal relationships shape creative output and public perception. For Gilbert, her marriages—past and present—serve as both inspiration and context for her work, without defining her entirely.

Pros and Cons of Public Interest in Authors' Personal Lives

- **Pros:** Public interest can increase book sales, deepen reader engagement, and humanize authors.
- **Cons:** Intense scrutiny may infringe on privacy, create pressure to conform to public expectations, and distract from the literary work itself.

Elizabeth Gilbert's experience suggests that while personal life inevitably informs artistic creation, maintaining boundaries is essential for creative freedom and personal well-being.

The Evolution of Love and Partnership in Gilbert's Life

From the challenges of her first marriage to the supportive partnership with José Nunes, Gilbert's journey reflects evolving attitudes toward love and marriage. Her narrative encourages a view of relationships as dynamic, capable of growth and change alongside individual development.

The exploration of Elizabeth Gilbert's husband(s) offers a window into how personal relationships intertwine with the creative process. As readers continue to seek understanding of the woman behind **Eat Pray Love**, the focus remains on the author's journey—one marked by resilience, curiosity, and an enduring quest for meaning beyond conventional boundaries.

eat pray love author husband: *He's History, You're Not* Erica Manfred, 2009-05-05 Erica Manfred was fifty-five when her husband announced he was leaving for a younger woman. Luckily, she had a girlfriend who had been through a recent divorce—a friend who coached her through the frustrating, frightening process of taking care of herself again. Divorced or separated women need advice not only from experts such as lawyers and therapists, but also from a sage, savvy girlfriend who's been there, done that. This book is that friend. Drawing both on her own experience and interviews with professionals and other divorced women, Manfred covers it all—from the emotional devastation to the legal and financial hurdles, from dealing with the adult kids to getting back into the workforce . . . and back into dating.

eat pray love author husband: *I Dare Me* Lu Ann Cahn, 2014-11-04 Feeling stuck? Veteran

journalist and cancer survivor Lu Ann Cahn was feeling angry and frustrated. The economy was tanking. Her job was changing. In a word, she felt “stuck.” Something had to change. Her daughter helped convince her to start a “Year of Firsts.” For the next 365 days, Cahn made a point of doing something she had never done before, every day. Before she knew it, her whole perspective on life had changed. In this inspiring book, Lu Ann recounts how a new “first” everyday brought excitement and wonder back into her world. And more than that, she helps readers see how they can do it too. • Participate in a Polar Bear Plunge • Speak to a complete stranger on the street • Zip-line across a crocodile-infested Mexican lake • Spend a day in a wheelchair • Learn to Hula Hoop

eat pray love author husband: *Untrue* Wednesday Martin, 2018-09-18 From the #1 New York Times bestselling author of *Primates of Park Avenue*, a bold, timely reconsideration of female infidelity that will upend everything you thought you knew about women and sex. What do straight, married female revelers at an all-women's sex club in LA have in common with nomadic pastoralists in Namibia who bear children by men not their husbands? Like women worldwide, they crave sexual variety, novelty, and excitement. In ancient Greek tragedies, Netflix series, tabloids and pop songs, we've long portrayed such cheating women as dangerous and damaged. We love to hate women who are untrue. But who are they really? And why, in this age of female empowerment, do we continue to judge them so harshly? In *Untrue*, feminist author and cultural critic Wednesday Martin takes us on a bold, fascinating journey to reveal the unexpected evolutionary legacy and social realities that drive female faithlessness, while laying bare our motivations to contain women who step out. Blending accessible social science and interviews with sex researchers, anthropologists, and real women from all walks of life, *Untrue* challenges our deepest assumptions about ourselves, monogamy, and the women we think we know. From recent data suggesting women may struggle more than men with sexual exclusivity to the revolutionary idea that females of many species evolved to be promiscuous to Martin's trenchant assertion that female sexual autonomy is the ultimate metric of gender equality, *Untrue* will change the way you think about women and sex forever.

eat pray love author husband: *Summary of Mary Karr's The Art of Memoir* Everest Media,, 2022-08-08T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Memory is a pinball in a machine that messily ricochets around between image, idea, fragments of scenes, stories you've heard. But most of the time, we keep memories packed away. #2 Around the room, with each student reading from a spiral notebook or legal pad, the mistakes popped up like dandelion greens. There were memory aces, but overall, the students' original, radical misjudgments. #3 The mind can both recall and distort past events. The best minds warp and blur what they see. Episodic and autobiographical memory, which are memories of events and experiences, move into semantic memory, which are thoughts and concepts. #4 You can bullshit yourself that you do your best, which is limited by the failures of your so-called mind. But memorized language can also calcify what's in your head. Events can become stale when told by rote.

eat pray love author husband: *It's Not You, It's the Dishes (originally published as Spousonomics)* Paula Szuchman, Jenny Anderson, 2012-06-12 Your marriage is fine, right? Sure, there are showdowns over who unloads more dishes, and some simmering discontent over who drives more car pools, cleans more dust bunnies, and keeps the social wheels of your existence greased. The sex is good, though you can't remember when you last had it. Come to think of it, you're plagued by a nagging sense that marriage used to be so much more fun. Marriage can be a mysterious, often irrational business. But the key, propose Paula Szuchman and Jenny Anderson in this incomparable and engaging book, is to think like an economist. We all have limited time, money, and energy, but we must allocate these resources efficiently. *It's Not You, It's the Dishes* is a clear-eyed, rational route to demystifying your disagreements and improving your relationship. Smart, funny, deeply researched, and refreshingly realistic, *It's Not You, It's the Dishes* cuts through the noise of emotions, egos, and tired relationship clichés to solve the age-old riddle of a happy, healthy marriage. Originally published as *Spousonomics*

eat pray love author husband: *Not Too Old for That* Vicki Larson, 2022-04-04 Helps women

break through the tired and hurtful stereotypes of aging to better reflect who they are, how they live, and what they want as they age. Who hasn't heard the stereotypes about women of a certain age?" That's the age when women become invisible, irrelevant, undesirable, asexual, unhinged, dried-up, hormonal messes. It's when women quickly slide into fragility and become forgetful, passive, weak, feeble, debilitated, disabled, dependent, and depressed. Or so the story goes. Not only are those outdated narratives sexist and ageist, they are also damaging to women's physical, emotional, financial, romantic, and sexual health. It's time to change them. In *Not Too Old for That*, Vicki Larson helps change the narrative about being a woman at midlife and older. She questions what we've been told aging would be like and encourages us to instead ask ourselves, what do we want it to be like, and how can we get there? The key is to be curious, open-minded, and intentional about the ways we are becoming our future selves. We have an opportunity to create new narratives of aging as a woman, ones that value women at all stages of life, not just youth, and it starts with us. Once the stereotypes that have held women back are broken down, women can move past them and rather than feel helpless as the years add up, they can discover and tap into just how much agency they have. Not only will this book help to create a less-ageist, less-sexist, more-inclusive future, it will release our daughters and all young women from a similar future.

eat pray love author husband: Eat Pray Love Made Me Do It Various, 2016-03-29 A New York Times Bestseller -- True stories inspired by one of the most iconic, beloved, bestselling books of our time, *Eat Pray Love* by Elizabeth Gilbert. Elizabeth Gilbert's *Eat Pray Love* has become a worldwide phenomenon, empowering millions of readers to set out on paths they never thought possible, in search of their own best selves. Here, in this candid and captivating collection, nearly fifty of those readers—people as diverse in their experiences as they are in age and background—share their stories. The journeys they recount are transformative—sometimes hilarious, sometimes heartbreaking, but always deeply inspiring. *Eat Pray Love* helped one writer to embrace motherhood, another to come to terms with the loss of her mother, and yet another to find peace with not wanting to become a mother at all. One writer, reeling from a difficult divorce, finds new love overseas; another, a lifelong caregiver, is inspired to take an annual road trip, solo. A man leaves seminary, embraces his sexual identity, and forges a new relationship with God. A woman goes to divinity school and grapples with doubt and belief. One writer's search for the perfect pizza leads her to New Zealand and off-the-grid homesteading, while another, in overcoming an eating disorder, redefines her relationship not only with food but with herself. Some writers face down devastating illness and crippling fears, and others step out of their old lives to fulfill long-held

dreams of singing, acting, writing, teaching, and learning. Entertaining and enlightening, *Eat Pray Love Made Me Do It* is a celebration for fans old and new. What will *Eat Pray Love* make you do?

eat pray love author husband: Boom! Julie Rak, 2013-06-15 Since the early 1990s, tens of thousands of memoirs by celebrities and unknown people have been published, sold, and read by millions of American readers. The memoir boom, as the explosion of memoirs on the market has come to be called, has been welcomed, vilified, and dismissed in the popular press. But is there really a boom in memoir production in the United States? If so, what is causing it? Are memoirs all written by narcissistic hacks for an unthinking public, or do they indicate a growing need to understand world events through personal experiences? This study seeks to answer these questions by examining memoir as an industrial product like other products, something that publishers and booksellers help to create. These popular texts become part of mass culture, where they are connected to public events. The genre of memoir, and even genre itself, ceases to be an empty classification category and becomes part of social action and consumer culture at the same time. From James Frey's controversial *A Million Little Pieces* to memoirs about bartending, Iran, the liberation of Dachau, computer hacking, and the impact of 9/11, this book argues that the memoir boom is more than a publishing trend. It is becoming the way American readers try to understand major events in terms of individual experiences. The memoir boom is one of the ways that citizenship as a category of belonging between private and public spheres is now articulated.

eat pray love author husband: Paris in Love Eloisa James, 2012-05-29 After years of living vicariously through the heroines in her novels, bestselling author Eloisa James takes a leap that most of us can only daydream about. She sells her house, leaves her job as a Shakespeare professor, and packs her husband and two protesting children off to Paris. Grand plans are abandoned as she falls under the spell of daily life as a Parisienne — exquisite food, long walks by the seane, reading in bed, displays of effortless chic around every corner, and being reminded of what really matters in a place where people seem to kiss all the time. Against one of the world's most picturesque backdrops, she copes with her Italian husband's notions of quality time; her two hilarious children, ages eleven and fifteen, as they navigate schools — not to mention puberty — in a foreign language; and her formidable mother-in-law, marina, who believes dogs should be fed prosciutto and wives should live in the kitchen. An irresistible love letter to a city that will make you want to head there, *Paris in Love* is also a joyful testament to the pleasures of savouring life.

eat pray love author husband: When Your Heart Says Go Judy Reeves, 2025-07-30 What sort of mad longing besets a woman—nearing fifty and recently widowed—to sell everything she owns, buy an around-the-world airline ticket, pack a single suitcase, and set off alone on a year-long journey without a plan or agenda? *When Your Heart Says Go* answers that question. Set in 1990-'91, Judy's story takes readers from San Diego through eleven European countries, the then-Soviet Union, and finally India, during the lead-up to the first Gulf War. Explorations of foreign locales and interactions with strangers and acquaintances who become a lifeline to friendship are interspersed with occasional flashbacks to Judy's life with her beloved husband, Tom, as well as his illness and death. Descriptions of sites historic and current serve as both daily life and background for Judy's struggle to find her way as a sober, single, independent woman in the vast world as it edges toward the collapse of the Soviet Union and war in the Middle East. The outer journey serves as a container for the inner; the more Judy experiences of the world, the more she learns about herself—and the closer she gets to realizing her lifelong dream of being a writer.

eat pray love author husband: The Dinner Date Cathi Hanauer, 2012-05-15 From the New York Times bestselling editor of *The Bitch in the House* and the author of the novels *Sweet Ruin* and *Gone* comes an original short story about a young doctor whose wife has just left him and the woman whose chance with him has finally come. Set in Manhattan, it showcases Cathi Hanauer's talent for capturing the nuances of modern love. Just as the main character, Adam, is devastated by his wife's very recent abandonment, he finds himself drawn to the attractive co-worker he knows has a crush on him. It's anguish and excitement all at once and brilliantly told. Originally written nearly twenty years ago, it eventually partially evolved into *Gone*, Hanauer's incredibly compelling new novel about a middle-aged woman whose husband drives the babysitter home one night—and simply doesn't come back.

eat pray love author husband: A Tender Struggle Krista Bremer, 2014-04-22 "A story about love, marriage, compromise, parenthood and the difference between the life one imagined and reality."* Fifteen years ago, Krista Bremer, a California-bred feminist, surfer, and aspiring journalist, met Ismail Suayah, sincere, passionate, kind, yet from a very different world. One of eight siblings born in an impoverished fishing village in Libya, Ismail was raised a Muslim—and his faith informed his life. When Krista and Ismail made the decision to become a family, she embarked on a journey she never could have imagined, an accidental jihad: a quest for spiritual and intellectual growth that would open her mind and, more important, her heart. "A bold piece of writing (and thinking) by an incredibly brave woman." —Elizabeth Gilbert, author of *The Signature of All Things* "A moving, lyrical memoir." —Kirkus Reviews "Candid and rich." —Good Housekeeping "Unrelenting candor and gorgeous prose." —BookPage "Krista Bremer has a very good story." —The New York Times Book Review "A beautiful account of [Krista's] jihad, or struggle, to find peace within herself and within her marriage." —The Kansas City Star "Lucid, heartfelt, and profoundly humane . . . Navigates the boundaries of religion and politics to arrive at the universal experience of love." —G. Willow Wilson, author of *Alif the Unseen* "This is a memoir worth reading." —*Pittsburgh Post-Gazette

eat pray love author husband: Encyclopedia of Contemporary Writers and Their Works Geoff Hamilton, Brian Jones, 2010 Provides a comprehensive overview of the best writers and works of the current English-speaking literary world.

eat pray love author husband: Coventry Rachel Cusk, 2019-09-17 NPR's Favorite Books of 2019 Rachel Cusk redrew the boundaries of fiction with the Outline Trilogy, three "literary

masterpieces" (The Washington Post) whose narrator, Faye, perceives the world with a glinting, unsparing intelligence while remaining opaque to the reader. Lauded for the precision of her prose and the quality of her insight, Cusk is a writer of uncommon brilliance. Now, in Coventry, she gathers a selection of her nonfiction writings that both offers new insights on the themes at the heart of her fiction and forges a startling critical voice on some of our most urgent personal, social, and artistic questions. Coventry encompasses memoir, cultural criticism, and writing about literature, with pieces on family life, gender, and politics, and on D. H. Lawrence, Françoise Sagan, and Kazuo Ishiguro. Named for an essay Cusk published in Granta ("Every so often, for offences actual or hypothetical, my mother and father stop speaking to me. There's a funny phrase for this phenomenon in England: it's called being sent to Coventry"), this collection is pure Cusk and essential reading for our age: fearless, unrepentantly erudite, and dazzling to behold.
