

suze orman will and trust kit

Suze Orman Will and Trust Kit: Simplifying Estate Planning for Everyone

suze orman will and trust kit is quickly becoming a popular choice for individuals looking to take control of their estate planning without the overwhelming complexity or high costs typically associated with legal services. Suze Orman, a well-known financial expert, has designed this kit to empower people to create their own wills and trusts in a straightforward, accessible way. If you've ever felt intimidated by the thought of estate planning or unsure where to start, this kit offers an inviting entry point.

What is the Suze Orman Will and Trust Kit?

At its core, the Suze Orman Will and Trust Kit is a comprehensive package that guides users through the process of drafting legally binding wills and trusts. Unlike generic templates you might find online, this kit is curated by Suze Orman herself, combining her financial wisdom with practical legal tools. The aim is to help everyday people protect their assets, outline their wishes, and ensure their loved ones are cared for after they're gone.

This kit typically includes detailed instructions, customizable forms, and step-by-step guidance that walks you through each important decision—from naming executors to choosing guardians for minor children. It's designed to be user-friendly, even for those who have no background in law or finance.

The Importance of Having a Will and Trust

Many people underestimate how essential it is to have a will or trust in place. Without these documents, state laws dictate how your property is distributed, which may not align with your desires. Here's why using a tool like the Suze Orman Will and Trust Kit can be a game-changer:

1. Control Over Your Assets

Creating a will or trust allows you to specify exactly who inherits your property, money, and personal belongings. This removes ambiguity and potential family disputes. The kit helps you outline these details clearly, ensuring your wishes are honored.

2. Protecting Loved Ones

If you have minor children, naming a guardian in your will is crucial. The Suze Orman kit guides you through this sensitive choice, helping you ensure your children's future care is secure.

3. Avoiding Probate Hassles

A well-structured trust can help your estate avoid the lengthy and costly probate process, allowing assets to be transferred more quickly to beneficiaries. The kit explains the benefits of trusts and how to establish one effectively.

Features That Make the Suze Orman Will and Trust Kit Stand Out

There are plenty of will and trust templates available, but what sets Suze Orman's kit apart are its thoughtful features and user-centric design:

- **Clear, Step-by-Step Instructions:** The language used is simple and conversational, making complex legal jargon easy to understand.
- **Customization Options:** You're not limited to a one-size-fits-all template. The forms allow you to personalize your documents based on your unique family and financial situation.
- **Comprehensive Coverage:** The kit covers everything from wills and living trusts to powers of attorney and healthcare directives.
- **Expert Guidance:** Suze Orman's financial expertise is embedded throughout, offering practical advice on protecting your assets and planning your estate wisely.
- **Cost-Effective:** Compared to hiring an estate planning attorney, this kit is an affordable alternative that still provides professional-level guidance.

Who Can Benefit from the Suze Orman Will and Trust Kit?

This kit is ideal for a wide range of people:

Young Families

Young parents can use the kit to designate guardianship for their children, set up trusts, and outline financial provisions to ensure their kids are protected no matter what happens.

Individuals with Modest Estates

Not everyone has a complex estate requiring expensive legal services. For those with simpler financial situations, Suze Orman's kit offers a practical way to create essential estate documents without breaking the bank.

Seniors and Retirees

For older adults, having an up-to-date will and trust is often a priority. The kit allows them to revisit and revise their plans as needed, ensuring their legacy is handled according to their wishes.

DIY Enthusiasts

Some people prefer a hands-on approach to their financial affairs. The kit empowers users to take charge of their estate planning with confidence, without feeling overwhelmed by legal complexities.

How to Use the Suze Orman Will and Trust Kit Effectively

While the kit is designed to be straightforward, here are some tips to get the most out of your estate planning experience:

1. **Review Your Financial Situation:** Before filling out the forms, gather all relevant information about your assets, debts, and beneficiaries.
2. **Take Your Time:** Don't rush through the process. Carefully consider each section, especially choices about guardianship and asset distribution.
3. **Consult Professionals if Needed:** While the kit is comprehensive, complex estates might still benefit from a lawyer's review to ensure everything is in order.
4. **Keep Documents Accessible:** Store your completed will and trust in a safe but accessible place, and inform key family members or executors where to find them.
5. **Update Regularly:** Life changes such as marriage, divorce, births, or changes in financial status mean your estate plan should be revisited periodically.

Common Estate Planning Terms Explained

One of the challenges many face when starting estate planning is understanding the terminology. Here are a few key terms explained simply, which are often covered in the Suze Orman kit:

- **Will:** A legal document specifying how your assets will be distributed after your death.
- **Trust:** A fiduciary arrangement that allows a third party, or trustee, to hold assets on behalf of beneficiaries.
- **Executor:** The person appointed to carry out the terms of your will.
- **Power of Attorney:** A document granting someone authority to make decisions on your behalf if you become incapacitated.
- **Living Will:** Specifies your wishes regarding medical treatment if you are unable to communicate.

Understanding these basics makes the estate planning journey less daunting and more manageable.

Why Suze Orman's Reputation Adds Value

Suze Orman isn't just a financial guru; she's someone who has spent decades educating the public about money management, retirement planning, and financial security. Her involvement in this will and trust kit means you're not just getting generic documents—you're receiving tools backed by years of experience and a philosophy that prioritizes clarity, empowerment, and smart financial decisions.

Her approach is holistic, emphasizing that estate planning is an essential part of overall financial health, not just an afterthought. This perspective really shines through in the way the kit is structured and the guidance it offers.

Final Thoughts on Taking Control of Your Estate Planning

Estate planning doesn't have to be confusing or intimidating. The Suze Orman Will and Trust Kit provides a practical, accessible option for people who want to take charge of their future and protect their loved ones. Whether you're drafting a simple will or establishing a trust, this kit demystifies the process and puts the power in your hands.

By addressing key decisions, clarifying terminology, and offering expert advice, the kit supports you every step of the way. It's a reminder that thoughtful planning today can bring peace of mind

tomorrow. If you've been putting off creating your will or trust, this might be the perfect time to explore what the Suze Orman Will and Trust Kit has to offer.

Frequently Asked Questions

What is the Suze Orman Will and Trust Kit?

The Suze Orman Will and Trust Kit is a comprehensive estate planning package created by financial expert Suze Orman, designed to help individuals easily create legal documents such as wills, trusts, and powers of attorney.

Who should consider using the Suze Orman Will and Trust Kit?

Anyone looking to organize their estate planning in a simple, affordable, and legally sound way should consider using the Suze Orman Will and Trust Kit, especially those who want to avoid costly attorney fees for basic estate documents.

What documents are included in the Suze Orman Will and Trust Kit?

The kit typically includes a Last Will and Testament, Living Trust, Durable Power of Attorney, Healthcare Power of Attorney, and other essential estate planning forms tailored to your state's laws.

Is the Suze Orman Will and Trust Kit legally valid and customizable?

Yes, the kit is designed to be legally valid and customizable for each user's individual circumstances and complies with state-specific laws, ensuring that your estate plan is enforceable.

How does the Suze Orman Will and Trust Kit compare to hiring an attorney?

The kit offers a more affordable and user-friendly alternative to hiring an attorney for basic estate planning needs, though it may not be suitable for complex estates or unique legal situations where personalized legal advice is necessary.

Additional Resources

Suze Orman Will and Trust Kit: A Comprehensive Review of Its Features and Value

suze orman will and trust kit has emerged as a noteworthy option for individuals seeking to establish their estate plans with simplicity and credibility. As estate planning becomes an essential

part of financial stewardship, especially for those wanting to ensure their assets are protected and distributed according to their wishes, tools like this kit provide an accessible entry point. This review aims to dissect the components, benefits, and limitations of the Suze Orman Will and Trust Kit, offering potential users a clear understanding of what to expect.

Understanding the Suze Orman Will and Trust Kit

The Suze Orman Will and Trust Kit is a branded estate planning package developed in collaboration with Suze Orman, a well-known personal finance expert. It is designed to help consumers draft essential legal documents such as wills and trusts without immediately resorting to expensive legal services. This product targets individuals who prefer a do-it-yourself approach but still want guidance from a trusted name in finance.

The kit typically includes customizable templates for wills, trusts, powers of attorney, and other related documents. It operates primarily through an online platform where users answer a series of questions to generate personalized documents tailored to their specific circumstances. This digital method streamlines the process, making it both time-efficient and cost-effective.

Core Features and Components

At the heart of the Suze Orman Will and Trust Kit are several key features that distinguish it from other estate planning solutions:

- **Comprehensive Document Suite:** The kit includes standard estate planning documents such as last will and testament, revocable living trust, durable power of attorney, healthcare directives, and HIPAA authorization forms.
- **Guided Questionnaire:** Users are led through a straightforward questionnaire designed to capture their unique estate planning needs, simplifying the complexity often associated with legal documents.
- **Customization Options:** Although template-based, the kit allows for adjustments to suit specific family structures, asset types, and personal wishes.
- **Affordability:** Compared to hiring an attorney for similar documents, the kit is positioned as a budget-friendly alternative, with clear pricing and no hidden fees.
- **Brand Trust:** Suze Orman's reputation in personal finance adds an element of trust and authority, which can reassure users skeptical about DIY legal documents.

How It Compares to Competitors

The online estate planning market is competitive, featuring services like LegalZoom, Nolo, and Rocket Lawyer. Compared to these, the Suze Orman Will and Trust Kit offers a more curated and brand-specific experience. While LegalZoom, for example, provides a broad spectrum of legal services, Suze Orman's kit focuses explicitly on wills and trusts, catering to those prioritizing straightforward estate planning.

In terms of pricing, the kit generally falls into the mid-range category. It is less expensive than hiring a private attorney but sometimes slightly pricier than generic online templates due to the added brand value and customer support. However, unlike some competitors, the Suze Orman kit emphasizes educational content, helping users understand the importance of each document, which can be particularly valuable for first-time estate planners.

Pros and Cons of the Suze Orman Will and Trust Kit

To evaluate the practical utility of the Suze Orman Will and Trust Kit, it is important to weigh its advantages and disadvantages.

Pros

- **User-Friendly Interface:** The step-by-step questionnaire and clean interface reduce confusion and make estate planning approachable for novices.
- **Trusted Expertise:** Association with Suze Orman lends credibility and encourages users to take their estate planning seriously.
- **Comprehensive Document Coverage:** The inclusion of both wills and trusts, along with related legal instruments, ensures a holistic estate plan.
- **Cost-Effective Solution:** Significantly less costly than traditional attorney services without sacrificing essential legal protections.
- **Immediate Access:** Documents are available for download instantly upon completion, facilitating prompt action.

Cons

- **Limited Legal Advice:** While the kit provides guidance, it does not replace personalized advice from an estate planning attorney, which might be necessary for complex estates.
- **State-Specific Limitations:** Estate laws vary by state, and although the kit attempts to cover major jurisdictions, nuances might be overlooked.

- **DIY Challenges:** Users unfamiliar with legal terminology may still find certain sections challenging despite the guidance.
- **Updates and Amendments:** Life changes require will and trust updates, and users may need to repurchase or manually update documents.

Who Should Consider Using the Suze Orman Will and Trust Kit?

This estate planning kit is particularly suitable for individuals with relatively straightforward financial situations who want to establish a will and trust without incurring high legal fees. Young families, single professionals, and retirees with uncomplicated estates may find the kit meets their needs effectively.

However, those with complex assets—such as business holdings, extensive property, or blended family considerations—may require more customized solutions. In such cases, the kit can serve as a starting point, but consulting an estate attorney would be advisable to address specific legal intricacies.

Integration With Overall Financial Planning

Suze Orman's holistic approach to personal finance is reflected in the kit's design. The will and trust documents are not just legal forms but part of a broader financial strategy that includes retirement planning, investment management, and tax considerations. Users are encouraged to view estate planning as a critical component of their long-term financial health.

This alignment with comprehensive financial planning distinguishes the kit from more narrow legal document providers, offering a more rounded perspective on wealth preservation and transfer.

Final Thoughts on the Suze Orman Will and Trust Kit

The Suze Orman Will and Trust Kit stands out as a credible, accessible, and reasonably priced option for estate planning that carries the weight of a respected financial authority. While it may not replace the nuanced expertise of an attorney for more complicated estates, it fills an important gap for everyday consumers seeking clarity and control over their end-of-life wishes.

By blending ease of use with substantive legal documents and educational insights, the kit empowers users to take significant steps toward securing their legacy. For many, this combination of affordability, trustworthiness, and comprehensiveness makes the Suze Orman Will and Trust Kit a compelling choice in the growing landscape of online estate planning solutions.

Suze Orman Will And Trust Kit

suze orman will and trust kit: *Suze Orman's Will and Trust Kit* Suze Orman, 2007-04-01
BACKYARD BIRDS IS AN EXCITING SERIES of books that explores the top twenty-five backyard birds most commonly found in each state. It includes a profiled size scale that allows the reader to quickly identify the correct bird, and each bird entry is accompanied by a stunning color photograph and specific description, including identification marks, behavior, habitat, and nesting style—even the song the bird makes! As an added feature, author Bill Fenimore also provides expert tips for building the ultimate backyard bird sanctuary, from creating birdbaths and planting proper foliage to offering a bird's favorite foods. Fenimore was awarded the Ludlow Griscom Award, the American Birding Association's highest honor. Bird-watching is one of the most popular activities in the United States, with approximately fifty-one million bird-watchers nationwide. Bird-watching is a \$6 million business. More than \$400 million is spent each year on bird-related magazines and books. The series will soon include all fifty states. Author is a franchisee of Wild Bird Center, which has more than eighty locations in twenty-nine states.

suze orman will and trust kit: The Ultimate Retirement Guide for 50+ Suze Orman, 2020-02-25 The instant NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER PUBLISHERS WEEKLY BESTSELLER USA TODAY BESTSELLER #1 PERSONAL FINANCE EXPERT Revised & Updated for 2023 THE PATH TO YOUR ULTIMATE RETIREMENT STARTS RIGHT HERE! suze orman will and trust kit: Suze Orman's Protection Portfolio Suze Orman, 2002 Suze Orman's Financial Package is a systematic approach for organising your essential documents. The Financial Package is very different from any other product of this type, because Suze has included three CDs that actually include the forms and instructions to create your own advanced directive with durable power of attorney for health care, financial power of attorney, will, and a trust.

suze orman will and trust kit: Put Your Money Where Your House Is Fred Solomon, 2008-10

suze orman will and trust kit: Pound Foolish Helaine Olen, 2013-12-31 If you've ever bought a personal finance book, watched a TV show about stock picking, listened to a radio show about getting out of debt, or attended a seminar to help you plan for your retirement, you've probably heard some version of these quotes: "What's keeping you from being rich? In most cases, it is simply a lack of belief." —SUZE ORMAN, *The Courage to Be Rich* "Are you latte-ing away your financial future?" —DAVID BACH, *Smart Women Finish Rich* "I know you're capable of picking winning stocks and holding on to them." —JIM CRAMER, *Mad Money* They're common refrains among personal finance gurus. There's just one problem: those and many similar statements are false. For the past

few decades, Americans have spent billions of dollars on personal finance products. As salaries have stagnated and companies have cut back on benefits, we've taken matters into our own hands, embracing the can-do attitude that if we're smart enough, we can overcome even daunting financial obstacles. But that's not true. In this meticulously reported and shocking book, journalist and former financial columnist Helaine Olen goes behind the curtain of the personal finance industry to expose the myths, contradictions, and outright lies it has perpetuated. She shows how an industry that started as a response to the Great Depression morphed into a behemoth that thrives by selling us products and services that offer little if any help. Olen calls out some of the biggest names in the business, revealing how even the most respected gurus have engaged in dubious, even deceitful, practices—from accepting payments from banks and corporations in exchange for promoting certain products to blaming the victims of economic catastrophe for their own financial misfortune. *Pound Foolish* also disproves many myths about spending and saving, including: Small pleasures can bankrupt you: Gurus popularized the idea that cutting out lattes and other small expenditures could make us millionaires. But reducing our caffeine consumption will not offset our biggest expenses: housing, education, health care, and retirement. Disciplined investing will make you rich: Gurus also love to show how steady investing can turn modest savings into a huge nest egg at retirement. But these calculations assume a healthy market and a lifetime without any setbacks—two conditions that have no connection to the real world. Women need extra help managing money: Product pushers often target women, whose alleged financial ignorance supposedly leaves them especially at risk. In reality, women and men are both terrible at handling finances. Financial literacy classes will prevent future economic crises: Experts like to claim mandatory sessions on personal finance in school will cure many of our money ills. Not only is there little evidence this is true, the entire movement is largely funded and promoted by the financial services sector. Weaving together original reporting, interviews with experts, and studies from disciplines ranging from behavioral economics to retirement planning, *Pound Foolish* is a compassionate and compelling book that will change the way we think and talk about our money.

suze orman will and trust kit: Ready... Set... Retire! Raymond J. Lucia, CFP, 2008-03-01 Most investors spend too much time trying to outguess the market and not enough time thinking about their long-term financial futures. That's why today's retirees (and soon-to-be retirees) need strategies, not stock tips. Nationally recognized Certified Financial Planner®, radio talk-show personality, and author Raymond J. Lucia shows you little-known concepts that can fatten your savings and boost your standard of living in retirement. In an easy-to-understand and often humorous style, Lucia details how ideas such as nontraded real estate investment trusts, 72(t) elections, and equity-indexed annuities can give you, the investor, a leg up on the path to retiring in comfort and safety. Lucia brings his 30 years of experience to bear in revealing how and when to tap your retirement plans, ways to use your home as a source of retirement dollars, and how to lower taxes on appreciated company stock. He'll also explain how investing in low-income housing tax credits can help you tax-wise even as you assist others. Filled with hands-on, in-depth insights and practical advice, this book will give you all the tools you need to win at the retirement game.

suze orman will and trust kit: The Whole Death Catalog Harold Schechter, 2009-06-02 In the tradition of Mary Roach's bestselling *Stiff* and Jessica Mitford's classic exposé *The American Way of Death* comes this meticulously researched, refreshingly irreverent, and lavishly illustrated look at death from acclaimed author Harold Schechter. With his trademark fearlessness and bracing sense of humor, Schechter digs deep into a wealth of sources to unearth a treasure trove of surprising facts, amusing anecdotes, practical information, and timeless wisdom about that undiscovered country to which we will all one day travel. Topics include • Death anxiety—is your fear of death normal or off the scale? • You can't take it with you . . . or can you? Wacky wills and bizarre bequests • The hospice experience—going out in comfort and style • Deathbed and funeral etiquette—how to help the dying and mourn the dead with dignity • Death on demand—why the right-to-die movement may be the next big thing • “Good-bye everybody”—famous last words • The embalmer's art—all dressed up and nowhere to go • Behind the scenes at your local funeral home •

Alternative burial choices—from coral reefs to outer space From the cold, hard facts of death to lessons in the art of dying well, from what happens in the body's last living moments to what transpires in the ground or in the furnace, from near-death experiences to speculation on the afterlife, *The Whole Death Catalog* leaves no gravestone unturned.

suze orman will and trust kit: The 1-2-3 Money Plan Gregory Karp, 2009-03-16 100% Practical, 100% Specific Financial Advice Everyone Can Use: Exactly What to Do and Exactly How to Do It "Greg Karp makes managing your money as easy as 1-2-3. Greg's simple strategies push you to be smart with your dough and act right away." --Clark Howard, *The Clark Howard Show* "Within one hour of picking up *The 1-2-3 Money Plan*, I already had a list of easy next steps to save on several of our household expenses." --Stephanie Nelson, founder of *CouponMom.com* "Greg Karp really knows his stuff, and he lays it out in plain language that will help anyone save money and get financially fit." --Jeff Yeager, author of *The Ultimate Cheapskate's Road Map to True Riches* "The money you spend on this book should easily be recouped by the time you're only several pages into it!" --Russell Wild, financial advisor, author of *Exchange-Traded Funds for Dummies*, *Bond Investing for Dummies*, and *Index Investing for Dummies* "Greg Karp is a lifesaver for people worried about stretching their dollars in a tough economy. He's no Scrooge. Rather, he nudges you into sound decisions and smart spending." --Gail MarksJarvis, Chicago Tribune personal finance columnist, author of *Saving for Retirement Without Living Like a Pauper* or *Winning the Lottery Today* everyone is looking for a quick answer to their financial problems. In *The 1-2-3 Money Plan*, Greg Karp has created an excellent resource. It's well organized and full of great ideas. But, most importantly, it's written in a language that the average consumer can understand and apply. Many people will thank Greg for helping them survive financially tough times. --Gary Foreman, editor *The DollarStretcher* Web site, *stretcher.com* "Greg Karp tells it like it is, with the specificity and candor busy people need. I am saving money already." --Jean Chatzky, author of *The Difference: How Anyone Can Prosper in Even the Toughest Times*, blogging at *jeanchatzky.com* Today, frugal is the name of the game. But you don't have to take a vow of poverty: You just have to be smarter about how you spend, save, and invest. Sound hard? Not anymore. In *The 1-2-3 Money Plan*, top personal finance columnist Greg Karp offers 100% practical, 100% specific financial advice everyone can use...organized into simple three-step plans that tell you exactly what to do and how and where to do it! Discover how to save money by putting your bills on autopilot...which specific brand names to buy in everything from index funds to cellphones...how to improve your credit rating...how to get the right insurance, without wasting money on unnecessary coverage...easier ways to save for college and plan for retirement...and a whole lot more. Finally: simple, reliable financial advice you can act on, from an award-winning expert you can trust! Don't be paralyzed by perfection: Be good enough Better a good decision now than a perfect decision someday Just set it and forget it Make the financial decisions you only need to make once and can then ignore for years Stop wasting money on things you don't care about Plug wasteful spending leaks, so you can redirect cash to things you truly care about Easy step-by-step techniques and specific recommendations What to buy, in everything from mutual funds to cellphone service

suze orman will and trust kit: Women & Money (Revised and Updated) Suze Orman, 2018-09-11 Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a

successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to • Protect yourself • Spend smart • Build your future • Give to others Also included is a bonus chapter on investing—for those who are living by Suze's unbreakable financial ground rules and ready to learn how to invest with confidence. *Women & Money* speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze's unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It's the means to living a full and meaningful life.

suze orman will and trust kit: Simply... Woman! Crystal Andrus, 2008-02-01 Simply ... Woman! is a week-by-week body/mind/soul total transformation program that encompasses every facet of a woman's life. From her daily demands and frustrations to her wants, needs, and fears, this revolutionary plan elevates the experience of weight loss far beyond the physical. With 70 steps, which are gently laid out over 12 weeks, this book effectively empowers women to take back control of their health, discover their passion, override their fears, and create a life filled with joy and serenity - thin thighs are just the by-product! Unlike anything you've ever tried before, Simply ... Woman! will truly transform your life from the inside out! DVD NOT INCLUDED.

suze orman will and trust kit: This is the Year I Put My Financial Life in Order John Schwartz, 2018-04-03 A New York Times correspondent shares his financial successes and mishaps, offering an everyman's guide to straightening out your money once and for all. Money management is one of our most practical survival skills—and also one we've convinced ourselves we're either born with or not. In reality, financial planning can be learned, like anything else. Part financial memoir and part research-based guide to attaining lifelong security, *This Is the Year I Put My Financial Life in Order* is the book that everyone who has never wanted to read a preachy financial guide has been waiting for. John Schwartz and his wife, Jeanne, are pre-retirement workers of an economic class well above the poverty line, but well below the one percent. Sharing his own alternately harrowing and hilarious stories—from his brush with financial ruin and bankruptcy in his thirties to his short-lived budgeted diet of cafeteria french fries and gravy—John will walk you through his own journey to financial literacy, which he admittedly started a bit late. He covers everything from investments to retirement and insurance to wills (at fifty-eight, he didn't have one!), medical directives and more. Whether you're a college grad wanting to start out on the right foot or you're approaching retirement age and still wondering what a 401(K) is, *This Is the Year I Put My Financial Life in Order* will help you become your own best financial adviser.

Guidebook: This user-friendly guide features checklists, worksheets, and exercises explaining how to handle new tax law changes, what to do when someone dies, and what documents you should keep and for how long. Protection Portfolio Forms CD-ROM: This comprehensive CD-ROM offers hundreds of dollars' worth of legal document forms including: advanced directive with durable power of attorney for health care, financial power of attorney, and wills and trusts. Plus, there are also forms for correcting your credit report, requesting military records, Social Security annual statements, and more. What You Need Today to Protect Your Tomorrows: On this two-part informative CD program, Suze and Janet will explain, clause by clause, the essential legal documents that Suze believes everyone must have in place. Plus, they also discuss the necessity for and ramifications of, signing these documents. Emergency Contact Cards: These are handy information cards that consumers can fill out and slip into a window pocket on the inside panel of the Protection Portfolio, keep at home, or carry with them.
