bait of satan study guide: The Passover Prophecies Chuck Pierce, 2020-05-26 God is realigning hearts and nations in crisis. This book will allow you to hear what the Spirit is saying to the churches in this season of a modern-day Passover. A timely prophetic message on how to discern the times and know what to do as the body of Christ. As people and nations emerge in the aftermath of this pandemic, God will realign hearts and nations in preparation for an end-time harvest. BRIEF SUMMARY: One of America's most-respected prophetic voices brings a critical message to a nation—and world—at a crossroads. In September 2019, God revealed to Chuck Pierce that between February and April 2020, plague-like conditions would hit the earth. The Lord said, I will be waiting to see which nations 'pass over.' Just like the very first Passover, God is looking for a remnant that will hold strong and bring His love to a hurting planet. Pierce divides the rumors from the Word, and answers such questions as: Why would the current situation be happening around the time of Passover 2020? Is this a modern-day plague for a modern-day Passover? Are nations still trying to bring other nations under their control and economic rule? What is Israel's role in this critical time? How do we move forward today? In the midst of pandemic, God is also assuring His Church that after this period, for those who hold fast to Jesus, there will be a time of celebration. In The Passover Prophecies, Pierce delves into the ancient biblical signs that point toward a glorious future for the people of God. Move forward, feed your faith, and know that even in the midst of uncertainty, His kingdom shall overcome, and His will shall be done on Earth as it is in Heaven.

bait of satan study guide: David The Great Mark Rutland, 2018-05-01 KING DAVID was a complicated, conflicted man of flesh. But too often he is viewed as an Americanized shepherd boy on a Sunday school felt board or a New Testament saint alongside the Virgin Mary. Not only does this neglect one of the Bible's most complex stories of sin and redemption; it also bypasses the gritty life lessons inherent in the amazing true story of David. Mark Rutland shreds the felt-board character, breaks down the sculpted marble statue, and unearths the real David of the Bible. Both noble and wretched, neither a saint nor a monster, at times victorious and other times a failure, David was through it all a man after God's own heart.

bait of satan study guide: Dear God, We Need to Talk Darren Schalk, 2014-03-04 Why is there suffering? What does God really think of me? And why does He make me work so hard? We all have questions about God. He does some things we don't understand. He does things we don't like. He sometimes even does things that, quite honestly, annoy us. Why does He do what He does? Doesn't He know that we need answers? If we could just figure Him out, life--as well as faith--would be so much easier. But life and faith aren't easy, are they? Evil invades our world. Bad things happen all around us. People die every day for the mere lack of food and water. And in the midst of it all, we're asked by God to believe in an absolutely unbelievable story. Dear God, We Need to Talk helps you explore your toughest questions about God. Tackling everything from family issues to God's sovereignty Darren Schalk considers what he's been taught, applies it to everyday events you can relate to, and then filters it all through a modern but biblical worldview in a delightfully witty and honest way. Leaving you, in the end, with more confidence in God's power, His wisdom and His direction for your life.

bait of satan study guide: Follow Me J Lee Grady, 2022-02-01 God has placed the next generation into our hands. Who will raise them up if the church does not? This book will teach you how to effectively mentor the next generation of Christians. You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God. If we want to change the world with the gospel, we must stop focusing on crowds and events and reclaim Jesus' method of relational discipleship. Jesus' final mandate to His followers was Go and make disciples—yet today most of the church is oblivious to what discipleship is, and few Christians are actually investing their lives in helping other believers grow spiritually. A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty-first century. In Follow Me, J. Lee Grady uses many New Testament examples, as well as his own experience in mentoring dozens of young leaders and a clear strategy for discipling others that can be used by individuals and churches. Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday. Jesus intended all believers to engage in ministry—and this includes the work of discipling other believers. So many Christians today live in a box of limitation. We must understand that the Christian life is an adventure of the Holy Spirit working through them. This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication.

This book will help you encounter God in such a way that you are able to walk in His original design for you, which is to not only commune with Him through conversation but to be aligned with His mind. When you share His thoughts and perceptions, you will be able to live the abundant, supernatural, super-empowered life God desires for you. Humans are unique in that we were not just made in the image of God; we reflect His very nature. If we understood our spiritual, neurological, psychological, and even physical connection to God, we could bring solutions to every problem humanity faces—and many would be practical, even scientific, solutions. In this book, Shawn Bolz shares a series of rich, divine encounters that have defined his spiritual perspective so others can be released into new ways of thinking and experience an expansion of their spiritual intelligence. To walk with God, you need to know not only His heart but also His mind. As believers, we were designed to commune with God, sharing not only conversation with Him but also His thoughts and perceptions—to know His mind through His Spirit. When Adam and Eve walked with God in the cool of the day, they didn't always need the verbal communication that so limits humanity today. They had inner communication from their connectedness. This is the kind of connectedness Solomon, Joseph, Daniel, Esther, and the apostle Paul experienced, and this is what God wants to restore to His people today. This book will help readers gain a fresh vision of their faith so they can walk out their spirituality exactly as God intended and take their place in the coming move of God.
