

dan carlin hardcore history free

Dan Carlin Hardcore History Free: Exploring the World of Epic Storytelling

dan carlin hardcore history free is a phrase that many history enthusiasts and podcast lovers often search for, hoping to dive into the captivating narratives that Dan Carlin masterfully crafts without any cost. Dan Carlin's Hardcore History podcast has become a phenomenon in the world of audio storytelling, known for its deep dives into historical events with a passionate and engaging delivery. But what options are there for listeners to access Dan Carlin's content for free, and what makes Hardcore History such a unique experience? Let's unravel the story behind this popular podcast and explore how you can enjoy it without spending a dime.

What is Dan Carlin's Hardcore History?

At its core, Hardcore History is a podcast where Dan Carlin, a former radio host and history enthusiast, takes listeners on an immersive journey through some of the most fascinating and complex periods in human history. Unlike traditional history lectures or documentaries, Carlin's approach is highly narrative-driven. He combines meticulous research with dramatic storytelling, often stretching episodes across several hours to provide an in-depth understanding of events like the Mongol Empire's conquests, World War I, or the fall of Rome.

The Unique Appeal of Hardcore History

What sets Hardcore History apart from other history podcasts is Dan Carlin's distinctive voice and storytelling style. He doesn't just recount facts; he asks provocative questions, explores the human drama behind historical events, and presents multiple perspectives that encourage listeners to think critically. This approach makes history accessible and exciting, even for those who might not typically gravitate toward the subject.

Accessing Dan Carlin Hardcore History Free

One of the most common questions among fans and newcomers alike is whether they can listen to Dan Carlin's Hardcore History free of charge. While Hardcore History episodes are traditionally premium content, there are several ways to enjoy Dan Carlin's work without paying upfront.

Free Episodes and Classics

Dan Carlin periodically releases older episodes or shorter specials for free on major podcast platforms like Apple Podcasts, Spotify, and Google Podcasts. These free episodes often serve as an introduction to the series for new listeners. They showcase the essence of Carlin's storytelling and provide a glimpse into the extensive catalog of paid content.

How to Find Free Hardcore History Episodes

- **Official Website:** Dan Carlin's official site occasionally features free episodes or previews. Checking hardcorehistory.com regularly can reveal new free content.
- **Podcast Apps:** Platforms such as Spotify and Apple Podcasts sometimes have select episodes available at no cost.
- **Public Libraries:** Some libraries offer digital lending services or subscriptions that include access to premium podcasts, including Hardcore History.
- **Promotional Releases:** Dan Carlin sometimes releases special episodes or mini-series free to the public as part of promotional efforts.

Why Does Dan Carlin Offer Some Content for Free?

Dan Carlin's decision to offer some episodes for free isn't just a marketing tactic; it reflects his commitment to spreading knowledge and sparking interest in history. By providing free content, he lowers the barrier for curious listeners, inviting more people to experience the power of historical storytelling. This strategy also helps build a loyal audience who may choose to support the podcast by purchasing premium episodes or merchandise.

Supporting Hardcore History

While free episodes are valuable, the deeply researched and lengthy nature of Hardcore History means that producing episodes requires significant time and resources. Dan Carlin relies on listener support through premium episode sales and Patreon subscriptions to continue creating high-quality content. For many fans, purchasing episodes or donating is a way to ensure that this unique podcast remains sustainable.

Exploring the Content: What to Expect from Hardcore History

If you're lucky enough to access Dan Carlin Hardcore History free episodes or decide to invest in the full experience, here's what makes the content stand out.

Epic Storytelling and In-Depth Analysis

Each episode can last anywhere from three to six hours, diving deep into a specific era or event. Carlin's ability to weave facts with vivid imagery and emotional insight creates a rich tapestry that feels more like an audiobook or a historical novel than a standard podcast. Listeners often find themselves hooked by the immersive narratives and the sense of being transported back in time.

Range of Topics

Hardcore History covers a wide array of subjects, including but not limited to:

- The brutal realities of World War I in the “Blueprint for Armageddon” series.
- The rise and fall of ancient civilizations.
- The psychology of war and leadership.
- The intricacies of empire-building and cultural clashes.

This diversity ensures that history buffs with varying interests can find something compelling.

Tips to Maximize Your Experience with Dan Carlin Hardcore History Free Content

If you’re exploring Dan Carlin Hardcore History free episodes or want to make the most of occasional free releases, here are some helpful tips:

Set Aside Time

Given the length of episodes, it’s best to listen during long commutes, workout sessions, or dedicated downtime. Hardcore History’s storytelling demands attention to fully appreciate its depth.

Take Notes or Bookmark Key Points

Carlin often presents complex ideas and nuanced perspectives. Jotting down notes or bookmarking timestamps can help you revisit important sections or further research topics that pique your interest.

Join Online Communities

There are numerous forums, Reddit communities, and fan groups dedicated to Hardcore History. Engaging with other listeners can enrich your understanding, provide episode recommendations, and offer a space to discuss intriguing questions raised by Carlin’s narratives.

Consider Supporting the Podcast

If you enjoy the free content, consider purchasing premium episodes or supporting Dan Carlin on Patreon. This helps maintain the quality and

frequency of future episodes.

The Future of Dan Carlin Hardcore History Free Content

While most of Dan Carlin's extensive catalog is behind a paywall, the availability of free content is likely to continue as a way to attract new listeners and maintain community engagement. As podcasting evolves, there may be more opportunities to access select episodes for free, especially through partnerships, public platforms, or educational initiatives.

For those intrigued by history and storytelling, Dan Carlin Hardcore History free episodes provide an excellent entry point into a world where past events come alive with drama and insight. Whether you're a seasoned history buff or a curious newcomer, these free episodes offer a taste of why Dan Carlin has become one of the most respected voices in podcasting today.

Frequently Asked Questions

Is Dan Carlin's Hardcore History available for free?

While Dan Carlin offers some content for free, most Hardcore History episodes are paid. However, he occasionally releases free episodes or excerpts on his website and podcast platforms.

Where can I listen to free episodes of Dan Carlin's Hardcore History?

Free episodes and excerpts of Hardcore History can sometimes be found on Dan Carlin's official website, YouTube channel, or popular podcast platforms like Apple Podcasts and Spotify.

Does Dan Carlin offer any free trial or sample episodes of Hardcore History?

Dan Carlin does not offer a formal free trial, but he occasionally releases special episodes or previews of Hardcore History for free, allowing listeners to sample his work before purchasing.

Can I find transcripts of Hardcore History episodes for free?

Official transcripts are typically not provided for free. Some fans create unofficial transcripts or summaries, but these may vary in accuracy and availability.

Are there any free resources to learn more about

topics covered in Hardcore History?

Yes, many historical topics covered in Hardcore History are also available through free online resources like Wikipedia, educational websites, and libraries.

Why does Dan Carlin charge for most Hardcore History episodes instead of making them free?

Producing Hardcore History episodes involves extensive research and production costs. Charging for episodes helps support Dan Carlin's work and allows him to maintain high-quality content.

How often does Dan Carlin release free content related to Hardcore History?

Free content is released irregularly and often during special occasions or to promote new episodes. Fans can subscribe to his newsletter or follow social media for updates.

Is there a way to legally access all Hardcore History episodes without paying individually?

Yes, Dan Carlin offers a subscription called 'Hardcore History Plus' which provides access to all episodes for a monthly or yearly fee, which is more cost-effective than purchasing episodes individually.

Additional Resources

Dan Carlin Hardcore History Free: Exploring Access to One of the Most Acclaimed History Podcasts

dan carlin hardcore history free has become a frequent search phrase among history enthusiasts, podcast aficionados, and casual listeners alike. Dan Carlin's "Hardcore History" is widely regarded as one of the most captivating and in-depth history podcasts available, combining rigorous research with a compelling narrative style. However, understanding the accessibility of this content, particularly the availability of free episodes, requires a nuanced examination of the podcast's distribution model, pricing strategy, and listener engagement.

Understanding Dan Carlin's Hardcore History

Dan Carlin, a former radio host and journalist, launched "Hardcore History" with the aim of delivering history in a manner that is both entertaining and intellectually stimulating. Unlike typical history lectures or textbooks, Carlin's episodes delve deeply into the complexities of historical events, often running several hours in length. His storytelling approach involves vivid descriptions, dramatic pacing, and thoughtful analysis, which have attracted millions of listeners worldwide.

"Hardcore History" is not just a podcast; it is a phenomenon in the digital

audio space. It often explores topics ranging from the Mongol Empire and World War I to ancient civilizations and modern conflicts. The podcast's popularity is evident in its high download figures and numerous accolades from the podcast community.

Distribution and Access: What Is Free?

One of the key questions surrounding "dan carlin hardcore history free" is what content is actually available without charge. The podcast follows a hybrid distribution model. While many episodes are accessible for free, others are behind a paywall, accessible only through purchase or subscription.

Carlin releases episodes on a semi-regular basis, often spacing them months apart due to the extensive research and production time required. Most episodes are available to stream or download on platforms like Apple Podcasts, Spotify, and the official Hardcore History website. Several episodes from earlier series remain entirely free, providing a substantial amount of content for new listeners.

However, newer episodes and some of the most highly anticipated series are released as paid content. These episodes can be bought individually or accessed through the "Hardcore History Plus" membership, which offers additional perks such as ad-free listening and exclusive content.

Exploring the Free Content: What Listeners Can Expect

For those searching for "dan carlin hardcore history free," it is important to recognize the scope and limitations of the free offerings. The free episodes provide a rich introduction to Carlin's work and cover a wide range of historical subjects.

Examples of Free Episodes and Series

- **Blueprint for Armageddon:** A multi-part series on World War I that is often available in free form, providing a detailed yet accessible narrative of the conflict.
- **Wrath of the Khans:** The story of the Mongol Empire, showcasing Carlin's ability to bring ancient history to life.
- **Prophets of Doom:** An exploration of religious fanaticism and its impact on history, available across various platforms.

These episodes demonstrate the depth and quality of the free content. They can serve as excellent entry points for new listeners who want to evaluate whether the paid content is worth the investment.

Limitations of the Free Access

While the free episodes are substantial, they do not represent the entirety of Carlin's work. The more recent and ambitious series are typically reserved for paying members. This model reflects a balance between providing valuable free content to attract listeners and monetizing the podcast to sustain its production costs.

Listeners should also be aware that free episodes may include advertisements, which paid subscriptions remove. Additionally, some free content is distributed in audio quality that is lower than the premium versions.

Comparing Hardcore History to Other History Podcasts

The podcasting landscape includes numerous history-themed shows, many of which offer free access to all episodes. Comparing Dan Carlin's approach to these alternatives sheds light on why his content is partially monetized and how that influences accessibility.

Depth and Length

Unlike many history podcasts that produce shorter, more frequent episodes, "Hardcore History" is known for its long-form storytelling. Episodes often exceed three hours, with some series stretching over 10 hours. This level of detail requires significant time and resources to produce, justifying the premium pricing model.

Production Quality and Research

Carlin's commitment to exhaustive research and high production standards sets his podcast apart. While some free history podcasts rely on casual commentary or lighter overviews, "Hardcore History" provides a near-academic experience that appeals to serious history buffs.

Monetization Models

Many history podcasts rely solely on advertising or listener donations for revenue. Dan Carlin's hybrid model—offering both free and paid content—allows for continued investment in quality while maintaining accessibility to a broad audience. This model has been successful in creating a sustainable platform for high-caliber historical storytelling.

How to Access Dan Carlin Hardcore History Free

Legally

For listeners interested in experiencing "Hardcore History" without cost, there are several legitimate avenues:

1. **Official Website:** Many earlier episodes are permanently free on the Hardcore History site.
2. **Podcast Platforms:** Apple Podcasts, Spotify, and other major platforms host free episodes.
3. **Library Services:** Some public libraries provide access to downloadable podcasts, including history content.
4. **Promotional Offers:** Occasionally, Dan Carlin offers free access to premium content for limited times or as part of special events.

It is advisable to avoid unofficial sources or unauthorized downloads, both to respect intellectual property rights and to ensure access to high-quality audio files.

Benefits of Supporting the Podcast

While free content is abundant, supporting Dan Carlin through paid episodes or memberships helps maintain the podcast's quality and longevity. Premium listeners gain additional benefits such as exclusive episodes, early access, and an ad-free experience.

Final Thoughts on Dan Carlin Hardcore History Free Access

The search for "dan carlin hardcore history free" reflects a natural desire to engage with some of the most compelling historical narratives available in podcast form without financial barriers. While Carlin provides a significant corpus of free content that showcases his distinctive style and meticulous research, the full experience often requires a paid commitment.

This balance between free and premium content is a strategic choice that underscores the value of high-quality podcast production in today's media ecosystem. For history enthusiasts willing to explore the free episodes, there is ample material to enjoy and learn from. For those seeking the latest series and deeper dives, investing in the paid content offers a rewarding expansion of the Hardcore History universe.

dan carlin hardcore history free: *Scholarly Podcasting* Ian M. Cook, 2023-01-30 Exploring what academic podcasting is and what it could be, this book is the first to consider the why, what,

and how academics engage with this insurgent, curious craft. Featuring interviews with 101 podcasting academics, including scholars and teachers of podcasting, this book explores the motivations of scholarly podcasters, interrogates what podcasting does to academic knowledge, and leads potential podcasters through the creation process from beginning to end. With scholarship often trapped inside expensive journals, wrapped in opaque language, and laced with a standoffish tone, this book analyses the implications of moving towards a more open and accessible form. This book will also inform, inspire, and equip scholars of any discipline, rank, or affiliation who are considering making a podcast or who make podcasts with the background knowledge and technical and conceptual skills needed to produce high-quality podcasts through a reflexive critique of current practices.

dan carlin hardcore history free: Unplugged Brian Mackenzie, Andy Galpin, Phil White, 2017-07-11 We're looking at our wrists not only to check the time, but also to see how much we've moved, monitor our heart rate, and see how we're stacking up against yesterday's tallies. By 2020, the global market for fitness-focused apps and devices is expected to grow to \$30 billion. The authors believe we are turning rich experience into yet another task we need to complete to meet our daily goals. They encourage you to reconnect to your instincts and the natural world, and avoid the common mistakes that most people make with wearables and tracking apps.

dan carlin hardcore history free: Hollywood Heroes Frank Turek, Zach Turek, 2022-05 Batman stares down the laughing Joker. Luke Skywalker clashes lightsabers with Darth Vader. Iron Man sacrifices himself with a snap of his fingers to save the world. Our eyes are glued to the screen. Why? Movies combine humor, action, and drama to create stories that amplify the fight between good and evil. Along the way, they impart inspiring life lessons on justice, purpose, courage, strength, faith, and love. They also teach us about our Creator. Just look at blockbuster movies from Marvel and DC and film franchises like Star Wars, The Lord of the Rings and Harry Potter. Each of these fictional stories reveals deep truths about God. Complete with a recommended watch list, Hollywood heroes outlines a collection of characters from popular movies to highlight their best qualities and biggest obstacles. Together, their stories become a set of modern-day parables that point back to God and His mission for us. -- Page [4] of cover.

dan carlin hardcore history free: *Independent Scholars Meet the World* Christine Caccipuoti, Elizabeth Keohane-Burbridge, 2020-10-16 For too long graduate school was viewed solely as a pipeline to teaching positions at colleges and universities. As MAs and PhDs proliferate and opportunities in the academy narrow, this timely book reminds us that the academy is only one of many venues for satisfying and successful scholarly endeavor. The contributors to *Independent Scholars Meet the World* represent a spectrum of graduate school experiences, from leaving midprogram to completing an MA or PhD. They include those who sought nontraditional paths and others who started in the familiar professorial direction only to change course. Ultimately, they are independent scholars—contributing to their fields but working outside the academy. Their stories illustrate the variety of options that exist beyond the university setting, from museum education and high school teaching to newer professions like podcasting and creating historical coloring books. These scholars impart advice about encountering difficulties, overcoming challenges, and learning to adapt to changing circumstances. All have something to share that the graduating scholar and those who guide them ought to hear about—cultivating networks; viewing departure from familiar terrain as an option, not a failure; and understanding the real value that an independent scholar brings to any number of situations. Perhaps the most important lesson this book offers is for those steeped in the belief that the only “right” way to be a scholar is as a tenured professor, and how, therefore, to embrace the label independent scholar. The contributors to *Independent Scholars Meet the World* offer the advice and encouragement they wish they’d received when heading into uncharted postgraduate territory. They demonstrate that success awaits the determined and resourceful scholar pursuing a different path towards “expanded-ac.”

dan carlin hardcore history free: Podcasting with Audacity Dominic Mazzoni, Scott Granneman, 2007-07-24 This is the eBook version of the printed book. Audacity is universally recognized as the number one software program for creating podcasts. Hundreds of thousands of amateurs and professionals alike have created podcasts using Audacity. This Short Cut is designed to get you podcasting as quickly as possible. The first few chapters show you how to install Audacity, plug in your microphone, record your first podcast, and get it online as quickly as possible. The following chapters cover podcasting-specific topics, such as adding background music or conducting interviews. Finally, the remaining chapters focus on how Audacity works, with lots of tips and tricks to make complicated editing even easier.

dan carlin hardcore history free: Fewer, Richer, Greener Laurence B. Siegel, 2019-12-05 How the world has become much better and why optimism is abundantly justified Why do so many people fear the future? Is their concern justified, or can we look forward to greater wealth and continued improvement in the way we live? Our world seems to be experiencing stagnant economic growth, climatic deterioration, dwindling natural resources, and an unsustainable level of population growth. The world is doomed, they argue, and there are just too many problems to overcome. But is this really the case? In *Fewer, Richer, Greener*, author Laurence B. Siegel reveals that the world has improved—and will continue to improve—in almost every dimension imaginable. This practical yet lighthearted book makes a convincing case for having gratitude for today's world and optimism about the bountiful world of tomorrow. Life has actually improved tremendously. We live in the safest, most prosperous time in all human history. Whatever the metric—food, health, longevity, education, conflict—it is demonstrably true that right now is the best time to be alive. The recent, dramatic slowing in global population growth continues to spread prosperity from the developed to the developing world. Technology is helping billions of people rise above levels of mere subsistence. This technology of prosperity is cumulative and rapidly improving: we use it to solve problems in ways that would have been unimaginable only a few decades ago. An optimistic antidote for pessimism and fear, this book: Helps to restore and reinforce our faith in the future Documents and explains how global changes impact our present and influence our future Discusses the costs and unforeseen consequences of some of the changes occurring in the modern world Offers engaging narrative, accurate data and research, and an in-depth look at the best books on the topic by leading thinkers Traces the history of economic progress and explores its consequences for human life around the world *Fewer, Richer, Greener: Prospects for Humanity in an Age of Abundance* is a must-read for anyone who wishes to regain hope for the present and wants to build a better future.

dan carlin hardcore history free: How to Market a Book Joanna Penn, 2018-08-11 Do you want to sell more books and reach more readers? Do you want to discover how to build an author career for the long-term as well as spike your book sales right now? If you don't know much about marketing, don't worry. We all start with nothing. I'm Joanna Penn and back in 2008, I had no book sales, no audience, no website, no social media, no podcast, no email list. No nothing. Now I'm a New York Times and USA Today bestselling author of thrillers and non-fiction. My books have sold over 600,000 copies in 162 countries, and I'm an award-winning creative entrepreneur and international speaker, making a multi-six-figure income with my writing. Learning how to market my

books and my personal brand changed my life. Yes, you need to write an awesome book, but you also need to know how to get it in front of the right readers. *How to Market a Book* is for authors who want to sell more books, but it's also for those writers who want to think like an entrepreneur and build a long-term income. It's for traditionally published authors who want to take control of their future, and for self-published authors who want to jump-start a career. There are short-term tactics for those who want to boost immediate sales, but the focus of the book is more about instilling values and marketing principles that will help your long-term career as a writer. It's also about going beyond just the book, because these methods can take you from being an author into making money from other products, professional speaking, and creating opportunities that you can't even imagine yet. In this completely updated Third Edition, you'll discover: Part 1: Marketing Principles Book marketing myths, how discoverability works, and the polarities of marketing that will determine what you choose to implement Part 2: Your Book Fundamentals Prerequisites for success, how to optimise your book for online sales, categories and keywords, exclusivity, pricing and use of free, box-sets and bundling, and writing series Part 3: No Platform Needed. Short-term Marketing How to get customer reviews and find book bloggers, paid advertising with email blasts, paid advertising with Facebook, Amazon Ads and ad stacking, algorithm hacking, big data, and production speed Part 4: Your Author Platform. Long-term Marketing Building an author brand, author website, list-building and email marketing, content marketing, blogging, audio and podcasting, video and book trailers, social networking, professional speaking, marketing audiobooks, PR and publicity, TV, radio and traditional media Part 5: Launching Your Book Why launching is different for indie authors, soft launch, launch spikes, post-launch, how to relaunch backlist books. Includes an example book marketing strategy and launch plan checklist.

dan carlin hardcore history free: What's Our Problem? Tim Urban, 2023-02-21 From the creator of the wildly popular blog Wait But Why, a fun and fascinating deep dive into what the hell is going on in our strange, unprecedented modern times. Between 2013 and 2016, Tim Urban became one of the world's most popular bloggers, writing dozens of viral, long-form articles about everything from AI to colonizing Mars to procrastination. Then, he turned his attention to a new topic: the society around him. Why was everything such a mess? Why was everyone acting like such a baby? When did things get so tribal? Why do humans do this stuff? This massive topic sent Tim tumbling down his deepest rabbit hole yet, through mountains of history, evolutionary psychology, political theory, neuroscience, and modern-day political movements, as he tried to figure out the answer to a simple question: What's our problem? Six years later, he emerged from the hole holding this book. *What's Our Problem?* is a deep and expansive analysis of our modern times, in the classic style of Wait But Why, packed with original concepts, sticky metaphors, and 300 drawings. The book provides an entirely new framework and language for thinking and talking about today's complex world. Instead of focusing on the usual left-center-right horizontal political axis, which is all about what we think, the book introduces a vertical axis that explores how we think, as individuals and as groups. Readers will find themselves on a delightful and fascinating journey that will ultimately change the way they see the world around them. Anyway he wanted to say a lot more about all of this but there was a word limit on this book description so just go read the book.

Over the last two years, Tim Ferriss has collected the routines and tools of world-class performers around the globe while interviewing them for his self-titled podcast. Now the distilled notebook of tips and tricks that helped him double his income, flexibility, happiness, and more is available as *Tools of Titans*.

dan carlin hardcore history free: An Introduction to Jungian Coaching Avi Goren-Bar, 2021-11-09 Based on the psychology of Carl Jung, this illuminating new book invites coaches to extend their toolbox with deep, creative, and efficient professional methods that derive from a new perspective on coaching. In using the unconscious archetypes as a practical active psychological database for change, the Jungian coach can contribute significant modification in the coachee's expected behavior. Jungian Coaching can be applied in evaluating the coachee, the team, and the

corporation. This book translates Jungian psychology into simple comprehensive concepts. Each chapter translates theoretical concepts and rationale to the practice of coaching. Illustrated with practical examples from the corporate world and life coaching, it offers Jungian Coaching tools and techniques. By integrating the Gestalt psychology principle of the here and now into Jungian concepts, the author develops a new coaching tool that enables an activation of archetypes as a useful and empowering coaching experience. A valuable introductory resource for all those involved in coaching relationships, this book can empower coachees and serve as a compass for personal growth. It will be of great interest to practicing coaches, executives, human resource managers, consultants, and psychotherapists.

dan carlin hardcore history free: Hardcore historie Dan Carlin, 2021-04-01 >> „Nejlepší americký učitel dějepisu nepracuje ve škole.“ - HuffPost<< # O knize Zapomeňte na ospalé hodiny dějepisu a nekonečné seznamy jmen a dat. Zkoumat dějiny s Danem Carlinem je jako vydat se na cizí planetu, kterou také obývají lidé. Biologicky stejní, ale kulturně odlišní. Co všechno se můžeme z trosek vyspělých civilizací dozvědět sami o sobě? Naše planeta už zažila mnoho slavných impérií pyšnicích se velkoměsty, vyspělou kulturou i neporazitelností. A taky jejich strmé pády a zapomnění. Čeká nás něco podobného? Ustojíme budoucí globální konflikty, přírodní katastrofy a epidemie? Dan Carlin barvitě vypráví dávno minulé příběhy a ukazuje nám, že se snadno mohou stát scénáři naší budoucnosti. Milovníci dějin díky němu nahlédnou na historii z nové perspektivy a ostatní v sobě objeví netušenou fascinaci minulostí lidstva. # Kniha hledá mimo jiné odpovědi na provokativní otázky: - Rodí tvrdá doba tvrdé lidi? A doba spokojeného blahobytu lidí změkčilé? - Proč zkolabovala celá středomořská civilizace doby bronzové? - Jak změnily morové rány středověkou společnost a další běh světa? - Znamená pád Římské říše pro její obyvatele pohromu, nebo vítanou změnu? - Ochrání nás hrůza z nukleárních zbraní před další světovou válkou? Kolikrát jsme už stanuli na jejím prahu? # O autorovi Dan Carlin (* 1965) je americký podcaster, politický komentátor a herec. Dříve působil jako televizní reportér a rozhlasový moderátor, nyní vysílá tři populární podcasty: Hardcore History, Hardcore History: Addendum a Common Sense. Za své pořady obdržel řadu ocenění. # Více o knize melvil.cz/kniha-hardcore-historie

dan carlin hardcore history free: Humorists vs. Religion Iain Ellis, 2018-08-03 Critical humorists and religion are steeped in a long-standing cultural antagonism. This book recounts the dramatic skirmishes between religion--its dogma and edicts, political manifestations, and the nature of faith--and the satire, parody, jokes and hyperbole of popular wits. The writings of Twain, Vonnegut, Mencken and Hitchens are included, along with the films of Monty Python, the cartoons of Charlie Hebdo, the animated television series The Simpsons and South Park, the comedy of George Carlin and Bill Maher, the music of Randy Newman and Pussy Riot, the performance monologue of Julia Sweeney and the magic of Penn Jillette.

dan carlin hardcore history free: How to Be Cross Eyed Jonathan Roseland, 2019-01-01 There's that moment when you meet a new person, and you can tell that they are just a bit disoriented by your weirdness. You feel that familiar little pang of embarrassment and shame because you know how weird you must look to them. You're physically imperfect. So am I. I know that moment as well as you do... But you don't have to be cross eyed (or have a conspicuous physical imperfection) to enjoy this book. Really thriving requires an uncommon set of barely legal Biohacking tools, social dynamics strategies from the fringes of polite society, and rapid mindset transformation technologies, which this lifehacking manifesto delves deeply into. This book is especially for that one or two percent of the population who have a glaring physical defect. Which I fall into. I'm cross-eyed with Strabismus, if you're reading this, perhaps you are too. There are certainly people out there with more conspicuous physical imperfections who have it worse than I do. However, the eyes are the window to the soul, they really are a part of nearly every important human interaction. Not having normal eyes has been a disadvantage that I've needed to develop a specific set of skills and life strategies to overcome. I was talking to my lovely fiancée about this book, and she asked me if the purpose of the book was to help the self-esteem of people with physical imperfections. Not really. This book is more about the lifehacks that I've employed over the

past 10 years: strategies, methods, and tools that really work to help you overcome the challenge of a physical imperfection and thrive. These things will likely improve your self-esteem, but they will also work if you have low self-esteem, or no self-esteem (or too much self-esteem - as I'm sometimes accused of having!) Self-esteem is not my focus. My focus is on things that work. This is not your typical self-help book... I've had a pretty interesting life; I've seduced a politician's daughter in Medellin, Colombia, and I hung out with spies in Kyiv, Ukraine. I've almost died underwater twice, I participated in a bank robbery, and I lost my virginity to a spy (yes, really!) From having sex in a brand new Maserati and getting in high-speed car chases to being deported from South American countries and representing the US Presidential candidate Donald J. Trump, I've found the happiness that I didn't give a damn about and realized my dream of becoming an adventuring philosopher. I'm not a theorist in the business of making generalizations. The tactics and tools presented here are for rigorous practitioners, ethical hedonists, and open-minded self experimenters. I may sound like quite the pompous pontificator, but I'll offer no apologies because storytelling is the best way to impart the unconventional mindset that saved me from mediocrity and the biohacks that enabled me to defy my selfish genes. If you're bored of the tired problem>generalization>platitude>strategy formula that most self-help books follow, you'll enjoy this memoir of adventures, failures, and unexpected successes across three continents. I'll share with you some powerful tools for transformation - biohacking, smart drugs, flowstate, red pill mindset, and more - with which I've managed to pack several lifetimes' worth of peak experiences into a single decade.
