

advice to the bride and groom

Advice to the Bride and Groom: Building a Strong Foundation for Your Marriage

advice to the bride and groom often centers not just on the wedding day itself, but on the life you build together afterward. As exciting and joyful as the big day is, the journey that follows—the marriage—is where your true adventure begins. Whether you're newly engaged, deep into wedding planning, or recently married, thoughtful guidance can help you navigate the complexities of partnership, communication, and shared dreams. Let's explore some meaningful advice to the bride and groom that goes beyond the ceremony and into the heart of a lasting relationship.

Prioritizing Communication: The Cornerstone of Marriage

One of the most valuable pieces of advice to the bride and groom is to cultivate open and honest communication from the start. Marriage thrives when both partners feel heard and understood. It's not just about talking but about listening actively and empathetically.

Speak with Intention and Listen with an Open Heart

Often, couples focus on resolving conflicts but overlook the power of everyday conversations. Sharing your thoughts, dreams, fears, and daily experiences builds intimacy. When disagreements arise—which they inevitably will—approach them as a team. Use “I” statements to express feelings without casting blame, such as “I feel overlooked when plans change suddenly.” This prevents defensiveness and encourages problem-solving together.

Set Aside Time for Regular Check-Ins

Life gets busy, but regular “relationship check-ins” can keep you connected. Whether it's a weekly coffee date or a nightly chat before bed, these moments create space to share what's going well and what might need attention in your partnership.

Managing Expectations and Embracing Flexibility

A common piece of advice to the bride and groom involves understanding that no marriage is perfect. Unrealistic expectations can lead to disappointment. It's important to embrace flexibility and adapt as life unfolds.

Align Your Visions Without Losing Your Individuality

Before walking down the aisle, have candid conversations about your goals, values, and dreams. Discuss finances, career plans, family planning, and lifestyle preferences. While alignment is key, remember that each partner will grow and change over time. Support one another's individual paths while nurturing your shared journey.

Prepare for Change and Growth

Marriage is not static. You will face new challenges and opportunities, from moving cities to welcoming children to shifting careers. Being adaptable and supportive during transitions strengthens your bond. View change as a natural part of your story rather than a setback.

Financial Harmony: Building Security Together

Money matters rank high in sources of marital stress, so advice to the bride and groom often highlights the importance of financial transparency and teamwork.

Create a Joint Financial Plan

Discuss your attitudes toward money openly. Develop a budget that reflects your combined income, expenses, savings goals, and debt management. Whether you merge accounts or keep some separate, clarity on your financial situation fosters trust.

Set Shared Goals and Celebrate Milestones

Planning for major purchases, vacations, or retirement together creates excitement and a sense of partnership. Celebrate when you hit savings targets or pay off debt to reinforce positive teamwork.

Building Emotional Intimacy and Keeping Romance Alive

While communication and practical matters are vital, don't overlook the importance of emotional connection and romance in sustaining a happy marriage.

Make Time for Each Other Regularly

In the whirlwind of work, family, and responsibilities, carving out quality time for your spouse is

essential. Date nights, shared hobbies, or simply quiet moments together nurture the emotional bond.

Express Appreciation and Affection Daily

Small gestures—thank you notes, compliments, hugs—build a reservoir of goodwill. Expressing gratitude reminds your partner they are valued and loved beyond the big occasions.

Resolving Conflicts Constructively

No couple agrees on everything, so knowing how to handle disagreements respectfully is crucial advice to the bride and groom.

Focus on the Issue, Not the Person

Avoid personal attacks or dredging up past mistakes. Stick to the current topic and work toward a solution. This approach keeps discussions productive and less emotionally charged.

Agree to Disagree When Necessary

Sometimes, compromise means accepting differences without winning every debate. Respecting each other's perspectives—even when they diverge—builds mutual respect.

Supporting Each Other's Individual Growth

A thriving marriage encourages both partners to flourish as individuals and as a couple.

Encourage Personal Goals and Interests

Whether it's a hobby, education, or career ambition, supporting each other's passions adds depth to your relationship. Celebrate individual successes as shared joys.

Maintain Friendships and Social Connections

Healthy marriages include vibrant social lives beyond the couple. Friends and family provide essential emotional support and enrich your lives together.

Keeping the Fun Alive: Laughter and Playfulness

Advice to the bride and groom wouldn't be complete without reminding you to have fun. Laughter and playfulness lighten life's heavier moments and create joyful memories.

Find Humor in Everyday Life

Don't take yourselves too seriously. Sharing jokes, playful teasing, or spontaneous adventures keeps your connection lively and resilient.

Try New Experiences Together

Whether it's traveling, cooking a new recipe, or taking a dance class, new experiences can reignite excitement and deepen your bond.

Marriage is a journey full of learning, growing, and loving. By focusing on communication, managing expectations, handling finances wisely, nurturing emotional intimacy, and embracing both individual and shared growth, the bride and groom can lay a strong foundation for a lifelong partnership. The advice to the bride and groom is ultimately about embracing the beautiful complexity of marriage with kindness, patience, and joy.

Frequently Asked Questions

What is the best piece of advice for the bride and groom on their wedding day?

Stay present and enjoy every moment together, as the day goes by quickly and these memories will last a lifetime.

How can the bride and groom maintain a strong relationship after the wedding?

Communicate openly and honestly, always make time for each other, and remember to support each other's dreams and goals.

What advice would you give to the bride and groom about handling conflicts?

Approach conflicts with empathy and patience, listen to each other's perspectives, and work together to find a compromise rather than trying to 'win'.

How important is it for the bride and groom to have shared interests?

Having shared interests helps build a strong bond and creates opportunities for quality time together, but respecting individual hobbies is equally important.

What financial advice is essential for newlyweds?

Create a budget together, be transparent about spending, and plan for both short-term needs and long-term goals to avoid financial stress.

What role does humor play in a successful marriage?

Humor can diffuse tension, strengthen connection, and make everyday life more enjoyable, so never underestimate the power of laughter in your relationship.

How can the bride and groom keep the romance alive over the years?

Regularly surprise each other with small gestures, plan date nights, and continue expressing appreciation and love openly.

What advice would you give about balancing personal space and togetherness?

Respect each other's need for personal space while also nurturing your time together; a healthy balance keeps the relationship strong and individuals happy.

Advice to the Bride and Groom: Navigating the Path to a Lasting Marriage

advice to the bride and groom often centers on the delicate balance between celebration and preparation for a lifelong commitment. Weddings are not merely festive occasions but pivotal moments that mark the beginning of a shared journey. This article examines the essential guidance couples should consider before, during, and after their wedding day, blending emotional intelligence with practical planning. By integrating insights from relationship experts, marriage counselors, and experienced couples, this piece aims to provide a comprehensive and SEO-friendly resource that addresses the multifaceted nature of matrimony.

Understanding the Foundation: Advice to the Bride and Groom Before the Wedding

Before the confetti settles and the honeymoon begins, the bride and groom face numerous decisions

that extend beyond the event itself. One of the most critical pieces of advice to the bride and groom at this stage is to foster open communication. Studies show that couples who engage in honest discussions about expectations, finances, and future goals tend to experience higher marital satisfaction. This phase is also an opportune time to explore premarital counseling, which can provide tools for conflict resolution and emotional support.

Financial planning is another cornerstone of pre-wedding advice. According to the National Endowment for Financial Education, money disagreements are among the leading causes of marital discord. Couples are encouraged to create a clear budget for their wedding and discuss long-term financial management strategies, including debt handling, savings plans, and investment priorities.

The Role of Emotional Preparedness

Emotional readiness is often overlooked in wedding planning, but it remains a critical factor in the success of the marriage. Advice to the bride and groom highlights the importance of understanding each other's love languages, coping mechanisms, and family dynamics. Recognizing these emotional intricacies can prevent misunderstandings and foster empathy.

Moreover, managing wedding-day stress is essential. The pressure to achieve a perfect ceremony can lead to anxiety and tension. Couples benefit from setting realistic expectations and seeking support from trusted friends, family members, or professional coordinators. This approach ensures that the focus remains on the commitment rather than the perfection of the event.

Advice to the Bride and Groom During the Wedding: Staying Present Amidst the Celebrations

The wedding day itself is often a whirlwind of activities and emotions. Advice to the bride and groom during this time emphasizes presence and mindfulness. Amidst the flurry of photographs, greetings, and ceremonies, couples should carve moments to connect privately, reinforcing their bond.

Effective Time Management and Delegation

One practical tip involves delegating responsibilities. Relying on a trusted wedding planner or assigning tasks to family members can alleviate the burden on the couple. This strategy prevents burnout and allows the bride and groom to enjoy their day fully.

Additionally, maintaining hydration and nutrition throughout the day is crucial but frequently neglected. Simple measures such as scheduling breaks and having snacks on hand can significantly impact energy levels and mood.

Post-Wedding Advice: Building a Lasting Partnership

While the wedding day is a significant milestone, advice to the bride and groom invariably underscores that marriage is an ongoing process. Post-wedding life introduces new challenges and opportunities that require continued effort and adaptability.

Maintaining Communication and Conflict Resolution

Communication remains a central theme after the wedding. Couples who regularly check in with one another and practice active listening tend to navigate conflicts more effectively. It is advisable to establish a routine for discussing both quotidian matters and deeper emotional issues, fostering a climate of trust.

Balancing Individuality and Togetherness

Another nuanced aspect of marital advice involves balancing personal growth with shared experiences. While spending quality time together strengthens intimacy, maintaining individual interests and friendships contributes to a healthy relationship dynamic. Couples who support each other's aspirations often report higher satisfaction levels.

Financial Management After Marriage

Continuing the financial dialogue is equally important. Whether choosing joint or separate accounts, transparency about income, expenses, and financial goals can prevent misunderstandings. Some couples opt for periodic financial reviews to align their objectives and adjust budgets as needed.

Additional Considerations and Emerging Trends

Modern couples face unique challenges and opportunities that shape the advice to the bride and groom. The rise of digital communication tools has transformed how couples interact, offering both advantages and potential pitfalls. For example, while instant messaging facilitates constant connection, it can also lead to misinterpretations without nonverbal cues.

Furthermore, evolving cultural norms encourage more personalized weddings and marriages. Couples are increasingly embracing diverse ceremonies that reflect their values, backgrounds, and personalities. This shift underscores the importance of authenticity and mutual respect in both the wedding planning process and the marriage itself.

Technology and Marriage: Benefits and Drawbacks

Couples leveraging technology for wedding planning benefit from organizational apps, virtual consultations, and online vendor reviews. Post-wedding, digital calendars and shared financial apps help manage daily responsibilities. However, experts caution against over-reliance on screens during intimate moments, advocating for designated "device-free" times to nurture connection.

The Impact of Social Media

Social media plays a dual role. On one hand, it allows couples to share their joy and create lasting memories. On the other, it may introduce pressure to conform to idealized portrayals of marriage and celebration. Advice to the bride and groom includes maintaining boundaries around social media use to protect the authenticity of their relationship.

Practical Tips Summarized: Essential Advice to the Bride and Groom

- **Prioritize communication:** Engage in honest, ongoing conversations before and after the wedding.
- **Plan financially:** Create budgets for the wedding and establish long-term financial goals.
- **Seek premarital counseling:** Utilize professional guidance to build conflict resolution skills.
- **Manage stress:** Delegate tasks and set realistic expectations for the wedding day.
- **Stay present:** Take moments during the event to connect privately.
- **Maintain individuality:** Support each other's personal growth alongside shared experiences.
- **Use technology wisely:** Leverage apps for organization but limit device use during quality time.
- **Set social media boundaries:** Protect your relationship from unrealistic comparisons and pressure.

Embarking on marriage is an intricate blend of celebration, compromise, and continuous growth. Advice to the bride and groom reflects this complexity, encouraging couples to approach their union with intentionality and care. By integrating practical strategies with emotional insight, couples can lay the groundwork for a resilient and fulfilling partnership that extends well beyond their wedding day.

Advice To The Bride And Groom

advice to the bride and groom: While the Bridegroom is with them' Marianne Blickenstaff, 2005-06-09 Interpreters of Matthew's Parable of the Wedding Feast (22.1-14) typically associate the 'king' with God and then justify his violent attacks against city and guests; interpreters of the Parable of the Ten Virgins (25.1-13) typically associate the 'bridegroom' with Jesus and then justify his extreme rejection of the 'foolish virgins.' Questioning such allegorical interpretations, this study first details how Hebrew, Greek, and Roman texts depict - without requiring allegorical understandings - numerous bridegrooms associated not only with joy but also with violence and death. Second, this project appeals to the disruptive nature of parables, the feminist technique of resisting reading, and the Matthean Jesus's own ethical instructions to argue that in the parables, those who resist violent rulers and uncaring bridegrooms are the ones worthy of the Kingdom. The study then shows how the Matthean Jesus - the brideless, celibate bridegroom -- creates a fictive family by disrupting biological and marital ties, redefining masculinity, and undermining the desirability of marriage and procreation. JSNTS 292

advice to the bride and groom: Quiché Rebelde Ricardo Falla, 2014-04-15 Since the arrival of the Spanish in the sixteenth century, the Maya population of Guatemala has been forced to adapt to extraordinary challenges. Under colonial rule, the Indians had to adapt enough to satisfy the Spanish while resisting those changes not necessary for survival, applying their understanding of the world to the realities they confronted daily. Despite the major changes wrought in their way of life by centuries of submission, the Maya have managed to regenerate, and thus maintain, their self-identity. Among the major challenges they have faced has been the imposition of outside religions. Quiché Rebelde examines what happened when Acción Católica came into the Guatemalan municipio of San Antonio Ilotenango, Quiché, to convert its inhabitants. Ricardo Falla, a Guatemalan Jesuit priest and anthropologist, analyzes the movement's origins and why some people became part of it while others resisted. He shows how religion was used as another tool to readapt to the changing environment—natural, economic, political, and social. His work is the first major empirical study of how change occurred in a Maya community with no serious loss of Maya identity—and how the process of conversion is related to more general processes of cultural change that actually strengthen ethnic identity.

advice to the bride and groom: Plutarch on Literature, Graeco-Roman Religion, Jews and Christians Frederick E. Brenk, 2023-05-08 The present book includes sixteen studies by Professor Frederick E. Brenk on Plutarch on Literature, Graeco-Roman Religion, Jews and Christians. Of them, thirteen were published earlier in different venues and three appear here for the first time. Written between 2009 and 2022, these studies not only provide an excellent example of Professor Brenk's incisiveness and deep knowledge of Plutarch; they also provide an excellent overview of Plutarchan studies of the last years on a variety of themes. Indeed, one of the most salient characteristics of Brenk's scholarship is his constant interaction and conversation with the most recent scholarly literature.

advice to the bride and groom: Married Life in Greco-Roman Antiquity Claude-Emmanuelle Centlivres Challet, 2021-12-30 Beyond the institution of marriage, its norms, and rules, what was life like for married couples in Greco-Roman antiquity? This volume explores a wide range of sources over seven centuries to uncover possible answers to this question. On tombstones, curse or oracular tablets, in contracts, petitions, letters, treatises, biographies, novels, and poems, throughout Egypt, Greece, and Rome, 107 couples express themselves or are given life by their contemporaries and share their experiences of, and views on, marital relationships and their practical and emotional consequences. Renowned scholars and the next generation of experts explore seven centuries of source material to uncover the dynamics of the married life of metropolitan and provincial, famous and unknown, young and old couples. Men's and women's hopes, fears, traumas, joys, endeavours, and needs are analysed and reveal an array of interactions and behaviours that enlighten us on

gender roles, social expectations, and intimate dealings in antiquity. Known texts are revisited, new evidence is put forward, and novel interpretations and concepts are offered which highlight local and chronological specificities as well as transhistorical commonalities. The analysis of married life in Greco-Roman antiquity, from ongoing vetting process to place where to find security, reveals the fundamental yearning to be included and loved and how the tensions created by the sometimes contradictory demands of traditional ideals and individual realities can be resolved, furthering our knowledge of social and cultural mechanisms. *Married Life in Greco-Roman Antiquity* will provide valuable resources of interest to scholars and students of Classical studies as well as social history, gender studies, family history, the history of emotions, and microhistory.

advice to the bride and groom: *Perfect Wedding Speeches and Toasts* George Davidson, 2009-05-27 *Perfect Wedding Speeches and Toasts* is an invaluable guide to preparing and delivering unforgettable speeches. Covering everything from advice on mastering your nerves to tips about how to make a real impact, it walks you through every aspect of preparing for the big day and speaking in public. Whether you're the father of the bride, the bride herself, the groom or the best man, *Perfect Wedding Speeches and Toasts* will help make sure your speech goes off without a hitch. The Perfect series is a range of practical guides that give clear and straightforward advice on everything from getting your first job to choosing your baby's name. Written by experienced authors offering tried-and-tested tips, each book contains all you need to get it right first time.

advice to the bride and groom: *Gossip and Gender* Marianne Bjelland Kartzow, 2009 This book suggests that gossip can be used as an interpretive key to understand more of early Christian identity and theology. Insights from the multi disciplinary field of gossip studies help to interpret what role gossip plays, especially in relation to how power and authority are distributed and promoted. A presentation of various texts in Greek, Hebrew and Latin shows that the relation between gossip and gender is complex: to gossip was typical for all women and risky for elite men who constantly had to defend their masculinity. Frequently the Pastoral Epistles connect gossip to false teaching, as an expression of deviance. On several occasions it is argued that various categories of women have to avoid gossip to be entrusted duties or responsibilities. Old wives' tales are associated with heresy, contrasted to godliness in which one had to train one self. Other passages clearly suggest that the false teaching resembles feminine gossip by use of metaphorical language: profane words will spread fast and uncontrolled like cancer; what the false teachers say is tickling in the ear, and their mouth must be stopped or silenced. The Pastoral Epistles employ terms drawn from the stereotype of gossip as rhetorical devices in order to undermine the masculinity and hence the authority, of the opponents.

advice to the bride and groom: *Greco-Roman Culture and the New Testament* David Edward Aune, Frederick Brenk, 2012-03-20 Since a number of scholars at the Pontifical Biblical Institute have made important contributions to the study of the New Testament in the context of the Greco-Roman world, it seemed appropriate to devote this volume commemorating the centennial of the *Biblicum* (1909-2009) to that subject. This book contains nine essays by scholars from Europe, the United States, Australia and Jerusalem, each exploring the ways in which aspects of the New Testament can be illuminated by recourse to Greco-Roman texts.

advice to the bride and groom: ***Moral Education for Women in the Pastoral and Pythagorean Letters*** Annette Huizenga, 2013-03-27 In *Moral Education for Women in the Pastoral and Pythagorean Letters: Philosophers of the Household*, Annette Bourland Huizenga examines the Greco-Roman moral-philosophical "curriculum" for women by comparing these two pseudepigraphic epistolary collections. The analysis is organized around four elements: textual resources, teachers and learners, instructional strategies, and subject matter. Huizenga shows that the author of the Pastorals has adopted nearly all of the "pagan" aspects of this curriculum, but has supplemented these with theological justifications drawn from Pauline literature and traditions. The letters attributed to female Pythagoreans have long been suggested as comparanda for the Pastorals, but are not well-known as sources. This volume provides a Greek edition, a new English translation, and a text history of these letters.

advice to the bride and groom: Persuading Shipwrecked Men Lyn M. Kidson, 2020-09-15

In this work, Lyn M. Kidson moves away from the traditional interpretation of 1 Timothy as a church manual and argues that the coordinating purpose of the letter is to command 'certain men (and women)' not to teach an educational program that is being promoted by factional leaders Hymenaeus and Alexander.--

advice to the bride and groom: *Proceeding Celebes International Conference on Diversity of Wallacea's Line (CICDWL 2015)* Sharma, S., Deshar, R., Rianse, U., Kusmaryono, Y., Zamrun F., M., Analuddin, Sahidin, I., ... Rahim, S., 2015-10-30 Prosiding ini memuat sejumlah abstrak dan makalah yang disajikan dalam Celebes International Conference on Diversity of Wallacea's Line (CICDWL 2015). Mengusung tema Sustainable Management of Geological, Biological, and Cultural Diversities of Wallacea's Line toward A Millennium Era seminar ini diselenggarakan di Kendari pada 8-10 Mei 2015.

advice to the bride and groom: The Discourse of Marriage in the Greco-Roman World

Jeffrey Beneker, Georgia Tsouvala, 2020-08-25 The famous polymath Plutarch often discussed the relationship between spouses in his works, including Marriage Advice, Dialogue on Love, and many of the Parallel Lives. In this collection, leading scholars explore the marital views expressed in Plutarch's works and the art, philosophy, and literature produced by his contemporaries and predecessors. Through aesthetically informed and sensitive modes of analysis, these contributors examine a wealth of representations—including violence in weddings and spousal devotion after death. The Discourse of Marriage in the Greco-Roman World demonstrates the varying conceptions of an institution that was central to ancient social and political life—and remains prominent in the modern world. This volume will contribute to scholars' understanding of the era and fascinate anyone interested in historic depictions of marriage and the role and status of women in the late Hellenistic and early Imperial periods.

advice to the bride and groom: *The Complete Guide to Speaking in Public* Sian Howells,

2008-10-09 Been asked to speak in public? Don't know where to start? Nervous? Here is the complete guide to speaking in public which offers advice on writing your speech, presenting it and tips for specific types of speeches e.g. best man or school presentations. It also includes advice on overcoming nerves, voice projection and preparation. An essential guide for anyone who has to stand up in public and speak.

advice to the bride and groom: The Knot's Complete Guide to Weddings in the Real World

advice to the bride and groom: *The Reign of God is Such as These* Sharon Betsworth,

2010-09-30 This is a new analysis of the 'daughters' in the Gospel of Mark . Betsworth analyzes the 'daughters' in the Gospel of Mark : the woman from the crowd - whom Jesus calls daughter, Jairus' daughter (5:21-43), Herodias' daughter (6:14-29), and the daughter of the Syro-Phoenician woman (7:24-30). To demonstrate how the Gospel's first century audience may have heard these stories, Betsworth begins by examining 'daughters' in their ancient Mediterranean context. Betsworth then considers representations of daughters in select texts from the Septuagint and Greco-Roman literature - from the seventh and sixth centuries B.C.E. to the second century C.E. Although these depictions seem to be in contrast to the social-historical construction of daughters, Betsworth shows

that in many ways the literary portrayals of daughters function to uphold the values of Greco-Roman culture - especially those of virginity before and faithfulness in marriage. These two lines of enquiry undergird Betsworth's investigation. From it she is able to show that the 'daughters' in the Gospel uphold the values of the 'reign of God', as an integral part of the Gospel's inclusive social vision of God's reign. This title was formerly the Journal for the Study of the New Testament Supplement, a book series that explores the many aspects of New Testament study including historical perspectives, social-scientific and literary theory, and theological, cultural and contextual approaches.

advice to the bride and groom: The Murder of Regilla Sarah B Pomeroy, 2009-06-30 Born to an illustrious Roman family in 125 BCE, Regilla was married at the age of fifteen to Herodes, a wealthy Greek. Twenty years later--and eight months pregnant with her sixth child--Regilla died under mysterious circumstances, after a blow to the abdomen delivered by Herodes's freedman. Though Herodes was charged, he was acquitted. Pomeroy's investigation suggests that despite Herodes's erection of numerous monuments to his deceased wife, he was in fact guilty of the crime.

advice to the bride and groom: Philosophy in society virtues and values in Plutarch José Ribeiro Ferreira, Luc van der Stockt, Maria do Céu Fialho, 2008-01-01 Este volume temático resulta dos trabalhos apresentados no encontro científico da Plutarchan Net, realizado em Setembro de 2007, na Katholieke Universiteit Leuven, com o tema Philosophy in Society Virtues and Values in Plutarch.

Inside you'll find checklists, worksheets, insider advice, and in-depth sections on: • How to personalize your wedding • Updated wedding etiquette • Creating a realistic budget • Sneaky cost-cutting tips • Dress shopping advice • Tips for working with florists, caterers, officiants, and others • Invitation wording • Vows and ceremony details • Unique Wedding customs Plus, all new sections on: Planning Online and Destination Weddings, and a color-coded section with over 100 vibrant photographs.

advice to the bride and groom: Women in the New Testament World Susan Hylen, 2019 Modern readers of the New Testament often notice its varying ideas about women. Some passages encouraged women to be submissive and remain silent. Yet in others, women characters owned property, headed households, or spoke with approval. Women in the New Testament World helps readers understand this conflicting evidence. It argues that social norms of the time encouraged traditional feminine virtues. However, as Susan Hylen argues, women in the culture enacted these virtues in a variety of ways, including active leadership in households, associations, and cities. In contrast to earlier approaches that divided the evidence into groups that either allowed or forbade women's leadership, this book points to a tension that was pervasive across different groups and regions of the Roman world. Society widely viewed women as inferior to men yet applauded their active pursuit of familial and civic interests. Thus, it was not the case that some women led while others were silent; instead, women were praised for modesty at the same time as they exerted influence in their communities. Elaborating on this rich historical background, Hylen illuminates new possibilities in New Testament texts.

advice to the bride and groom: Light from the Gentiles: Hellenistic Philosophy and Early Christianity Abraham J. Malherbe, 2013-10-10 Rather than viewing the Graeco-Roman world as the "background" against which early Christian texts should be read, Abraham J. Malherbe saw the ancient Mediterranean world as a rich ecology of diverse intellectual traditions that interacted within specific social contexts. These essays, spanning over fifty years, illustrate Malherbe's appreciation of the complexities of this ecology and what is required to explore philological and conceptual connections between early Christian writers, especially Paul and Athenagoras, and their

literary counterparts who participated in the religious and philosophical discourse of the wider culture. Malherbe's essays laid the groundwork for his magisterial commentary on the Thessalonian correspondence and launched the contemporary study of Hellenistic moral philosophy and early Christianity.

advice to the bride and groom: *Spartan Women* Sarah B. Pomeroy, 2002-07-11 In this book, Sarah Pomeroy seeks to reconstruct the lives and the world of Sparta's women--including how their legal status changed over time and how they held on to their surprising autonomy. Written by one of the leading authorities on women in antiquity, this is the first full-length study of Spartan women.
