cherokee d ass interview: **The Candidate, the 'Commies' and the World's Longest Camel** Hunter James, 2001-02-27 Hunter James has spent more than thirty-five years as an editorialist and correspondent for such papers as the Atlanta Constitution and Baltimore Sun, winning numerous press association awards for his work, as well as a share of the 1970 Pulitzer Prize for Public Service. He is a highly seasoned political reporter and has written extensively on the civil rights movement of the sixties. His articles and stories have appeared in Newsweek, National Geographic (book division), Historic Preservation, Southern Magazine, The Southern Review and in many other magazines and periodicals. This is his eighth book and second work of fiction. He also served in the late seventies as a fellow for the National Endowment for the Humanities. cherokee d ass interview: **A Hard Rain** Frye Gaillard, 2018-07-01 Frye Gaillard has given us a deeply personal history, bringing his keen storyteller's eye to this pivotal time in American life. He explores the competing story arcs of tragedy and hope through the political and social movements of the times — civil rights, black power, women's liberation, the War in Vietnam, and the protests against it. But he also examines the cultural manifestations of change — music, literature, art, religion, and science — and so we meet not only the Brothers Kennedy, Martin Luther King Jr and

Malcolm X, but also Gloria Steinem, Janis Joplin, Jimi Hendrix, Johnny Cash, Harper Lee, Mister Rogers, Rachel Carson, James Baldwin, Andy Warhol, Billy Graham, Thomas Merton, George Wallace, Richard Nixon, Angela Davis, Barry Goldwater, the Beatles, Bob Dylan, and the Berrigan Brothers. "There are many different ways to remember the sixties," Gaillard writes, "and this is mine. There was in these years the sense of a steady unfolding of time, as if history were on a forced march, and the changes spread to every corner of our lives. As future generations debate the meaning of the decade, I hope to offer a sense of how it felt to have lived it. A Hard Rain is one writer's reconstruction and remembrance of a transcendent era — one that, for better or worse, lives with us still."

cherokee d ass interview: Street Sex Workers' Discourse Jill McCracken, 2013-04-17

Incorporating the voices and insights of street sex workers through personal interviews, this monograph argues that the material conditions of many street workers — the physical environments they live in and their effects on the workers' bodies, identities, and spirits — are represented, reproduced, and entrenched in the language surrounding their work. As an ethnographic case study of a local system that can be extrapolated to other subcultures and the construction of identities, this book disrupts some of the more prevalent academic and lay understandings about street prostitution by providing a thorough analysis of the material conditions surrounding street work and their connection to discourse. McCracken offers an explanation of how constructions can be made differently in order to achieve representations that are generated by the marginalized populations themselves, while placing responsibility for this marginalization on the society in which these people live.

cherokee d ass interview: Hush Hush Steven Barthelme, 2012-10-23 If you're up \$16,000 at the casino and missing dinner with the woman you love, how do you find the strength to drive away? If you give up your career and your beautiful wife and find yourself drinking vodka and fixing cars for a living, is that necessarily a step down? In *Hush Hush*, Steven Barthelme gives us a simultaneously twisted, heartbreaking, and hilarious account of learning to quit when you're ahead. The collection, which includes the Pushcart Prize-winning *Claire*, exposes the surprising dignity in lying on your belly in the pouring rain, in ringing your ex-girlfriend's doorbell at 4 A.M., in sleeping with your dead wife's best friend. Co-author with his brother Frederick of the brilliant and devastating casino memoir, *Double Down: Reflections on Gambling and Loss*, Steven Barthelme seems to cast an eye at his own history and the characters he's known. These are men and women who are down --- but stirringly, not quite out. An unmissable, arresting book from one of the most seminal short story writers of the last twenty years.

There will be no family or friends to share the day, but a call from Sheriff Milo Dodge on the Monday after the holiday weekend leaves her no time to wallow. Three alarming letters, sent to the sheriff from an anonymous writer, assert that the murder conviction of Alpine resident Larry Petersen ten years earlier was the result of a wrongful arrest. Adding to the miscarriage of justice, Petersen recently died behind bars. Then a fourth letter arrives, threatening retribution in the form of another death—most likely Emma's or Milo's. Mary Daheim's *Emma Lord* novel is a rich and authentic blend of small-town life and chilling menace.

cherokee d ass interview: *Reproductive Rites* Sophie Saint Thomas, 2024-10-15 A provocative pop history that explores the witches—and witch hunts—in the untold story of abortion, from the days of Socrates through the Salem Witch Trials and the 1980s Satanic Panic, all the way to our fraught present. “Not only fascinating and engaging but, in our current post-Roe climate, necessary . . . with wit, humor, and verve that make it an unputdownable read for every feminist.” —Jennifer Wright, author of *Madame Restell: The Life, Death, and Resurrection of Old New York's Most Fabulous, Fearless, and Infamous Abortionist* For millennia, across cultures and continents, both providers and recipients of reproductive healthcare and abortions have been persecuted as witches (whether they actually practiced the craft or not). In this dauntless reassessment of that history, journalist Sophie Saint Thomas follows the tangled threads of witches and reproductive rights through the ages. Along the way, she maintains an intersectional eye toward the communities most affected by reproductive oppression (including Native Americans, enslaved Black women, and trans people) and offers a scathing look at the hypocrisy of anti-choice crusaders (from eugenicists in the Church of Satan to an astrology-following Republican First Lady). With heart, humor, and deeply researched insights, *Reproductive Rites* brings new context to the urgency of our ongoing fight.

cherokee d ass interview: Journeyman's Road Adam Gussow, 2007 Journeyman's Road offers a bold new vision of where the blues have been in the course of the twentieth century and what they have become at the dawn of the new millennium: a world music rippling with postmodern contradictions. Author Adam Gussow brings a unique perspective to this exploration. Not just an award-winning scholar and memoirist, he is an accomplished blues harmonica player, a Handy award nominee, and veteran of the international club and festival circuit. With this unusual depth of experience, Gussow skillfully places blues literature in dialogue with the music that provokes it, vibrantly articulating a vital American tradition. At the heart of Gussow's story is his own unlikely yet remarkable streetside partnership with Harlem bluesman Sterling Mr. Satan Magee, a musical collaboration marked not just by a series of polarities--black and white, Mississippi and Princeton, hard-won mastery and youthful apprenticeship--but by creative energies that pushed beyond apparent differences to forge new dialogues and new sounds. Undercutting familiar myths about the down-home sources of blues authenticity, Gussow celebrates New York's mongrel blues scene: the artists, the jam sessions, the venues, the street performers, and the eccentrics. At once elegiac and forward-looking, Journeyman's Road offers a collective portrait of the New York subculture struggling with the legacy of 9/11 and healing itself with the blues.
