

black woman history month

Black Woman History Month: Celebrating Resilience, Achievements, and Legacy

black woman history month is a powerful celebration dedicated to honoring the incredible contributions, resilience, and achievements of Black women throughout history. While Black History Month has long been recognized in February, Black Woman History Month shines a focused light on the unique experiences and stories of Black women, whose narratives have often been marginalized or overlooked. This month serves as a vital reminder of the strength, creativity, and leadership Black women have demonstrated across all facets of society, from art and activism to science and politics.

Understanding the significance of black woman history month helps us appreciate the depth and diversity of Black women's impact, inspiring future generations to embrace their heritage and continue breaking barriers.

The Origins and Importance of Black Woman History Month

Black Woman History Month is a relatively recent observance, emerging as an extension of the broader Black History Month. It was created to address the specific experiences and histories of Black women, who have historically faced intersectional challenges due to both race and gender. The month highlights the dual struggle against racism and sexism, emphasizing how Black women have been at the forefront of social justice movements while often being relegated to the background in mainstream historical narratives.

This dedicated month encourages education and awareness about Black women's roles in shaping culture, politics, and society. It also fosters pride and recognition, celebrating figures who have paved the way in various fields and communities.

Why Focus on Black Women's History?

Black women's stories have too often been overshadowed by those of Black men or white women in traditional history books. This oversight neglects the rich contributions and leadership roles Black women have held. By centering Black women during this month, we gain a fuller, more nuanced understanding of history and the ongoing struggles and triumphs of Black women.

Moreover, celebrating Black woman history month promotes intersectionality—a concept coined by scholar Kimberlé Crenshaw—helping society to better grasp how overlapping identities affect experiences of discrimination and empowerment.

Trailblazers and Pioneers Celebrated During Black

Woman History Month

One of the most enriching parts of black woman history month is learning about the pioneering women who have shaped history. From activists to artists, scientists to politicians, these incredible individuals have left indelible marks.

Activists and Civil Rights Leaders

Black women have been central figures in civil rights activism, often leading movements that reshaped American society. Women like:

- **Sojourner Truth:** An abolitionist and women's rights advocate whose speeches challenged both racial and gender inequality.
- **Fannie Lou Hamer:** Known for her powerful voice in the fight for voting rights during the civil rights movement.
- **Ella Baker:** A behind-the-scenes organizer who helped form influential groups like the Student Nonviolent Coordinating Committee (SNCC).

Their courage and commitment laid the groundwork for progress while inspiring countless others.

Artists, Writers, and Cultural Icons

Black women have also shaped culture profoundly through literature, music, and the arts.

- **Maya Angelou:** Renowned poet and author whose works explore themes of identity, resilience, and liberation.
- **Toni Morrison:** Nobel Prize-winning novelist who illuminated the Black experience with unparalleled depth.
- **Josephine Baker:** A legendary performer who broke racial barriers in entertainment while supporting the French Resistance during World War II.

Their contributions have enriched cultural understanding and given voice to Black experiences worldwide.

Scientists, Educators, and Innovators

In the realms of science and education, Black women have shattered stereotypes and advanced knowledge.

- **Katherine Johnson:** A mathematician whose calculations were critical to NASA's space missions.
- **Mae Jemison:** The first Black woman astronaut, inspiring countless young women to dream big.
- **Dr. Rebecca Lee Crumpler:** The first Black woman physician in the United States, whose work paved the way for future medical professionals.

Their achievements demonstrate the vast scope of Black women's talents and impact.

How to Celebrate Black Woman History Month Meaningfully

Celebrating black woman history month isn't just about remembering the past—it's about engaging with the present and future. Here are some ways to honor this month in thoughtful, impactful ways:

Educate Yourself and Others

One of the best ways to celebrate is by learning more about Black women's history and sharing that knowledge. Reading biographies, watching documentaries, or attending lectures can deepen your understanding. Books by Black women authors or about Black women's experiences can provide valuable perspectives.

Support Black Women-Owned Businesses and Creators

Economic empowerment is a powerful form of celebration. Supporting Black women entrepreneurs, artists, and creators helps foster community growth and recognize their contributions in today's economy. Whether it's purchasing art, music, or products from Black women-owned businesses, your support makes a difference.

Engage in Community Events and Conversations

Many organizations host events, panels, and workshops during black woman history month. Participating in these gatherings offers opportunities to connect with others, celebrate shared histories, and discuss ongoing challenges and achievements.

The Lasting Impact of Black Woman History Month

Black woman history month plays an essential role in reshaping narratives and ensuring that Black women's stories are heard, valued, and celebrated. It builds bridges across generations, allowing young Black girls to see themselves reflected in the stories of success, resilience, and leadership.

The month also invites society at large to confront uncomfortable truths about discrimination and exclusion, fostering empathy and allyship. By honoring Black women's history, we cultivate a more inclusive understanding of our shared past and inspire a future where equality is more than just an ideal.

As conversations about diversity and representation continue to evolve, black woman history month

stands as a vital reminder that recognizing the contributions of all individuals enriches our collective story and strengthens communities. It's a celebration filled with pride, reflection, and hope—one that encourages everyone to uplift and learn from the powerful legacy of Black women.

Frequently Asked Questions

What is Black Women's History Month?

Black Women's History Month is a dedicated time to celebrate and recognize the achievements, contributions, and history of Black women throughout history and in contemporary society.

When is Black Women's History Month observed?

Black Women's History Month is typically observed in March, coinciding with Women's History Month, but some communities also celebrate it in July to honor the contributions of Black women specifically.

Why is Black Women's History Month important?

Black Women's History Month is important because it highlights the often overlooked and underrepresented achievements of Black women, promoting awareness, education, and appreciation of their impact on culture, politics, science, and social justice.

Who are some notable figures celebrated during Black Women's History Month?

Notable figures include Harriet Tubman, Sojourner Truth, Maya Angelou, Angela Davis, Michelle Obama, and contemporary activists like Amanda Gorman and Tarana Burke.

How can individuals celebrate Black Women's History Month?

Individuals can celebrate by learning about influential Black women, supporting Black women-owned businesses, attending events and lectures, reading books by Black women authors, and promoting awareness on social media.

What themes are commonly highlighted during Black Women's History Month?

Common themes include resilience, leadership, activism, creativity, and contributions to civil rights, education, politics, science, and the arts by Black women.

Are there any official organizations that promote Black Women's History Month?

Yes, organizations like the National Women's History Alliance and various Black cultural and advocacy groups promote Black Women's History Month through educational resources and events.

How has Black Women's History Month evolved over time?

Black Women's History Month has evolved from grassroots efforts to raise awareness about Black women's contributions into a widely recognized observance that includes educational programs, cultural events, and media coverage to amplify Black women's voices and stories.

Additional Resources

Black Woman History Month: Honoring Resilience, Leadership, and Legacy

black woman history month is a dedicated observance that celebrates the achievements, struggles, and contributions of Black women throughout history. While Black History Month broadly acknowledges the influence of African Americans, Black Woman History Month specifically highlights the unique experiences and pivotal roles Black women have played in shaping society, culture, politics, and social justice worldwide. This month-long recognition serves to elevate narratives often marginalized or overlooked in mainstream historical accounts, providing a platform for a more nuanced understanding of intersectionality, resilience, and empowerment.

The Origins and Significance of Black Woman History Month

The establishment of Black Woman History Month is rooted in the ongoing effort to recognize the multifaceted contributions of Black women to history and contemporary society. Unlike the more widely known Black History Month, which originated in 1926 with historian Carter G. Woodson's "Negro History Week," Black Woman History Month has emerged more recently as a response to the need for focused attention on Black women's narratives. These narratives underscore the intersections of race, gender, and class that shape the lived experiences of Black women.

Black Woman History Month is celebrated in various regions during different months—often in March, coinciding with International Women's Day, or in July, aligning with specific local commemorations. Regardless of timing, the observance aims to correct historical omissions and amplify the voices of Black women who have contributed to fields such as civil rights, literature, science, education, and politics.

The Role of Black Women in Civil Rights and Social Justice Movements

Historically, Black women have been at the forefront of movements advocating for racial equality and women's rights. Figures such as Sojourner Truth, Ida B. Wells, Ella Baker, and Fannie Lou Hamer played instrumental roles in organizing grassroots activism and challenging systemic oppression. Their leadership often went unrecognized in mainstream narratives dominated by male counterparts.

The civil rights era of the 1950s and 1960s further illustrated the indispensable role of Black women. For example, Rosa Parks's refusal to give up her bus seat became an iconic act of resistance, but her

involvement extended beyond that moment into years of activism. Similarly, Diane Nash and Septima Clark contributed to voter education and desegregation efforts, demonstrating strategic leadership and resilience.

Black Women's Contributions to Culture and the Arts

Black Woman History Month also celebrates the profound cultural impact Black women have had through art, music, literature, and performance. Artists like Maya Angelou, Toni Morrison, and Zora Neale Hurston redefined American literature with narratives that explored Black identity, womanhood, and historical memory. Their works have inspired generations and remain central to academic discourse.

In music, artists such as Nina Simone, Aretha Franklin, and Billie Holiday used their platforms to address racial injustice and advocate for empowerment. Their artistry melded cultural expression with activism, illustrating the power of art as a tool for social change.

Economic and Political Influence of Black Women

Beyond activism and culture, Black women have made significant strides in economic and political spheres. The rise of Black women entrepreneurs, corporate leaders, and politicians signals an important shift in representation and influence.

For instance, the election of Kamala Harris as the first Black woman Vice President of the United States marks a historic milestone. Her achievement symbolizes the growing political agency of Black women and inspires future generations. Similarly, figures like Oprah Winfrey have transformed the media landscape, leveraging their platforms to foster entrepreneurship and philanthropy.

Nevertheless, disparities persist. According to studies by organizations such as the National Women's Law Center, Black women face wage gaps and underrepresentation in leadership roles compared to their counterparts. Recognizing Black Woman History Month thus includes acknowledging ongoing challenges while celebrating progress.

Intersectionality: Understanding the Complex Identities of Black Women

A critical aspect of Black Woman History Month is its emphasis on intersectionality—a framework coined by scholar Kimberlé Crenshaw to describe how overlapping social identities, such as race and gender, contribute to unique experiences of discrimination and privilege. Black women often navigate systemic barriers that differ from those encountered by Black men or white women.

This intersectional lens helps contextualize issues ranging from healthcare disparities to educational inequities. For example, maternal mortality rates for Black women in the United States are disproportionately higher compared to other demographics. This alarming statistic reflects systemic problems in healthcare access, bias, and socio-economic factors.

Educational initiatives during Black Woman History Month frequently address these intersectional challenges, advocating for policies and practices that promote equity and inclusion. By fostering awareness, the month encourages holistic approaches to social justice that recognize diversity within the Black community.

Celebrating Black Women in STEM and Innovation

The contributions of Black women in science, technology, engineering, and mathematics (STEM) fields have historically been undervalued or overlooked. Black Woman History Month spotlights pioneers such as Katherine Johnson, whose mathematical calculations were critical to NASA's space missions, and Dr. Shirley Ann Jackson, a physicist whose research advanced telecommunications.

Highlighting these achievements serves multiple purposes: it challenges stereotypes, encourages young Black girls to pursue STEM careers, and emphasizes the importance of diversity in innovation. Educational programs and workshops during the month often include mentorship and scholarship opportunities aimed at increasing Black women's representation in these fields.

Community Building and Activism Today

In contemporary society, Black Woman History Month acts as a catalyst for community building and activism. Organizations dedicated to Black women's empowerment use the month to mobilize around issues such as voting rights, gender-based violence, economic justice, and mental health awareness.

Social media campaigns, panel discussions, and cultural events provide platforms for storytelling and solidarity. These efforts underscore the ongoing relevance of Black women's leadership in shaping public discourse and policy.

- **Empowerment initiatives:** Programs that focus on financial literacy, health education, and leadership training.
- **Advocacy for representation:** Efforts to increase Black women's presence in media, politics, and corporate leadership.
- **Celebration of heritage:** Events that honor traditional and contemporary Black women's culture and history.

The multifaceted nature of Black Woman History Month ensures it remains a dynamic and evolving observance, reflecting the diversity and complexity of Black women's experiences.

Black Woman History Month transcends a mere commemorative calendar event; it is an essential framework for understanding the integral role Black women have played and continue to play in shaping societies worldwide. By centering their stories, achievements, and challenges, this month fosters a richer, more inclusive historical narrative—one that recognizes the power of Black womanhood in all its dimensions.

Black Woman History Month

black woman history month: 100 Black Women Who Shaped America Glenn L. Starks, 2024-06-27 This introductory text explores the lives of 100 Black women and their unique and meaningful legacies upon the history, society, and culture of the USA. Today, the names and remarkable achievements of Black women such as Maya Angelou, Serena Williams, Michelle Obama, and Oprah Winfrey are well known to many Americans. Yet throughout American history, many lesser-known Black women like them have made invaluable contributions to sports, science, the arts, medicine, politics, and civil rights. Josephine St. Pierre Ruffin, who published the first newspaper written for and by African American women, championed the cause of women's suffrage. Matilda Sissieretta Jones, whose father was an enslaved person, toured Europe and performed at the White House in front of four different presidents as one of the great sopranos of her generation. Augusta Savage, overcoming racism and sexism, became one of the most celebrated sculptors in history. This book serves as an important reminder that the story of America cannot be told without the Black women who, with strength and determination, have always pushed America forward even when others held them back.

black woman history month: A Black Women's History of the United States Daina Ramey Berry, Kali Nicole Gross, 2020-02-04 The award-winning Revisioning American History series continues with this “groundbreaking new history of Black women in the United States” (Ibram X. Kendi)—the perfect companion to *An Indigenous People's History of the United States* and *An African American and Latinx History of the United States*. An empowering and intersectional history that centers the stories of African American women across 400+ years, showing how they are—and have always been—instrumental in shaping our country. In centering Black women's stories, two award-winning historians seek both to empower African American women and to show their allies that Black women's unique ability to make their own communities while combatting centuries of oppression is an essential component in our continued resistance to systemic racism and sexism. Daina Ramey Berry and Kali Nicole Gross offer an examination and celebration of Black womanhood, beginning with the first African women who arrived in what became the United States to African American women of today. *A Black Women's History of the United States* reaches far beyond a single narrative to showcase Black women's lives in all their fraught complexities. Berry and Gross prioritize many voices: enslaved women, freedwomen, religious leaders, artists, queer women, activists, and women who lived outside the law. The result is a starting point for exploring Black women's history and a testament to the beauty, richness, rhythm, tragedy, heartbreak, rage, and enduring love that abounds in the spirit of Black women in communities throughout the nation.

black woman history month: *Reclaiming the Black Past* Pero G. Dagbovie, 2018-11-13 The past and future of Black history In this information-overloaded twenty-first century, it seems impossible to fully discern or explain how we know about the past. But two things are certain. Whether we are conscious of it or not, we all think historically on a routine basis. And our perceptions of history, including African American history, have not necessarily been shaped by professional historians. In this wide-reaching and timely book, Pero Gaglo Dagbovie argues that public knowledge and understanding of black history, including its historical icons, has been shaped by institutions and individuals outside academic ivory towers. Drawing on a range of compelling examples, Dagbovie explores how, in the twenty-first century, African American history is regarded, depicted, and juggled by diverse and contesting interpreters—from museum curators to filmmakers, entertainers, politicians, journalists, and bloggers. Underscoring the ubiquitous nature of African-American history in contemporary American thought and culture, each chapter unpacks how black history has been represented and remembered primarily during the “Age of Obama,” the so-called era of “post-racial” American society. *Reclaiming the Black Past* is Dagbovie's contribution to expanding how we understand African American history during the new millennium.

black woman history month: *The Crisis* , 2004-03 *The Crisis*, founded by W.E.B. Du Bois as

the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, *The Crisis* has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

black woman history month: Congressional Record United States. Congress, 2001 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*

black woman history month: *The Crisis* , 1983-06 *The Crisis*, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, *The Crisis* has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

black woman history month: Black Firsts Jessie Carney Smith, 2021-01-01 A celebration of achievement, accomplishments, and pride! black woman history month: The Meaning of Freedom Angela Y. Davis, 2012-08-14 What is the meaning of freedom? Angela Y. Davis' life and work have been dedicated to examining this fundamental question and to ending all forms of oppression that deny people their political, cultural, and sexual freedom. In this collection of twelve searing, previously unpublished speeches, Davis confronts the interconnected issues of power, race, gender, class, incarceration, conservatism, and the ongoing need for social change in the United States. With her characteristic brilliance, historical insight, and penetrating analysis, Davis addresses examples of institutional injustice and explores the radical notion of freedom as a collective striving for real democracy - not something granted or guaranteed through laws, proclamations, or policies, but something that grows from a participatory social process that demands new ways of thinking and being. The speeches gathered together here are timely and timeless, writes Robin D.G. Kelley in the foreword, they embody Angela Davis' uniquely radical vision of the society we need to build, and the path to get there. The Meaning of Freedom articulates a bold vision of the society we need to build and the path to get there. This is her only book of speeches. Davis' arguments for justice are formidable. . . . The power of her historical insights and the sweetness of her dream cannot be denied.—The New York Times One of America's last truly fearless public intellectuals. —Cynthia McKinney, former US Congresswoman Angela Davis offers a cartography of engagement in oppositional social movements and unwavering commitment to justice. —Chandra Talpade Mohanty, Women's Studies, Hamilton College Angela Davis deserves credit, not just for the dignity and courage with which she has lived her life, but also for raising important critiques of a for-profit penitentiary system decades before those arguments gained purchase in the mainstream. —Thomas Chatterton Williams, SFGate Angela Davis's revolutionary spirit is still strong. Still with us, thank goodness! —Virginian-Pilot Long before 'race/gender' became the obligatory injunction it is now, Angela Davis was developing an analytical framework that brought all of these factors into play. For readers who only see Angela Davis as a public icon . . . meet the real Angela Davis: perhaps the leading public intellectual of our era. —Robin D. G. Kelley author of *Thelonious Monk: The Life and Times of an American Original* There was a time in America when to call a person an 'abolitionist' was the ultimate epithet. It evoked scorn in the North and outrage in the South. Yet they were the harbingers of things to come. They were on the right side of history. Prof. Angela Y. Davis stands in that proud, radical tradition. —Mumia Abu-Jamal, author of *Jailhouse Lawyers: Prisoners Defending Prisoners v. the U.S.A.* Behold the heart and mind of Angela Davis, open, relentless, and on time! —June Jordan Political activist, scholar, and author Angela Davis confronts the interconnected issues of power, race, gender, class, incarceration, conservatism, and the ongoing need for social change in the U.S. in her book, *The Meaning of Freedom: And Other Difficult Dialogues*. —Travis Smiley Radio Angela Y. Davis is professor emerita at the University of California and author of numerous books. She is a much sought after public speaker and an internationally known advocate for social justice. Robin D.G. Kelley is the author of many books and a professor at the University of Southern California.

black woman history month: Conflict Cindy Hooper, 2012-07-20 This in-depth examination looks at African American women's navigation of the interlocking obstacles of race and gender specifically within the political arena. *Conflict: African American Women and the New Dilemma of Race and Gender Politics* offers a provocative examination of an increasingly important voting bloc, one that impacted the 2008 election and whose loyalties will have far-reaching implications for future contests. This fascinating study is three-pronged. It explores the conflicts African American women experience in prioritizing race over gender, offers data-backed analysis of the substantial power of this bloc to influence elections, and looks at the ways in which the very existence of that influence impacts the political and social empowerment of this dual-identity population. As background to the present-day story, the book surveys the history of African American females in elective office in the United States, as well as their roles in the Women's Suffrage and Civil Rights movements. The first work to undertake a study of African American women in this expansive

political context, this important volume will help readers assess where African American women have been, where they are now, and what their roles might be in the future.

black woman history month: Anti-racist Pedagogy in the Early Childhood Classroom

Miriam Tager, 2022-02-07 In *Anti-racist Pedagogy in the Early Childhood Classroom*, author Miriam Tager provides detailed descriptions of Anti-Racist lessons and activities in early childhood classrooms. With accounts and examples from educators integrating anti-racist teachings into their classroom, this book explores what Anti-racist Pedagogy can look like and how these early childhood educators effectively utilize Anti-racist Pedagogy to combat racism within schools. The book also includes professional tips and advice for the higher education teacher to use in their teacher education programs to better prepare pre-service teachers for addressing issues on race and racism within their classrooms.

black woman history month: Maricopa County Sheriff's Office History and Pictorial , 2005

black woman history month: The Feminist Memoir Project Rachel Blau DuPlessis, Ann Barr Snitow, 2007 The women of The Feminist Memoir Project give voice to the spirit, the drive, and the claims of the Women's Liberation Movement they helped shape, beginning in the late 1960s. These thirty-two writers were among the thousands to jump-start feminism in the late twentieth century. Here, in pieces that are passionate, personal, critical, and witty, they describe what it felt like to make history, to live through and contribute to the massive social movement that transformed the nation. What made these particular women rebel? And what experiences, ideas, feelings, and beliefs shaped their activism? How did they maintain the will and energy to keep such a struggle going for so long, and continuing still? Memoirs and responses by Kate Millett, Vivian Gornick, Michele Wallace, Alix Kates Shulman, Joan Nestle, Jo Freeman, Yvonne Rainer, Barbara Smith, Ellen Willis, Eve Ensler, Shirley Geok-lin Lim, Roxanne Dunbar, Naomi Weisstein, Alice Wolfson and many more embody the excitement that fueled the movement and the conflicts that threatened it from within. Their stories trace the ways the world has changed.

black woman history month: 50 Years of Ms. Katherine Spillar, 2023-09-19 The New York Times Book Review Editor's Choice • A celebration of Ms.—the most startling, most audacious, most norm-breaking of the magazine's groundbreaking pieces on women, men, politics (sexual and otherwise), marriage, family, education, work, motherhood, and reproductive rights, as well as the best of the magazine's fiction, poetry, and letters. • Featuring Billie Jean King, Alison Bechdel, and Audre Lorde, among many others. "I've been a Ms. reader since its earliest days. The magazine's bold, boundary-breaking reporting has motivated me, infuriated me, and inspired me. And now this one extraordinary book—50 Years of Ms.—captures it all." —Jane Fonda, actor and activist "Ms.—in 1972—normalized being a woman, abortion and all. And here we are, 50 years later, needing that now more than ever." —Sarah Silverman, comedian, actor, and writer For the past five decades Ms. has been the nation's most influential source of feminist ideas, and it remains at the forefront of feminism today, affecting thought and culture with a younger-than-ever readership (ages 16-20!). Ms. was the first U.S. magazine to: feature prominent American women demanding the repeal of laws that criminalized abortion explain and advocate for the Equal Rights Amendment rate presidential candidates on women's issues feature domestic violence and sexual harassment on its cover, long before either was widely understood or acknowledged commission and publish a national study on date rape Here is the best reporting, fiction, and advertising, decade by decade, as well as the best photographs and features that reveal and reflect the changes set in motion by Ms., along with the iconic covers that galvanized readers. Here are essays, profiles, conversations with and features by: Alice Walker, Cynthia Enloe, Pauli Murray, Nancy Pelosi, bell hooks, Eleanor Holmes Norton, Brittney Cooper, and Joy Harjo, as well as fiction and poetry by Toni Morrison, Joyce Carol Oates, Adrienne Rich, Rita Dove, and Sharon Olds, and many others.

black woman history month: Ebony , 1993-03 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

black woman history month: Daily Cornbread Stephanie Stokes Oliver, 2011-09-14 Heart &

Soul founding editor Stephanie Stokes Oliver shows African American women how to soothe the soul, satisfy the mind, and revive the body 365 days a year. Written in an affirming style that is prescriptive but never preachy, fun but not frivolous, Daily Cornbread is a day-by-day compendium of Oliver's creative ideas for leading an enjoyable and fulfilling life. On January 2, for example, Oliver suggests taking time out to get happy (do something that makes you happy an hour a day); to schedule a personal retreat; and to develop a strategic plan for the upcoming year. Reminiscent of Sarah Ban Breathnach's Simple Abundance and Iyanla Vanzant's Acts of Faith: Daily Meditations for People of Color, but with a special emphasis on nurturing the body as well as the mind, Daily Cornbread shows African American women how to make each day better.

black woman history month: United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 4 ,

black woman history month: Chase's Calendar of Events 2017 Editors of Chase's, 2016-09-23 Since 1957, the definitive day-by-day resource of what the world is celebrating and commemorating, with 12,500 entries and exhaustive appendices. Chase's is the one-stop shop for everything from national days to celebrity birthdays or moon phases to historical anniversaries and festivals. An exclusive companion website makes searching a snap.

black woman history month: The Womanist Reader Layli Phillips, 2006-09-19 Comprehensive in its coverage, The Womanist Reader is the first volume to anthologize the major works of womanist scholarship. Charting the course of womanist theory from its genesis as Alice Walker's African-American feminism, through Chikwenye Okonjo Ogunyemi's African womanism and Clenora Hudson-Weems' Africana womanism, to its present-day expression as a global, anti-oppressionist perspective rooted in the praxis of everyday women of color, this interdisciplinary reader traces the rich and diverse history of a quarter century of womanist thought. Featuring selections from over a dozen disciplines by top womanist scholars from around the world, plus several critiques of womanism, an extensive bibliography of womanist sources, and the first ever systematic treatment of womanist thought on its own terms, Layli Phillips has assembled a unique and groundbreaking compilation.

black woman history month: Mary Ann Shadd Cary Jane Rhodes, 1999-07-22 Relates the life and work of the first African American woman to publish and edit a newspaper in North America.
