

a personal relationship with god

****Nurturing a Personal Relationship with God: A Journey of Faith and Connection****

a personal relationship with god is a deeply transformative experience that many people seek throughout their lives. It goes beyond the formalities of religion or routine worship and touches the very core of one's spiritual existence. This connection fosters a sense of peace, guidance, and unconditional love that resonates within the heart and mind. Developing such a relationship can feel both mysterious and profoundly rewarding, offering a source of strength amid life's challenges.

Understanding what a personal relationship with God truly means is essential. It's about intimacy and dialogue, trust and surrender, rather than mere belief or obligation. Whether you come from a Christian, Jewish, Muslim, or any other spiritual background, the essence remains the same: it's about knowing God on a personal level and experiencing His presence in everyday life.

What Does a Personal Relationship with God Look Like?

Often, people picture a relationship with God as something distant or formal—a set of rules to follow or rituals to perform. However, it's much more dynamic and intimate. Imagine it as a friendship or a deep bond with someone who understands you completely and loves you unconditionally.

Communication: The Heart of Connection

Just like any meaningful relationship, communication plays a central role. This communication often takes the form of prayer, meditation, or quiet reflection. It's not just about asking for things but also about listening—tuning into the subtle ways God might be speaking through thoughts, feelings, or circumstances.

Experiencing God's Presence Daily

A personal relationship with God means recognizing His presence in daily life. This might be felt during moments of awe in nature, in the kindness of others, or in the stillness of your own heart. Cultivating an awareness of this divine presence can transform ordinary moments into sacred ones.

Steps to Deepen Your Personal Relationship with God

If you feel a yearning to grow closer to God, there are practical ways to nurture this connection. It's a journey that requires patience, openness, and intentionality.

1. Dedicate Time for Regular Prayer or Meditation

Setting aside daily time to pray or meditate helps to create a consistent rhythm of connection. This dedicated time allows you to express gratitude, seek guidance, and simply be present with God without distractions.

2. Read and Reflect on Sacred Texts

Engaging with scriptures or spiritual writings offers insights into God's nature and His relationship with humanity. Reflecting on these texts can inspire and deepen understanding, helping you relate those teachings to your own life experience.

3. Practice Listening and Silence

In our noisy world, silence can be a powerful tool. After sharing thoughts and prayers, try to quiet your mind and listen. This practice can open your heart to subtle promptings or peace that may come from God.

4. Join a Faith Community

While a personal relationship with God is intimate, connecting with others who share your beliefs can provide support and encouragement. Fellowship allows for shared worship, discussion, and mutual growth in faith.

5. Serve Others

Many find that serving others brings them closer to God. Acts of kindness and compassion reflect divine love and help to cultivate humility and gratitude—qualities that enrich your spiritual relationship.

Common Challenges in Building a Personal Relationship with God

The journey toward a personal relationship with God is not always smooth. Doubts, distractions, and feelings of distance can sometimes arise. Recognizing these challenges can help you navigate them more effectively.

Feeling God's Absence

At times, life's hardships or inner struggles may cause you to feel disconnected or abandoned. It's important to remember that such feelings are common and often temporary. Persistence in prayer and faith can help bridge these dry seasons.

Balancing Expectations

Sometimes people expect immediate answers or dramatic experiences, which can lead to disappointment. Building a personal relationship with God is often a gradual process marked by small, meaningful moments rather than instant transformations.

The Impact of a Personal Relationship with God on Everyday Life

When nurtured, a personal relationship with God naturally influences various aspects of your life, fostering resilience and joy.

Emotional and Mental Peace

Knowing you are loved unconditionally can alleviate anxiety, fear, and loneliness. This inner peace becomes a refuge during difficulties, providing stability and hope.

Guidance and Wisdom

Through prayer and reflection, many find clarity in decision-making and a strengthened moral compass. This guidance helps align life choices with deeper values and purpose.

Improved Relationships

A loving relationship with God often inspires greater empathy and patience toward others. This can lead to healthier, more compassionate interactions with family, friends, and even strangers.

Personal Stories: How a Relationship with God Transforms Lives

Hearing how others have experienced God's presence can be inspiring. Many testify that embracing

a personal relationship with God has helped them overcome addiction, grief, or feelings of emptiness. These stories highlight that this connection is accessible to everyone, regardless of background or circumstance.

From Doubt to Faith

One individual shared how they struggled with doubt for years but decided to open their heart honestly to God. Over time, small answered prayers and moments of peace gradually built a steadfast trust that transformed their outlook on life.

Finding Purpose Through Service

Another person found that volunteering at a local shelter deepened their relationship with God. The experience taught them that serving others was a tangible way to live out their faith and feel closer to the divine.

Developing a personal relationship with God is a unique and ongoing journey. It blends faith, practice, and heartfelt connection in a way that can profoundly affect every area of your life. Whether through prayer, scripture, silence, or service, each step taken in openness invites more of God's love and presence into your world. The beauty lies in discovering that God is not distant but intimately involved in your story—always ready to listen, guide, and embrace you with unconditional love.

Frequently Asked Questions

What does it mean to have a personal relationship with God?

Having a personal relationship with God means developing a close, intimate connection with God through prayer, worship, and living according to spiritual principles, allowing individuals to experience God's presence and guidance in their daily lives.

How can I start building a personal relationship with God?

You can start by setting aside regular time for prayer and reflection, reading sacred texts, seeking fellowship with others who share your faith, and being open to experiencing God's presence in everyday moments.

Why is a personal relationship with God important?

A personal relationship with God provides spiritual support, inner peace, purpose, and guidance, helping individuals navigate life's challenges with faith and hope.

Can a personal relationship with God help with mental health?

Yes, many people find that their personal relationship with God offers comfort, reduces anxiety, fosters resilience, and encourages positive coping mechanisms, contributing positively to mental health.

How does one maintain and nurture a personal relationship with God?

Maintaining a personal relationship with God involves consistent prayer, meditation, studying spiritual teachings, practicing gratitude, engaging in community worship, and living according to one's faith values.

****Understanding a Personal Relationship with God: An Analytical Exploration****

a personal relationship with god is a phrase that resonates deeply across various cultures, religions, and individual spiritual journeys. It embodies a profound connection that transcends ritualistic observance and doctrinal adherence. This relationship is often described as intimate, transformative, and central to one's spiritual well-being. But what precisely constitutes such a relationship? How does it manifest in different faith traditions, and what are the implications for individuals navigating their spiritual landscapes today? This article aims to dissect the concept of a personal relationship with God through an investigative lens, incorporating relevant theological perspectives, psychological insights, and contemporary spiritual practices.

The Conceptual Framework of a Personal Relationship with God

At its core, a personal relationship with God implies an interactive and dynamic connection between the divine and an individual. Unlike institutionalized religion, which often emphasizes communal worship, doctrine, and external observances, this relationship prioritizes personal experience, communication, and individual transformation. The term is particularly prevalent within Christian discourse, where it signifies not only belief but also a lived experience of God's presence.

Defining Characteristics

Several features commonly define a personal relationship with God:

- **Intimacy:** A sense of closeness and familiarity, akin to a friendship or familial bond.
- **Communication:** The exchange of prayer, meditation, or contemplation where individuals seek guidance, express gratitude, or find solace.

- **Transformation:** An ongoing process of spiritual growth and moral development influenced by divine interaction.
- **Faith and Trust:** Confidence in God's presence and providence, even amid uncertainty or adversity.

These elements collectively foster a spiritual connection that is deeply personal and subjective, often defying rigid theological boundaries.

Comparative Perspectives Across Faith Traditions

While the phrase “a personal relationship with God” is most frequently associated with Christianity—particularly evangelical and charismatic movements—the underlying concept appears in various religious contexts, albeit with nuanced differences.

Christianity

Within Christianity, the personal relationship with God is central to evangelical teachings. It emphasizes salvation through faith in Jesus Christ and the indwelling of the Holy Spirit, which enables believers to experience God intimately. This relationship is often described as a dialogue, with prayer serving as a primary means of communication. The New Testament frequently refers to God as “Father,” underscoring a familial intimacy accessible to believers.

Judaism

In Judaism, while a personal relationship with God is present, it is often framed within covenantal obligations and communal identity. The relationship is expressed through adherence to the Torah, prayer, and mitzvot (commandments). Although the concept of a direct, personal connection exists, it is balanced with an emphasis on communal worship and tradition. The personal relationship is thus intertwined with collective responsibility.

Islam

Islam also embraces a personal connection to God (Allah), characterized by submission (Islam literally means submission) and devotion. Muslims engage in daily prayers (Salat) and supplications (Dua) to foster closeness with Allah. The Qur'an highlights the mercy and nearness of God to His servants, encouraging believers to maintain a conscious and continuous relationship with the divine.

Other Faiths and Spiritual Traditions

In Hinduism, Buddhism, and other spiritual paths, the notion of a personal relationship with a supreme being or ultimate reality can vary widely. Some traditions focus on self-realization and inner divinity rather than a personal deity. In contrast, bhakti movements in Hinduism emphasize devotion and love toward a personal god, paralleling Christian concepts.

Psychological and Social Dimensions

From a psychological standpoint, a personal relationship with God can profoundly impact mental health and well-being. Studies have linked such spiritual connections with increased resilience, reduced stress, and greater life satisfaction. The perception of a benevolent, omnipresent figure can provide comfort and a framework for meaning-making, especially in times of crisis.

Benefits and Challenges

- **Pros:** Enhanced coping mechanisms, moral guidance, sense of purpose, and community belonging.
- **Cons:** Potential for spiritual bypassing (avoidance of psychological issues through faith alone), feelings of guilt or spiritual inadequacy, and conflicts with organized religious expectations.

The relationship's personal nature means it can be uniquely empowering but also isolating if it conflicts with external religious structures or social norms.

Practical Ways to Cultivate a Personal Relationship with God

For individuals seeking to deepen their spiritual connection, several practices are commonly recommended. These approaches serve to bridge the gap between abstract belief and lived experience.

Prayer and Meditation

Engaging in regular prayer or meditative silence allows individuals to communicate with God, listen inwardly, and foster mindfulness of the divine presence. The practice varies widely, from structured prayers to contemplative silence.

Scriptural Engagement

Reading, studying, and reflecting on sacred texts provide insights into God's nature and guidance for daily living. This engagement nurtures understanding and strengthens faith.

Community and Worship

While a personal relationship with God is individually experienced, communal worship and fellowship can support spiritual growth by providing shared language, encouragement, and accountability.

Service and Ethical Living

Living according to spiritual values through acts of kindness, justice, and compassion often reflects the tangible outworking of a personal relationship with God.

Contemporary Challenges and Considerations

In an increasingly secular and pluralistic world, the quest for a personal relationship with God faces unique challenges. Skepticism, religious disenchantment, and the rise of individualized spirituality often reshape how this relationship is understood and practiced.

Individualism vs. Tradition

Modern seekers may prioritize personal experience over institutional religion, leading to diverse interpretations of God and spirituality. This can be both liberating and problematic, as it may dilute communal identity or doctrinal coherence.

Technology and Spirituality

Digital platforms have transformed how people explore and express their relationship with God. Online communities, virtual worship, and spiritual apps offer new opportunities but also risk superficial engagement.

Interfaith Dialogue

The increasing interaction among different faith traditions encourages a broader understanding of what a personal relationship with God can entail, fostering respect and shared spiritual values.

The exploration of a personal relationship with God reveals a complex, multifaceted phenomenon that transcends simple definitions. It intersects theology, psychology, culture, and individual experience in profound ways. Whether framed as friendship, devotion, submission, or inner realization, this relationship remains a central element of human spirituality, continually inviting deeper inquiry and reflection.

A Personal Relationship With God

a personal relationship with god: My Father and Your Father William Landon, 2003-10
This book is an attempt to relate the wonderful biblical truths about the possibility of having a living, personal relationship with God. This truth comes down through the entire history of the Christian faith, as well as in the Bible. Yet there is very little teaching or promotion of this truth in organized religion. This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community. Sadly, many people in religious organizations (not to mention people outside the religious system) doubt if a personal relationship with God is even possible. This is even sadder when we consider the Bible is very clear on this point. The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God's greatest desire for us. It is Bill Landon's hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living. For those who wish to explore the possibilities of a greater peace and fullness in their living, this book can be a help.

a personal relationship with god: How to Have a Personal Relationship with God Wendy Stefano, 2011-04-17
How to Have a Personal Relationship with GOD is written to Christians and non-Christians alike in an effort to reach those from all walks of life, regardless of religious persuasion. The goal of the book is to reach out to those who are lost and show them how they can know GOD more intimately as it teaches step-by-step, How to Have a Personal Relationship with GOD. The book will establish the reader in the truth according to GOD's Word as it pertains to salvation. It will impart knowledge and revelation based on the Bible giving readers the necessary tools to change their lives for the better.

a personal relationship with god: Walking with God Evangelist John Dye, 2011-03
This book is written to awaken the human spirit, so the individual will understand the personal relationship that exists with God apart from the church congregation or organization. God wants you to know when he's talking directly to you for your own good without distractions from those around you. God doesn't want you to be deceived by those who have titles in this world because he's removing them from their position. This book will put you on a spiritual path that's designed to bring you home in glory with God.

a personal relationship with god: God and You Anthony M. Coniaris, 1995
Our relationship with God is personal as well as communal. Jesus is personal as well as cosmic. God is immanent as well as transcendent. He is the God of persons: The God of Abraham, Isaac and Jacob. Much has been written about the communal, liturgical aspect of Orthodoxy. Drawing upon the rich resources of Sacred Tradition this book shows how faith is also personal; prayer is personal; the sacraments are personal; the creed is personal; Sacred Tradition is personal; spirituality is personal; the Trinity is personal, etc. In fact, if faith is not personal it is not real. The ultimate purpose of this book is to help every Christian establish a daily personal relationship with Jesus. Revised and expanded.3rd printing.

a personal relationship with god: Having a Personal Relationship With God Ms. Zelia

Champ, 2007-02-07 Having A Personal Relationship With God is my account of how one can truly be successful in life by having a certain state of consciousness. In the King James Version of the Bible. Isaiah 26: 3 states, Thou wilt keep him in perfect peace, whose mind is stayed on thee, because he trusteth in thee. The mind is the standard of the man and woman. God works through our mind. He blessed us with this wonderful gift called the mind. Maintaining a close mental and spiritual consciousness with God is the key to an individual holding on to a positive attitude and will to be true and do the right thing. Having this relationship with God will ensure a couple in acquiring and maintaining a prosperous and happy marriage. The scripture Genesis 11: 6 brings into full fruition my book, Having A Personal Relationship with God.

a personal relationship with god: *God My Father* C.A. Campbell, 2020-02-12 Each one of us either know our earthly father personally, or we have a vision of him from what we have been told about him. The same applies about our heavenly Father. We go to church and conventions, and listen to messages about how good our heavenly Father is and what He will do for us, yet many of us need to develop a personal relationship with Him. Some of us have a relationship with our heavenly Father; however, there is a need for a more intimate relationship, but we are afraid to draw closer because of our mistakes and unfaithfulness. God My Father talks about where we first began spiritually, our natural birth, and the stages to our rebirth in the Spirit. God's unconditional love is shown through the struggles of life before and after rebirth as the author shares her spiritual journey and God's mercy shown to her. Your heavenly Father loves you; He yearns to have an intimate relationship with you too.

a personal relationship with god: *What Is a Personal Relationship with God?* Martin R. De Haan (II), RBC Ministries, 1997

a personal relationship with god: *Personal God* Tim Stafford, 2008 It is an astonishing claim to say one can have a personal relationship with God. When you say you have a 'personal relationship' with a famous person, it means you can get to that person outside of official channels; you can call him at home. Other people may know him by reputation, but you know him. You are not just associates, you are friends, and this is the promise God holds out to every Christian ... and everyone who wants to become a Christian.

a personal relationship with god: Looking for God Alexys V. Wolf, 2009-11 Discerning the difference between religion and spirituality provides uncertainty for even the most devoted believer. For a newborn Christian or non-believer, being tossed into the sea of confusion when it comes to the mysteries of God and the 'fleshy' church can be daunting enough to have anyone run the other way. Maybe you are confused by different religions or find hypocrisy in the church. Maybe you find your relationship with God leaves you feeling bored and lifeless, or the hype surrounding the church does not meet your needs. Whatever your reason for lacking a personal relationship with God, you can still learn the tools to strengthen, build, and mend a spiritual union with your Creator. While many straddle the fence between religion and spirituality, author Alexys V. Wolf hopes to guide you in your transition from rigid religion to spiritual intimacy with God. Learn to walk in divine light and authority, grow the courage to live a fulfilled life of peace and understanding without judgment, and develop patience and wisdom with your fellow believers. By creating a private bond with God, you will hunger for the Word and never again get lost in the mundane world of man-made religion. By learning to die to the flesh and accept God's powerful association in your life, you will no longer be lost at the crossroads of religion; rather, you will develop a friendship like none other with the Father and radiate a light that will shine for others. Challenge yourself now to Look for God.

a personal relationship with god: Building a Personal Relationship with God Johnson Mbabazi Frsph, 2019-09-14 The Bible shows you the way to salvation, with a special focus on where you stand with God, how your sin keeps you from knowing him, and how Christ connected the gap between humanity and God. This book explains how you can rebuild a strong relationship with God. This can only be achieved by initiating your journey with genuine strong faith. If you build a strong relationship with God, God will guide you through challenges and storms using the Holy Spirit. If God causes a situation to fail is using that situation for you teach others and rescue others in similar

positions and elevate you only by his will provided it is God's will and not your will .This means you are not the causation of a situation .It must be entirely God's will to build a strong relationship with you. There must be strong faith, trust and loyalty. A strong relationship with God is built through fearing Him to acquire wisdom and understanding, praying without ceasing, fasting, meditating the scripture and practising what you understand only by his word. The best relationship is built with God is through understanding his mind than rather than his acts or ways. You need to understand God's mind to grow that intimate relationship with God as he is the author of his own mind.

a personal relationship with god: A Personal Relationship Claude Pitout, 2013-07-24 This is no idea or new concept, A Personal Relationship involves and teaches one on a path that is not religious, that one need not necessarily need to go to church in order to believe in God but that one can have a personal relationship with God in the comfort of their home and thus came about the name A Personal Relationship. A personal relationship being non religious does not matter what religion, faith or path you are from as not only are all these paths but part of the stream that lead to the ultimate source but that a personal relationship should be the base to all religions, faiths or paths as it is your one on one personal experience with God that matters. A Personal Relationship provides one with a basic foundation rooted in belief, trust and faith and then goes on to teach one crucial aspects to a relationship with God like gratitude and forgiveness. The book then takes you into a path of goodness and talks about the principle to love one another, to bring you into right relation with God so that you can have a fruitful and fulfilling path and life with God.

a personal relationship with god: Personal God Tim Stafford, 2010-08-03 What do you mean when you say you've got a 'personal relationship with God '? Have you thought through the implications of that statement? We've heard it repeated so often that for many of us it has become just another Christian buzz phrase. But stop and think ... A personal relationship ... with GOD? Really? Personal how? How personal is it for you? Can a finite human being really have a personal relationship with a Being who stands outside the universe and inside the atom, who covers the earth with living things, and touches the human heart with life? Is this just a pious fiction, or can we really know and be known by this God, personally?

a personal relationship with god: Jesus Is for Everybody Sophia White, 2008-05 Sophia Whitewrites about the development of her personal relationship with God, in terms of life, rather than religion. She heartily encourages everyone to know God through the life of Jesus Christ, whose ministry brought revelations from God to the world. It was important for God to illustrate how we must rely upon one another to survive. Once we are able to identify with his common-sense approach to God's love, we are enabled to approach one another with love. The earth's population consists of billions of individuals with the ability to do anything at any time, thanks to the God-given gift of free will. However, there is an accepted natural world order that was designed by God. Since the death of Jesus Christ, many events have shown this natural order and humanity's extensive communication with God through him. JESUS is for Everybodyhelps illustrate the contents of the Bible that are related to topics being discussed in the media today. The relationship between God and humans has existed since the beginning of time, so when a personal relationship with God is established and based solely upon matters of the heart, stability is achieved.

a personal relationship with god: The Soul's Sincere Desire Dr. Beletia Marvray Diamond, 2022-08-01 The Soul's Sincere Desire: Establishing a Personal Relationship with God explores the promises, the privileges, the advantages of establishing and maintaining a personal relationship with God. Prayer is quite often viewed as subject matter for discussion in Sunday/Church school, weekly Bible studies, or it is even preached during Sunday morning sermons. It appears, the early disciples of Jesus, in their daily interaction and observation of Jesus, their leader/teacher, believed themselves to be deficient in prayer. When asked to teach them to pray, Jesus began his teaching with much confidence, adamantly uttering, Our Father who art in heaven, hallowed be thy name. . . There are many people who believe themselves superior to others. Jesus taught relationship with God is inclusive, experiential, and experimental.

a personal relationship with god: Developing a Personal Relationship with God Richard

Elliott, 2023-11-10 The author's second book, DEVELOPING A PERSONAL RELATIONSHIP WITH GOD THE ONE WHO CREATED THE UNIVERSE, is a follow-up to his first book REFLECTIONS ON LIFE. In the first book, the author found the answer to Who am I which led him to develop a firmly grounded belief system and deepen his understanding of Who is God. In the second book, the author shares his personal spiritual journey to develop a personal relationship with God. The author believes that humanity is not capable of fully comprehending who or what God is and that the names humanity has given their gods are the gods they understand. The author is a Christian but believes that his understanding of God is limited by Christian theology. He believes that to develop a personal relationship with God, he must go beyond his limited understanding of his Christian God and develop a relationship with the God that is just beyond his understanding. The book is divided into five chapters, with Chapter 1 focusing on how God's revelations revealed His existence to all humanity and all religions. Chapter 2 focuses on Jesus Christ as God's living presence who models and teaches humanity how to coexist. Chapter 3 focuses on the Holy Spirit, which is in all of creation and every human being, and where one can develop a personal relationship with God. Chapter 4 puts everything together, and Chapter 5 provides final thoughts and emphasizes the importance of developing.

a personal relationship with god: Knowing the Face of God, Revised Edition Tim Stafford, 2005-09-23 There is no deeper, more intense human longing than to know God is real and to see Him face to face. In some circles, having a personal relationship with God is synonymous with being a Christian. We are told, in fact, that we 'must' have such a relationship if we are truly God's children. But if we are honest, says Tim Stafford, we must admit that often there is a considerable gap between our talk and our experience. We want to know God. The problem is that we don't know how to know Him. How do we know God personally? After examining the traditional answers and finding their shortcomings for himself, Stafford began his own search for the means to knowing, personally, a personal God. 'Knowing the Face of God' is the moving record of his quest.

a personal relationship with god: Pursuing Intimacy With God Kevin Bart, 2018-11-27 New Edition - Improved format and 40% more material. Pursuing Intimacy With God Bible study books & site to help you grow closer to God and enjoy intimacy with God. The study has really transformed my life and family. - Samuel The time and effort you sow into reaching thousands upon thousands of people globally has and continues to touch lives and edify the body of Christ. I am thankful to God and to your ministry for your work. - Carlos, South Africa We want you to know how much this guide has been a blessing to us. We have been using it on a regular basis and I'm sure it will always be a resource in our permanent library. Keep doing what you are doing. This has really changed our lives.- Carrie, US What an awesome thing that your ministry is sharing with the world. God's word is user friendly, spoken as Jesus did where all can understand and want to learn more of Jesus, study more and do his will. I have never found such detailed shared information of God's word all in one book. - Ruby, US Thank you so much for your website. I've benefited so much from it and it has helped me so much in my relationship with Jesus! I believe its the no1 thing I need to pursue. - Zsuzsi, Hungary Your website, what I've read so far is an overwhelming refreshing shower to my spirit. To discover a ministry that focuses on loving God is so utterly a confirmation to me. What could be more important? Fathomless depths. Thank you for your

precious hearts. - Julia, US Just wanted to say thanks for this site. I typed in the search because this is what God has been doing in my life. Drawing me into intimacy. - Stephen, Australia The material on your website is awesome. Glory to God ! - Ray, US I am in awe of the study book. I did not expect to receive so much information. Thank you. - Olivia US I have been blessed by your site & studies. - Dorota, Poland The study was excellent ! I could understand it. It was done beautifully and simply... God has changed our lives through this study. We are both working for a soft and humble heart. - Nancy, US Once again I cant thank you enough; your help is much appreciated and I am so grateful towards you for this. - John, Ireland I will certainly join in praying for this study and for you as you continue to work with it as the Lord directs. Those weeks of study were so very meaningful to me! - Reid, US Hi, Thank you for publishing this great material. - Johan, South Africa Praise the Lord. Please I request a copy of your wondrous book. - Meshak, Uganda

a personal relationship with god: A Very Personal Relationship. "God" and the Christian Religion and me Calvin K. Tillson Preddie, 2011-10-22 Our Sun is 26,000 light years away from the center of the Milky Way Galaxy, and when we consider the size of the Milky Way Galaxy and view the relative size of the planets, it puts the Earth into true perspective. However, it also magnifies Who, What or Which Presence or Force(s) was/were in the Beginning, which is responsible for all the celestial bodies and all life of any kind in this, and/or any other universe. -- This book is really about one individual's faith that whoever, whatever or whichever was in the Beginning is of a Divine Nature, to which he has assigned the term God. It is about a Divinity that transcends the limited God as discussed in Romans 1, which was made to resemble the corruptible man, which displeased God and lead to unseemly punishment for humans. It is about faith in God of our, and every, universe. -- The author believed then, and more so now, that everything that happened was exactly as God wished it to be. He contends that events were used to encourage man to be innovative, curious, loving, caring, and also the opposites of all these characteristics and others, so that progress of civilization could be accomplished, which would lead to an, eventual, better human to populate the world of the future and, perhaps, to live in harmony with other life forms from other stellar bodies. The book is about a God that members of all religions could believe in, and which could be viewed, satisfactorily, even by some disbelievers. -- This is the author's second non-fiction work.

a personal relationship with god: A Personal Relationship Claude Henry Norman Pitout, 2015-03-03 In life we are all searching for something and in life there is something we all need and may be lacking, we live our stressful lives in search of wealth for temporary comfort and worldly desires in search of pleasure, yet there is something we all need and are lacking. The thing I feel we all search for and may be lacking is love, the greatest command was to love God and I say be loved by Him in return, we all search to love and be loved, through a personal relationship with God we come to find love, not only is God love but we begin to love God and God loves us in return, finding the highest form of love. In order to have an experience with God one does not necessarily need to live a religious lifestyle or have to go to church but that rather through talks, prayers and communion with God one can form and have their very own personal relationship with God their dad. "A personal relationship" is based around and rooted in belief, faith and love and helps one to learn to trust and rely on God on a day to day basis in your life. In order to be in right relation with God and to live and experience the fullness of God's favour and blessings "A personal relationship" teaches one the wisdom of the importance of a path of goodness, to be a good person and to always give out and do good, it then takes you into the principle to love one another as we wish to be loved in order to be in right relation with God. A personal relationship with God does not matter what religion, faith or path you are from as all the streams of a river but lead to the ultimate source God and as a personal relationship should be the base to any religion, path or faith as "are you just religious?" or do you truly have a relationship with your God. A personal relationship with God is a one on one personal experience that we have with God our father and dad and can be done in a quiet moment where we find the space and time or even when we find a peaceful moment like watching the sun set over the ocean, there in this space and time, there in a peaceful moment we enter talks and prayers with God where we get to know and experience God on a close and personal level and

God likewise gets to know and experience us on this same level in the comfort of our own home, not in any congregation or gathering.

a personal relationship with god: Born Again Charles Morris, 2020-03-02 BORN AGAIN It was 01:00 a.m. as I knelt next to my bed, and my pounding heart felt like it was seeking a way through my throat. My brain was in overdrive, trying to process what was happening. It was decision time as I faced the crisis of faith. Do I choose eternity with God or continue a life of alcohol and drug addiction? Eternity with God or the nefarious fame and wealth of a drug dealer? What will I choose? Heaven or Hell? Hot tears make their way down my cheeks. Oh God, help me to know if you are real, and if Jesus Christ is Your Son and my Savior, show me now. Jesus, save me. I give You my life. Then God's suddenly happened. It was as swift and warm as summer breeze flowing inland from the ocean. It was calming and peaceful as warm oil being poured over my head and dripping down my shoulders until it thoroughly washed over me. Then the Father's presence descended heavy, from the top of my head to the tips of my toes. I continued to weep, but now it was tears of joy and relief. I knew that I had just experienced the new birth. AM I REALLY SAVED? Was it real? How can I be sure I'm a Christian? How do I know that I am born again? Can I be saved without fear and doubt? What is the evidence of being a Christian other than I prayed a prayer? Jesus said some would do seemingly Christian things in His name, but Jesus proclaims that they do not know Him, and He does not know them. BORN AGAIN is divided into four sections. SECTION 1: Examining Ourselves To Guarantee We Are In The Faith SECTION 2: The Five Evidences Of Salvation SECTION 3: The Fruit Of The Holy Spirit SECTION 4: God's Master Plan Of Salvation This book is a Bible study on salvation with a list of Bible verses on the assurance of salvation. BORN AGAIN incorporates the Romans Road verses to salvation using KJV, ASV, and ESV scriptures and is about experiencing God and knowing and doing His will. This book is filled with Bible verses teaching us how to develop and about having a personal relationship with God. What was Christ's strategy for evangelism? Maybe like me, you have been questioning evangelism methods used today. What is God's master plan of evangelism? Conversational evangelism brings witnessing down to asking three questions. Do you believe you are a sinner? Do you believe that Jesus Christ is the Son of God and God? Do you believe there a judgment of hell for all who reject God's gift of salvation? We share the prayer for salvation Bible verses and how it is important that we pray the prayer of faith. This book will show you the elements that make up a testimony and guide you through the process of writing your personal testimony and share it in a matter of minutes.
