That's why Gladie is more than a little skeptical when her Grandma Zelda—who is more than a little psychic—recruits her into the family's matchmaking business in the quaint small town of Cannes, California. What's more, Gladie is also highly unqualified, having a terrible track record with romance. Still, Zelda is convinced that her granddaughter has her clairvoyant "gift." But when the going gets tough, Gladie wonders if this gift has a return policy. * When Zelda's neighbor drops dead in his kitchen, Gladie is swept into his bizarre family's drama. Despite warnings from the (distractingly gorgeous) chief of police to steer clear of his investigation, Gladie is out to prove that her neighbor's death was murder. It's not too long before she's in way over her head—with the hunky police chief, a dysfunctional family full of possible killers, and yet another mysterious and handsome man, whose attentions she's unable to ignore. Gladie is clearly being pursued—either by true love or by a murderer. Who will catch her first? * *Citizen Pain*: * Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda, Gladie is always looking for love. But when an unbearable toothache knocks her out of commission and into the dentist's chair, she prays only for relief. No such luck. Emerging from an anesthetic haze, Gladie awakes to find that not only is her tooth still throbbing, but her dentist is dead—and the lead suspect in the murder, office receptionist Belinda, just so happens to be Gladie's first real client. Now it's up to Gladie to find Belinda a man and keep her from being locked up behind bars. * As if that weren't enough distraction, two gorgeous men are vying for Gladie's attention: Spencer, the playboy chief of police, and Holden, Gladie's secretive, gorgeously muscled neighbor. Still, Gladie's not complaining about having a helping hand or two when the case leads her to a dangerously bizarre cult. She may have met her match—and if she's not careful, it could be her last. * *The Wizard of Saws*: * Five months have passed since Gladie Burger came to Cannes, California, to join her eccentric Grandma Zelda in the family matchmaking business, and Gladie is quickly mastering the rules of attraction. Her latest fix-up is still going strong and Gladie's bank account is back in the black—until a rival matchmaker arrives in town and has both Gladie and Zelda seeing red. * Not only is self-proclaimed psychic Luanda Laughing-Eagle stealing Grandma Zelda's clients, but Zelda is convinced that Luanda's ESP is total BS. She tasks Gladie with exposing Luanda as a fraud, but Gladie's attention is diverted when murder comes a-calling. Spencer Bolton, the gorgeous chief of police and Gladie's on-again, off-again flame, wants her to stay out of the investigation—and away from the deliciously chiseled detective who also aims to win Gladie's heart. But the one thing Gladie's learned is that in business, love and murder . . . it's always personal. * *Field of Screams*: * Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda, Gladie has had little success. Involved on one level or another—hot sex, almost committed, and crying in her pillow—with three men, Gladie distracts herself by giving up on matchmaking and starting a new career. But when Gladie stumbles on body parts of dead baseball players all over town, she's dragged into solving yet another murder mystery. With her life in chaos and the killer getting closer, Gladie has to come to terms with the fact that love is murder. * *From Fear to Eternity*: * It's still up in the air whether Gladie really has her psychic grandmother's "gift," but she's determined to finally give matchmaking her best shot. She's also determined to give her new relationship with hottie Police Chief Spencer Bolton a shot...that is, if she can find him. * Despite her good intentions, Gladie is being sued by a matchmaking client, but even with bankruptcy around the corner, that's not her biggest problem. There seems to be a rash of dead senior citizens popping up at the tea shop owner's family home. Gladie is recruited to find the murderer, but this time she may have met her match—and if she's not careful, it could be her last. * *West Side Gory*: * Life is going great for Gladie Burger. She's having lots of sex with her hottie boyfriend, Chief of Police Spencer Bolton, she's settled into her matchmaking career, she's got a new car, and it's been

over two weeks since she's stumbled on a dead body. It seems like she's finally got her life on track, since she moved in with her psychic grandmother to help her with her matchmaking business. * But when a stomach ache proves to be more serious, she finds herself in West Side Hospital, preparing for surgery. Befriending the woman in the next bed in her hospital room, she becomes distressed when the woman vanishes. Alerting the hospital staff, they tell her that the woman never existed. Has Gladie lost her mind, or is something more sinister happening at West Side Hospital? *

Scareplane: * Gladie is nervous about her upcoming vacation with hottie police chief Spencer Bolton. She's never flown before, and she's not looking forward to the experience. Her fear is heightened when a plane crashes into the house across the street. But there's little time to think about it because their town is hosting a law enforcement conference, where Southern California's finest are coming to discuss law and order. Everything is going to plan. Spencer is hailed as a great police chief, and Gladie is fixing up half of the town...until one of the guests—a famous police czar—drops dead. Now everyone is a suspect, and Gladie is being prevented from investigating the death by the new police detective on the force...a hottie female cop who thinks Gladie is enemy #1 and Spencer is marriage material. * It Happened one Fright: * Spencer might have marriage on his mind, but Gladie is distracted by her best friend's troubles and a busy matchmaking month. The father of Bridget's baby is threatening to take custody away from her, and when he winds up murdered, Bridget becomes the top suspect. Now, Gladie must juggle her own love life, her matchmaking, and proving that Bridget is innocent, not to mention dealing with the town's attempt to break the world record for the largest Easter egg hunt. But poking around is dangerous, and Gladie could be next on the killer's hit list. * The Big Kill: * Progress is being made on Gladie's house and her impending wedding. Meanwhile, her best friend Bridget is ready to give birth. But all of that takes a backseat to Gladie's discovery in her grandmother's attic about her father. It looks like her father's motorcycle accident when she was a child was no accident, and now Gladie is thrust into her father's world, where his best friends could have been his murderers. Will Gladie find the killer before she's next? *

It's a Wonderful Knife: * It's wedding time in Cannes. Gladie's wedding. But once again, love has to take a backseat to murder. Will Gladie's wedding go off without a hitch? Ha! Just kidding. Enjoy the mayhem as Gladie and Spencer finally say their vows and realize their happily ever after. * Ship of Ghouls: * Gladie and Spencer are finally married. After they're gifted a honeymoon cruise, they're on their way into international waters. But the ship is less than luxurious, and the ship's crew isn't what they seem. When Gladie stumbles on a dead body, the newlyweds are thrust into a life-or-death mystery. Gladie's "gift" could come in handy to find the killer, but she might find herself overboard before justice is served. * Road to Matchmaker: * A month before Gladie Burger moves to the small town of Cannes, California to help in her grandmother's matchmaking business, she's busy moving from one temporary job to the next. Living in Los Angeles in a studio apartment over an Italian restaurant, she works in a used book store doing inventory, but she spends most of her time reading the collection of old murder mysteries. After an accident involving the books, Gladie has lost her memory and believes she's the detective in the last book that she read. Determined to track down her arch nemesis, Gladie finds herself in a real-life mystery and an adventure of a lifetime. *

complete collection of dr seuss: *The Dr. Seuss Catalog* Richard H.F. Lindemann, 2015-02-16 Theodor Seuss Geisel--known worldwide as the beloved children's author Dr. Seuss--produced a body of work that spans more than 70 years. Though most often associated with children's books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns (Quick, Henry, the Flit!), and won Oscars and Emmys for motion picture productions, animated shorts, and features. As founder and president of Beginner Books, his influence on children's book publishing was revolutionary, especially in the field of elementary readers. Geisel's prolific career--he wrote or contributed illustrations to more than 75 books, most of which have been reprinted repeatedly and translated worldwide--and his predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information, including translations as they appear, reissue information, and descriptions of the binding. The iconography links more than 900 fictional names, places and terms to the works in which they appear. For the reader seeking a first edition of *Quomodo Invidiosulus Nomine Grinchus Christi Natalem Abrogaverit* (How the Grinch Stole Christmas! translated into Latin) or hoping to identify abrasion-contusions (race cars in *If I Ran the Circus!*), this work promises as much discovery as a walk down Mulberry Street.

complete collection of dr seuss: Second Circle Tattoos, The Complete Series Scarlett Cole, 2017-01-03 Meet the heroes of Second Circle Tattoos. Trent, Cujo, Dred, Reid. And now all four books from Scarlett Cole are together for the first time in a fabulous, low priced eBook bundle featuring an exclusive epilogue. Why pick one book boyfriend when you can have all four? The tattoo artist with a heart of gold. The playboy with his own hidden scars. The international rockstar who longs for a home. The mechanic with a dark past. The Strongest Steel Harper Connelly never expected to find herself outside of a tattoo parlor at one in the morning. The scars that decorate her back are just one more reminder of things she'd rather forget, the past she wants to leave far behind her, but before she can move on, she needs him. Trent Andrews has his own reasons for specializing in inking over scars. And there's no way in hell he's going to turn Harper away. The Fractured Heart Tattoo artist Brody Cujo Matthews knows how to keep things simple. In life and in love. That all changes when he meets Drea Caron, the definition of high maintenance and sizzling curves. And the one woman he doesn't want to walk away from. Andrea Drea Caron is broke and tired. After years of caring for her ailing mom, she's at the end of her rope trying to manage the piling medical bills, two jobs, and a life placed on hold. She certainly doesn't need the added frustration of a sexy playboy tattoo artist messing up her carefully balanced life. Too bad the universe has other ideas. The Purest Hook Rugged, hot, and rock hard, Dred Zander is exactly the type of man that normally sends Pixie running. Not dreaming about running her hands down his washboard abs...and lower. The lead singer and guitarist for the band Preload embodies trouble behind his quick smile and guarded eyes, and Pixie left trouble behind her years ago along with the name Sarah Jane Travers and the pathetic trailer her mom called home. But Dred has other ideas. The Darkest Link When her car breaks down off the side of a lonely highway far from her sunny Miami home, tattoo artist Lia never expected her very own white knight to ride up on the back of a barely street-legal motorcycle...and she never expected to fall for her dark savior. A bruised heart Lia is not looking for forever, and the hot mechanic, with his sexy scruff and shaggy hair, is simply impossible to resist.
