guiding principle crossword clue: Daylight Saving Time W. Berner, David, 2024-07-26 When we are young, we think little about growing old. But time soon catches up with us: the first gray hair, a buckling knee, the purchase of reading glasses, or when a heart attack at the age of 56 rattles your world and reminds you that none of us gets out of here alive. In this meditative and intimate personal narrative on the act of aging, David W. Berner discovers how to accept and revel in the present, when the days that remain are fewer than those that have passed, and offers a path for celebrating life's final chapters. Through the lessons of seasonal change, the natural world,

literature, and spirituality, Berner gives us a kind of instruction book on the art of growing older, challenging us to accept aging's transformative powers. As a keen observer of the world, he forms a guiding philosophy on how to discover joy in the time we have left and nourishment in life's remaining seasons.

guiding principle crossword clue: *Peter Hammill on track* Richard Rees Jones, 2022-08-05

The British singer, songwriter and musician Peter Hammill is one of the key figures in the history of progressive rock. As the leader and main creative force of Van der Graaf Generator, he was behind some of the most powerful and compelling rock music of the 1970s, and since VdGG reformed in 2005 has continued to lead the group down a unique musical path. But Van der Graaf Generator are only part of the Peter Hammill story. Beginning with 1971's *Fool's Mate* and continuing all the way to 2021's *In Translation*, Hammill has carved out a lengthy solo career consisting of some 35 albums, plus many live albums and collaborations. The range of styles in evidence on these albums is remarkable, from baroque progressive rock to snotty proto-punk, angular new wave, delicate ballads, electronic experiments and he even wrote and recorded a full-length opera. This is the first book to offer an in-depth exploration of Peter Hammill's solo discography, revealing the sonic intensity and emotional turmoil that lie at the heart of his work. The book is an invaluable companion to Dan Coffey's *Van der Graaf Generator On Track*. Richard Rees-Jones lives in Geneva, Switzerland, where he works for an international organization. He previously lived in Vienna and wrote the chapter on music for the *Time Out Guide to Vienna*. He has also written album reviews for the acclaimed music website *The Quietus* and for *The Sound Projector* magazine. He comes from Salisbury, south-west England, and studied English at Sussex University. He is married with two children. This is his first book.
