rebecca brown becoming a vessel of honour: *Pentecostal Exorcism* Opoku Onyinah, 2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures. This unique book provides a thorough, field research-based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana. Anthropological studies generally claim that the ultimate goal of exorcism is modernisation. Using interdisciplinary studies with a theological focus, the author takes a different view, arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry, where the focus is to identify and break down the so-called demonic forces by the power of God and to deliver people from their torment. The deliverance ministry is one attempt to contextualise the gospel for African people. However, preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture, family ties and other religions. In order to develop a properly safeguarded ministry of exorcism in an African context, the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation, which has strong resonances with the biblical concept of prayer.

rebecca brown becoming a vessel of honour: *Divinity* Ev. Paul Mukendi, 2017-05-31 No book has ever attempted to deal with the subject of divinity in its entirety. Here at long last is a comprehensive book dealing with divine beings in its complexity. It provides the reader with accurate and insightful knowledge concerning the concept of divinity. The author gives a clear explanation of the Triune nature of God. God is one being, manifest and existing in three distinct identities or persons, which is further discussed as being comparable with the makeup of a human being. God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind. The divine nature of God resides in all spirits. Therefore, men have God's nature in their spirits; they can communicate with and receive the things of the spiritual realm. Through sin, humanity has lost the nature of God; for all have sinned and fall short of the glory of God. The purpose of the Bible is to spiritualize humankind, because we have fallen short of the glory of God. The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ.

While Jesus dealt with the sensitive issue of sexual sins, he did not speak loudly and make a long sermon, but quietly wrote it down. Sometimes honest words that are of a sensitive nature should rather be written down than said. A Black Metal band honored Satan in Krakow, Poland, in 2004 by exhibiting on stage 120 decapitated sheep heads. Some of these stories, as absurd as they might sound, were real. rebecca brown becoming a vessel of honour: WHAT DO I DO WITH MY PAIN? Ann Gwen Mack, 2010-12-11 WHAT DO I DO WITH MY PAIN? Preparing for church on October 10, 2010, I was reminded of the ways in which I was being used by God in accomplishing HIS will. I am truly grateful, appreciative and remorseful all at the same time. Remorseful because I can remember a time I not only ran from God and what HE had to offer me, but I doubted HIS existence. Grateful because in spite of me and my past, God still loved me [John 15:13] and wanted nothing but the best for me. Appreciative because God never stopped trying to reach me! In creating me for a purpose with a purpose, HE was persistent in HIS approach in making sure I receive my inheritance. Persistent to the point of revealing HIMSELF to me and allowing me to see myself through HIS eyes! My passion for God this day is nothing like I would have imagined. Great is my boldness of speech toward YOU, great is my glorying of YOU: I am filled with comfort, I am exceedingly joyful in all my tribulation. [2 Corinthians 7] Ordering my steps while rebuilding my confidence (trust, belief) and faith in HIM, God was training me to be fearless and teaching me to fight for the uplifting of the Kingdom. Finally, unselfishly yielding myself to HIM, HE gradually enlightened me to HIS plan for my life. Then I realized God was and is with me always as I gladly accepted my assignment in knowing God was deliberately putting me in situations [sending me in places where there was darkness to be HIS light]. Once I was in, God gave me no way out as HE forced me to stand and fight. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. [Romans 8:15] So, this is not a time for passivity! It is a time for all of God's children to join in Spirit as we connect to God's heart in fulfilling HIS will.
