

americas prisoner the memoirs of manuel noriega

Americas Prisoner: The Memoirs of Manuel Noriega

americas prisoner the memoirs of manuel noriega offers a rare and gripping glimpse into the life of one of Latin America's most controversial figures. Manuel Noriega, the former military dictator of Panama, is a name synonymous with Cold War intrigue, political upheaval, and the complex relationship between the United States and Latin America. His memoirs, often described as both a confession and a defense, provide readers with an unfiltered perspective on his rise to power, his eventual downfall, and his years spent behind bars. For those interested in political history, international relations, and the personal stories behind global events, this book is a compelling must-read.

Understanding the Context of Americas Prisoner: The Memoirs of Manuel Noriega

To fully appreciate the memoirs of Manuel Noriega, it's essential to understand the turbulent political landscape of Panama during his rule. Noriega's regime, which spanned from the early 1980s until the U.S. invasion in 1989, was marked by both strategic alliances and brutal repression.

The Political Climate in Panama

Panama, due to its strategic location and the presence of the Panama Canal, has always been a key player in international politics. During Noriega's time, the country was a battleground for influence between the United States and various Latin American factions. Noriega himself was originally an ally of the CIA, providing intelligence and support in the fight against communism during the Cold War.

However, as his grip on power tightened, accusations of drug trafficking, corruption, and human rights abuses began to surface. The U.S. government, which once supported him, eventually turned against Noriega, culminating in the 1989 invasion known as Operation Just Cause.

The Significance of Noriega's Memoirs

Americas prisoner the memoirs of manuel noriega serve not only as a personal narrative but also as a historical document that challenges the mainstream portrayal of Noriega. In the memoirs, Noriega attempts to frame his story through his own lens, addressing his motivations, regrets, and the complexities of his relationship with the United States.

This firsthand account allows readers to explore the nuances often lost in political rhetoric and media coverage. It reveals the human side of a figure frequently demonized or romanticized, making

it a valuable resource for historians and curious readers alike.

What Readers Can Expect From Americas Prisoner: The Memoirs of Manuel Noriega

The memoirs delve into various aspects of Noriega's life and career, blending personal anecdotes with political analysis. Here's a closer look at what makes this book a unique contribution to Latin American history and political memoirs.

A Candid Look at Noriega's Early Life and Rise to Power

Noriega's journey from a young military officer to the leader of Panama is detailed with surprising honesty. He reflects on his upbringing, military training, and the alliances he forged within the Panamanian Defense Forces. These chapters offer insights into how he navigated the treacherous waters of Panamanian politics and international diplomacy.

Readers learn about the delicate balance Noriega tried to maintain between serving U.S. interests and asserting Panama's sovereignty. His narrative sheds light on the complexities of power in a small but geopolitically significant nation.

Behind the Scenes of International Espionage and Influence

One of the memoir's most fascinating elements is Noriega's recounting of his work with intelligence agencies, including the CIA. He discusses covert operations, espionage, and the delicate dance of loyalty and betrayal that defined much of his career.

The memoirs expose how Noriega was both a tool and a player in the larger game of Cold War politics. This insider perspective enriches readers' understanding of how international alliances can shift and how individuals become pawns or kings in the process.

The U.S. Invasion and Noriega's Imprisonment

The climax of the memoirs centers on the 1989 U.S. invasion of Panama, which led to Noriega's capture and extradition to the United States on charges including drug trafficking. Noriega describes the invasion from his viewpoint, offering a critical take on American interventionism.

His years in prison, including time in the U.S. and later in France and Panama, are recounted with reflections on justice, revenge, and redemption. These passages humanize a man often reduced to headlines, revealing his inner struggles and resilience.

Why Americas Prisoner the Memoirs of Manuel Noriega Matters Today

In an era where geopolitical tensions and questions of sovereignty remain urgent, Noriega's memoirs offer lessons that resonate beyond their historical moment.

Lessons on Power and Accountability

Noriega's story is a cautionary tale about the dangers of unchecked power and the complexities of international alliances. His memoirs encourage readers to think critically about how governments interact behind closed doors and the consequences these actions have on ordinary citizens.

Insights Into U.S.-Latin America Relations

The memoirs provide a fresh lens through which to view the often fraught relationship between the United States and Latin America. Noriega's narrative challenges simplistic notions of good versus evil and highlights the shades of gray in foreign policy decisions.

Understanding the Human Side of Political Figures

Beyond politics, the memoir invites empathy and reflection on the human condition. Noriega's candor about his flaws and ambitions offers a reminder that history is shaped by individuals with complex motivations and emotions.

Tips for Reading Americas Prisoner the Memoirs of Manuel Noriega

If you're planning to dive into these memoirs, here are some suggestions to enhance your reading experience:

- **Familiarize Yourself With Panama's History:** A basic understanding of Panama's political landscape during the late 20th century will help contextualize Noriega's story.
- **Consider Multiple Perspectives:** While the memoir offers Noriega's side, supplement your reading with other accounts to get a balanced view.
- **Take Notes on Key Events:** The book covers complex political maneuvers that might benefit from a bit of note-taking for clarity.
- **Reflect on the Broader Themes:** Think about how issues like power, loyalty, and justice play

out in other political contexts around the world.

Americas prisoner the memoirs of manuel noriega stands as a provocative and essential read for anyone intrigued by the intersections of personal narrative and geopolitical history. It challenges readers to go beyond the headlines and understand the intricate realities that define leaders and nations alike.

Frequently Asked Questions

What is 'America's Prisoner: The Memoirs of Manuel Noriega' about?

'America's Prisoner' is the autobiography of Manuel Noriega, the former military dictator of Panama, detailing his rise to power, his relationship with the United States, and his eventual downfall and imprisonment.

Who is Manuel Noriega?

Manuel Noriega was a Panamanian military officer and dictator who ruled Panama from 1983 to 1989 before being deposed by a U.S. invasion and later imprisoned.

Why is the book titled 'America's Prisoner'?

The title reflects Noriega's complex relationship with the United States, highlighting how he was once supported by America but later captured and imprisoned by them.

When was 'America's Prisoner: The Memoirs of Manuel Noriega' published?

The memoir was published in 1996, after Noriega was extradited to the United States and imprisoned.

What insights does the memoir provide about U.S.-Panama relations?

The memoir offers Noriega's perspective on U.S. foreign policy, his collaboration with the CIA, and the political dynamics leading to the U.S. invasion of Panama.

How does Noriega portray himself in the memoir?

Noriega presents himself as a patriot and victim of U.S. intervention, defending his actions and criticizing American motives and policies.

What events in Noriega's life are covered in the memoir?

The book covers Noriega's military career, rise to power, involvement with drug trafficking allegations, the U.S. invasion of Panama in 1989, and his subsequent imprisonment.

Is 'America's Prisoner' considered a reliable historical source?

While providing valuable first-person insight, the memoir is subjective and should be read alongside other sources for a balanced understanding of Noriega's regime and U.S. involvement.

What impact did 'America's Prisoner' have upon release?

The memoir sparked discussions about U.S. interventionism, Noriega's legacy, and the complexities of Cold War-era politics in Latin America.

Where can I find 'America's Prisoner: The Memoirs of Manuel Noriega'?

The book is available for purchase through major bookstores and online retailers, as well as in some libraries and digital book platforms.

Americas Prisoner: The Memoirs of Manuel Noriega - An Analytical Review

americas prisoner the memoirs of manuel noriega offers a rare and intimate glimpse into the life and mind of one of Latin America's most controversial figures. Manuel Noriega, the former military dictator of Panama, has long been a subject of intrigue, vilification, and geopolitical significance. His memoirs not only chronicle his rise and fall but also serve as a primary source that sheds light on U.S.-Latin American relations during the late 20th century. This article presents a thorough analysis of the memoirs, exploring their historical context, narrative style, and the broader implications for understanding the complex legacy of Noriega.

Historical Context and Background

Manuel Noriega's memoirs come at a time when global interest in Cold War-era politics and U.S. interventions in Latin America continues to be significant. Known primarily for his tenure as Panama's de facto ruler from 1983 to 1989, Noriega's story is entwined with issues of drug trafficking allegations, military coups, and the U.S. invasion of Panama in 1989. His imprisonment and trial in the United States marked a pivotal moment in international law and U.S. foreign policy.

"Americas prisoner the memoirs of manuel noriega" provides a firsthand account from Noriega himself, who was often portrayed in mainstream media as a villainous figure. His writings challenge many of the prevailing narratives, inviting readers to reconsider the complexities behind his leadership and the motivations of external actors involved in his downfall.

The Geopolitical Landscape

The memoirs are invaluable in understanding the Cold War dynamics between the United States and Latin America. Noriega was initially an ally of the U.S., working with the CIA and other agencies. However, his eventual estrangement and the subsequent U.S. invasion raise critical questions about the ethics and strategies of American foreign policy. The memoirs contextualize these shifts through Noriega's perspective, highlighting the paradoxes of alliance and betrayal.

Narrative Style and Structure

Unlike many political memoirs that aim to sanitize or glorify their subjects, Noriega's narrative embraces a candid, sometimes defensive tone. The prose is straightforward, reflecting a man intent on setting the record straight rather than crafting a polished autobiography. This rawness contributes to the memoir's authenticity but also poses challenges for readers seeking an unbiased historical account.

The structure of "americas prisoner the memoirs of manuel noriega" is chronological yet interspersed with reflective passages that delve into Noriega's personal philosophy, justifications for his actions, and perceptions of his adversaries. This blend of political recounting and introspection enriches the memoir, providing layers of complexity rarely found in works by authoritarian figures.

Key Themes Explored

Throughout the memoirs, several recurring themes emerge:

- **Power and Control:** Noriega explores the mechanisms of maintaining authority in a volatile political environment, including alliances, coercion, and intelligence operations.
- **Betrayal and Loyalty:** He frequently discusses his relationships with U.S. officials, shedding light on shifting loyalties and political expediency.
- **Justice and Injustice:** A significant portion of the memoir is dedicated to Noriega's views on his trial and imprisonment, which he frames as politically motivated.
- **Identity and Legacy:** Noriega wrestles with how history will remember him, offering insights into his self-image and aspirations.

Critical Reception and Impact

Since its release, "americas prisoner the memoirs of manuel noriega" has attracted attention from historians, political analysts, and readers interested in Latin American politics. Critics have praised

the memoir for its unfiltered perspective but caution that Noriega's self-portrayal must be read with skepticism, given his vested interests.

Comparisons with Other Political Memoirs

When compared to memoirs of other controversial leaders from the region, such as Augusto Pinochet or Fidel Castro, Noriega's account stands out for its mixture of personal vulnerability and unapologetic tone. Unlike some memoirs that seek to rewrite history, Noriega's writings acknowledge his controversial actions but defend them within the context of his era's political realities.

SEO Keywords and Relevance

The memoir's relevance to SEO-centric topics like "Manuel Noriega biography," "Panama invasion memoirs," "Cold War Latin America," and "U.S. foreign policy memoirs" is clear. Incorporating these keywords helps reach audiences searching for detailed political histories and firsthand accounts of U.S.-Latin America relations. Additionally, LSI keywords such as "Noriega trial," "Panama dictator memoirs," and "drug trafficking allegations" are naturally woven throughout analyses of the content, enhancing the article's discoverability without compromising readability.

Insights into Noriega's Personality and Governance

One of the memoir's most intriguing aspects is its portrayal of Noriega's complex personality. Far from a one-dimensional dictator, he emerges as a strategic thinker, a pragmatist, and a man deeply aware of his limitations and strengths. His discussions about governance reveal an understanding of realpolitik and the challenges of leading a nation at the crossroads of competing international interests.

Pros and Cons of Noriega's Leadership According to the Memoirs

1. Pros:

- Maintained Panama's sovereignty amid intense U.S. pressure.
- Invested in infrastructure and national development projects.
- Strengthened Panama's intelligence capabilities.

2. Cons:

- Accused of corruption and involvement in drug trafficking.
- Suppressed political opposition and civil liberties.
- Contributed to political instability leading up to the U.S. invasion.

These balanced assessments invite readers to contemplate the dualities inherent in Noriega's rule, offering a nuanced picture beyond the conventional narratives.

The Legacy of “Americas Prisoner The Memoirs of Manuel Noriega”

Beyond its immediate historical significance, the memoirs contribute to ongoing debates about justice, sovereignty, and international intervention. They provide a platform for reassessing the narratives imposed by dominant powers and emphasize the importance of hearing voices from all sides of conflict.

The memoirs also serve as a case study for students of political science and international relations, offering an insider's perspective on the interplay between domestic politics and global geopolitics. Noriega's reflections on his imprisonment underscore the complexities of legal and moral accountability in an interconnected world.

As interest in Latin American history and U.S. foreign policy continues to grow, “americas prisoner the memoirs of manuel noriega” remains a critical text for those seeking to understand the multifaceted nature of power, rebellion, and reconciliation in the region.

Americas Prisoner The Memoirs Of Manuel Noriega

americas prisoner the memoirs of manuel noriega: America's Prisoner Manuel Antonio Noriega, Peter Eisner, 1997 Manuel Noriega is the only American prisoner of war. He may be a demon in the eyes of most Americans, but he has a unique and alarming view of the secrets behind U.S. relations with Panama and the real reasons for the 1989 invasion that removed him from power. In this memoir, certain to be one of the most newsworthy and controversial of the year, Noriega describes for the first time his backstage dealings with George Bush, Oliver North, William Casey and the CIA, Jimmy Carter, Fidel Castro and Moammar Gahdafi. But this is more than a deposed strongman's tell-all that some might find hard to believe. Noriega's story was investigated independently by Peter Eisner, a top foreign correspondent who has written about Latin America for twenty years and covered Noriega's fall for Newsday. Eisner's reporting finds support for some of Noriega's assertions and provides additional perspective for others, in his conduct as head of Panama's military, his secret dealings with Cuba on behalf of the CIA, his relations with key U.S. officials, and the unconscionable damage inflicted upon the people of Panama by the U.S. invasion.

Moreover, Eisner raises new questions about the allegations that Noriega was a drug dealer and a murderer. In fact, he concludes Noriega is not guilty of these charges. And then there is Noriega himself, a surprisingly savvy military man who saw himself as a nationalist, an honest broker between his allies in U.S. intelligence and his neighboring Latin American leaders. As Noriega tells it, his problems began when he began to resist the Reagan administration's efforts to fight communism in Central America. *America's Prisoner* is one of the most unusual and important accounts ever written about U.S. aggression and duplicity. It is the story of how we have imprisoned a man - and a nation.

americas prisoner the memoirs of manuel noriega: America's Prisoner Manuel Noriega, 1998-06-01

americas prisoner the memoirs of manuel noriega: Confessions of an Economic Hit Man John Perkins, 2004-11-09 Economic hit men," John Perkins writes, "are highly paid professionals who cheat countries around the globe out of trillions of dollars. Their tools include fraudulent financial reports, rigged elections, payoffs, extortion, sex, and murder." John Perkins should know—he was an economic hit man. His job was to convince countries that are strategically important to the U.S.—from Indonesia to Panama—to accept enormous loans for infrastructure development, and to make sure that the lucrative projects were contracted to U. S. corporations. Saddled with huge debts, these countries came under the control of the United States government, World Bank and other U.S.-dominated aid agencies that acted like loan sharks—dictating repayment terms and bullying foreign governments into submission. This New York Times bestseller exposes international intrigue, corruption, and little-known government and corporate activities that have dire consequences for American democracy and the world. It is a compelling story that also offers hope and a vision for realizing the American dream of a just and compassionate world that will bring us greater security.

americas prisoner the memoirs of manuel noriega: The New Confessions of an Economic Hit Man John Perkins, 2016-02-09 Featuring 15 explosive new chapters, this new edition of the New York Times bestseller brings the story of Economic Hit Men up-to-date and, chillingly, home to the U.S.—but it also gives us hope and the tools to fight back. The previous edition of this now-classic book revealed the existence and subversive manipulations of economic hit men. John Perkins wrote that they are highly paid professionals who cheat countries around the globe out of trillions of dollars. Their tools include fraudulent financial reports, rigged elections, payoffs, extortion, sex, and murder. In Perkins's case the tool was debt—convincing strategically important countries to borrow huge amounts of money for enormous, development projects that served the very rich while driving the country deeper into poverty and debt. And once indebted, these countries could be controlled. In this latest edition, Perkins provides revealing new details about how he and others did their work. But more importantly, in an explosive new section he describes how the EHM tools are being used around the world more widely than ever—even in the U. S. itself. The cancer has metastasized, yet most people still aren't aware of it. Fear and debt drive the EHM system. We are hammered with messages that terrify us into believing that we must pay any price, assume any debt, to stop the enemies who, we are told, lurk at our doorsteps. The EHM system—employing false economics, bribes, surveillance, deception, debt, coups, assassinations, unbridled military power—has become the dominant system of economics, government, and society today. It has created what Perkins calls a Death Economy. But Perkins offers hope: he concludes with dozens of specific, concrete suggestions for actions all of us can take to wrest control of our world away from the economic hit men, and help give birth to a Life Economy.

americas prisoner the memoirs of manuel noriega: The Crime of Aggression Noah Weisbord, 2019-06-11 A gripping behind-the-scenes account of the dramatic legal fight to hold leaders personally responsible for aggressive war On July 17, 2018, starting an unjust war became a prosecutable international crime alongside genocide, crimes against humanity, and war crimes. Instead of collective state responsibility, our leaders are now personally subject to indictment for crimes of aggression, from invasions and preemptions to drone strikes and cyberattacks. The Crime

of Aggression is Noah Weisbord's riveting insider's account of the high-stakes legal fight to enact this historic legislation and hold politicians accountable for the wars they start. Weisbord, a key drafter of the law for the International Criminal Court, takes readers behind the scenes of one of the most consequential legal dramas in modern international diplomacy. Drawing on in-depth interviews and his own invaluable insights, he sheds critical light on the motivations of the prosecutors, diplomats, and military strategists who championed the fledgling prohibition on unjust war—and those who tried to sink it. He untangles the complex history behind the measure, tracing how the crime of aggression was born at the Nuremberg trials only to fall dormant during the Cold War, and he draws lessons from such pivotal events as the collapse of the League of Nations, the rise of the United Nations, September 11, and the war on terror. The power to try leaders for unjust war holds untold promise for the international order, but also great risk. In this incisive and vitally important book, Weisbord explains how judges in such cases can balance the imperatives of justice and peace, and how the fair prosecution of aggression can humanize modern statecraft.

americas prisoner the memoirs of manuel noriega: Cuba Libre Philip Brenner, Peter Eisner, 2017-08-31 This timely book provides a balanced and deeply knowledgeable introduction to Cuba since Christopher Columbus's first arrival in 1492. With decades of experience studying and reporting on the island, Philip Brenner and Peter Eisner provide an incisive overview for all readers seeking to go beyond stereotypes in their exploration of Cuba's politics, economy, and culture. As Cuba and the United States open their doors to each other, Cuba Libre gives travelers, policy makers, businesspeople, students, and those with an interest in world affairs an opportunity to understand Cuba from a Cuban perspective; to appreciate how Cubans' quest for independence and sovereignty animates their spirit and shapes their worldview and even their identity. In a world ever more closely linked, Cuba Libre provides a compelling model for US citizens and policy makers to empathize with viewpoints far from their own experiences.

americas prisoner the memoirs of manuel noriega: Criminal Finance: The Political Economy of Money Laundering in a Comparative Legal Context Kris Hinterseer, 2002-05-13 As the first cross-disciplinary analysis of money laundering - fully recognizing the activity's economic, political, and juridical dimensions - Criminal Finance clearly identifies a useful array of appropriate criteria that may be used to develop and implement effective control strategies. The book will be of immeasurable and immediate value to bankers, legislators, regulators, law enforcement authorities, and concerned lawyers and academics everywhere.

americas prisoner the memoirs of manuel noriega: U.S. Presidents and Latin American Interventions Michael Grow, 2008-06-10 Lyndon Johnson invaded the Dominican Republic. Richard Nixon sponsored a coup attempt in Chile. Ronald Reagan waged covert warfare in Nicaragua. Nearly a dozen times during the Cold War, American presidents turned their attention from standoffs with the Soviet Union to intervene in Latin American affairs. In each instance, it was declared that the security of the United States was at stake—but, as Michael Grow demonstrates, these actions had more to do with flexing presidential muscle than responding to imminent danger. From Eisenhower's toppling of Arbenz in Guatemala in 1954 to Bush's overthrow of Noriega in Panama in 1989, Grow casts a close eye on eight major cases of U.S. intervention in the Western Hemisphere, offering fresh interpretations of why they occurred and what they signified. The case studies also include the Bay of Pigs fiasco, Reagan's invasion of Grenada in 1983, and JFK's little-known 1963 intervention against the government of Cheddi Jagan in British Guiana. Grow argues that it was not threats to U.S. national security or endangered economic interests that were decisive in prompting presidents to launch these interventions. Rather, each intervention was part of a symbolic geopolitical chess match in which the White House sought to project an image of overpowering strength to audiences at home and abroad—in order to preserve both national and presidential credibility. As Grow also reveals, that impulse was routinely reinforced by local Latin American elites—such as Chilean businessmen or opposition Panamanian politicians—who actively promoted intervention in their own self-interest. LBJ's loud lament—"What can we do in Vietnam if we can't clean up the Dominican Republic?"—reflected just how preoccupied our presidents were with proving that the U.S. was no

paper tiger and that they themselves were fearless and forceful leaders. Meticulously argued and provocative, Grow's bold reinterpretation of Cold War history shows that this special preoccupation with credibility was at the very core of our presidents' approach to foreign relations, especially those involving our Latin American neighbors.

americas prisoner the memoirs of manuel noriega: The War on Drugs Ron Chepesiuk, 1999-12-17 Here is the whole story of the world of drugs—from the infamous Opium Wars to the legal availability of narcotics in the United States during the past century; from the unexpected boost given to illicit drugs by Prohibition to the great success of the French Connection. The global drug trade is one of the most prominent examples of the law of supply and demand. Despite such countermeasures as the execution of narcotics dealers in China and the United States's much-ballyhooed War on Drugs, drug traffickers have always managed to meet the demand and satisfy an ever-growing customer base. In addition to offering a wealth of little-known facts, *The War on Drugs* also covers major dealers, cartels, organizations, smuggling and anti-smuggling strategies, major miscalculations and disasters, drug epidemics, legal restraints, famous incidents, and more.

americas prisoner the memoirs of manuel noriega: At the Devil's Table William C. Rempel, 2011-06-21 In this riveting and relentless nonfiction thriller, award-winning investigative reporter William C. Rempel tells the harrowing story of former Cali cartel insider Jorge Salcedo, an ordinary man facing an extraordinary dilemma—a man forced to risk everything to escape the powerful and treacherous Cali crime syndicate. Colombia in the 1990s is a country in chaos, as a weak government battles guerrilla movements and narco-traffickers, including the notorious Pablo Escobar and his rivals in the Cali cartel. Enter Jorge Salcedo, a part-time soldier, a gifted engineer, a respected businessman and family man—and a man who despises Pablo Escobar for patriotic and deeply personal reasons. He is introduced to the godfathers of the Cali cartel, who are at war with Escobar and desperately want their foe dead. With mixed feelings, Jorge agrees to help them. Once inside, Jorge rises to become head of security for Miguel Rodríguez Orejuela, principal godfather of the \$7-billion-a-year Cali drug cartel. Jorge tries to turn a blind eye to the violence, corruption, and brutality that surround him, and he struggles privately to preserve his integrity even as he is drawn deeper into the web of cartel operations. Then comes an order from the godfathers that he can't obey—but can't refuse. Jorge realizes that his only way out is to bring down the biggest, richest crime syndicate of all time. Thus begins a heart-pumping roller-coaster ride of intensifying peril. Secretly aided by a pair of young American DEA agents, Jorge races time and cartel assassins to extract damaging evidence, help capture the fugitive godfather, and save the life of a witness targeted for murder. Through it all, death lurks a single misstep away. William C. Rempel is the only reporter with access to this story and to Jorge, who remains in hiding somewhere in the United States—even the author doesn't know where—but has revealed his experience in gripping detail. Salcedo's is the story of one extraordinary ordinary man forced to risk everything to end a nightmare of his own making.

americas prisoner the memoirs of manuel noriega: U.S. and Latin American Relations Gregory B. Weeks, 2015-08-03 Featuring numerous updates and revisions, *U.S. and Latin American Relations*, 2nd Edition offers in-depth theoretical and historical analyses to explore the complex dynamic between the United States and the countries that comprise Latin America. Presents a theoretical framework that allows readers to view U.S.-Latin American relations from both a regional and global context Reviews the history of U.S.-Latin American relations from the 19th century to the present, including in-depth coverage of the ways political events in Cuba have shaped policy Examines former issues of conflict that are now areas of cooperation, such as debt and trade, immigration, human rights, illegal drugs, and terrorism Incorporates primary documents to place issues within historical context

americas prisoner the memoirs of manuel noriega: The History of Panama Robert C. Harding, 2006-05-30 As the narrowest stretch of land in the Central American isthmus, Panama's geographical location has for millenia made it the crossroads for traders, travelers, European pirates, and world superpowers. Panamanian history is replete with explicit or tacit domination by

others. In the post-Columbus period, Panama was first a Spanish colony, then a province of Colombia, and then finally a quasi-territory of the United States during the 20th century. Suffering invasion by the United States in 1989 to oust dictator Manuel Noriega and then receiving full ownership of the Panama Canal at the end of 1999, Panama has rebuilt itself into a strong, if contentious democracy. This work chronicles and highlights the key events and figures in the country's past 500 years of history, from Columbus to current day. It begins with Panama's colonial period, demonstrating how even in its early day, the isthmus was seen by the Spanish as merely a transshipment point. It then examines the post-Spanish period when the Colombian province of Panama became a forgotten backwater until European powers began vying for canal rights, leading to an ill-fated French effort. The main portion of the book details the events, figures, and intricacies of the Panama-U.S. relationship, which dominated Panama's history for the entire 20th century. It closes with an examination of the gains and challenges the country has faced in the post-U.S. invasion years.

americas prisoner the memoirs of manuel noriega: Political Culture in Panama O. Pérez, 2010-12-13 The most comprehensive and empirically grounded analysis of the institutional and attitudinal factors that have shaped Panamanian politics since the 1989 U.S. invasion. Panama offers a unique opportunity to understand the long-term effects of United States policy and the challenges of building democracy after a military invasion.

americas prisoner the memoirs of manuel noriega: Engaged Pedagogy, Enraged Pedagogy: Reconciling Politics, Emotion, Religion, and Science for Critical Pedagogy T. Monchinski, 2011-07-23 Students, teachers and schools are under attack. The assault comes in the guise of 'accountability' and 'choice', cloaking itself in the 'scientifically-proven' with an over-emphasis of data. It combines a vilification of organized labor along with a promotion of the irrational, while readily blurring the line between utopia and dystopia. The attack abuses education as it disseminates self-serving propaganda, simultaneously covering up inconvenient truths like the United States government's long and storied relationships with Saddam Hussein and Osama bin Laden in the Wars on Terror. It suppresses solidarity and compassion while it champions a divisive form of selfish individualism. Engaged Pedagogy, Enraged Pedagogy seeks to counter these attacks and expose the ideological impulses behind them. Marshalling critical pedagogy and an ethic of care with the notions of justified anger and the intellectual warrior, the book explores the non-antagonistic dualisms between faith and science, reason and emotion; it deconstructs social texts ranging from '80s action films to dystopian literature as it uncovers the ideologies that structure and order our lives; it explores and champions the democratic potential of dialogue, mutuality, and authority, while challenging left essentialism and identity politics. The book also features an interview with Joe Kincheloe, a seminal figure in the field of critical pedagogy.

americas prisoner the memoirs of manuel noriega: Panama and the United States Michael L. Conniff, 2012-12-01 After Panama assumed control of the Panama Canal in 1999, its relations with the United States became those of a friendly neighbor. In this third edition, Michael L. Conniff describes Panama's experience as owner-operator of one of the world's premier waterways and the United States' adjustment to its new, smaller role. He finds that Panama has done extremely well with the canal and economic growth but still struggles to curb corruption, drug trafficking, and money laundering. Historically, Panamanians aspired to have their country become a crossroads of the world, while Americans sought to tame a vast territory and protect their trade and influence around the globe. The building of the Panama Canal (1904-14) locked the two countries in their parallel quests but failed to satisfy either fully. Drawing on a wide array of sources, Conniff considers the full range of factors—political, social, strategic, diplomatic, economic, and intellectual—that have bound the two countries together.

americas prisoner the memoirs of manuel noriega: Cocaine, Death Squads, and the War on Terror Oliver Villar, Drew Cottle, 2011-11 Since the late 1990s, the United States has funneled billions of dollars in aid to Colombia, ostensibly to combat the illicit drug trade and State Department-designated terrorist groups. The result has been a spiral of violence that continues to

take lives and destabilize Colombian society. This book asks an obvious question: are the official reasons given for the wars on drugs and terror in Colombia plausible, or are there other, deeper factors at work? Scholars Villar and Cottle suggest that the answers lie in a close examination of the cocaine trade, particularly its class dimensions. Their analysis reveals that this trade has fueled extensive economic growth and led to the development of a "narco-state" under the control of a "narco-bourgeoisie" which is not interested in eradicating cocaine but in gaining a monopoly over its production. The principal target of this effort is the Revolutionary Armed Forces of Colombia (FARC), who challenge that monopoly as well as the very existence of the Colombian state. Meanwhile, U.S. business interests likewise gain from the cocaine trade and seek to maintain a dominant, imperialist relationship with their most important client state in Latin America. Suffering the brutal consequences, as always, are the peasants and workers of Colombia. This revelatory book punctures the official propaganda and shows the class war underpinning the politics of the Colombian cocaine trade.

americas prisoner the memoirs of manuel noriega: *Not Condemned To Repetition* Robert Pastor, 2018-02-13 Through the fall of Anastasio Somoza, the rise of the Sandinistas, and the contra war, the United States and Nicaragua seemed destined to repeat the mistakes made by the U.S. and Cuba forty years before. The 1990 election in Nicaragua broke the pattern. Robert Pastor was a major US policymaker in the critical period leading up to and following the Sandinista Revolution of 1979. A decade later after writing the first edition of this book, he organized the International Mission led by Jimmy Carter that mediated the first free election in Nicaragua's history. From his unique vantage point, and utilizing a wealth of original material from classified government documents and from personal interviews with U.S. and Nicaraguan leaders, Pastor shows how Nicaragua and the United States were prisoners of a tragic history and how they finally escaped. This revised and updated edition covers the events of the democratic transition, and it extracts the lessons to be learned from the past.

americas prisoner the memoirs of manuel noriega: *Cuba's Revolutionary World* Jonathan C. Brown, 2017-04-24 As Castro's democratic reform movement veered off course, a revolution that seemed to signal the death knell of dictatorship in Latin America brought about its tragic opposite. Jonathan C. Brown examines in forensic detail how the turmoil that rocked a small Caribbean nation in the 1950s became one of the century's most transformative events.

americas prisoner the memoirs of manuel noriega: *Whiteout* Alexander Cockburn, Jeffrey St. Clair, 2014-12-16 On March 16, 1998, the CIA's Inspector General, Fred Hitz, finally let the cat out of the bag in an aside at a Congressional Hearing. Hitz told the US Reps that the CIA had maintained relationships with companies and individuals the Agency knew to be involved in the drug business. Even more astonishingly, Hitz revealed that back in 1982 the CIA had requested and received from Reagan's Justice Department clearance not to report any knowledge it might have of drug-dealing by CIA assets. With these two admissions, Hitz definitively sank decades of CIA denials, many of them under oath to Congress. Hitz's admissions also made fools of some of the most prominent names in US journalism, and vindicated investigators and critics of the Agency, ranging from Al McCoy to Senator John Kerry. The involvement of the CIA with drug traffickers is a story that has slouched into the limelight every decade or so since the creation of the Agency. Most recently, in 1996, the San Jose Mercury News published a sensational series on the topic, Dark Alliance, and then helped destroy its own reporter, Gary Webb. In *Whiteout*, Alexander Cockburn and Jeffrey St. Clair finally put the whole story together from the earliest days, when the CIA's institutional ancestors, the OSS and the Office of Naval Intelligence, cut a deal with America's premier gangster and drug trafficker, Lucky Luciano. They show that many of even the most seemingly outlandish charges leveled against the Agency have basis in truth. After the San Jose Mercury News series, for example, outraged black communities charged that the CIA had undertaken a program, stretching across many years, of experiments on minorities. Cockburn and St. Clair show how the CIA imported Nazi scientists straight from their labs at Dachau and Buchenwald and set them to work developing chemical and biological weapons, tested on black

Americans, some of them in mental hospitals. Cockburn and St. Clair show how the CIA's complicity with drug-dealing criminal gangs was part and parcel of its attacks on labor organizers, whether on the docks of New York, or of Marseilles and Shanghai. They trace how the Cold War and counterinsurgency led to an alliance between the Agency and the vilest of war criminals such as Klaus Barbie, or fanatic heroin traders like the mujahed in Afghanistan. Whiteout is a thrilling history that stretches from Sicily in 1944 to the killing fields of South-East Asia, to CIA safe houses in Greenwich Village and San Francisco where CIA men watched Agency-paid prostitutes feed LSD to unsuspecting clients. We meet Oliver North as he plotted with Manuel Noriega and Central American gangsters. We travel to little-known airports in Costa Rica and Arkansas. We hear from drug pilots and accountants from the Medellín Cocaine Cartel. We learn of DEA agents whose careers were ruined because they tried to tell the truth. The CIA, drugs ... and the press. Cockburn and St. Clair dissect the shameful way many American journalists have not only turned a blind eye on the Agency's misdeeds, but helped plunge the knife into those who told the real story. Here at last is the full saga. Fact-packed and fast-paced, Whiteout is a richly detailed excavation of the CIA's dirtiest secrets. For all who want to know the truth about the Agency this is the book to start with.

americas prisoner the memoirs of manuel noriega: Confessions of an Economic Hit Man, 3rd Edition John Perkins, 2023-02-28 Los Angeles Times Bestseller How do we stop the unrelenting evolution of the economic hit man strategy and China's takeover? The riveting third edition of this New York Times bestseller blows the whistle on China's economic hit man (EHM) strategy, exposes corruption on an international scale, and offers much-needed solutions for curing the degenerative Death Economy. In this shocking exposé, former EHM John Perkins gives an insider view into the corrupt system that cheats and strong-arms countries around the globe out of trillions of dollars and ultimately causes staggering income inequality and ecological devastation. EHMs are highly paid professionals who use development loans to saddle countries with huge debts and force them to serve US interests. Now, a new EHM wave is infecting the world, and at the peak of the devastation sits China, a newly dominant economic power, with its own insidious version of the US EHM blueprint. Twelve explosive new chapters detail the allure, exploitation, and wreckage of China's EHM strategy in Latin America, Asia, Africa, the Middle East, and Europe. If allowed to continue its rampage, the EHM strategy—whether executed by the United States or China—will destroy life as we know it. However, all is not lost. Perkins offers a plan for transforming this system that places profits above all into a Life Economy that restores the earth. He inspires readers to take actions toward a new era of global cooperation that will end the United States's and China's EHM strategies for good.
