Thirty six year old Alyssa Montgomery is married and has one daughter. She knows there are things going on with herself that she cannot explain! Two years ago, Alyssa had gone to see Dr. Norma Price, a Psychologist who specialized in situations like Alyssa's. She didn't care much for Dr. Price, but she knows that she is the only one who has any knowledge of her family history and herself, so maybe she will give Alyssa one more chance to help her figure out what the hell is going on!Alyssa decided since she was already there, she would storm Dr. Price's office, going past the receptionist who tried to stop Alyssa from going back, and Alyssa slammed the doctor's office door open telling her that she would do whatever she said but that she needed help as of YESTERDAY! Dr. Price said; Alyssa please take a seat in the lobby and I will be with you as soon as I can. Ten minutes later, Dr. Price opens her door and calls Alyssa back. As Alyssa is taking her seat Dr. Price is explaining to Alyssa; I don't know if I can help you because you did not stick to our agreement for therapy before. How do I know you are serious now? Alyssa pleaded; I am so sorry for not coming back! I am sorry for not sticking to the commitment, but things are different now! I realize that I cannot fight this battle alone! I am scared to death I will do something I will forever regret and I don't want that to happen! Please Dr. Price, won't you help me? I can't take this abuse any more! I've had enough!
